Received from his Honor the Mayor, October 25, 1878, without his approval or objections thereto; therefore, as provided in section 11, chapter 335, Laws of 1873, the same became adopted.

Whereas, The Government of the United States has undertaken the work of improving the Harlem river and Spuyten Duyvil creek, so that the same may be rendered freely navigable for vessels from the Hudson river to the East river and Long Island Sound, saving in the passage not less than twenty-four miles of intricate navigation around the Battery, a work in which the transportation interests of the country are so largely concerned as to place it among those of national importance; and

Whereas, The completion of this work is not less important to the City of New York, in the midst of which these waters lie, and the want of conveniences for crossing them has become a source of great inconvenience and annoyance to the population on either side; and

Whereas, It is evident that the work of improving the navigation of these waters and the providing of tunnels and bridges for crossing them should proceed upon one settled plan, so that the expenditure to facilitate one object may not prove an obstacle to the other equally important object; therefore

Resolved, That General John Newton, under whose enlightened management and direction the improvements of the river are placed by the United States authorities, be respectfully requested to inform this Board whether in his judgment it is consistent with the plans of the Government of the United States or with the most favorable and convenient navigation of these waters that bridges or other structures be built across them on or at slight elevations above their surface, and in order that any wasteful expenditure of money may be avoided, the Departments of the city government which have jurisdiction in the matter of building bridges or other structures over these waters are requested to refrain from proceeding with or building any low bridges or any other structure calculated to obstruct the free use and navigation of these water ways until the plans thereof are brought in harmonious agreement with those of the United States Government.

Adopted by the Board of Aldermen, October 22, 1878.

Approved by the Mayor, October 24, 1878.

Resolved, That the grade of Sixty-third street, between Ninth and Tenth avenues, be changed as shown on the accompanying plan, thus making the grade of said street at the easterly curb line of Tenth avenue, 67 feet above high water; at 100 feet east of Tenth avenue, 70½ feet above high water, and at the westerly curb-line of Ninth avenue, 75 feet above high water.

Adopted by the Board of Aldermen, October 14, 1878.

Approved by the Mayor, October 23, 1878.

Resolved, That permission be and the same is hereby given to the ladies of the Rev. Dr. Geer's church to use the armory of the Seventy-first Regiment, N. G. S. N. Y., for the purpose of holding a fair, the consent of the colonel commanding the regiment having been obtained.

Approved by the Mayor, October 24, 1878.

Resolved, That permission be and the same is hereby given to the Henry Haffen Association to place two poles for the purpose of suspending a banner corner of Third avenue and One Hundred and Forty-fourth street, the work to be done at their own expense; such permission to continue until after the 5th of November.

Adopted by the Board of Aldermen, October 22, 1878.

Approved by the Mayor, October 24, 1878.

Resolved, That the resolution approved by the Mayor December 28, 1876, rescinding resolution approved March 15, 1870, authorizing the justices of the several police and civil courts to appoint janitors, be and the same is hereby annulled, rescinded, and repealed, and that the justices assigned to each of the police courts of this city, and the justices of the several district civil courts, be and they are hereby authorized and empowered to appoint a janitor for each of said police and civil courts, at an annual salary as now fixed by law.

Adopted by the Board of Aldermen, September 23, 1878.

Received from his Honor the Mayor, October 8, 1878, with his objections thereto.

In Board of Aldermen, October 22, 1878, taken up and considered, as provided in section 13, chapter 335, Laws of 1873, and adopted, notwithstanding the objections of his Honor the Mayor, three-fourths of all the members elected voting in favor thereof.

## JURORS.

## NOTICE IN RELATION TO JURORS FOR STATE COURTS

OFFICE OF THE COMMISSIONER OF JURORS,  
NEW COUNTY COURT-HOUSE,  
NEW YORK, June 1, 1877.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

THOMAS DUNLAP, Commissioner,  
County Court-house (Chambers street entrance)
