JURORS.

NOTICE IN RELATION TO JURORS FOR STATE COURTS

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, June 1, 1877.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

DEPARTMENT OF DOCKS.

NOTICE.

DEPARTMENT OF DOCKS,
117 AND 119 DUANE STREET,
NEW YORK, March 6, 1879.

JAMES M. OAKLEY & CO., AUCTIONEERS, will sell at Public Auction, at the Exchange Sales-room, No. 111 Broadway, on

TUESDAY, MARCH 18, 1879.

at 10 o'clock A. M., the right to use and occupy as a Fish Market, for and during the term of ten years from May 1, 1879, the premises now used and occupied as a Fish Market, situate at the slip on the East river, in the City of New York, next northeasterly of the slip at foot of Fulton street, including the easterly one-half of Pier No. 22 and the westerly one-half of Pier No. 23, on either side of said slip, for the distance of one-half of the said piers in length from the bulkhead of said slip on South street, together with said bulkhead, with the appurtenances; and with the right to collect and retain all wharfage which may accrue for the use and occupation by vessels of more than five tons burthen of the aforesaid parts of piers and bulkhead.

TERMS AND CONDITIONS OF SALE.

The said premises, piers and bulkhead shall be used for the purposes of a public Fish Market, in the same manner as they are now used, during the continuance of said term.

The said market shall be subject to the laws, ordinances and regulations of the City of New York relating to public markets, so far as the same are not inconsistent with chapter two hundred and seventy-seven, of the Laws of 1869.

The purchaser will be required, within three days after the sale, to execute a bond in the sum of \$75,000 in the form prescribed by the Department of Docks, and approved by the Counsel to the Corporation, with two or more sufficient sureties to be approved by the Commissioners of Docks, conditioned to pay to the present tenants of said premises on or before May 1, 1879, and before he shall be entitled to the possession thereof, the appraised value of the building and improvements now existing upon said premises and erected by said tenants under the lease thereof, executed to them and dated May 6, 1869, such appraisal to be made by appraisers appointed by said Department and said tenants, who, in case of disagreement, shall be authorized to appoint an umpire, said bond being also conditional to indemnify and hold harmless the said Department of Docks, the Mayor, Aldermen, and Commonalty of the City of New York, and the Commissioners of the Sinking Fund of said city, of and from all claim that may be made against them by the present tenants of said market and the holders of stands therein.

The Department will make, prior to the 1st May, 1879, such repairs to any of the above premises, but not to buildings, in the judgment of the Commissioners, needing them, as they may consider necessary to place them in suitable condition for service during the term for which the lease is to be sold; but all the premises must be taken in the condition in which they may be on the date of commencement of said term; and no claim that the property is not in suitable condition at the commencement of the lease will be allowed by the Department; and all repairs and rebuilding required and necessary, during the term leased, are to be done at the expense and cost of the lessee.

The purchaser will be allowed three months, from date of commencement of the lease, in which to notify the Department that dredging is required at the premises leased; and the Commissioners guarantee to do all possible dredging, as soon after being notified of the necessity thereof, as the work of the Department will permit; but in no case will the Department dredge where a depth of ten feet at mean low water already exists, nor after that depth shall have been obtained by dredging; and no claim will be received or considered by the Department, for loss of wharfage or otherwise, consequent upon any delay in doing the work of such dredging, or consequent upon the premises being occupied for dredging purposes. All dredging required at the above premises, of which the purchaser of the lease thereof shall neglect or omit to notify the Department during the first three months of the term of the lease, and all dredging necessary during the remainder of such term, is to be done at the expense and cost of the lessee.

The upset price for the above-named premises will be fixed by the Department of Docks, and announced by the auctioneer at the time of the sale.

The purchaser will be required at the time of the sale, and in addition to the auctioneer's fee, to pay to the Department of Docks twenty-five per cent. of the amount of annual rent bid, as security for the execution of the lease, and which twenty-five per cent. will be applied to the payment of the rent first accruing under the lease when executed, or forfeited, if the purchaser neglects or refuses to execute the lease and bond within five days after being duly notified that the lease is prepared and ready for signature. The Commissioners reserve the right to resell the lease should the purchaser fail to comply with the terms of sale; the party so failing to be liable for any deficiency which may result from such resale.

The lessee will be required to pay the rent quarterly, in advance, in compliance with a stipulation therefor in the form of lease adopted by the Department.

Two sureties, each a freeholder and householder in the City of New York, and to be approved by the Commissioners of Docks, will be required, under the lease, to enter into a bond jointly with the lessee, in the sum of an amount double the annual rent, for the faithful performance of all the covenants of the lease; and the purchaser will be required to submit, at the time of the sale, the names and address of his proposed sureties.

The purchaser will be required to agree that he will, upon being notified so to do, execute a lease prepared and adopted by the Department, which can be seen upon application to the Secretary, at the office, 119 Duane street.

No person will be received as lessee or surety who is delinquent on any former lease from the Corporation; and no bid will be accepted from any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter as surety or otherwise upon any obligation to the Corporation.

HENRY F. DIMOCK,
JACOB VANDERPOEL,
Commissioners of the Department of Docks.
