5 in. plank about 126,305 feet, B. M., measured in the ork.

work. Total sawed yellow pine, about 228,736 feet, B. M., measured in the work. Total sawed yellow pine, about 228,736 feet, B. M., measured in the work. The same of the state of the

agreement. Bidders will write out the amount of their estimate for doing this work, in addition to inserting the same in

Bidders will write out the amount of their estimate for doing this work, in addition to inserting the same in figures. Should the lowest bidder or bidders neglect or refuse to accept to contract within forty-eight (48) hours after written notice that the same has been awarded to his or ther bid or proposal, or if, after acceptance, he or they should refuse or neglect to execute the contract and give the proper security for forty-eight hours after notice that the same is ready for execution, he or they shall be con-sidered as having abandoned it, and as in default to the Corporation; and the contract will be re-advertised and re-let, and so on until it be accepted and executed. Bidders are required to state in their proposals their names and places of residence, the names of all persons interested, the proposal shall distinctly state the lact; also interested, the proposal shall distinctly state the lact; also that the bid is made without any connection with any other person making any estimate for the same work, and that it is in a respects fair, and without collusion or fraud; and also tate no member of the Common Council Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Comporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profix thereof; which proposals must be verified by the oath, in writing, of the part / making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the interested. Each proposal shall be accompanied by the consent, in writing, of two householders or treeholders of the City of

more than one person is interested, it is regulative that the verification be made and subscribed by all the parties interested. Each proposal shall be accompanied by the consent, in writing, of two householders or treeholders of the City of New York, with their respective places of business or resi-dence, to the effect that if the contract be awarded to the person or persons making the bid, they will, on its being so awarded, become bound as his or their surcties for its faithful performance; and that, if said person or persons shall omit or retuse to execute the contract, they will pay to the Corporation any difference between the sum to which said person or persons would be entitled on its com-pletion, and that which the Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oach or affirmation, in writing, of each of the persons signing the same, that he is a householder or frecholder in the City of New York, and is worth the amount of the security required for the com-pletion, and over and above his liabilities as ball, surety in good faith and with the intention to execute the bond required by section 6 of chapter 574, Laws of 1871, and by section 7 of chapter VIII. of the Revised Ordi-nances of the City of Aew York, if the contract shall be awarded to the person or persons for whom he consenst to become surety. The adequacy and sufficiency of the equiry offered to be approved by the Comproller of the city of New York after the award is made and prior to the signing of the contract. Bilders are informed that no deviation from the specifi-cations will be allowed, unless under the written instruc-tions of the Engineer-in-Chief.

THE CITY RECORD.

DEPARTMENT OF DOCKS, Nos. 117 and 119 Duane Street, New York, January 6, 1879.

TO CONTRACTORS.

PROPOSALS FOR REPAIRING PIER No. 7, EAST RIVER.

SEALED PROPOSALS FOR MAKING RE-g pairs to Pier No. 7, at the foot of Coenties Slip, E. R., indorsed as above, and with the name or names of the person or persons presenting the same, and the date of pre-sentation, and addressed to "The President of the Depart-ment of Docks," will be received at this office until 12 o'clock w. of

TUESDAY, JANUARY 21, 1879,

At which time and place the bids will be publicly opened by the head of said Department and read. The award of the contract will be made as soon as practicable after the opening of the bids. Any bidder for this contract must be well prepared for the business, and shall give security for the faithful per-formance of his contract, in the manner prescribed and required by ordinance, in the sum of one thousand dollars. The Engineer's estimate of the quantities is as follows : I. Hewn timber. old, furnished by the Department of

1. Hewn timber, old, furnished by the Department of Docks, 3,000 lineal feet. 2. Files, turnished by the Department of Docks, 80. 3. Mooring piles, turnished by the Department of Docks of 4. Yellow pine timber, sawed, 12 by 12 inches, 24,000 feet, B. M.

B. M. Yellow pine plank, 4 inches, 111,360 feet, B. M. Yellow pine plank, 5 inches, 1500 feet, B. M. Half-round white oak fenders, 50. Wrought iron bolts, spikes, and corner bands, 8,000 refe

pounds. The foregoing are the quantities which have been esti-mated approximately for the construction of the work. They form, however, no part of the contract, and persons bidding are cautioned that the Department of Docks do not hold themselves responsible that any of them shall strictly obtain in the construction of the work, and bidders are required to examine the premises, and to judge for themselves of the quantity and other circumstances affect-ing the cost of the work. The time allowed for making such repairs is forty days from the date of signing the contract; and the damages to be paid by the contractor for each day that the con-tract, or any part thereof, may be unfulfilled, after the time fixed for fulfillment has expired, Sundays and holi-days not to be excepted, are, by a clause in the contract, case. All the old matrical taken from the Bins in melume the

All the old material taken from the Pier, in making the repairs, will be relinquished to the contractor, and bidders must estimate the value of such material when considering the price for which they will do the work under the contrac

traci. Bidders will state in their proposals the price for the whole of the work to be done in conformity with the annexed specifications, by which the bids will be tested. The price is to cover the expenses of furnishing all the necessary materials and labor, and the performance of all the work set forth in the agreement.

set forth in the agreement. Bidders will write out the amount of their estimate for doing this work, in addition to inserting the same in figures

should the lowest bidder or bidders neglect or refuse
