PROCUREMENT

“Compete To Win” More Contracts!

Thanks to a new City initiative - “Compete To Win” - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and Women-Owned Businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- Win More Contracts, at nyc.gov/competetowin

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed, to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR PREQUALIFICATION

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic HHS Accelerator Prequalification Application using the City’s PASSPort system. The PASSPort system is a web-based system maintained by the City of New York for use by its Mayoral Agencies to manage procurement. Important business information collected in the Prequalification Application is required every three years. Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete. Prequalification applications will be reviewed to validate compliance with corporate filings and organizational capacity. Approved organizations will be eligible to compete and would submit electronic proposals through the PASSPort system. The PASSPort Public Portal, which lists all RFPs, including HHS RFPs that require HHS Accelerator Prequalification, may be viewed, at https://passport.cityofnewyork.us/page.aspx/en/rfp/request_browse_public

All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding. For additional information about HHS Accelerator Prequalification and PASSPort, including background materials, user guides and video tutorials, please visit <https://www.nyc.gov/site/mocs/hhsa/hhs-accelerator-guides.page>

REQUEST FOR QUALIFICATIONS AND EXPRESSION OF INTEREST ("RFQEI"): CSI 50 CONVERSION, PLA FEASIBILITY, MASTER PLANNING SERVICES, DESIGN BUILD REQUIREMENTS CONSULTANT (OWNER'S REPRESENTATIVE) - Request for Information - PIN# 24-0924 - Due 8-28-24 at 5:00 P.M.

Description:

This Request for Qualifications and Expression of Interest ("RFQEI") is being issued by the New York City School Construction Authority ("SCA") to solicit industry feedback and to evaluate vendor interest and qualifications in connection with certain Scopes of Services.

The SCA is responsible for the project delivery of new and major renovations of public school facilities throughout the five (5) boroughs of New York City. The SCA oversees all capital planning, contracting, design, and construction management of all projects in the five-year Capital Plan. To learn more about the SCA's Capital Plan visit <https://www.nyccsa.org/Community/Capital-Plan-Reports-Data#Capital-Plan-67>.

One or more Consultants will be identified, via a formal Request for Proposal process, to perform Services in one or more of the following areas:

- (1) Transitioning the SCA from the MasterFormat Construction Specifications Institute (CSI) 16 Divisions to the current industry 50 Divisions, and training SCA users thereon;
- (2) Conduct a Project Labor Agreement ("PLA") Feasibility study for Design Build efforts related to both Capacity (new school) and Capital Improvement Program ("CIP" renovation/rehabilitation) projects.
- (3) Master Planning Services; and
- (4) Design Build Requirements Consulting (also known as "Criteria Consultant" or "Owner's Rep") Services.

Scopes of Services

- (1) "CSI 50 Implementation": The SCA develops and maintains design standards for public school designs that in-house and consultant architects reference to develop construction documents. The SCA performance specifications, which are based on the Construction Specifications Institute (CSI) 16 divisions MasterFormat breakdown, are used for all SCA project types. The selected Consultant will be responsible for SCA-wide conversion from the 5-digit code specifications standards that have been modified over the years to the industry's latest 50 division MasterFormat with an 8-digit code.
- (2) "PLA Study": Section 1, § 4 of the via Assembly Bill A7636B (<https://www.nysenate.gov/legislation/bills/2019/A7636>), the New York City Public Works Investment Act ("Act"), requires that all Design Build efforts be accomplished pursuant to a Project Labor Agreement. A Project Labor Agreement (PLA) is a pre-hire collective bargaining agreement with one or more labor organizations that establishes the terms and conditions of employment and project delivery for specific construction projects. The SCA has a current PLA with the Building & Construction Trades Council of Greater New York (BCTC) covering specified rehabilitation and renovation work. In order to implement a PLA that would govern the SCA's Design Build projects, the SCA must, pursuant to Labor Law Section 222, Section 2.a.2 (New York Labor Law Section 222), determine that the PLA would further the SCA's "interest in obtaining the best work at the lowest possible price, preventing favoritism, fraud and corruption, and other considerations such as the impact of delay, the possibility of cost savings advantages, and any local history of labor unrest". The selected Consultant will be tasked with undertaking, or supporting an SCA-led, "Feasibility Study" specific to a Design Build Project Labor Agreement.
- (3) "Master Planning Services": In response to this RFQEI we are also asking interested firms to demonstrate their ability to perform Master Planning Services with the goal of updating the SCA's Design Standards for its large portfolio of school buildings. Interested firms should respond with prior examples of their master planning experience relating to standards. Associated disciplines/areas of expertise required for this Master Plan service effort shall include, but not be limited to Architectural, Structural, Civil, Geotechnical, Electrical, Lighting, Heating Ventilation and Air-Conditioning, Fire Protection, Plumbing and Drainage, Interior Design, Sustainability, Landscaping, Cost Estimating, Acoustical, Elevator, Signage and Wayfinding, Waste Management, Kitchen, Traffic Engineering, ADA Accessibility, Forensic Architect, Educators, Graphic Design, Security Consultant, Historical Preservation and Energy Modeling Services. It is expected that the components of the study will include Engagement, Data Gathering and Educational & Building Standards. The required services include but are not limited to:
 - a. Submission of reports in InDesign, PDF, PowerPoint and other electronic format for all documents as required by the SCA.

- b. Detailed review and assessment of all existing NYSCSA Design Standards.
 - c. Engagement In-person and virtual engagement with stakeholders at the SCA, New York City Department of Education, New York City School Construction Authority, Communities (targeted outreach), SCA Design Consultants, and other parties via workshops (visioning) to ensure that collection of comprehensive data to support the update and creation of additional Design Standards. Listening sessions, workshops and surveys shall be included as means of collecting data for this Master Plan.
 - d. In-person and virtual community engagement to identify highest needs, a vision for teaching and learning in the form of educational specification standards and building and architectural design standards.
 - e. Preparation of recommendations based on data collected from stakeholders, best pedagogical practice and associated cost estimates for the recommendations. Cost estimates will be instrumental in the decision-making process as it will impact the SCA's 2025-2029 Capital Plan.
 - f. Updating and adding to the SCA's current suite of standards.
- (4) "Design Build Requirements Consultant": The SCA is authorized, via the Act, to award Design Build contracts for certain public works within the City. The Act requires that the SCA utilize a two-step procurement process for Design Build contracts: a request for qualifications and then a request for proposals to short-listed vendors. The Act also requires that the SCA select the Design Build proposal that provides the best value to the City, taking into consideration the qualifications of the Design Builder, the quality of the proposal, and the proposed cost. Design Build contracts awarded pursuant to the Act may be for a lump sum, guaranteed maximum price ("GMP"), or other price format. Firms reviewing this RFQEI should be familiar with the Act, and with the Design Build model, and are being asked to respond to certain SCA-specific nuances in connection therewith. The selected Consultant will be tasked with Program and Project Development, including, but not limited to, development of Design Build strategies, creation of internal program materials, risk assessments, development of project specific performance-based specifications, pre- and post-award support, and project management/administration services, for SCA Design Build projects. Ultimately, guided by primers and best practices promulgated by the Design Build Institute of America ("DBIA"), the SCA intends to seek Requirements Consulting Phase 2 services from proposers with strong leadership, technical, and facilitative skills that have extensive experience developing and managing Design Build projects. Services required by the SCA include, without limitation, the following:
- a. Program Development:
 - i. Strategize and develop the initial NYSCSA Design Build program, outlining project objectives, priorities, opportunities and requirements.
 - ii. Collaborate with SCA stakeholder departments including Architecture & Engineering, Construction Management, Capital Plan Management, Design & Construction Innovation Management (including Technical Standards and Cost Estimating), Environmental & Regulatory Compliance, Finance, Information Technology, Legal and Operations to define program goals and objectives.
 - iii. Recommendations on how to ensure that the Design Professional's standard of care is maintained as it relates to the Owner.
 - b. Procurement Support:
 - i. Draft and issue all elements of the two-stage Design Build procurement process including the RFQ and RFP, with particular emphasis on the development of appropriate evaluation criteria to be used during each phase.
 - ii. Evaluate proposals at both stages and make recommendations based on project requirements and budget constraints.
 - c. Contract Development and Administration:
 - i. Develop contract documents, including terms, conditions, and scope of work, specific to Design Build program.
 - ii. Negotiate contract terms on behalf of the owner to ensure best value and protection of interests.

- iii. Administer contracts throughout the project lifecycle, including dispute resolution.
- d. Design and Construction Oversight:
 - i. Review design documents to ensure compliance with SCA Specifications, Design Requirements and all regulations including NYC building codes, SHPO, if applicable, FDNY, etc.
 - ii. Monitor construction progress and quality through site visits, inspections, and coordination meetings.
 - iii. Address design and construction issues in a timely manner to mitigate risks and ensure project success.
- e. Stakeholder Coordination : Facilitate communication and collaboration among internal and external project stakeholders.
- f. Budget and Financial Management:
 - i. Develop, maintain and track project budgets, including cost estimates, forecasts, and expenditures.
 - ii. Liaise with the selected Design Build team, identify cost-saving and value engineering opportunities and recommend strategies to optimize project spending.
- g. Risk Management: Identify potential risks and challenges throughout the project lifecycle and develop mitigation strategies and proactive measures, including appropriate insurance requirements, to minimize disruptions and delays.
- h. Quality Assurance and Control:
 - i. Implement quality assurance measures to ensure that the selected Design Build partner meets project requirements and delivers high-quality work.
 - ii. Conduct regular inspections and reviews to verify compliance with design and construction standards.
- i. Project Closeout:
 - i. Manage the closeout process, including commissioning, final inspections, certifications, and documentation.
 - ii. Facilitate the transition of the completed facility, including collection of operating manuals, warranties and guarantees.

The Design Build Requirements Consultant will also be expected to prepare or facilitate reports, minutes, or other program and project-related documentation, including with regard to MWBE participation, and to maintain comprehensive project records, including contracts, correspondence, and all documentation required in order to support and respond to any future audit.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

AGENCY RULES

FIRE DEPARTMENT

■ NOTICE

FY 25 REGULATORY AGENDA

Pursuant to Section 1042 of the New York City Charter, the New York City Fire Department hereby publishes its Regulatory Agenda for Fiscal Year 2025. The Fire Department anticipates promulgating new rules during Fiscal Year 2025 that address the subjects set forth below.

Fire Department rules are consolidated in Title 3 of the Rules of the City of New York and are posted on the Fire Department's website at <https://www1.nyc.gov/site/fdny/codes/fire-department-rules/fire-dept-rules.page>.

1. Enforcement of Local Law 39 of 2023 and Creation of Non-Curable Conditions for Code Enforcement Purposes

Reasons for Proposed Rule(s): The proposed rule will implement cross-enforcement authority of Local Law 39 of 2023, as authorized by Local Law 50 of 2024.

Summary of Anticipated Content: The proposed rule will amend 3 RCNY §109-03(b) to conform monetary penalties for violations of New York City Fire Code Section FC309.4 and establish violations of certain provisions of the New York City Fire Code (FC), codified in Title 29 of the Administrative Code, Title 15 of the Administrative Code (Fire Prevention and Control), the rules promulgated by the Fire Department (codified in Title 3 of the Rules of the City of New York), and other laws, rules, and regulations enforced by the

Department, as "hazardous" for purposes of New York City Administrative Code §15-230(e).

Summary of Objectives: The proposed rule will facilitate the prosecution of Fire Department Summonses returnable at NYC Office of Administrative Trials and Hearings (OATH) for violations of FC309.4. The designation of such violations as hazardous, along with other conditions requiring prompt compliance and/or where a cure provision is not appropriate, would eliminate the opportunity to correct such violations without a hearing and penalty.

Legal Basis for the Proposed Rule: Sections FC 102.6.3 and 109.2 of the New York City Fire Code (Title 29 of the Administrative Code of the City of New York) authorize the Fire Department to propose this rule.

Relevant Federal, State and Local Laws and Rules: None

Individuals and Entities Likely to be Affected by the Proposed Rule: The rule will generally affect all individuals and entities subject to the terms of the Fire Code.

Anticipated Adoption: Second Quarter, FY2025

Agency Contact: New York City Fire Department Bureau of Legal Affairs code.develop@fdny.nyc.gov (718) 999-2042

2. In-Building Auxiliary Radio Communication Systems

Reasons for Proposed Rule: The rule will amend existing Fire Department Rule 3 RCNY 511-01 to improve efficiency of review and maintenance of in-building auxiliary radio communication systems (ARCS).

Summary of Anticipated Content: The proposed rule will modify the technical criteria document to align with current FDNY radio systems and clarify and simplify the documentation required to be filed.

Summary of Objectives: Implementation of the proposed rule will save building owners time and money.

Legal Basis for the Proposed Rule: Sections FC 102.6.3 and 510 of the New York City Fire Code (Title 29 of the Administrative Code of the City of New York) authorize the Fire Department to propose this rule.

Relevant Federal, State and Local Laws and Rules: None.

Individuals and Entities Likely to be Affected by the Proposed Rule: The rule will generally affect owners of buildings required to install ARCS.

Anticipated Adoption: Third Quarter, FY2024

Agency Contact: New York City Fire Department Bureau of Legal Affairs code.develop@fdny.nyc.gov (718) 999-2042

3. Emergency Preparedness Plans

Reasons for Proposed Rule: The rule will implement the emergency planning and preparedness provisions of Chapter 4 of the 2022 New York City Fire Code pertaining to fire safety and emergency action (FSEAP Level 1) plans and fire and emergency preparedness (FEP Level 2) plans pursuant to FC 401.4 and 401.5.

Summary of Anticipated Content: The proposed rule will establish standards, procedures and requirements for buildings and occupancies required to have emergency preparedness plans.

Summary of Objectives: Implementation of the proposed rule will increase fire safety and non-fire emergency preparedness in buildings and occupancies required to have an emergency preparedness plan.

Legal Basis for the Proposed Rule: Sections FC 102.6.3, 401.4 and 401.5 of the New York City Fire Code (Title 29 of the Administrative Code of the City of New York) authorize the Fire Department to propose this rule.

Relevant Federal, State and Local Laws and Rules: None.

Individuals and Entities Likely to be Affected by the Proposed Rule: The rule will generally affect owners of certain large buildings and the businesses that occupy them, as set forth in FC Sections 403 to 415.

Anticipated Adoption: Fourth Quarter, FY2024

Agency Contact: New York City Fire Department Bureau of Legal Affairs code.develop@fdny.nyc.gov (718) 999-2042

Questions or Comments

Communications regarding this Regulatory Agenda should be directed to the Code Development Unit, Bureau of Legal Affairs, 9 MetroTech Center, Brooklyn, NY 11201-3857, or use the Public Feedback form for Fire Department Rules on the Fire Department's website, https://www1.nyc.gov/site/fdny/codes/code-feedback/code-and-rules-public-feedback-form.page.

OFFICE OF THE MAYOR

NOTICE

EMERGENCY EXECUTIVE ORDER NO. 626

July 28, 2024

WHEREAS, over the past several months, thousands of asylum seekers have been arriving in New York City, from the Southern border, without having any immediate plans for shelter; and

WHEREAS, the City now faces an unprecedented humanitarian crisis that requires it to take extraordinary measures to meet the immediate needs of the asylum seekers while continuing to serve the tens of thousands of people who are currently using the DHS Shelter System; and

WHEREAS, additional reasons for requiring the measures continued in this Order are set forth in Emergency Executive Order No. 224, dated October 7, 2022, and Emergency Executive Order No. 538, dated December 27, 2023; and

WHEREAS, the state of emergency based on the arrival of thousands of individuals and families seeking asylum, first declared in Emergency Executive Order No. 224, dated October 7, 2022, and extended by subsequent orders, remains in effect;

NOW, THEREFORE, pursuant to the powers vested in me by the laws of the State of New York and the City of New York, including but not limited to the New York Executive Law, the New York City Charter and the Administrative Code of the City of New York, and the common law authority to protect the public in the event of an emergency:

Section 1. I hereby order that section 1 of Emergency Executive Order No. 622, dated July 23, 2024, is extended for five (5) days.

§ 2. This Emergency Executive Order shall take effect immediately and shall remain in effect for five (5) days unless it is terminated or modified at an earlier date.

EMERGENCY EXECUTIVE ORDER NO. 627

August 1, 2024

WHEREAS, on September 2, 2021, the federal monitor in the Nunez use-of-force class action stated steps must be taken immediately to address the conditions in the New York City jails; and

WHEREAS, on June 14, 2022, the federal court in Nunez approved the Nunez Action Plan, which "represents a way to move forward with concrete measures now to address the ongoing crisis at Rikers Island"; and

WHEREAS, while there has been improvement in excessive staff absenteeism, the Department of Correction's (DOC's) staffing levels continue to contribute to a rise in unrest and disorder and create a serious risk to the necessary maintenance and delivery of sanitary conditions; access to basic services including showers, meals, visitation, religious services, commissary, and recreation; and prompt processing at intake; and

WHEREAS, this Order is given to prioritize compliance with the Nunez Action Plan and to address the effects of DOC's staffing levels, the conditions at DOC facilities, and health operations; and

WHEREAS, additional reasons for requiring the measures continued in this Order are set forth in Emergency Executive Order No. 140; and

WHEREAS, the state of emergency existing within DOC facilities, first declared in Emergency Executive Order No. 241, dated September 15, 2021, and extended by subsequent orders, remains in effect;

NOW, THEREFORE, pursuant to the powers vested in me by the laws of the State of New York and the City of New York, including but not limited to the New York Executive Law, the New York City Charter and the Administrative Code of the City of New York, and the common law authority to protect the public in the event of an emergency:

Section 1. I hereby direct that the State of Emergency declared in Emergency Executive Order No. 241, dated September 15, 2021, and extended by subsequent orders, is extended for thirty (30) days.

§ 2. I hereby direct that sections 1 through 3 of Emergency Executive Order No. 623, dated July 27, 2024 is extended for five (5) days.

§ 3. This Emergency Executive Order shall take effect immediately. The State of Emergency shall remain in effect for a period not to exceed thirty (30) days or until rescinded, whichever occurs first. Additional declarations to extend the State of Emergency for additional periods not to exceed thirty (30) days shall be issued if needed.

EMERGENCY EXECUTIVE ORDER NO. 628

August 1, 2024

WHEREAS, it is of utmost importance to protect the health and safety of all persons in the custody of the Department of Correction ("DOC"), and of all officers and persons who work in the City of New York jails and who transport persons in custody to court and other facilities, and the public; and

WHEREAS, over 80 provisions in the various Court Orders entered in Nunez v. City of New York, 11 CV 5845 (SDNY), require DOC to consult with, and seek the approval of, the Nunez Monitor

("Monitor") prior to implementing or amending policies on issues, including but not limited to, matters relating to security practices, the use of restraints, escorts, emergency lock-ins, de-escalation, confinement management of incarcerated individuals following serious acts of violence and subsequent housing strategies, and DOC may be held in contempt of court and sanctioned if it fails to appropriately consult with and obtain approval from the Monitor regarding policies in these areas; and

WHEREAS, as fully detailed in Emergency Executive Order 579 of 2024, DOC is already experiencing a significant staffing crisis, which poses a serious risk to the health, safety, and security of all people in custody and to DOC personnel; and

WHEREAS, attempting to comply with many of the provisions of Local Law 42 and the new BOC regulations, such as transporting individuals to court without restraints, would require a massive increase in staff and other resources, which are not available; and

WHEREAS, even if DOC had such additional staffing and resources, that still would not obviate the direct threat to public safety posed by certain provisions of Local Law 42, nor would it obviate the fact that the Monitor has yet to approve implementation of those provisions as required by the Nunez Orders, nor would it obviate the fact that additional time would be needed to safely implement those provisions of Local Law 42 eventually approved by the Monitor, because, as the Monitor has expressly cautioned, the safe implementation of any new requirement or reform in DOC facilities requires planning time to "evaluat[e] the operational impact, update[e] policies and procedures, updat[e] the physical plant, determin[e] the necessary staffing complement, develop[] training materials, and provid[e] training to thousands of staff, all of which must occur before the changes in practice actually go into effect" [11 CV 5845 (SDNY) Dkt No. 758-3 at p. 61]; and

WHEREAS, on July 27, 2024, I issued Emergency Executive Order No. 624, and declared a state of emergency to exist within the correction facilities operated by the DOC, and such declaration remains in effect;

WHEREAS, additional reasons for requiring the measures continued in this Order are set forth in Emergency Executive Order No. 625, dated July 27, 2024; and

NOW, THEREFORE, pursuant to the powers vested in me by the laws of the State of New York and the City of New York, including but not limited to the New York Executive Law, the New York City Charter and the Administrative Code of the City of New York, and the common law authority to protect the public in the event of an emergency:

Section 1. I hereby direct sections 1 through 2 of Emergency Executive Order No. 625, dated July 27, 2024 are extended for five (5) days

§ 2. This Emergency Executive Order shall take effect immediately and shall remain in effect for five (5) days unless it is terminated or modified at an earlier date.
