#### DEPARTMENT OF PUBLIC WORKS.

DEPARTMENT OF PUBLIC WORKS,  
COMMISSIONER'S OFFICE,  
Room 6, No. 31 CHAMBERS STREET,  
NEW YORK, April 1, 1886.

**PROPOSALS FOR ONE THOUSAND (1,000)  
CUBIC YARDS OF GRAVEL, AND  
ONE THOUSAND FOUR HUNDRED  
(1,400) CUBIC YARDS OF GRAVEL  
BANK SCREENINGS.**

BIDS OR ESTIMATES ENCLOSED IN A SEALED  
envelope, with the title of the work and the name  
of the bidder endorsed thereon, will be received at this  
office until Wednesday, April 14, 1886, at 12 o'clock M.,  
at which place and hour they will be publicly opened by  
the head of the Department and read:

FOR FURNISHING AND DELIVERING TO THE  
DEPARTMENT OF PUBLIC WORKS ONE  
THOUSAND (1,000) CUBIC YARDS OF  
GRAVEL, SUITABLE FOR ROAD SUR-  
FACING; ALSO ONE THOUSAND FOUR  
HUNDRED (1,400) CUBIC YARDS OF  
GRAVEL BANK SCREENINGS

Bidders for the above contracts must be regularly  
engaged in the business and well prepared for furnishing  
the materials they propose for; and no contract will be  
made with any bidder who is not prepared to furnish  
satisfactory evidence to that effect.

Each estimate must contain the name and place of  
residence of the person making the same, the names of  
all persons interested with him therein, and if no other  
person be so interested, it shall distinctly state that fact.  
That it is made without any connection with any other  
person making an estimate for the same work, and is in  
all respects fair and without collusion or fraud. That no  
member of the Common Council, head of a department,  
chief of a bureau, deputy thereof or clerk therein, or  
other officer of the Corporation, is directly or indirectly  
interested in the estimate or in the work to which it re-  
lates or in the profits thereof.

Each estimate must be verified by the oath, in writing,  
of the party making the same, that the several matters  
therein stated are true, and must be accompanied by the  
consent, in writing, of two householders or freeholders  
in the City of New York, to the effect that if the contract  
is awarded to the person making the estimate, they will,  
upon its being so awarded, become bound as his sureties  
for its faithful performance; and that if he shall refuse or  
neglect to execute the same, they will pay to the Corpora-  
tion any difference between the sum to which he would  
be entitled upon its completion and that which the Cor-  
poration may be obliged to pay to the person to whom  
the contract shall be awarded at any subsequent letting;  
the amount to be calculated upon the estimated amount  
of the work by which the bids are tested.

The consent last above mentioned must be accompanied  
by the oath or affirmation, in writing, of each of the per-  
sons signing the same, that he is a householder or free-  
holder in the City of New York, and is worth the amount  
of the security required for the completion of the con-  
tract, over and above all his debts of every nature, and  
over and above his liabilities as bail, surety or otherwise,  
and that he has offered himself as surety in good faith,  
with the intention to execute the bond required by law.

No estimate will be considered unless accompanied  
by either a certified check upon one of the national  
banks of the City of New York, drawn to the order of the  
Comptroller, or money, to the amount of five per centum  
of the amount of the security required for the faithful  
performance of the contract. Such check or money must  
not be inclosed in the sealed envelope containing the  
estimate, but must be handed to the officer or clerk of  
the Department who has charge of the Estimate-box, and  
found to be correct. All such deposits, except  
that of the successful bidder, will be returned to the per-  
sons making the same within three days after the contract  
is awarded. If the successful bidder shall neglect or  
refuse, within five days after notice that the contract  
has been awarded to him, to execute the same, the amount  
of the deposit made by him shall be forfeited to and be  
retained by the City of New York, as liquidated damages  
for such neglect or refusal; but if he shall execute the  
contract within the time aforesaid, the amount of his de-  
posit will be returned to him.

**THE COMMISSIONER OF PUBLIC WORKS  
RESERVES THE RIGHT TO REJECT ALL BIDS  
RECEIVED FOR ANY PARTICULAR WORK IF  
HE DEEMS IT FOR THE BEST INTERESTS OF  
THE CITY.**

which to inclose the same, the specifications and agree-  
ments, and any further information desired, can be  
obtained at the office of the Chief Engineer, Room 12,

## TERMS AND CONDITIONS OF SALE.

All of the premises must be taken in the condition in which they may be at the date of sale, and no claim that the property is not in suitable condition at the date of sale or commencement of the lease, will be allowed by the Department; and all repairs and rebuilding required or necessary to be done to any of the premises during the continuance of the term of the lease, or at any time after the sale, shall be done by or at the cost and expense of the lessee or purchaser.

The term for which the leases are sold will commence from the date mentioned in the advertisement of the same, and as announced by the Auctioneer at the time of sale, viz.: from May 1, 1886; and the rent accruing therefor will become due and payable from that date respectively in each case.

This Department agrees to do all the dredging that it may deem necessary and proper.

No claim will be received, considered or allowed by the Department for the loss of wharfage or otherwise, resulting from any delay consequent upon any of the premises being occupied for repairs or dredging purposes.

The upset price for each of the above-named property or premises will be fixed by the Department of Docks, and announced by the Auctioneer at the time of sale.

Each purchaser of a lease will be required, at the time of the sale, and in addition to the Auctioneer's fees, to pay to the Department of Docks twenty-five per cent. of the amount of annual rent bid, as security for the execution of the lease, and which twenty-five per cent. will be applied to the payment of the rent first accruing under the lease, when executed, or will be forfeited if the purchaser neglects or refuses to execute the lease and bond within five days after being notified that the lease is prepared and ready for signature and execution. The Commissioners reserve the right to resell the leases bid off by those failing to comply with these terms; the party so failing, to be liable to the Corporation for any deficiency which may result from such resale.

Lessees will be required to pay their rent quarterly, in advance, in compliance with a stipulation therefor in the form of lease adopted by the Department.

Two sureties, each a freeholder or householder in the City of New York, and to be approved by the Commissioners of Docks, will be required, under each lease, to enter into a bond, jointly and severally, with the lessee, in the sum of an amount double the annual rent, for the faithful performance of all the covenants of the lease, and each purchaser will be required to submit, at the time of the sale, the name and address of his or their proposed sureties.

Each purchaser will be required to agree that he will, upon being notified so to do, execute a lease prepared upon the printed form adopted by the Department, which can be seen upon application to the Secretary, at the office, Pier "A," Battery Place.

No person will be received as lessee or surety who is delinquent on any former lease from the Corporation; and no bid will be accepted from any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The Auctioneer's fee of \$25 on each lot and the exchange fees, \$2, will be required to be paid by the purchasers thereof, respectively, at the time of sale.

## JURORS.

## NOTICE

## IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,  
ROOM 127, STEWART BUILDING,  
CHAMBERS STREET AND BROADWAY,  
NEW YORK, June 1, 1885.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 10 to 3 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

—will be received at the Department of Public Charities and Correction, in the City of New York, until 9.30 o'clock A. M. of Friday, April 9, 1886. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Groceries, Dry Goods, Wooden Ware, Lumber and Lime," with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Department and read.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882. No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered, to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be enclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits,

except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and be retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same, respectively, at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.

NEW YORK, April 2, 1886.

### TO CONTRACTORS.

**PROPOSALS FOR ESTIMATES FOR CON-  
STRUCTING UPPER PORTION OF PARK  
VERTICAL WALL ON THE WESTERLY SIDE  
OF FIFTH AVENUE, OPPOSITE AND AD-  
JACENT TO SEVENTY-FOURTH STREET.**

**SEALED ESTIMATES FOR THE ABOVE WORK,**  
indorsed with the above title, also with the name of  
the person or persons making the same, and the date of  
presentation, will be received at the office of the Depart-  
ment of Public Parks, No. 36 Union Square, New York  
City, until ten o'clock A. M., on Wednesday, the 14th day  
of April, 1886, at which place and hour the bids will be  
publicly opened by the head of said Department and  
read, and the award of the contract will be made as soon  
thereafter as practicable.

The person or persons to whom the contract may be  
awarded will be required to attend at the office of the  
said Department, with the sureties offered by him or  
them, and execute the contract within five days after  
written notice that the same has been awarded to his  
or their bid or estimate, and that the sureties offered  
by him or them have been approved by the Comptroller;  
and in case of failure or neglect so to do, he or they will  
be considered as having abandoned it, and as in default  
of the Corporation, and thereupon the work will be re-  
advertised and relet, and so on until the contract be ac-  
cepted and executed. The work to commence at such  
time as the Commissioners of the Department of Public  
Parks may designate.

N. B.—The prices must be written in the estimate, and  
also stated in figures, and all estimates will be considered  
as informal which do not contain bids for all items called  
for in the specifications, or which contain bids for items  
not called for therein. Permission will not be given for  
the withdrawal of any bid or estimate, and the right is  
expressly reserved by the Department of Public Parks to  
reject any or all estimates which it may deem prejudi-  
cial to the public interests. No estimate will be accepted  
from, or contract awarded to, any person who is in arrears  
to the Corporation upon debt or contract, or who is a  
defaulter, as surety or otherwise, upon any obligation to  
the Corporation.

No estimate will be received or considered unless ac-  
companied by either a certified check upon one of the  
National Banks of the City of New York, drawn to the  
order of the Comptroller, or money, to the amount  
of five per centum of the amount of the security  
required for the faithful performance of the contract.  
Such check or money must not be inclosed in the  
sealed envelope containing the estimate, but must be

handed to the officer or clerk of the Department who has  
charge of the Estimate-box, and no estimate can be de-  
posited in said box until such check or money has been  
examined by said officer or clerk, and found to be correct.  
All such deposits, except that of the successful bidder,  
will be returned to the persons making the same within  
three days after the contract is awarded. If the suc-  
cessful bidder shall neglect or refuse, within five days  
after notice that the contract has been awarded to him, to  
execute the same, the amount of the deposit made by  
him shall be forfeited and retained by the City of  
New York, as liquidated damages for such neglect or  
refusal; but if he shall execute the contract within the  
time aforesaid, the amount of his deposit will be re-  
turned to him.

Bidders are required to state in their estimates, under  
oath, their names and places of residence, the names of  
all persons interested in them therein, and if no other  
person be so interested they shall distinctly state the fact;  
also, that such estimate is made without any connection  
with any other person making a bid for estimate for the  
same purpose; and that it is in all respects fair, and  
without collusion or fraud; and also, that no member of  
the Common Council, Head of a Department, Chief of a  
Bureau, Deputy thereof, or Clerk therein, or other  
officer of the Corporation, is directly or indirectly inter-  
ested therein, or in the supplies or work to which it  
relates, or in any portion of the profits thereof.

The estimate must be verified by the oath, in writing,  
of the party making such estimate, that the several mat-  
ters therein stated are in all respects true. When more  
than one person is interested in the estimate, the verifica-  
tion must be made by all the parties interested.

Each estimate shall be accompanied by the consent,  
in writing, of two householders or freeholders in the  
City of New York, with their respective places of busi-  
ness or residence, to the effect that if the contract be  
awarded to the person making the estimate, they will, on  
its being so awarded, become bound as his sureties for  
its faithful performance; and that if he shall omit or re-  
fuse to execute the same, they will pay to the Corpora-  
tion any difference between the sum to which he would  
be entitled on its completion and that which the Corpora-  
tion may be obliged to pay to the person to whom the  
contract may be awarded at any subsequent letting; the  
amount in each case to be calculated upon the esti-  
mated amount of the work by which the bids are  
tested. The consent above mentioned shall be accompa-  
nied by the oath or affirmation, in writing, of each of the  
persons signing the same, that he is a householder or free-  
holder in the City of New York, and is worth the amount  
of the security required for the completion of the contract,  
and stated in the proposals, over and above all his  
debts of every nature, and over and above his liabilities  
as bail, surety, or otherwise; that he has offered  
himself as a surety in good faith and with an inten-  
tion to execute the bond required by law. The ade-  
quacy and sufficiency of the security offered will be  
determined by the Comptroller of the City of New York  
after the award is made and prior to the signing of the  
contract.

Bidders are required to state in writing, and also in  
figures, the price per lineal foot for upper portion of Park  
vertical wall, including coping of Ohio sandstone; also,  
the time required for the completion of the whole work,  
which will be tested at the rate of FOUR dollars per  
day.

These prices are to cover the furnishing of all the nec-  
essary materials and labor; and the performance of all  
the work as set forth in the specification and form of  
agreement.

It being understood that the time so bid refers to the  
aggregate time of such inspectors as may be appointed  
on the work, and not to consecutive days, and that the  
damages specified in covenant E (see section 2 (h) of the  
specifications) will be exacted for each and every day  
that the said aggregate time of the inspectors who may  
be employed on the work may exceed the time stipulated  
for the completion of the whole work.

The Engineer's estimate of the work to be done, and by  
which the bids will be tested, is as follows:  
213 lineal feet of the upper portion of the Park vertical  
wall, including coping.

N. B.—As the above-mentioned quantities, though  
stated with as much accuracy as possible in advance, are  
approximate only, bidders are required to submit their  
estimates upon the following express conditions, which  
shall apply to and become a part of every estimate  
received:

Bidders must satisfy themselves by personal examina-  
tion of the location of the proposed work, and by such  
other means as they may prefer, as to the accuracy of  
the foregoing Engineer's estimate, and shall not at any  
time after the submission of an estimate dispute or com-  
plain of such statement or estimate, nor assert that there  
was any misunderstanding in regard to the nature or  
amount of the work to be done.

Bidders will be required to complete the entire work to  
the satisfaction of the Commissioners of the Department  
of Public Parks, and in substantial accordance with the  
specifications and the plan therein referred to. No extra  
compensation beyond the amount payable for the several  
classes of work before enumerated which shall be actually  
performed at the prices therefor to be specified by the  
lowest bidder shall be due or payable for the entire work.  
The amount of security required is fifteen hundred  
dollars.

Bidders are informed that no deviation from the  
specifications will be allowed unless a written permission  
shall previously have been obtained from the Commis-  
sioners of the Department of Public Parks.

The contractor is required to notify the Engineer, in  
writing, forty-eight hours prior thereto, of the date he  
intends to actually begin work.

Bidders are specially notified that the Department of  
Public Parks reserves the right to determine the times  
and places for commencing and prosecuting the work,  
and that postponement or delay on the whole or any  
part thereof, occasioned by the precedence of other con-  
tracts, which may be either let or executed before or  
after the execution of the contract for this work, cannot  
constitute a claim for damages, nor for a reduction of the  
damages fixed for delay in completing the work beyond  
the time allowed.

Blank forms of proposals and form of agreement, in-  
cluding the specifications, and showing the mode of  
payment for the work, can be obtained on application to  
the Secretary, at the office of the Department, No. 36  
Union Square.

All the gravel to be furnished and delivered shall be of  
the kind generally known as Roa Hook gravel, and equal

material is to be delivered; also as to the distances from  
any pier or dock, or depth of water where such material  
can be landed, and shall not at any time after the sub-

Bidders are specially notified that the Department of  
Public Parks reserves the right to determine the times  
and places for the delivery of said material and that the  
postponement or delay on the whole or any part thereof,  
occasioned by any obstructions on the roads, avenues and  
streets where such material is to be delivered, cannot  
constitute a claim for damages.

Blank forms of proposals and form of agreement, in-

Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-book, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Bidders are required to state in their estimates, under oath, their names and places of residence; the names of all persons interested with them therein; and if no other person be so interested, they shall distinctly state the fact; also, that such estimate is made without any connection with any other person making a bid or estimate for the same purpose; and that it is in all respects fair and without collusion or fraud; and also, that no member of the Common Council, Head of a Department, Chief of a Bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof.

The estimate must be verified by the oath, in writing, of the party making such estimate, that the several matters therein stated are in all respects true. When more than one person is interested in the estimate, the verification must be made by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract and stated in the proposals, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; that he has offered himself as surety in good faith, and with an intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be determined by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

Bidders will be required to complete the entire work to the satisfaction of the Commissioners of the Department of Public Parks, and in substantial accordance with the specifications. No extra compensation beyond the amount payable for the work before enumerated which shall be actually performed, at the price therefor to be specified by the lowest bidder, shall be due or payable for the entire work.

The amount of the security required is One Thousand Dollars.

Bidders are informed that no deviation from the specifications will be allowed unless a written permission shall previously have been obtained from the Commissioners of the Department of Public Parks.

Blank forms of proposals and form of agreement, including specifications, and showing the mode of payment for the work, can be obtained on application to the Secretary at this office.

PROPOSALS FOR ESTIMATES FOR FURNISHING, LIGHTING AND MAINTAINING ELECTRIC LIGHTS ON THE STREETS, AVENUES, PIERS, PARKS AND PUBLIC PLACES OF THE CITY OF NEW YORK, FOR THE PERIOD OF ONE YEAR, COMMENCING ON MAY 1, 1886, AND ENDING ON APRIL 30, 1887, BOTH DAYS INCLUSIVE.

ESTIMATES FOR THE ABOVE WILL BE RECEIVED at the office of the Commissioner of Public Works, No. 31 Chambers street, in the City of New York, until 2 o'clock P. M. of THURSDAY, APRIL 15, 1886, at which place and time they will be publicly opened by said Commissioner and read.

Any person making an estimate for the above shall furnish the same in a sealed envelope, indorsed "Estimate for furnishing the illuminating material for, and lighting and extinguishing, cleaning, repairing and maintaining the public lamps," and also with the name of the person making the same, and the date of its presentation.

Bidders are required to state in their estimates their names and places of residence, the names of all persons interested with them therein; and if no other person be

so interested, they shall distinctly state the fact; also that it is made without any connection with any other person making any estimate for the same supplies and work, and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the same, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the bid or estimate, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if he or they shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he or they would be entitled upon its completion, and that which the Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested; the consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of security required for the completion of the contract and stated in the proposals, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; that he has offered himself as a surety in good faith, and with an intention to execute the bond required by law.

Bidders are required to state in their estimates the district or several streets, avenues, piers, parks and places, in which they propose to perform the requirements herein contained, and also the illuminating or candle-power of the light they propose to furnish, when tested at a distance of not less than one mile from the place of manufacture.

Bidders are also required to state the price per year for which they will furnish the lights for the period from May 1, 1886, to April 30, 1887, both days inclusive; stating the price, for the above named period of one year, for each lamp.

Bidders proposing to furnish electric-lights must state the kind of system of light (whether the Voltaic Arc or Incandescent) they propose to furnish, also the candle-power of the light by photometric test, according to the London standard, and also whether the electric lamps are to be used on the ordinary lamp-posts of the city, or on special lamp-posts to be fitted up by the bidder without cost to the city for such lamp-posts or their fittings. If the light is to be by the "Voltaic Arc," the bidder is to state the number of such lamps to be used for lighting the streets or district for which the bid is made, and the diameter of the carbon electrodes to be used in such lamps.

The bidders are required to write out the amount of their bids in their estimates, in addition to inserting the same in figures.

Should any alteration or any attachment be required to any portion of the lamps for which estimates are made in consequence of the use of illuminating material other than gas, then such alteration shall be done and such attachment placed on the lamps without expense to the city.

The number of hours the lamps are to be kept burning during the contract is 3,200 hours.

The amount of security required on any contract which will amount to \$400,000 and upwards shall be \$150,000; on any contract which will amount to \$300,000 and less than \$400,000, shall be \$125,000; on any contract which will amount to \$200,000 and less than \$300,000, shall be \$100,000; on any contract which will amount to \$100,000 and less than \$200,000, shall be \$75,000; on any contract which will amount to \$80,000 but is less than \$100,000, \$50,000; on any contract which will amount to \$60,000 but is less than \$80,000, \$35,000; on any contract which will amount to \$40,000 but is less than \$60,000, \$24,000; on any contract which will amount to \$20,000 but is less than \$40,000, \$12,000; on any contract which will amount to \$10,000 but is less than \$20,000, \$6,000; on any contract which amounts to less than \$10,000, \$5,000.

No estimate will be received or considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-book, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

The award of any contract, if awarded, will be made as soon as practicable after the opening of the bids.

Should the person or persons to whom any contract is so awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his bid or estimate, or if he accept, but does not execute the contract and give the proper security, it may be re-advertised and relet as provided by law and ordinance.

Bidders are informed that no deviation from the specifications will be allowed, unless a written permission shall have been previously obtained from the Mayor, Comptroller, and Commissioner of Public Works.

The right is also reserved, whatever may be the illuminating material named in the estimate, when an estimate is made containing bids for lamps in one or more streets, avenues, piers, parks, or places, to accept from such estimate or bid so much thereof as may be the lowest per lamp in any one or more of such streets, avenues, piers, parks or places, and to reject the remainder of such estimate or bid which may not be the lowest as aforesaid. The contract for lamps in any particular street, avenue, pier, park or place, will be awarded, if awarded, to the lowest bidder per lamp in such particular street, avenue, pier, park or place.

The right is also reserved to determine and designate in any locality, after the estimates are opened, what illuminating material shall be used in the public lamps, or any number of them, in such locality, during the period above mentioned; also upon such determination, to decline any estimate or part thereof for lighting such locality with illuminating material other than that so determined upon. Also to decline all estimates if deemed for the best interests of the city. No estimate will be accepted from or contract awarded to any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

If the estimate of any bidder shall include any lamps with which the pipes or conductors of such bidder are not connected at the time of making the bid, and a contract for furnishing the illuminating material for and lighting, extinguishing, cleaning, repairing, and maintaining any such lamps, shall be awarded to such bidder, in that case, thirty days from the date of the execution of such contract, and such further time, not exceeding thirty days, as may be deemed reasonable by the Commissioner of Public Works, shall be allowed to such bidder in which to connect such pipes or conductors with such lamps, and all such connections shall be made by the party of the second part without expense to the city.

But no payment to such bidder, on account of any such lamps, will be made for the time so allowed, nor until the same shall have been connected with the mains or conductors of such bidder, nor except for the time during which all the requirements herein mentioned shall have been fully performed.

Blank forms of estimates can be obtained on application at the office of the Commissioner of Public Works.
