Hon. Carl Weisbrod, Chairman
City Planning Commission
22 Reade Street
New York, NY 10007

Dear Chairman Weisbrod:

At its May 2015 monthly meeting, Community Board 3 passed the following resolution:

VOTE: Community Board 3 Resolution to Approve the Urban Development Action Area Project (UDAAP) designation and project approval of City-owned property located at 269 Henry Street

WHEREAS, the four-story firehouse at 269 Henry Street has been sitting vacant since shortly after 9/11. The iconic structure – built in 1884 and owned by the city – previously housed Engine Company 15 which subsequently folded into Ladder 18 a few blocks north on Pitt Street,

WHEREAS, this firehouse was first brought to Community Board 3 in 2006 as a ULURP to be sold for private development,

WHEREAS, Community Board 3 and the Manhattan Borough President's Office did not support the unrestricted disposition of this property and recommended that DCAS withdraw the application,

WHEREAS, Community Board 3 joined with the Manhattan Borough President's office to save this community facility for the community. Because of our close partnership with Henry Street Settlement, CB 3 was aware of the need and plans for Henry Street Settlement to acquire this building and championed this disposition,

WHEREAS, Community Board 3 is delighted to see this application to develop the firehouse to incorporate it into the Henry Street Settlement organization as well as make the neighboring Henry Street Settlement facilities accessible,

WHEREAS, this final UDAAP is a culmination of a successful partnership with the community board, a community organization, local elected officials, and the City to reach the best possible resolution,

WHEREAS, this will facilitate the rehabilitation of a community facility that formerly was a firehouse to be used as a community facility operated by Henry Street Settlement to provide social service and health programs to the community.

THEREFORE, Community Board 3 approves the Urban Development Action Area Project

(UDAAP) designation and project approval of City-owned property located at 269 Henry Street.

Please contact the community board office with any questions.

Sincerely,

Gigi Li, Chair
Community Board 3
