 STREETS OR PARTS OF STREETS, PARKS
 AND PUBLIC PLACES OF THE CITY OF
 NEW YORK AS MAY BE DETERMINED
 UPON BY THE MAYOR, COMPTROLLER
 AND COMMISSIONER OF PUBLIC WORKS,
 AFTER THE ESTIMATES ARE OPENED.

ESTIMATES FOR THE ABOVE WILL BE
 received at the office of the Commissioner of Public
 Works, No. 31 Chambers street, in the City of New
 York, until 12 o'clock M. of Thursday, December 10, 1891,
 at which place and time they will be publicly opened by
 said Commissioner and read.

Any person making an estimate for furnishing the
 gas or other material shall furnish the same in a sealed
 envelope, indorsed "Estimate for Furnishing the
 Illuminating Material for, and Lighting, Extinguishing,
 Cleaning, Repairing and Maintaining the Public
 Lamps;" and any person making an estimate for
 furnishing, operating and maintaining electric lamps
 shall furnish the same in a sealed envelope, indorsed
 "Estimate for Furnishing, Operating and Maintaining
 Electric Lamps;" and also with the name of the person
 making the same and the date of its presentation.

Bidders are required to state in their estimates their
 names and places of residence, the names of all persons
 interested with them therein; and if no other person
 be so interested, they shall distinctly state the fact; also
 that it is made without any connection with any other
 person making any estimate for the same supplies and
 work, and that it is in all respects fair and without
 collusion or fraud; and also, that no member of the
 Common Council, head of a department, chief of
 a bureau, deputy thereof or clerk therein, or other
 officer of the Corporation, is directly or indirectly in-
 terested therein, or in the supplies or work to which it
 relates, or in any portion of the profits thereof; which
 estimate must be verified by the oath, in writing,
 of the party making the same, that the several matters
 stated therein are in all respects true. Where more
 than one person is interested, it is requisite that the
 verification be made and subscribed by all the parties
 interested.

Each estimate shall be accompanied by the consent, in
 writing, of two householders or freeholders of the City
 of New York, to the effect that if the contract be awarded
 to the person or persons making the bid or estimate,
 they will, on its being so awarded, become bound as his
 or their sureties for its faithful performance; and that if
 he or they shall omit or refuse to execute the same, they
 will pay to the Corporation any difference between the
 sum to which he or they would be entitled upon its
 completion, and that which the Corporation may be
 obliged to pay to the person to whom the contract may
 be awarded at any subsequent letting; the amount in
 each case to be calculated upon the estimated amount of
 the work by which the bids are tested; the consent above
 mentioned shall be accompanied by the oath or affirma-
 tion, in writing, of each of the persons signing the same,
 that he is a householder or freeholder in the City of
 New York, and is worth the amount of security
 required for the completion of the contract, and stated
 in the proposals, over and above all his debts of every
 nature, and over and above his liabilities as bail, surety
 and otherwise; that he has offered himself as a surety
 in good faith and with an intention to execute the
 bond required by law.

The amount of security required on any contract
 for lighting the public gas-lamps, which will amount
 to \$400,000 and upwards, shall be \$150,000; on any
 contract which will amount to \$300,000 and less

 but is less than \$40,000, \$12,000; on any contract which
 will amount to \$10,000 but is less than \$20,000, \$6,000;
 on any contract which amounts to less than \$10,000,
 \$5,000.

The amount of security required on electric-light con-
 tracts is \$25,000.

No estimate will be received or considered unless
 accompanied by either a certified check upon one of the
 State or National Banks of the City of New York, drawn to
 the order of the Comptroller, or money to the amount of
 five per centum of the amount of the security required for
 the faithful performance of the contract. Such check or
 money must NOT be inclosed in the sealed envelope

containing the estimate, but must be handed to the
 officer or clerk of the Department who has charge of the
 estimate-box, and no estimate can be deposited in said
 box until such check or money has been examined by
 said officer or clerk and found to be correct. All such
 deposits, except that of the successful bidder, will be
 returned to the person making the same, within three
 days after the contract is awarded. If the successful
 bidder shall refuse or neglect, within five days after
 notice that the contract has been awarded to him, to
 execute the same, the amount of the deposit made by

mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, 1880, if the contract shall be awarded to the person or persons for whom he consents to become surety. No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.

The form of the contract, including specifications, and showing the manner of payment, will be furnished at the office of the Department, and bidders are cautioned to examine each and all of its provisions carefully, as the Board of Public Charities and Correction will insist upon its absolute enforcement in every particular.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt, or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of **ONE THOUSAND (\$1,000) DOLLARS.**

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a Department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the VERIFICATION be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, 1880, if the contract shall be awarded to the person or persons for whom he consents to become surety. No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract.

Such check or money must NOT be inclosed in the envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and provide such proper security, as has been heretofore stated to be requisite, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of the deposit will be returned to him.

DEPARTMENT OF PUBLIC WORKS,
COMMISSIONER'S OFFICE,
NO. 31 CHAMBERS STREET,
NEW YORK, November 5, 1891.

TO THE PUBLIC.

OWING TO THE CONTINUANCE OF THE drought in the water-sheds of the Croton river and the Bronx river, and the consequent depletion of the supply held in reserve in the storage reservoirs, it becomes necessary to carefully husband the water supply and to limit its consumption to actual necessities for domestic and business use and for protection from fires until the supply at its sources is replenished and increased by copious rainfall. The people of this city are, therefore, earnestly requested to use the greatest possible economy in the consumption of water, and to abstain from careless or wanton waste, or any use of the water except such as is necessary for domestic and business pursuits and the protection of the public health. For some time past, and up to this date, the daily consumption has been 165,000,000 gallons, or nearly 100 gallons per capita, and there is no possible doubt that, with the exercise of care and economy, the consumption can safely be reduced to one-half that quantity without interfering with the comfort business and health of the population. Persistence in wasteful or luxurious use of the water would result in curtailing the supply to the extent of diminishing it below the actual needs for comfort, health and protection from fires by the decrease of the pressures in the distributing mains and the elevation at which the water can be delivered in the houses, and this contingency can only be averted by the economical use of the water on the part of every consumer.

The draughts upon the reserve supply in the storage reservoirs and lakes began on May 15, when the natural flow of the Croton river fell below the quantity drawn for daily consumption, and have continued without interruption to the present day. The total quantity of stored water drawn to date is 13,040,000,000 gallons, averaging 75,000,000 gallons per day, and amounting at times to 120,000,000 gallons per day.

The holders of permits for using water through hose for washing house-fronts, stoops, areas and sidewalks, have been notified to discontinue such use of water at once, and the members of the Police Force are earnestly requested to enforce this prohibition, and to exercise special vigilance to prevent the use of water through hose and from the fire-hydrants except by the uniformed force of the Fire Department or under special permits from this Department.

THOS. F. GILROY,
Commissioner of Public Works.

DEPARTMENT OF PUBLIC WORKS,
COMMISSIONER'S OFFICE,
NO. 31 CHAMBERS STREET,
NEW YORK, August 14, 1889.

TO OWNERS OF LANDS ORIGINALLY
ACQUIRED BY WATER GRANTS.

ATTENTION IS CALLED TO THE RECENT act of the Legislature (chapter 449, Laws of 1889), which provides that whenever any streets or avenues in the city, described in any grant of land under water, from the Mayor, Aldermen and Commonalty containing covenants requiring the grantees and their successors to pave, repave, keep in repair or maintain such streets, shall be in need of repairs, pavement or repavement the Common Council may, by ordinance, require the same to be paved, repaved or repaired, and the expense thereof to be assessed on the property benefited; and whenever the owner of a lot so assessed shall have paid the assessment levied for such paving, repaving or repairing, such payment shall release and discharge such owner from any and every covenant and obligation as to paving, repaving and repairing, contained in the water grant under which the premises are held, and no further assessment shall be imposed on such lot for paving, repaving or repairing such street or avenue, unless it shall be petitioned for by a majority of the owners of the property (who shall also be the owners of a majority of the property in frontage) on the line of the proposed improvement.

The act further provides that the owner of any such lot may notify the Commissioner of Public Works, in writing, specifying the ward number and street number of the lot that he desires, for himself, his heirs and assigns, to be released from the obligation of such covenants and elects and agrees that said lot shall be thereafter liable to be assessed as above provided, and thereupon the owner of such lot, his heirs and assigns shall thenceforth be relieved from any obligation to pave, repair, uphold or maintain said street, and the lot in respect of which such notice was given shall be liable to assessment accordingly.

The Commissioner of Public Works desires to give the following explanation of the operation of this act: When notice, as above described, is given to the Commissioner of Public Works, the owner of the lot or lots therein described, and his heirs and assigns, are forever released from all obligation under the grant in respect to paving, repaving or repairing the street in front of or adjacent to said lot or lots, except one assessment for such paving, repaving or repairs, as the Common Council may, by ordinance direct to be made thereafter.

No street or avenue within the limits of such grants can be paved, repaved or repaired until said work is authorized by ordinance of the Common Council, and when the owners of such lots desire their streets to be paved, repaved or repaired, they should state their desire and make their application to the Board of Aldermen and not to the Commissioner of Public Works, who has no authority in the matter until directed by ordinance of the Common Council to proceed with the pavement, repavement or repairs.

THOS. F. GILROY,
Commissioner of Public Works.
