Report for Quarter Ending March 31, 1902.

New York, October 6, 1902.

Honorable SETH LOW, Mayor, New York City:

Sir—Pursuant to section 1544, chapter 466, Laws of 1901, the Police Commissioner of the Police Department of The City of New York hereby submits the following report of the operations and transactions of the Police Department and Force for the three months ending March 31, 1902.

Report.

On the 31st day of March, 1902, the number of the Force, of all grades (including those on probation), was 7,628.

Sick Time.

The time lost by members of the Force by reason of sickness, disability and injuries received for the quarter and the details thereof will be found in schedule annexed marked "A", from which it will be seen that the sick time lost was 22,178½ days; the sick time paid 11,089½ days, and sick time unpaid 11,089½ days. Total days' time of the Force was 677,999 days. Per cent of sick to full time, 3.27; for preceding quarter, 2.61.

Arrests.

The total number of arrests by the Police Force during the quarter was: Males, 26,206; females, 5,804—total, 32,010. Number arrested for principal felonies, 2,669; number discharged without trial, 871; number acquitted, 282; number convicted, 413; number sent to other authorities, 102; number died, 9; number pending, 992.

Lost Children.

Males, 217; females, 109—total, 326. Restored to parents or guardians, 305; other dispositions, 21. Of this number there were disposed of from Central Office, 214.

Schedule "B" contains a valuable collection of miscellaneous statistics, to which attention is respectfully called.

Note—The discrepancy existing between the number of arrests for particular offenses in Felony Report and General Report (in Schedule "B") is accounted for by the fact that the General Report is made up from the Daily Returns from the station-houses and the Felony Report is made from the Quarterly Returns. An offense charged in the station-house at the time of arrest is liable to be, and often is, changed to a greater or less offense on evidence elicited before the Magistrate.

House of Detention.

Remaining in House December 31, 1901.....	8

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which with the proper envelope in which to enclose the bid, together with a copy of the contract, including the specifications in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the department for which the work is to be done.
