## ***Executive Summary***

### ***Proposed 2014 Consolidated Plan***

### ***One-Year Action Plan***

#### **Introduction**

The *Proposed 2014 Consolidated Plan One-Year Action Plan* is the City of New York's annual application to the United States Department of Housing and Urban Development (HUD) for the four Office of Community Planning and Development entitlement programs: Community Development Block Grant (CDBG), HOME Investment Partnership (HOME), Emergency Solutions Grant (ESG) and Housing Opportunities for Persons with AIDS (HOPWA).

#### **Submission of the Proposed Action Plan**

The 2014 Plan represents the fifth and final year of a five-year strategy for New York City's Consolidated Plan years 2010 through 2014. The five-year strategy was articulated in Volume 2 of the 2010 Consolidated Plan.

New York City's Consolidated Plan Program Year 2014 begins January 1, 2014 and ends December 31, 2014. According to federal Consolidated Plan regulations, localities are required to submit their Proposed One-Year Action Plan no later than 45 days prior to the start of the Program Year (November 15, 2013). *The City of New York submitted its Proposed Action Plan on November 15, 2013 as per federal regulations. However, in December 2013 HUD released temporary submission guidelines which required localities to formulate their Proposed Action Plans based on the actual Congressional appropriations for the given Federal Fiscal Year (FFY14). Since Congress had yet to finalize HUD's FFY14 appropriations, the City was required to withdraw its submitted Action Plan and wait until Congress passed the appropriations bill before re-submitting the Proposed Action Plan. New York City intends to submit its Proposed One-Year Action Plan on August 15, 2014.*

New York City's 2014 grant requests for the respective entitlement programs are based on the grant amounts as appropriated by Congress. For the 2014 Program Year, the City expects to receive approximately \$272,324,200 from the four HUD formula grant programs; \$152,575,500 for CDBG, \$58,657,600 for HOME, \$48,441,500 for HOPWA, and \$12,649,600 for ESG. The following table summarizes the grant amounts expected to be awarded:

<b>U.S. Department of Housing and Urban Development Formula Entitlement Grants</b>				
<b>Program</b>	<b>Amount Expected to be Received in 2014</b>	<b>Amount Received in 2013</b>	<b>Difference (\$)</b>	<b>Difference (%)</b>
CDBG	\$152,575,507	\$155,708,779	(3,133,272)	(2.01)
HOME	\$58,657,559	\$57,811,908	845,651	1.46
ESG	\$12,649,583	\$10,921,293	1,728,290	15.82
HOPWA	\$48,441,549	\$53,533,071	(5,091,522)	(9.51)
<i>Total</i>	<i>\$272,324,198</i>	<i>\$277,975,051</i>	<i>(5,650,853)</i>	<i>(2.03)</i>

This represents an approximate \$5.6 million overall decrease in entitlement grant funds expected to be received from the City's 2013 Consolidated Plan Program Year grant awards. The decrease in the total expected amount is the result of decreases to two of the four formula entitlement grant programs' expected amount, particularly the decrease in the amount expected for the HOPWA program (a \$5 million reduction based on the program

funds actually received in 2013) which offset a \$2.5 million increase in the amount expected for New York City's HOME and ESG programs.

These funds are primarily targeted to address the following eligible activities: housing rehabilitation and community development to maximize the preservation of the City's housing stock; the City's continuum of care for homeless single adults and homeless families; and housing opportunities and housing support services for persons with HIV/AIDS.

The New York City Consolidated Plan serves not only as the City's application for federal funds for four HUD Office of Community Planning and Development formula programs (CDBG, HOME, ESG and HOPWA), but also as the HOPWA grant application for three (3) surrounding counties within the New York Eligible Metropolitan Statistical Area (EMSA): Putnam; Rockland and Westchester. The County of Westchester administers the HOPWA funds for the cities of Mount Vernon, New Rochelle, and Yonkers which are incorporated within its boundaries.

### Institutional Structure

The New York City Department of City Planning is the lead agency in the City's Consolidated Plan application process and is responsible for the formulation, preparation and development of each year's proposed Consolidated Plan. City Planning coordinates Plan-related activities between the Consolidated Plan Committee member agencies and the federal government.

The four federal entitlement programs, CDBG, HOME, HOPWA and ESG, are administered by the following City agencies respectively, Office of Management and Budget (OMB), the Department of Housing Preservation and Development (HPD), the Department of Health and Mental Hygiene – Bureau of HIV/AIDS Prevention and Control (DOHMH-BHAPC), and the Department of Homeless Services (DHS).

In addition, the New York City Housing Authority (NYCHA), using primarily Public Housing Capital funds, administers public housing new construction, rehabilitation and modernization activities, and home ownership opportunity programs, along with a Section 8 rental certificate and voucher program for its tenant population. Furthermore, the City of New York's Continuum of Care for the Homeless and Other Special Needs Populations is administered by various City Agencies, each according to their respective area of expertise. The supportive housing programs and services are funded primarily with City (capital and/or expense) and/or State funds.

The Department of Homeless Services (DHS) coordinates social and physical services for homeless families and individuals. Programs for runaway and homeless youth and children aging out of foster care are administered by the Department of Youth and Community Development (DYCD), and Administration for Children's Services (ACS), respectively.

The Human Resources Administration (HRA) provides a range of public benefits and social services which assist in homeless prevention and/or diversion. These are often delivered in conjunction with government sponsored housing efforts. Through HRA's HIV/AIDS Administration (HASA), HRA provides emergency and supported housing assistance and services for families, single adults and children with HIV-related illness or AIDS. The City's Department of Health and Mental Hygiene - Division of Mental Hygiene, along with the State's Offices of Mental Health (OMH), the Office for People With Developmental Disabilities (OPWDD) (formerly the Office of Mental Retardation and Developmental Disabilities (OMRDD)), and Office of Alcoholism and Substance Abuse Services (OASAS); plans, contracts for and monitors services for these disability areas and provides planning support to OASAS in the field of substance abuse services. Several other City Agencies address the concerns of targeted groups of citizens by providing housing information and

supportive housing services assistance, such as the Department of the Aging (DFTA) (the elderly and frail elderly), the Mayor's Office for People with Disabilities (MOPD) (persons with a disability), and the Mayor's Office to Combat Domestic Violence (MOCDV) (victims of domestic violence).

### Summary of Annual Objectives

For the 2014 Consolidated Plan program year the City of New York is required to use HUD's Performance Outcome Measurement System. The Performance Outcome Measurement System was developed to enable the U.S. Department of Housing and Urban Development to collect and aggregate standardized performance data on entitlement-funded activities from all entitlement grantees nationwide for use in reporting to Congress on the effectiveness of its formula entitlement programs in meeting the Department's strategic objectives.

The outcome performance measurement system includes objectives, outcome measures and performance indicators that describe the intended outputs of the various entitlement funded activities. There are three (3) objectives: creating Suitable Living Environment; providing Decent Affordable Housing; and Creating Economic Opportunities which, combined with the three (3) performance outcome categories, Accessibility/Availability; Affordability; and Sustainability, create nine (9) performance measurement statements. The nine performance outcome measurement statements are:

- Accessibility for the purpose of providing Decent Affordable Housing
- Affordability for the purpose of providing Decent Affordable Housing
- Sustainability for the purpose of providing Decent Affordable Housing
- Accessibility for the purpose of creating Suitable Living Environments
- Affordability for the purpose of creating Suitable Living Environments
- Sustainability for the purpose of creating Suitable Living Environments
- Accessibility for the purpose of creating Economic Opportunities
- Affordability for the purpose of creating Economic Opportunities
- Sustainability for the purpose of creating Economic Opportunities

In addition to determining the performance outcome measurement, the System requires entitlement grantees to collect and enter into the HUD Integrated Disbursement and Information System (IDIS) accomplishment data according to eighteen (18) federally-defined Performance Indicator categories. Performance Indicator categories encompass housing construction and rehabilitation, public services and facilities, business/economic development, and homelessness prevention-related activities.

It is important to note that while the eighteen Performance Indicator Categories are designed to capture a majority of the eligible entitlement-funded activities a grantee may undertake, they do not capture every eligible activity. Therefore, due to the limitations of the Performance Indicators there are entitlement-funded activities which the City of New York intends to undertake in the 2014 Consolidated Plan Program Year which will not be captured by the Performance Outcome Measurement System. Consequently, the number of households and persons positively impacted by the City's overall efforts are expected to be much higher than can be identified under the Performance Indicator criteria. As a result of the Performance Outcome Measurement System's inability to categorize all eligible entitlement-funded activities, the amount of entitlement funds the City of New York expects to expend according to the nine performance outcome objective statements will be less than the total amount of entitlement funds the City of New York expects to receive for the 2014 Consolidated Plan program year.

For eligible program activities for which there is no appropriate HUD Performance Indicator in the Performance Outcome Measurement System, the City will reflect the proposed accomplishments by identifying the specific

activity undertaken by the program. For example, because there is no suitable HUD indicator to reflect the CDBG-funded Land Restoration Program's activities, the Accomplishment Chart in the One-Year Action Plan's Description of Program Variables Table (Section I.C.a) will state: *No Appropriate HUD Indicator (Number of Acres Treated: 280)*. For these programs, program progress in addressing the City of New York's priorities and objectives as described in its five-year Consolidated Plan Strategic Plan will continue to be measured and reported in the Consolidated Plan Annual Performance Report (APR) by comparing its Proposed Accomplishment as described in the Consolidated Plan Action Plan Accomplishment Chart against its Actual Accomplishment.

Lastly, it is important to recognize that some households may benefit multiple times from various public service activities. Unlike activities such as rental assistance or housing production, where it is reasonable to expect that beneficiaries will not be double-counted, many households may receive multiple forms of assistance through a combination of either entitlement-funded public service, public facility or targeted area revitalization activities. As a result, if the reader attempts to aggregate the number of low-/moderate-income households and persons benefiting from entitlement-funded programs categorized as public service, public facility or targeted area revitalization activities, the aggregated number of households and persons benefiting from these activities may actually be greater than the actual number of low-/moderate-income households and persons residing in New York City. Therefore, the reader is advised to interpret aggregated data with caution.

### Summary of Annual Use of Grant Funds

Housing costs in New York City are some of the highest in the country and its housing stock is some of the oldest. The City is committed to easing the financial hardships low- and moderate-income families face in finding affordable decent housing by creating new and preserving existing housing units. As a response to the segment of New York City's housing stock that is older and in substandard condition, the City has devised programs which strive to remediate the City's deteriorating housing stock. To that end, the City of New York allocates a portion of its HUD entitlement grants to increasing accessibility, affordability, and to sustaining decent affordable housing in city neighborhoods. The City proposes to allocate a total of **\$46,514,700** during the 2014 calendar year to activities whose mission is to provide accessibility to decent affordable housing units. In 2014, the City will also spend approximately **\$91,496,500** to provide affordability of decent, affordable dwelling units and **\$52,898,000** to fund activities that work to sustain the City's housing stock.

Although safe affordable housing is a crucial component to improving the lives of New Yorkers, the City allocates a large share of HUD entitlement funds to community redevelopment programs as part of a holistic approach to enhancing the living environment found within the City. The programs are broad in scope but serve to generate vital, healthy, safe city neighborhoods. During the 2014 calendar year, **\$30,609,302** in total will be allocated to activities that provide access to a suitable living environment. A total of **\$2,963,000** will be used to promote affordable suitable living environments and **\$10,018,000** will be used for activities targeting sustainable living environments.

HUD entitlement grant dollars will also be apportioned to activities designed to foster economic recovery and enrich job prospects for city residents through business enhancement grants, education and worker training programs, and targeted commercial revitalization. In 2014, the City will spend **\$4,284,000** on activities that provide access to economic opportunity for low- and moderate-income New Yorkers.

The City of New York expects to receive approximately \$152,575,500 for CDBG programs, \$58,657,583 for HOME programs, \$12,649,583 for ESG programs, and \$48,441,549 for HOPWA programs. Housing and Urban Development entitlement grants provided to the City of New York are expected to achieve the following objectives and outcomes:

#### Community Development Block Grant

- Four programs expect to receive a cumulative total of \$1,024,000 for the purpose of providing accessibility to decent affordable housing.
- Seven programs expect to receive a cumulative total of \$39,262,000 for the purpose of providing affordability for decent affordable housing.
- Four programs expect to receive a cumulative total of \$48,764,000 for the purpose of providing sustainability of decent affordable housing.
- Twelve programs expect to receive a cumulative total of \$22,704,000 for the purpose of creating/improving accessibility to suitable living environments.
- One program expects to receive a total of \$2,963,000 for the purpose of creating/improving affordability for suitable living environments.
- Six programs expect to receive a cumulative total of \$10,018,000 for the purpose of creating/improving sustainability of suitable living environments.
- Three programs expect to receive a cumulative total of \$4,284,000 for the purpose of creating/improving accessibility to economic opportunity.
- Four programs for which there is no appropriate HUD Performance Indicator and, therefore, no applicable HUD defined outcome/objective statement, expect to receive a cumulative total of \$51,811,000 to undertake CDBG-eligible activities.
- The remainder of CDBG funds, \$39,244,000 will be used for program administration and planning and, therefore, is not applicable to HUD defined outcome/objective statements.

#### HOME Investment Partnership

- Five programs expect to receive a cumulative total of \$43,418,761 for the purpose of providing accessibility to decent affordable housing.
- Four programs expect to receive a cumulative total of \$7,287,845 for the purpose of providing affordability of decent affordable housing.
- Two programs expect to receive approximately \$2,085,200 for the purpose of providing sustainable decent affordable housing.
- The remainder of HOME funds, approximately \$5,865,800, will be used for program administration and planning and, therefore, is not applicable to HUD defined outcome/objective statements.

#### Emergency Solutions Grant

- One program expects to receive a cumulative total of \$2,071,955 for the purpose of providing accessibility to decent affordable housing.
- One program expects to receive a cumulative total of \$2,048,845 for the purpose of providing sustainability for decent affordable housing.
- Two programs expect to receive a cumulative total of \$7,905,302 for the purpose of providing accessibility for suitable living environments.
- The remainder of ESG funds, approximately \$623,500, will be used for program administration and project management and, therefore, is not applicable to HUD defined outcome/objective statements.

#### Housing Opportunities for Persons with AIDS

- Three programs expect to receive a cumulative total of approximately \$44,946,700 for the purpose of providing affordability for decent affordable housing.
- The remainder of HOPWA funds, approximately \$1,390,100, will be used for program administration and planning and, therefore, is not applicable to HUD defined outcome/objective statements.

## Summary of Funding

In total, over **\$2 billion** in combined funds is expected to be received in 2014. The four formula grants previously discussed account for approximately **\$339.822 million** of this figure.

Other Federal Funds include New York City Housing Authority (NYCHA) public housing authority funds, and HUD Competitive Grant program monies.

## Addendum

### Affirmatively Further Fair Housing

An addendum to the Affirmatively Furthering Fair Housing (AFFH) Statement One-Year Update originally incorporated into the Proposed 2013 Consolidated Plan Annual Performance Report (APR), (released March 31, 2014) has been included in the Proposed Action Plan, Volume 3.

The Addendum includes an updated Analysis of Impediments to Affordable Housing, and to Fair Housing respectively, and Actions to Remove Impediments. The Actions to Remove Impediments contains elements of Mayor de Blasio's *Housing New York: A Five-Borough, Ten-Year Plan*. The Mayor's Plan set a ten-year goal for the construction or preservation of 200,000 units of affordable housing, approximately 70% of which would serve households at or below 80 percent of the Area Median Income (AMI). In the plan, possible impediments were identified that, if removed, would facilitate the achievement of this ambitious affordable housing goal.

## Citizen Participation

### In the Consolidated Plan Formulation Process

In accordance with federal regulations 24 CFR 91.105(e)(1), regarding Consolidated Plan citizen participation requirements, the City of New York conducted a public hearing to solicit comments on the formulation of the *Proposed 2014 Consolidated Plan*, on April 15, 2013.

New Yorkers were invited to attend and participate in the formulation and development of the Consolidated Plan in several ways. Over 1,800 notification letters were sent to New York City residents, organizations and public officials inviting participation in the public hearing. In addition, notices of the previously mentioned activity were published in three local newspapers, one English-language, a Spanish-language, and a Chinese-language

daily, each with citywide circulation. Furthermore, a notice was placed as a public service message on the New York City-operated local cable television access channel. The respective notices included relevant Plan-related information so that informed comments are facilitated.

#### In the Public Comment Review Period and Public Hearing

In order to notify the public of the release of the Proposed Consolidated Plan for public review and of the federally-required public hearing on the contents of the document, the City utilized the same notification methods as it did to announce the public hearing for the formulation of the Proposed Plan. Furthermore, the respective notices included relevant Plan-related information so that informed comments are facilitated. Lastly, copies of the *Proposed 2014 Consolidated Plan* are mailed to both the Chairperson and District Manager of each of the City's 59 Community Boards.

To provide public access to the document, copies of the *Proposed 2014 Consolidated Plan* could be obtained at the **City Planning Bookstore**, 22 Reade Street, New York, New York 10007, Phone: 212-720-3667, (Monday 12:00 pm to 4:00 pm, Tuesday through Friday 10:00 am to 1:00 pm) or any of the New York City Department of City Planning borough offices.

In addition, copies of the Proposed Consolidated Plan were made available for reference in the City's Municipal Reference & Research Center (the City Hall Library), and the main public library in each of the five boroughs. (The locations of the respective libraries are provided at the end of the Summary).

Furthermore, the Department of City Planning posted the *Proposed 2014 Consolidated Plan* on the Department's website in Adobe Acrobat format for review by the public. The Internet-based version may be accessed at:

**<http://www.nyc.gov/planning>**

The public comment period began October 10, 2013 and extended for 30 days ending November 8, 2013.

The public hearing on Proposed 2014 Consolidated Plan was conducted as scheduled on November 8, 2013, 2:30 p.m., in Spector Hall, at the Department of City Planning, 22 Reade Street, Manhattan. The announced question and answer session with City agency representatives in attendance followed.

The public was instructed to submit their written comments on the *2014 Proposed Consolidated Plan* by close of business, November 8, 2013 to: Charles V. Sorrentino, New York City Consolidated Plan Coordinator, Department of City Planning, 22 Reade Street 4N, New York, New York 10007, FAX: (212) 720-3495, email: [Proposed2014ConPlan@planning.nyc.gov](mailto:Proposed2014ConPlan@planning.nyc.gov).

A summary of public comments from the public comment period, the public hearing and agencies' responses was to be incorporated into the version of the *Proposed 2014 Consolidated Plan* submitted to HUD. However, no public comments were received from either the public hearing or public comment period.

### Summary of Citizens' Comments/Agencies' Responses

#### Comments from the Public Hearing on the Formulation of the Proposed Consolidated Plan

The hearing began with opening remarks and the floor was then opened to testimony to those in attendance. However, no member of the public gave testimony. The hearing was concluded after the Consolidated Plan Committee member agencies' representatives waited a sufficient period of time to permit persons who may have been en route to the hearing the opportunity arrive and provide their testimony.
