J. C. LULLEY, Secretary.

NOTE.—On Wednesday, January 11, 1893, no quorum being present, the meeting was adjourned.

J. C. LULLEY, Secretary.

Minutes of Special Meeting of the Aqueduct Commissioners, held at their Office, No. 209 Stewart Building, on Friday, January 13, 1893, at 11 o'clock A. M.

Present—The Comptroller, and Commissioners Duane, Tucker and Scott.

The Committee of Finance and Audit reported their examination and audit of Voucher No. 8456, being final estimate for work done on East Branch Reservoir Dam, amounting to \$40,030.87, and of Vouchers Nos. 8468 to 8473, inclusive, being estimates for work done by contractors, amounting to \$30,631.99; also of bills contained in Vouchers Nos. 8457 to 8466, inclusive, and 8474 to 8482, inclusive, amounting to \$1,374.55.

On motion of Commissioner Tucker, the same were approved and ordered certified to the Comptroller for payment.

The Construction or Executive Committee recommended the adoption of the following preamble and resolutions:

Whereas, The Chief Engineer has verbally reported to the Committee on Construction, that since the last approximate estimate for work done on the gate-house superstructure at Croton Dam, the contractors have done work amounting, in contract prices, to the sum of seven thousand two hundred and eighty-six dollars and one cent, none of which has been paid to them; and has further reported that there still remains a slight amount of work to be done under said contract before the same can be finally accepted, the amount of which will not exceed the retained percentage now in the hands of the City; therefore

Resolved, That the time for the completion of said contract be and hereby is extended to May 1, 1893, upon the contractors entering into the same stipulations as were entered into by them when the last extension of time for the completion of said contract was granted on January 27, 1892; and further

Resolved, That the Chief Engineer be requested to furnish the Commissioners with an approximate estimate for the amounts due the contractors for work done since their last approximate estimate.

The same were adopted by the following vote:

Affirmative—The Comptroller, and Commissioners Duane, Tucker and Scott—4.

The Committee also presented the following communication received from the Chief Engineer:

NEW YORK, January 4, 1893.

To the Honorable the Committee on Construction:

GENTLEMEN—In accordance with the verbal authorization given me at your last meeting, I met at Brewster, Mr. Wilcox, of the firm of Coldwell-Wilcox Company, and after a thorough examination of the tunnel-gate, I gave him orders to proceed with the work for the improvement of certain working parts of the same.

The work is to be done partly in the shop and partly on the ground. It is almost impossible to give an exact estimate of the cost of the said work, but I believe that it will be below \$500.

I am, respectfully,

A. FTELEY, Chief Engineer.

—and recommended the adoption of the following resolution:

Resolved, That the action of the Chief Engineer in ordering Coldwell-Wilcox Company to proceed with the work for the improvement of certain working parts of the tunnel gate of the East Branch Reservoir be and hereby is approved, and an appropriation of five hundred dollars is hereby made to cover the cost thereof.

On motion of Commissioner Scott, the same was adopted.

The Committee also recommended the adoption of the following resolution:

Resolved, That the Purveyor be and is hereby authorized to take the necessary steps to sell at public auction two horses now in Carmel, New York, which are no longer needed by the Aqueduct Commissioners, and report the result of such sale to this Commission.

On motion of Commissioner Scott, the same was adopted.

The Committee also recommended the adoption of the following preambles and resolution:

Whereas, On December 16, 1892, said John F. Rourke notified the Aqueduct Commissioners that he desired to assign said work to John Leonard; and

Whereas, The Aqueduct Commissioners after having given the matter careful examination and being satisfied that it will be beneficial to the City to assent to said assignment, we recommend the adoption of the following resolution:

Resolved, That the Aqueduct Commissioners do hereby assent and consent to the assignment of the work of furnishing the iron work for the upper works of the hoisting apparatus at Shafts Nos. 24 and 25 of the New Aqueduct from John F. Rourke to John Leonard.

Dykman, Esq., Special Counsel for the City of New York in the matter of the acquisition of land in Putnam County, have both reported, in writing, to said Commission that said offer is reasonable, and that it would be to the best interests of the City of New York that the same should be accepted;

DEPARTMENT OF PUBLIC CHARITIES AND CORRECTION,
NO. 66 THIRD AVENUE,
NEW YORK, February 10, 1893.

TO CONTRACTORS.

PROPOSALS FOR 15,000 BARRELS WHITE POTATOES.

SEALED BIDS OR ESTIMATES FOR FURNISHING 15,000 BARRELS White Potatoes, to be good, sound and of fair size, to weigh 172 pounds net per barrel—packages to be returned—during the year 1893, in conformity with samples and specifications, will be received at the office of the Department of Public Charities and Correction, No. 66 Third Avenue, in the City of New York, until 10 o'clock A. M. of Thursday, February 23, 1893.

The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed, "Bid or Estimate for Potatoes, to weigh 172 pounds net per barrel—packages to be returned," with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Department and read.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of fifty (50) per cent. of the ESTIMATED amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the supplies delivered by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the

amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be included in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept, but do not execute, the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be re-advertised and relet as provided by law.

The quality of the supplies must conform in every respect to the samples of the same on exhibition at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.

The form of the contract, including specifications, showing the manner of payment, will be furnished at the office of the Department, and bidders are cautioned to examine each and all of its provisions carefully, as the Board of Public Charities and Correction will insist upon its absolute enforcement in every particular.

BOARD OF CITY RECORD.

OFFICE OF THE CITY RECORD,
NO. 2 CITY HALL,
NEW YORK, February 4, 1893.

PROPOSALS TO PRINT AND BIND, IN PAMPHLET AND IN BOOK FORM THE INDEXES TO THE RECORDS OF BIRTHS, MARRIAGES AND DEATHS KEPT BY THE HEALTH DEPARTMENT OF THE CITY OF NEW YORK FOR THE YEAR 1893.

TO PRINTERS.

ESTIMATES FOR SUPPLYING THE CITY Government with Printed Indexes to the Records of Births, Marriages and Deaths kept by the Health Department, and to compile and bind them in annual volumes, will be received at the office of the Supervisor of the City Record, in the City Hall, until 12 o'clock M. of Friday, the 17th day of February, 1893. The said estimates will be publicly opened and read at a meeting of the Board of City Record to be held in the Mayor's office at or about the time above mentioned.

Each person making an estimate shall inclose it in a sealed envelope, indorsed "Estimate for Printing and Binding the Indexes to Health Records," and with his name and the date of its presentation.

Each estimate shall state the name and place of residence of the person making it; if there is more than one such person, their names and residences must be given; and if only one person is interested in the estimate it must distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation is directly or indirectly interested therein or in the supplies or work to which it relates, or in any portion of the profits thereof. The estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite

that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the preliminary security required, and in the proposals stated, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

The amount of security required upon the execution of the contract will be in each case fifty per cent. of the cost of the articles awarded to each contractor; the amount of preliminary security to be given until each award, and in which the sureties shall justify, shall be THREE HUNDRED AND SEVENTY-FIVE DOLLARS.

Should the person to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his bid or proposal, and that the adequacy and sufficiency of the security offered has been approved by the Comptroller, or if he accept but do not execute the contract and give the proper security, he shall be considered as having abandoned it and as in default to the Corporation, and the contract will be re-advertised and relet, as provided by law.

No estimates will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation, and no estimates will be accepted from, or a contract awarded to, any person not having at the time of making his estimate full, suitable and sufficient facilities for performing the work specified in his estimate.

No estimate will be received or considered unless accompanied by either a certified check upon one of the National or State banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of fifty per centum of the amount of the preliminary security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the Supervisor of the City Record who has charge of the estimate-box; and no estimate can be deposited in said box until such check or money has been examined by said Supervisor and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Permission will not be given for the withdrawal of any bid or estimate, and the right is expressly reserved by the undersigned city officers to reject any or all bids which may be deemed prejudicial to the public interests. Copies of the specifications may be procured from the Supervisor of the City Record.

TO OWNERS OF LANDS ORIGINALLY ACQUIRED BY WATER GRANTS.

ATTENTION IS CALLED TO THE RECENT act of the Legislature (chapter 449, Laws of 1889), which provides that whenever any streets or avenues in the city, described in any grant of land under water, from the Mayor, Aldermen and Commonalty containing covenants requiring the grantees and their successors to pave, repave, keep in repair or maintain such streets, shall be in need of repairs, pavement or repavement, the Common Council may, by ordinance, require the same to be paved, repaved or repaired, and the expense thereof to be assessed on the property benefited; and whenever the owner of a lot so assessed shall have paid the assessment levied for such paving, repaving or repairing, such payment shall release and discharge such owner from any and every covenant and obligation as to paving, repaving and repairing, contained in the water grant under which the premises are held, and no further assessment shall be imposed on such lot for paving, repaving or repairing such street or avenue, unless it shall be petitioned for by a majority of the owners of the property (who shall also be the owners of a majority of the property in frontage) on the line of the proposed improvement.

The act further provides that the owner of any such lot may notify the Commissioner of Public Works, in writing, specifying the ward number and street number of the lot that he desires, for himself, his heirs and assigns, to be released from the obligation of such covenants, and elects and agrees that said lot shall be thereupon liable to be assessed as above provided, and thereupon the owner of such lot, his heirs and assigns shall thenceforth be relieved from any obligation to pave, repair, uphold or maintain said street, and the lot in respect of which such notice was given shall be liable to assessment accordingly.

The Commissioner of Public Works desires to give the following explanation of the operation of this act:

When notice, as above described, is given to the Commissioner of Public Works, the owner of the lot or lots therein described, and his heirs and assigns, are forever released from all obligation under the grant in respect to paving, repaving or repairing the street in front of or adjacent to said lot or lots, except one assessment for such paving, repaving or repairs, as the Common Council may, by ordinance, direct to be made thereafter.

No street or avenue within the limits of such grants can be paved, repaved or repaired until said work is authorized by ordinance of the Common Council, and when the owners of such lots desire their streets to be paved, repaved or repaired, they should state their desire and make their application to the Board of Aldermen and not to the Commissioner of Public Works, who has no authority in the matter until directed by ordinance of the Common Council to proceed with the pavement, repavement or repairs.

MICHAEL T. DALY,
Commissioner of Public Works.
