Re: #2017-208-436-C04: Determination Pursuant to Audit: Review Evaluation and Monitoring of the Equal Employment Opportunity Program – Queens Community Board No. 6.

Dear Chairperson Hennessy:

On behalf of the members of the Equal Employment Practices Commission (Commission or EEPC), thank you and your agency for the cooperation extended to our staff during the course of this audit. This letter contains the Commission's findings and determinations pursuant to our analysis for the period covering January 1, 2013 through December 31, 2016.

Chapter 36, Section 831(d)(5) of the New York City Charter empowers this Commission to audit and evaluate the employment practices and procedures of city agencies and their efforts to ensure fair and effective equal employment opportunity for women and minority employees and applicants seeking employment. Sections 831(d)(2) and 832(c) authorize this Commission to make a determination that any agency's plan, program, procedure, approach, measure or standard does not provide equal employment opportunity, require appropriate corrective action and monitor the implementation of the corrective action it prescribes.

Queens Community Board No. 6, which may herein be referred to as "the agency," falls within the Commission's purview under Chapter 36, Section 831(a) of the New York City Charter, which delineates city agency as any "city, county, borough or other office, administration, board, department, division, commission, bureau, corporation, authority, or other agency of government where the majority of the board members of such agency are appointed by the mayor or serve by virtue of being city officers or the expenses of which are paid in whole or in part from the city treasury..."

The purpose of this audit and analysis is to evaluate the agency's EEO Program, not to issue findings of discrimination pursuant to the New York City Human Rights Law. This Commission has adopted *Uniform Standards for EEPC Audits*<sup>1</sup> and *Minimum Equal Employment Opportunity Standards for Community Boards* to assess agencies' EEO programs and policies for compliance with federal, state and local laws, regulations, policies and procedures which are designed to increase equality of opportunity for municipal government employees and job applicants. These standards are founded upon and consistent with federal, state and local laws, regulations, procedures and policies including, but not limited to, the Citywide Equal Employment Opportunity Policy - Standards and Procedures to be Utilized by City Agencies; the New York City Human Rights Law (NYC Administrative Code, §§8-107(1)(a) and (d), 8-107.13, and 8-107.1); the New York State Civil Service Law §55-a; the Equal Employment Opportunity Commission's Instructions to Federal Agencies for EEO, Management Directive 715; the Uniform Guidelines on Employee Selection Procedures (29 CFR §§1607.3 - 1607.7); the Americans with Disabilities Act and its Accessibility Guidelines; and the equal employment opportunity requirements of the New York City Charter. Prescribed corrective actions are consistent with the aforementioned parameters.

The *Uniform Standards for EEPC Audits* requires each agency to distribute the Citywide EEO Policy or its own. As the Community Boards are comprised of members appointed by the respective Borough Presidents, under the *Minimum Equal Employment Opportunity Standards for Community Boards* the expectation is that a Community Board adopts and distributes the Borough President's EEO Policy. The Community Board may, however, adopt the Citywide EEO Policy.

Since this Commission is empowered to review the plans adopted by city agencies and to recommend actions which such agencies should consider including in their annual plans, the agency should incorporate the required corrective actions in its EEO Program and prospective Annual EEO Plans.

### Scope and Methodology

Audit methodology included an analysis of the Community Board's responses to the EEPC's *Interview Questionnaire for Community Boards* (Attachment). The questionnaire was sent to Queens Community Board No. 6 on December 14 2016. The completed questionnaire was received on January 4, 2017. The following determination indicates where the Community Board's District Office has or has not complied, in whole or in part, with our *Minimum Equal Employment Opportunity Standards for Community Boards*.

### Description of the Community Boards

Community Boards have approximately fifty unsalaried members appointed by the Borough President in consultation with the City Council members who represent any part of the community board district. Each Community Board hires a full time, salaried District Manager and salaried

support staff to administer its district office, which works to resolve the service delivery problems of its residents and businesses.
