

CITY PLANNING COMMISSION

October 6, 2021 / Calendar No. 17

C 200320 MMK

IN THE MATTER OF an application submitted by the New York City Department of Sanitation, the New York City Department of Environmental Protection and The New York City Department of Citywide Administrative Services, pursuant to Sections 197-c and 199 of the New York City Charter for an amendment to the City Map involving:

- 1) the elimination of 5th Street between 2nd Avenue and the Gowanus Canal;
- 2) the adjustment of grades and block dimensions necessitated thereby;

including authorization for any acquisition or disposition of real property related thereto, in accordance with Map No. X-2758 dated May 3, 2021 and signed by the Borough President.

This application for a city map amendment by the New York City Department of Sanitation (DSNY), the Department of Environmental Protection (DEP), and the New York City Department of Citywide Administrative Services (DCAS) was filed on April 21, 2020. This application, in conjunction with the related site section and acquisition application (C 200319 PCK), site selection (C 200321 PSK) and City Map amendment (C 180039 MMK), would facilitate the construction of combined sewer overflow (CSO) control facilities and the onsite relocation of a DSNY salt and equipment storage facility in the Gowanus neighborhood of Brooklyn, Community District 6.

RELATED ACTIONS

In addition to the City Map amendment (C 200320 MMK) that is the subject of this report, implementation of the Plan also requires action by the City Planning Commission (CPC) on the following applications, which are being considered concurrently with this application:

C 200319 PCK Site selection and acquisition of real property by the City for salt and equipment storage, environmental education activities and additional space as needed for the CSO control facility.

C 200321 PSK Site selection of real property by the City to facilitate new CSO infrastructure

C 180039 MMK City map amendment for the elimination of Douglas Street between Nevins Street and the Gowanus Canal

BACKGROUND

A full background discussion and description of this application appears in the report for the related site selection and acquisition action (C 200319 PCK).

related site selection and acquisition action (C 200319 PCK), and the hearing was closed.

WATERFRONT REVITALIZATION PROGRAM CONSISTENCY REVIEW

This application (C 200320 MMK) was reviewed by the City Coastal Commission for consistency with the policies of the New York City Waterfront Revitalization Program (WRP), as amended, approved by the New York City Council on October 30, 2013 and by the New York State Department of State on February 3, 2016, pursuant to the New York State Waterfront Revitalization and Coastal Resources Act of 1981 (New York State Executive Law, Section 910 *et seq.*). The designated WRP number is 16-194. This action was determined to be consistent with the policies of the New York City Waterfront Revitalization Program.

CONSIDERATION

The Commission believes that this application for a City Map amendment (C 200320 MMK) in conjunction with the related applications is appropriate. A full consideration and analysis of the issues and the reasons for approving the application appear in the report for the related site selection and acquisition action (C 200319 PCK).

RESOLUTION

Therefore, the City Planning Commission, deeming the proposed amendment to the City Map and to be appropriate, adopts the following resolution:

RESOLVED, that having considered the Final Environmental Impact Statement (FEIS), for which a Notice of Completion was issued on February 1, 2018, with respect to this application (CEQR No. 17DEP040K), the City Planning Commission finds that the requirements of the New York State Environmental Quality Review Act and Regulations have been met and that:

1. Consistent with social, economic and other essential considerations from among the reasonable alternatives available, the action is one which avoids or minimizes adverse environmental impacts to the maximum extent practicable; and
2. The adverse environmental impacts disclosed in the FEIS will be minimized or avoided to the maximum extent practicable by incorporating as conditions to the approval those project components related to the environment and mitigation measures that were identified as practicable.

The report of the City Planning Commission, together with the FEIS, constitutes the written statement of facts, and of social, economic and other factors and standards, that form the basis of the decision, pursuant to Section 617.11(d) of the SEQRA regulations; and be it further

RESOLVED, by the City Planning Commission, pursuant to Section 197-c and 199 of the New York City Charter, that based on the environmental determination and the consideration described in this report, the application (C 200320 MMK), for an amendment to the City Map involving:

- 1) the elimination of 5th Street between 2nd Avenue and the Gowanus Canal;
- 2) the adjustment of grades and block dimensions necessitated thereby;

including authorization for any acquisition or disposition of real property related thereto, in accordance with Map No. X-2758 dated May 3, 2021 and signed by the Borough President.

All such approvals being subject to the following conditions:

- a. The subject amendment to the City Map shall take effect on the day following the day on which certified counterparts of Map No. X-2754 dated December 7, 2020 are filed with the appropriate agencies in accordance with Section 198

subsection c of the New York City Charter.

The above resolution (C 200320 MMK), duly adopted by the City Planning Commission on October 6, 2021 (Calendar No. 17), is filed with the Office of the Speaker, City Council, and the Borough President in accordance with the requirements of Section 197-d of the New York City Charter.
