

# **Local Law 86: Quarterly and Semi-Annual Reporting of Individuals in DOC Custody**

Fourth Quarter, 2016

Numbers are generated by the Department of Correction and New York Police Department and are reported to, and compiled by, the Mayor's Office of Criminal Justice. Charts 1, 3, 14, and 15 are reported on a quarterly basis, and charts 2, 4-13, and 16 are reported semi-annually.

## **DOC population data is reported in two different formats:**

Snapshot: the population of individuals in DOC custody on a given day

Admissions: a cumulative measure of individuals admitted to DOC custody over time

**The 16 charts included in this report adhere to the following format:**

## **Table Number: Title**

## Changes from Previous Reporting Cycles

Pretrial detainees with open parole violations were previously treated as pretrial detainees due to data availability. However, per statute requirements beginning with this report, all individuals with open cases and a parole warrant are now counted as parole violators.

The category amount pending was added to paragraph 13 for individuals who have had bail posted but are awaiting surety review to determine if the source of the funds is legitimate.
