• Win More Contracts, at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)

Department for the Aging (DFTA)

Statement of Basis and Purpose of the Proposed Rule

Chapter 9 of Title 3 of the New York City Administrative Code ("Chapter 9") regulates not-for-profit organizations affiliated with elected officials by, among other things, requiring such organizations to report certain donations. Local Law 153 of 2019 amended Chapter 9 by:

(1) clarifying that a donor's donations are aggregated throughout the calendar year to trigger the donation reporting thresholds;

(2) relaxing the reporting requirements on unrestricted organizations (as defined in Board Rules § 3-01(k)); and (3) permitting donors to unrestricted organizations to request anonymity from the organizations themselves instead of the unrestricted organizations requesting permission from the Conflicts of Interest Board to offer their donors anonymity when reporting their donations.

The proposed amendments to Board Rules § 3-04 would implement these legislative changes and omit duplicative rule language that is now contained in Chapter 9.

Text of the Proposed Rule

New material is underlined.

[Deleted material is in brackets.]

Section 3-04 of Title 53 of the Rules of the City of New York is amended to read as follows:

§ 3-04. Annual Reporting by Organizations Affiliated with an Elected Official.

Pursuant to Administrative Code § 3-902, all organizations affiliated with an elected official must submit the reporting required pursuant to Administrative Code § 3-902(a) on the Board's website, no later than August 1 for the previous calendar year, as follows.

(a) Reporting Requirements for Restricted Organizations

* * *

- (2) [To comply with] <u>In addition to</u> the reporting requirements of Administrative Code §§ 3-902(a)(6) and 3-902(a)(7), a restricted organization must report for each donation received during the previous calendar year:
 - (i) the name of any donor who, as of the date of such donation, was either listed in the City's Doing Business Database or who was a household member of a person listed in the City's Doing Business Database;
 - (ii) the name of any donor who was added to the City's Doing Business Database within 180 days after the receipt of such donation or who was a household member of a person added to the City's Doing Business Database within 180 days after receipt of such donation;

Notice of Adoption

Notice of Adoption to amend the rules relating to second-hand automobile dealers to clarify that records maintained electronically in compliance with recent New York State Department of Motor Vehicle regulations comply with the record keeping requirements of the New York City Administrative Code.

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN the Commissioner of Consumer Affairs by Sections 1043 and 2203(f) of the New York City Charter, and Sections 20-104(b) and 20-275.1 of the New York City Administrative Code, and in accordance with the requirements of Section 1043 of the New York City Charter, that the Department amends Section 2-109 of Title 6 of the Rules of the City of New York.

This rule was proposed and published on September 25, 2019. A public hearing was held on October 25, 2019.

Statement of Basis and Purpose of Rule

DCA is amending Section 2-109 of Title 6 of the Rules of the City of New York relating to the record keeping requirements for secondhand automobile dealers.

Recently, the New York State Department of Motor Vehicles issued a new regulation that requires automobile dealers, absent limited exceptions, to use an electronic recordkeeping system called the Vehicle Electronic Reassignment and Integrated Facility Inventory ("VERIFI"). See 15 NYCRR 78.9. Under New York City law, secondhand automobile dealers must maintain written records of all transactions with specific information such as a description of the automobile purchased or sold and name and address of the buyer or seller. See NYC Admin. Code § 20-273.

DCA is amending its rule to clarify that a record maintained by a dealer in the VERIFI system satisfies the requirements of Section 20-273 of the New York City Administrative Code if it contains the information required by Section 20-273. In other words, this amendment makes clear that secondhand automobile dealers need not maintain separate records to comply with the New York State VERIFI requirements and the New York City Administrative Code requirements.

New material is underlined.
[Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Rule Amendment

Section 2-109 of Subchapter K of Chapter 2 of Title 6 of the Rules of the City of New York is amended to read as follows:

§ 2-109 Records and Reports.

- (a) To comply with Section 20-268.5(a) of the Administrative Code, a second-hand automobile dealer must maintain a copy of the consumer bill of rights signed or initialed by each consumer for six years after the date of execution of such document.
- (b) To comply with Section 20-268.5(c) of the Administrative Code, a second-hand automobile dealer must maintain an automobile contract cancellation option report in the format shown below.
- (c) A second-hand automobile dealer shall be in violation of Section 20-268.5(c) of the Administrative Code for failing to make available a copy of its automobile contract cancellation option report to the commissioner within 20 business days of receiving a request. Notwithstanding the foregoing sentence, a second-hand automobile dealer shall not be in violation of Section 20-268.5(c) for such a failure where he or she received and complied with a similar request in the past 12 months.
- (d) Records maintained by a second-hand automobile dealer in a manner compliant with the Vehicle Electronic Reassignment and Integrated Facility Inventory (VERIFI) system pursuant to Title 15, Part 78.9 of the Code, Rules and Regulations of the State of New York satisfy the requirements of Section 20-273 of the Administrative Code if the records contain the information required by such section of the Administrative Code. Nothing in this subdivision affects a second-hand automobile dealer's obligation to fully comply with Sections 20-273(e) and 20-273(f) of the Administrative Code.

DETERMINATION AND FINDINGS BY THE CITY OF NEW YORK PURSUANT TO SECTION 204 OF THE NEW YORK STATE EMINENT DOMAIN PROCEDURE LAW

Whereas, the New York City Department of Design and Construction ("DDC"), on behalf of the New York City Department of Environmental Protection ("DEP") and the City of New York ("City"), has proposed the acquisition of certain portions of West Castor Place from Alverson Avenue to Powell Street, McBaine Avenue from Alverson Avenue to approximately 200 feet west of Alverson Avenue, Alverson Avenue from Woodrow Road to Correl Avenue, and Gilroy Street from Woodrow Road to West Castor Place; as shown on the Damage and Acquisition Map No. 4250 (Capital Project: SER200258) in the Borough of Staten Island; and

Whereas, the New York State Eminent Domain Procedure Law ("EDPL") sets forth uniform procedures for condemnations by municipalities throughout the State of New York, which also governs over this acquisition; and

Whereas, pursuant to the EDPL, the City is required to hold a public hearing to determine whether the public would be better served by the proposed acquisition of the above-mentioned properties and the impact of such an acquisition on the neighborhood where the project is to be constructed; and

Whereas, the City held a public hearing, pursuant to EDPL Section 204 in relation to this acquisition on September 24, 2019 in the Borough of Staten Island. Having given due consideration to the complete hearing record, the City makes the following determination and findings concerning the above and below described acquisitions and project:

- The public use and benefit of this project is for the reconstruction of storm and sanitary sewers and related work in the Borough of Staten Island (the "Project").
- The properties to be acquired are within the acquisition limits shown on Damage and Acquisition Map No. 4250 as follows:
 - The bed of West Castor Place from Alverson Avenue to Powell Street, McBaine Avenue from Alverson Avenue to approximately 200 feet west of Alverson Avenue, Alverson Avenue from Woodrow Road to Correl Avenue, and Gilroy Street from Woodrow Road to West Castor Place.

The Blocks and Lots affected include the following locations, as shown on the Tax Map of the City of New York for the Borough of Staten Island:

Block No.	Lot No.
6142	27, 30, 33
6143	25
6145	300, 325

The Adjacent Blocks and Lots affected include the following locations, as shown on the Tax Map of the City of New York for the Borough of Staten Island:

Adjacent Block No.	Adjacent Lot No.
6142	37
6143	10, 12, 15, 17, 20, 25
6110	32
6109	1, 20, 25, 27, 29, 32, 35, 53, 55, 60, 65, 70, 75
6106	1, 26, 27, 85, 100, 115, 130, 150, 165, 166, 167, 168, 169, 170

6108	10, 16, 21, 26, 31, 42, 43, 37
6105	1, 11, 21, 31, 41, 51, 61, 71
6146	140, 146, 160, 166, 172, 183, 185, 186, 187, 188, 191

The City selected these locations based on a need for the installation of storm and sanitary sewers in the area of West Castor Place, McBaine Avenue, Alverson Avenue and Gilroy Street. The general effect on the neighborhood will be to improve current living conditions.

An environmental assessment of the proposed property acquisition location was conducted in accordance with the requirements of the State Environmental Quality Review Act (SEQRA) and the New York City Environmental Quality Review process (CEQR). The New York City Department of Environmental Protection, as lead agency, determined that the proposed project would have no new or different significant environmental impacts, and issued a Technical Memorandum to the Environmental Impact Statement (CEQR No. 97DEP026R) on July 17, 2019.

Comments and concerns presented, at the public hearing and through subsequent written submissions have been reviewed by the City. Questions were raised by property owners regarding the acquisition and project boundaries, and the manner in which adjacent properties would be affected. Property owners also requested that DEP expands the current project boundary to include Alverson Loop, a privately-

The City will work with all public and private parties involved in the project to minimize the impact of construction activities on the street, residents and environment, and will work with other involved agencies and the community in order to review and address project-related concerns. The City continues to review its design plans and will make modifications addressing any issues whenever possible.

The City has also reviewed all potential alternate locations and has determined that no other sites are feasible for the Project.

Based upon due consideration of the record and the foregoing findings, it is determined that the City of New York should exercise its power of eminent domain to acquire the above-described properties in order to promote and permit the purposes of the Project to be achieved.

Pursuant to EDPL Section 207, property owners have thirty (30) days from completion of the publication of this "Determination and to seek judicial review of this determination. This publication Findings' will be advertised in the City Record and Staten Island Advance

The exclusive venue for the judicial review of this determination, pursuant to EDPL Sections 207 and 208 is the Appellate Division of the Supreme Court in the Judicial Department where any part of the property to be acquired is located.

A copy of this Determination and Findings by the City is available without cost upon written request to:
