BOARD OF CITY RECORD.

MAYOR'S OFFICE, CITY HALL, NEW YORK, December 18, 1889.

The Hons. Hugh J. Grant, Mayor; William H. Clark, Counsel to the Corporation, and Thomas F. Gilroy, Commissioner of Public Works, the city officers designated by section 66 of the New York City Consolidation Act, met this day in the Mayor's office, pursuant to adjournment from Wednesday, December 11.

The minutes of the meetings of December 7, 9 and 11 were read and approved.

The Supervisor of the City Record presented the following communication:

OFFICE OF THE CITY RECORD, No. 2, CITY HALL, NEW YORK, December 16, 1889.

Hons. Hugh J. Grant, Mayor; William H. Clark, Counsel to the Corporation, and Thomas F. Gilroy, Commissioner of Public Works:

Gentlemen—At a meeting of your Honorable Body on the 9th instant, I was directed to prepare specifications and forms of contract for the supplies of stationery and printed matter required by the several departments and courts for the year 1890, and to report them at a meeting to be held on the 17th instant. I undertook to do this, but found the task one which could not be completed within between thirty and sixty days. In the meantime the departments will need supplies. Some of the n—for instance, the Departments of Public Works and Street Cleaning, the Police and Civil Courts, the County Clerk's office and the Board of Aldermen—must have them by January I, or stop work, practically.

I respectfully suggest that you do now what you did respecting the procurement of books needed by the departments on January I, that is, direct me to procure the supplies necessary for sixty days at once, and let the remainder for the year at contract.

Yours, respectfully,

W.J.K.KFNNY.

The Mayor said he was sorry that his idea of letting contracts for everything needed could not be carried out at once without having a harmful effect on the business of the city government. Commissioner Gilroy said his opinion had been in line with the facts stated by the Supervisor. On motion of the Mayor, the Supervisor was directed to procure, without contract, all the stationery and printing required by the departments and courts for sixty days from January 1, 1890, that method being the best for the city's interest. The Mayor, Corporation Counsel and Commissioner of Public Works voted concurrently for the motion.

The Supervisor then reported that he had carefully examined the requisitions for 1890 of the Departments of Public Works and Parks, the County Clerk, and the Superior Court, and thought they ought to be allowed. They were allowed by a concurrent vote of the three officers. The Supervisor next said that the County Clerk was desirous to put in a supplementary requisition for supplies for the temporary clerks employed by him under chapter 57 of the Laws of 1883. He read the law, and the Board decided that the County Clerk must procure such supplies out of his special appropriation.

The following requisition was acted on by the Board:

No.	DATE.	Applied For.	ACTI N OF BOARD.
705	Dec. 11, 1889	From Fire Commissioners. 2,000 cards of invitation to Fire Department display before Pan-American delegates; 2,000 envelopes	Allowed.

Bills were presented by the Supervisor, and were approved by the Board, as follows: M. B. Brown (contract for Fire Department stationery and lithographing), \$1,845.71; M. B. Brown (contract for Tax Department stationery), \$299.76; M. B. Brown (bills on direct orders), \$4,560.91.

The meeting was then adjourned.
