

May 19, 2014

CERTIFICATE 25033

RESOLVED That the Design Commission, having considered designs for the installation of streetscape improvements, Phase I, Adams Street between Red Cross Place and Johnson Street, Brooklyn, submitted by the Department of Design and Construction and the Department of Transportation, represented by exhibits 6589-AH, AI, AJ, AK & AL of record in this matter, hereby gives to the same unanimous preliminary approval with the understanding that (1) the agencies will begin the Percent for Art selection process for the Phase II project area immediately to ensure that the artist is brought on board as a member of the design team and not unduly restricted; (2) changes to the Phase II schematic design may be required to accommodate an artwork; and (3) a relocation proposal for the bike share station on Clinton Street and Tillary Street will be submitted as a part of Phase II. Commissioner Nielsen recused herself.

Preliminary approval is conditioned upon submission of this project for final review and approval before May 19, 2016.

A true copy of resolution adopted by
the Design Commission at its meeting
on May 19, 2014.

Acting Executive Director

May 19, 2014

CERTIFICATE 25034

RESOLVED That the Design Commission, having considered designs for the reconstruction of a canopy, Issue Project Room, 22 Boerum Street (110 Livingston Street), Brooklyn, submitted by the Department of Design and Construction and the Department of Cultural Affairs, represented by exhibits 2855-C, D, E, F & G of record in this matter, hereby gives to the same unanimous preliminary approval with the understanding that the architect will develop detailed drawings of the neon connection points to ensure they are as clean as possible.

Preliminary approval is conditioned upon submission of this project for final review and approval before May 19, 2016.

A true copy of resolution adopted by
the Design Commission at its meeting
on May 19, 2014.

Keri Butler
Acting Executive Director

May 19, 2014

CERTIFICATE 25035

RESOLVED That the Design Commission, having considered a proposal for the conservation of *Peter Cooper* (1894) by Augustus Saint-Gaudens, Cooper Square between East Sixth Street and East Seventh Street, Manhattan, submitted by the Department of Design and Construction and the Department of Parks & Recreation, represented by exhibits 603-AI, AJ, AK & AL of record in this matter, hereby gives to the same unanimous preliminary approval subject to a site visit to view mock-ups of the limestone cleaning, lime wash, honing (if necessary), and patina. The Commission notes that the 1987 conservation specified a historically accurate patina developed with Saint-Gaudens experts, and this finish should be maintained.

Preliminary approval is conditioned upon commencement of work before May 19, 2016 and submission of this project for final review and approval.

A true copy of resolution adopted by
the Design Commission at its meeting
on May 19, 2014.

Keri Butler
Acting Executive Director

May 19, 2014

CERTIFICATE 25036

RESOLVED That the Design Commission, having considered designs for the replacement of the roof and gutters, Pajoma House Residence (formerly Sumner Avenue Armory and 13th Regiment Armory), 357 Marcus Garvey Boulevard, Brooklyn, submitted by the Department of Homeless Services, represented by exhibits 615-L, M, N, O, P & Q of record in this matter, hereby gives to the same unanimous preliminary and final approval with the understanding that the mortar will match the existing, per the specifications.

Final approval is conditioned upon commencement of work before May 19, 2016 and submission of comprehensive photographic documentation of the completed project consisting of 8" x 10" archival-quality color photographs.

A true copy of resolution adopted by
the Design Commission at its meeting
on May 19, 2014.

Keri Butler
Acting Executive Director

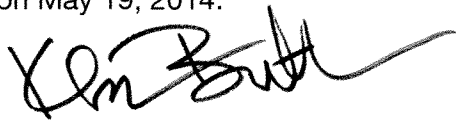

May 19, 2014

CERTIFICATE 25037

RESOLVED That the Design Commission, having considered designs for the repair of the façade and replacement of the roof, University Avenue Family Residence, 1041 University Avenue, Bronx, submitted by the Department of Homeless Services, represented by exhibits 7129-A, B, C, D, E, F & G of record in this matter, hereby gives to the same unanimous preliminary and final approval with the understanding that the mortar will match existing, per the specifications and with the request that the agency consider a more comprehensive repair of the stucco façade when funding is available.

Final approval is conditioned upon commencement of work before May 19, 2016 and submission of comprehensive photographic documentation of the completed project consisting of 8" x 10" archival-quality color photographs.

A true copy of resolution adopted by
the Design Commission at its meeting
on May 19, 2014.

Keri Butler
Acting Executive Director

May 19, 2014

CERTIFICATE 25038

RESOLVED That the Design Commission, having considered designs for the replacement of the roof and first-floor windows, Bellevue Diversion Center, 400-430 East 30th Street, Manhattan, submitted by the Department of Homeless Services, represented by exhibits 7130-A, B, C, D, E & F of record in this matter, hereby gives to the same unanimous preliminary and final approval.

Final approval is conditioned upon commencement of work before May 19, 2016 and submission of comprehensive photographic documentation of the completed project consisting of 8" x 10" archival-quality color photographs.

A true copy of resolution adopted by the Design Commission at its meeting on May 19, 2014.

Keri Butler
Acting Executive Director

May 19, 2014

CERTIFICATE 25039

RESOLVED That the Design Commission, having considered designs for the installation of Wi-Fi equipment on six distinctive traffic poles, Fifth Avenue between 39th Street and 57th Street, Sunset Park Business Improvement District, Brooklyn, submitted by the Department of Information Technology and Telecommunications, represented by exhibits 6491-G & H of record in this matter, hereby gives to the same unanimous preliminary and final approval. The Commission notes that Wi-Fi installations on distinctive light poles are discouraged and that this proposal is only acceptable because the applicant proposes to install a smaller equipment model (Meraki OD2) painted to match to the light pole.

Final approval is conditioned upon commencement of work before May 19, 2016 and submission of comprehensive photographic documentation of the completed project consisting of 8" x 10" archival-quality color photographs.
