Map of the City of New York, Showing Ward Lines.

The 842 deaths represent a death-rate of 22.77 against 24.03 for the previous week, and 23.20 for the corresponding week of 1893.

Contagious and infectious diseases show a slight decrease, chiefly in measles, the number of cases reported of diphtheria, measles, scarlet fever, typhoid fever and small-pox being respectively 196, 527, 128, 4 and 22 against 195, 604, 111, 7 and 25 for the previous week, a total of 877 against 939. The increase of diphtheria was mainly in the Third, Tenth, Thirteenth, Fourteenth and Twenty-third Wards, and the decrease in the Seventh, Twelfth and Nineteenth Wards. The increase of measles was most marked in the Fifth, Sixteenth, Seventeenth, Twentieth and Twenty-first Wards, and the decrease in the Tenth, Eleventh, Twelfth, Nineteenth and Twenty-second Wards. The increase of scarlet fever was chiefly in the Seventh, Tenth, Thirteenth and Twenty-first Wards, and the decrease in the Twenty-third Ward. Three of the 4 cases of typhoid fever were above Fortieth street, and the remaining 1 was reported from Bellevue hospital. Eight of the 22 cases of small-pox were above Fortieth street, and 13 of the remaining 14 were below Fourteenth street, mostly on the east side.

*Board of Street Opening and Improvement:*

GENTLEMEN—I beg to present herewith form of resolution for the opening of Union avenue, from the north side of East One Hundred and Fifty-sixth street to Boston road, in the Twenty-third Ward.

This avenue is well built up, and the opening has been asked for by a large number of property owners.

Respectfully,  
LOUIS F. HOFFEN, Commissioner.

Whereupon the Commissioner of Street Improvements of the Twenty-third and Twenty-fourth Wards offered the following resolutions:

Resolved, That the Board of Street Opening and Improvement deems it for the public interest that the title to lands and premises required for the opening of Union avenue, from the north side of East One Hundred and Fifty-sixth street to the Boston road, in the Twenty-third Ward of the City of New York, should be acquired by the Mayor, Aldermen and Commonalty of the City of New York, at a fixed or specified time.

Resolved, That it appears to this Board, from the surveys made and information furnished to it by the Commissioner of Street Improvements of the Twenty-third and Twenty-fourth Wards, that there are buildings upon the lands that shall or may be required for the purpose of opening and extending said Union avenue, from the north side of East One Hundred and Fifty-sixth street to the Boston road.

Resolved, That the Board of Street Opening and Improvement directs, that upon a date to be hereafter more fully specified, not less than six (6) months after the filing of the oaths of the Commissioners of Estimate and Assessment who may be appointed by the Supreme Court in proceedings for the acquisition of title to such street, that the title to any piece or parcel of land lying within the lines of such said Union avenue, from the north side of East One Hundred and Fifty-sixth street to the Boston road, so required, shall be vested in the Mayor, Aldermen and Commonalty of the City of New York.

Resolved, That the Board of Street Opening and Improvement, deeming it for the public interest so to do, hereby requests the Counsel to the Corporation to take the necessary proceedings, in the name of the Mayor, Aldermen and Commonalty of the City of New York, to acquire title, wherever the same has not been heretofore acquired for the public use, to the lands, tenements and hereditaments that shall or may be required for the opening of Union avenue, from the north side of East One Hundred and Fifty-sixth street to the Boston road.

The following report from the Commissioner of Street Improvements of the Twenty-third and Twenty-fourth Wards, relating to a petition to widen Franklin avenue, was presented and read, and on motion was ordered on file:

CITY OF NEW YORK—COMMISSIONER OF STREET IMPROVEMENTS,  
TWENTY-THIRD AND TWENTY-FOURTH WARDS,  
No. 2622 THIRD AVENUE, CORNER 141ST STREET,  
COMMISSIONER'S OFFICE, NEW YORK, February 15, 1894.

*Board of Street Opening and Improvement:*

GENTLEMEN—In reference to the letter of Mr. Jacob Stahl, requesting the widening of Franklin avenue from East One Hundred and Sixty-eighth street to One Hundred and Sixty-ninth street, submitted to me for report, I beg to say that the Board of Street Opening and Improvement initiated, July 12, 1893, a proceeding for opening Franklin avenue, from Third avenue to East One Hundred and Sixty-ninth street, and the Corporation Counsel, July 27, 1893, requested a rule map, which map has not been furnished as yet, because a map, showing the dimensions and grades has to be filed previously to the preparing of the rule map.

As soon as this map, which shows Franklin avenue, from Third avenue to Crotona Park, is completed, a resolution will be presented to the Board rescinding the resolution adopted July 12, 1893, and a new resolution will be presented providing for the opening of Franklin avenue, from Third avenue to Crotona Park, as will be indicated on this map. The petition of Mr. Stahl is herewith returned.

Respectfully,  
LOUIS F. HOFFEN, Commissioner.

The following petition for a public park, between St. Nicholas avenue and St. Nicholas terrace, and from about One Hundred and Thirtieth to One Hundred and Forty-first streets, was presented.

To the Honorable the Board of Street Opening and Improvement of the City of New York:

GENTLEMEN—The undersigned residents, taxpayers and owners of property between One Hundred and Twenty-third and One Hundred and Thirty-fifth streets, respectfully petition you to lay out and establish a public park between St. Nicholas avenue and St. Nicholas terrace, and from about One Hundred and Thirtieth street to One Hundred and Forty-first street. The land is now a side hill, having natural terraces, and in some places covered with ancient trees, and may be treated for park purposes at little cost. It is vacant and unimproved and of comparatively small value and may be acquired within the limitation of cost provided in the Small Parks Act.

Your petitioners further represent that north of Morningside Park, which is west of Ninth avenue and south of One Hundred and Twenty-third street, and Mount Morris Park, which lies

east of Sixth avenue and south of One Hundred and Twenty-fourth street, there is no public park on the island. And further, that while there are comparatively few dwellings and a small population in the vicinity of the former, the city is well built up and thickly populated east of the proposed park. There are no public grounds or places for pleasure or recreation immediately or conveniently accessible to the residents of the city north of One Hundred and Twenty-fifth street. Within a few years the entire district will be closely built up, mainly for purposes of residences, and will contain a population needing and requiring open public grounds for health and pleasure in the vicinity not now provided for. Your petitioners also believe that in addition to this benefit to the city at large, by adding to its public parks and by inviting better improvements in the vicinity will return to the city in the future from taxation an amount far exceeding its present cost.

JANUARY 25, 1894.

MR. JAMES M. VARNUM, Acting Chairman:

SIR—Replying to your communication of the 15th instant, concerning vouchers certified to this Department by the Commissioners appointed under chapter 537, Laws of 1893, for the publication of certain advertisements in newspapers in Harlem and in the Twenty-third and Twenty-fourth Wards, I desire to state that after a careful examination of the provisions of the said act and especially of the section to which you refer as giving to the Commissioners the power in their discretion to advertise as above stated as a necessary expense, I am constrained to the belief that the authority to so advertise has not been provided for in the act. Nevertheless, in view of the circumstances stated by you, tending not only to the benefit of the property-owners, but as well to the City, as well because of the somewhat inconsiderable expense incurred, and the absence of any necessity for further advertising outside of the CITY RECORD, I have concluded to settle and adjust said claims referred to under the general power granted to the Comptroller by chapter 410, Laws of 1892, and I have therefore given directions for the preparation of warrants in payment for the same.

Respectfully,

ASHBEL P. FITCH, Comptroller.

Mr. Ward, representing the City, stated that he would require an additional week's time in which to prepare and file his brief and submit an argument on the various questions propounded by the Commissioners, which request was granted.

The Commission met, pursuant to adjournment.

Present—James M. Varnum (Chairman pro tem.) and Daniel P. Hays, Commissioners.

The reading of the minutes of the last meeting was dispensed with.

The Clerk was instructed to forward a letter, of which the following is a copy, to the Comptroller:

"NEW YORK, January 29, 1894.

Hon. ASHBEL P. FITCH, Comptroller of the City of New York:

SIR—By the provisions of section 5 of chapter 537 of the Laws of 1893, relative to damages arising from change of grade in the Twenty-third and Twenty-fourth Wards, it is provided as follows:

"It shall be the duty of the Comptroller of the City of New York to provide suitable and sufficient office accommodation for the transaction of the business of said Commission."

Under the provisions of said act the late Comptroller, Mr. Myers, after a careful investigation and inquiry, approved of the selection by the Commissioners as a place of meeting, of Rooms 56, 57 and 58 in the building No. 96 Broadway, known as the Schermerhorn Building. This location was selected because the rooms were well adapted for the purposes of the Commission and were in the immediate vicinity of the offices of the several Commissioners.

At the time they were rented, in June last, they had unexpectedly become vacant from the failure of the firm theretofore occupying the same. Under these circumstances, it being a broken year, and through the influence of the Chairman of the Commission, Mr. Lord, with the Astor estate, for which he is counsel, we succeeded in securing a lease of the same until the 1st of May, next, at the rate of \$1,000 per annum, although the prior rental and the rentals of other similar rooms in the same building, and on other floors, had been and was \$1,500. We have applied for a renewal of the lease for another year at the same rate, but this has been declined on the ground that \$1,500 is the rate that other tenants are paying, and that it would not be fair to them to lease the rooms at \$1,000. But after diligent efforts, we have succeeded in getting the agent of the Astor estate to agree to allow us a 10 per cent. reduction, making the rent for the next year at the rate of \$1,350. We do not consider this an unreasonable rent for the accommodations furnished, and we think it would be a great disadvantage to the work of the Commission if, at this time, its headquarters should be changed.

In view of the fact that, from the number of claims filed, the duties of this Commission must necessarily continue for two or three years more, it is a question whether it might not be advisable for the City, in order to secure the 10 per cent. reduction, above referred to, to make a lease for two years rather than for one. The Commission have agreed, subject to your approval, to renew the lease for one or two years, at the rate of \$1,350 per annum.

Inasmuch as the renting season is at hand, and as the premises are likely to be rented over our heads unless some immediate answer is given, we beg respectfully to call your attention to the matter and to ask your speedy decision thereon.

Yours, most respectfully,

JAMES M. VARNUM, Acting Chairman."

The Clerk was also instructed to forward a letter, of which the following is a copy, to E. A. Cruickshank & Company, agents for the Schermerhorn Building:

"NEW YORK, January 29, 1894.

E. A. CRUICKSHANK & COMPANY, No. 176 Broadway, New York City:

GENTLEMEN—In answer to the question propounded by your representative to-day, as to whether this Commission would take a new lease of Rooms 56, 57 and 58, Schermerhorn Building, for another year, at the rate of \$1,350, I beg to state on behalf of the Commission that we have written to the Comptroller of the City, who is, by the statute, charged with the duty of providing the office accommodations for the Commission, recommending that such a lease be made for one or two years, and asking for his speedy action upon our communication.

Yours truly,

JAMES M. VARNUM, Acting Chairman."

## TO OWNERS OF LANDS ORIGINALLY ACQUIRED BY WATER GRANTS.

ATTENTION IS CALLED TO THE RECENT act of the Legislature (chapter 449, Laws of 1889), which provides that whenever any streets or avenues in the city, described in any grant of land under water, from the Mayor, Aldermen and Commonalty containing covenants requiring the grantees and their successors to pave, repave, keep in repair or maintain such streets shall be in need of repairs, pavement or repavement, the Common Council may, by ordinance, require the same to be paved, repaved or repaired, and the expense thereof to be assessed on the property benefited; and whenever the owner of a lot so assessed shall have paid the assessment levied for such paving, repaving or repairing, such payment shall release and discharge such owner from any and every covenant and obligation as to paving, repaving and repairing, contained in the water grant under which the premises are held, and no further assessment shall be imposed on such lot for paving, repaving or repairing such street or avenue, unless it shall be petitioned for by a majority of the owners of the property (who shall also be the owners of a majority of the property in frontage) on the line of the proposed improvement.

The act further provides that the owner of any such lot may notify the Commissioner of Public Works, in writing, specifying the ward number and street number of the lot that he desires, for himself, his heirs and assigns, to be released from the obligation of such covenants, and elects and agrees that said lot shall be thereafter liable to be assessed as above provided, and thereupon the owner of such lot, his heirs and assigns shall therefor be relieved from any obligation to pave, repair, uphold or maintain said street, and the lot in respect of which such notice was given shall be liable to assessment accordingly.

The Commissioner of Public Works desires to give the following explanation of the operation of this act: When notice, as above described, is given to the Commissioner of Public Works, the owner of the lot or lots therein described, and his heirs and assigns, are forever released from all obligation under the grant in respect to paving, repaving or repairing the street in front of or adjacent to said lot or lots, except one assessment for such paving, repaving or repairs, as the Common Council may, by ordinance, direct to be made thereafter.

No street or avenue within the limits of such grants can be paved, repaved or repaired until said work is authorized by ordinance of the Common Council, and when the owners of such lots desire their streets to be paved, repaved or repaired, they should state their desire and make their application to the Board of Aldermen and not to the Commissioner of Public Works, who has no authority in the matter until directed by ordinance of the Common Council to proceed with the pavement, repavement or repairs.

MICHAEL T. DALY,  
Commissioner of Public Works

No. 66 THIRD AVENUE,  
NEW YORK, February 12, 1894.

## TO CONTRACTORS.

## MATERIALS AND WORK REQUIRED FOR RECONSTRUCTION OF PORTIONS OF BUILDING, PLUMBING, ETC., AT ESSEX MARKET PRISON.

SEALED BIDS OR ESTIMATES FOR THE aforesaid work and materials, in accordance with the specifications and plans, will be received at the office of the Department of Public Charities and Correction, No. 66 Third Avenue, in the City of New York, until Tuesday, February 27, 1894, until 10 o'clock A.M. The person or persons making any bid or estimate shall furnish the same in a sealed envelope indorsed "Bid or Estimate for Reconstruction of Portions of Building, Plumbing, etc., at Essex Market Prison," and with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Department and read.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of TWO THOUSAND (\$2,000) DOLLARS.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the VERIFICATION be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be

awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the supplies by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York.

No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall neglect or refuse, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it, and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Bidders will write out the amount of their estimate in addition to inserting the same in figures. Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract.

The forms of the contracts, including specifications, and showing the manner of payment, can be obtained at the office of the Department, and bidders are cautioned to examine each and all of their provisions carefully, as the Board of Public Charities and Correction will insist upon their absolute enforcement in every particular.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and be retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.
