All moneys received for the conveyance of passengers, animals, vehicles, or freight from New York to Staten Island, to be collected at the landing place in New York, or, if collected elsewhere, to be included in the receipts upon which such five per cent. is to be calculated and paid.

The successful bidder will be required to pay to the Collector of City Revenue the sum of fifteen hundred dollars immediately after the franchise shall have been struck down to him, as security for the execution and performance of the lease, such amount to be credited on the rent when the same becomes due.

Security, satisfactory to the Comptroller, will be required for the punctual performance by the lessee of the covenants of the lease of the franchise in their behalf.

All moneys received for the conveyance of passengers, animals, vehicles, or freight from the City of New York, over any ferry route, to any of the opposite shores, to be collected at the landing place in New York, or if collected elsewhere, to be included in the receipts upon which such percentage is to be calculated and paid.

The minimum price for which the lease of said wharf property will be sold has been fixed by the Board of the Department of Docks at the following sums, namely:

Wharf property connected with the ferry from Cortlandt street, North river, to Jersey City, has been leased by the Department of Docks to the associates of the Jersey Company for ten years from May 1, 1876, at \$7,510 per annum.

Ferry from Desbrosses street, North river, to Harsimus, Jersey City.

For the bulkhead and short pier at foot of Desbrosses street, North river, being about 65 feet in width along the westerly side of West street, or as much thereof as may be owned by the Corporation, at \$500 per annum.

Ferry from Tenth street, East river, to Greenpoint, Long Island.

For bulkhead at foot of Tenth street, East river, or so much thereof as may now be occupied for ferry purposes, at \$250 per annum.

Ferry from Twenty-third street, East river, to Greenpoint, Long Island.

For bulkhead at north side of and contiguous to foot of Twenty-third street, East river, as now occupied for ferry purposes, at \$3,500 per annum.

Ferry from Ninety-second street, East river, to Astoria, Long Island.

For bulkhead at foot of Ninety-second street, E. R., and for premises at foot of Fulton street, Astoria, as now occupied for ferry purposes, at \$250 per annum.

All the above-named premises to be taken in the condition in which they may be in on the 1st day of August, 1877, and all repairs and rebuilding thereof, and dredging thereof, during the term leased, to be done at the expense and cost of the lessee.

Each purchaser of a lease will be required, at the time of the sale, and in addition to the auctioneer's fees, to pay to the Department of Docks twenty-five per cent. of the amount of the annual rent bid for the wharf property, as security for the execution of the lease, and which twenty-five per cent. will be applied to the payment of the rent for such property first accruing under the lease, when executed, or forfeited if the lessee neglects or refuses to execute the lease and bond after being duly notified that the lease is prepared and ready for signature, or, in case the bid be finally rejected, will be returned to the bidder.

Lessee will be required to pay their rent for the wharf property quarterly, in advance, in compliance with a stipulation therefor in the form of the lease adopted.

The franchise and the lease of the wharf property, if any, of each ferry will be put up and sold together to the highest bidder, subject to the condition hereinafter expressed, and subject also to the right of the Comptroller and the Board of the Department of Docks to reject any or all bids, if deemed to be for the interest of the city.

No bid for a ferry franchise of less than five per cent. of the gross receipts to be collected at the landing place in New York, as before set forth, and no bid for the lease of wharf property less than the minimum price fixed by the Board of the Department of Docks will be received.

Bidders must bid for the franchise and lease of wharf property of each ferry separately, but no bid will be received unless it includes an offer for both the ferry franchise and wharf property.

The form of the lease required to be executed by the highest bidder can be seen at the office of the Comptroller on and after July 23, 1877.

All bids will be regarded as made with reference to said form of lease, and in case the highest bidder neglect to execute a lease according to said form, for ten days after said sale, his bid will, at the option of the Comptroller and the Board of the Department of Docks, be rejected.

The leases will contain a covenant requiring the lessee to pay quarterly to the Comptroller the percentage of the gross receipts paid for the franchise of each ferry.

JURORS.

NOTICE

IN RELATION TO JURORS FOR STATE COURTS

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, June 1, 1877.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.
