HUMAN RESOURCES ADMINISTRATION

■ INTENT TO AWARD

Human Services/Client Services

06922Y0084-GOOD JOBS CHALLENGE - Request for Information - PIN# 06922Y0084 - Due 1-4-22 at 2:00 P.M.

The Human Resources Administration/Office of Employment & Support Administration, is seeking to award a sole source procurement with the Consortium for Worker Education for the Good Jobs Challenge. DSS/HRA will serve as the lead applicant in response to a recent Notice of Funding Opportunity (NOFO) from the Federal Economic Development Administration (EDA). The NOFO provides for grants of up to \$25 million each in support of sectoral partnerships designed to connect jobseekers to training and placement services, with employers in high-demand sectors of the local economy. The grant parameters specifically require applicants to identify a "backbone organization" for each proposed sectoral partnership. Backbone organizations offer well-established partnerships of employers from the same sector, who ally with stakeholders from government, education,

economic development, organized labor, and/or community groups to develop workforce solutions that meet the local talent needs of that industry.

The target sector for our proposal is Industrial/Transportation. We plan to use the grant funds, if awarded, to procure a contractor to provide career readiness, training, job development, and to create apprenticeship pathways specific to that industry, and to identify partners for training, union apprenticeships, and employment.

Based upon these criteria, as well as the application partners' comprehensive knowledge of the provider community in this area, DSS/HRA has concluded that the only organization within New York City that fits the parameters of this grant is the Consortium for Worker Education (CWE), to provide curriculum design and access to employment and union jobs. The contract will be for three years with an estimated budget of 1,500,000.00. The EDA Good Jobs Challenge Notice of Funding Opportunity has indicated a competitive preference for union jobs and apprenticeships. CWE is the only provider organization in New York City remotely approaches this set of relationships, or could add as much, as quickly, to our application. No other provider in New York City has the demonstrated knowledge and experience in creating new registered apprenticeships in the transportation sector in partnership with the Department of Labor. Among the outcomes we expect CWE to provide are developing systems and processes to measure and track key outcomes and metrics; delivering quality skills training to place HRA clients into career-track jobs; and offering technical assistance for employers to retain and advance workers placed through this program.

Any firm or organization which believes they can also provide this service is invited to respond to the RFI "06922Y0084-SOLE SOURCE-GOOD JOBS CHALLENGE on PASSPort. If you have any questions, please email, frazierjac@dss.nyc.gov", with the subject line "06922Y0084-SOLE SOURCE-GOOD JOBS CHALLENGE". - e. In construing this Section, an arbitrator shall initially have the power only to decide whether the subject facilities meet the standards of subsection (a) of this Section but may not affirmatively direct how the Employer should comply with this Section. If the arbitrator determines that the Employer is in violation of this Section, the Employer shall take appropriate steps to remedy the violation. If in the opinion of the Union the Employer does not achieve compliance within a reasonable period of time, the Union may reassert its claim to the arbitrator. Section 6.

The hourly rate of pay shall be determined by taking the below indicated fractional part of the affected employee's annual regular salary:

- a. For employees whose basic work week is forty (40) hours:

$$\frac{1}{2088} \quad \text{or} \quad \frac{1}{261 \times 8}$$

- b. Payment shall be computed and paid on a basis of quarter hour units actually worked beyond the normal scheduled work week, provided at least one (1) full hour is compensable in a calendar week. "Annual regular salary" shall in addition to all payments included in an employee's basic salary include all educational, assignment, and longevity differentials.

Section 7. Overtime Cap

The gross salary shall be computed on an annual calendar year basis and for the purposes of this Section shall mean basic annual salary plus any monies earned.
- c. Employees whose annual gross salary including overtime, all differentials and premium pay is in excess of the cap shall be required to submit periodic time reports at intervals of not less than one week, but shall not be required to follow daily time clock or sign-in procedures. Section 9.

Employees recalled from home for authorized ordered involuntary overtime work, shall be guaranteed overtime payment in cash for at least four (4) hours, if eligible for cash payment under Section 7 of this Article. When an employee voluntarily responds to a request to come from home for voluntary authorized overtime work, such overtime shall be compensated in time off on an hour-for-hour basis but with minimum compensatory time of four (4) hours.

Section 10.

However, all compensatory time off must be taken by the affected employee within the four (4) months following its earning. Any such compensatory time not so used by the employee's choice shall be added to the employee's sick leave balance. Employees who reside on the work premises or are in post-graduate training status shall not be included in this provision.

Section 12.

Employees who are required to carry communication devices (or "beepers") shall not be restricted in ability to travel. Notwithstanding the above, they may be required to call in or may make other mutually agreeable accommodations with the agency.

Decisions on requests for annual leave or for leave with pay shall be made within seven (7) working days of submission except for requests which cannot be approved at the local level or requests for leave during the summer peak vacation period or other such periods for which the Employer has established and promulgated a schedule for submission and decision of leave requests. Once a leave request has been approved, the approval may not be rescinded except in writing by the agency head.

If any agency head calls upon an employee to forego the employee’s requested annual leave or any part thereof in any year, it must be in writing and that portion shall be carried over until such time as it can be liquidated.

- b. In order to allow employees to make advanced plans, decisions on requests for annual leave in amounts of at least 5 consecutive work days or tours falling during an agency’s designated summer peak vacation period shall be made not less than thirty (30) days prior to the scheduled commencement of said peak vacation period. Such requests must be made no later than forty-five (45) days or tours prior to the commencement of the summer peak vacation period or by the designated submission date for such requests, whichever is earlier. The summer peak vacation period shall be the period designated by an Agency as such, provided such period does not commence prior to Memorial Day Weekend or extend past September 30th. Nothing contained herein shall preclude employees from making annual leave requests in accordance with the other provisions of this Agreement.

- c. Where an employee has an entitlement to accrued annual leave and/or compensatory time, and the City’s fiscal condition requires employees who are terminated, laid off or who choose to retire in lieu of layoff, be removed from the payroll on or before a specific date, or where an employee cannot be considered for an extension of service past the mandatory retirement age because of budgetary considerations, the Employer shall provide the monetary value of accumulated and unused annual leave and/or compensatory time allowances standing to the employee’s credit in a lump sum. Such payments shall be in accordance with the provisions of Executive Order 30, dated June 24, 1975.

Section 3.

- a. Employees shall be credited with one (1) day of sick leave per month. Approved sick leave and annual leave may be used in units of one (1) hour. Any employee who has completed four (4) months of service may be permitted to take approved annual leave as it accrues. Approved sick leave may be used as it accrues. This section shall not alter the provisions of any existing unit agreement, which contains a more beneficial procedure.

- b. It shall be the policy of the employer to allow employees to use during their current leave year the amount of annual leave accruable during that year, provided they have sufficient available leave balances. This provision shall be subject to the leave regulations referenced in Section 1 of this Article and the needs of the agency. Exceptions to this policy shall be on a reasonable and case-by-case basis.

Section 4.

By June 1st of each year all employees shall be given an annual statement of all leave balances as of the preceding April 30th (sick leave, annual leave, compensatory time, holiday leave credits).

Section 5.

- a. i. Except as provided in Section 5(a)(ii), sick leave shall be used only for personal illness of the employee. Approval of sick leave in accordance with the Leave Regulations is discretionary with the agency and proof of disability must be provided by the employee, satisfactory to the agency within five (5) working days of the employee’s return to work. However, the employer may request proof of disability when an employee has been on sick leave for five or more consecutive working days. Such proof satisfactory to the agency must be submitted within five working days of such request.

- ii. Notwithstanding the provisions of Section 5(a)(i), Employees may use two days per year from their sick leave balances for the care of ill family members. Approval of such leave is discretionary with the agency and proof of disability must be provided by the Employee, satisfactory to the agency within five (5) working days of the employee's return to work.
- b. The provisions of Section 5(a) above notwithstanding, the agency may waive the requirement for proof of disability unless:
 - i. An employee requests sick leave for more than three (3) consecutive work days; or
 - ii. An employee uses undocumented sick leave more than five (5) times in a "sick leave period." Employees hired during a "sick leave period" shall be subject to the terms of this subsection commencing with the next complete "sick leave period"; or
 - iii. An employee uses undocumented sick leave more than four (4) times in a "sick leave period" on a day immediately preceding or following a holiday or a scheduled day off. Employees hired during a "sick leave period" shall be subject to the terms of this subsection commencing with the next complete "sick leave period."
- c. For the purposes of Sections 5(b)(ii) and 5(b)(iii) above, the calendar year shall be divided into two (2), six (6) month "sick leave periods." They shall be: (1) January 1 to June 30, inclusive; and (2) July 1 to December 31, inclusive. An employee who exceeds the allowable number of undocumented absences in any "sick leave period" pursuant to Sections 5(b)(ii) and 5(b)(iii) above shall thereafter, commencing with the next "sick leave period," be required to submit medical documentation, satisfactory to the agency head, before further sick leave may be approved. The requirement for such documentation shall continue in effect until the employee has worked a complete "sick leave period" without being on sick leave more than two (2) times.
- d. For the purposes of this Section 5 "one time" shall mean the consecutive use of one-half (1/2) or more work days for sick leave. Sick leave taken in units of less than one-half (1/2) work day shall be counted as "one time" on sick leave when the cumulative total of such sick leave amounts to one-half (1/2) day.
- e. The provisions of Section 5(b) above notwithstanding, the agency shall have the discretion to waive the medical documentation required pursuant to Sections 5(b)(ii), 5(b)(iii) and 5(c), for employees who have completed their third year of employment and thereafter have a current sick leave balance commensurate with the number of years of employment as follows:

3 years	21 days
4 years	28 days
5 years	35 days
6 years	42 days
7 years	49 days
8 years	56 days
9 years	63 days
10 years or more	70 days
- f. It is not the intent of Sections 5(b) and 5(e) for an agency to regularly require proof of disability under normal circumstances.
- g. Any employee who anticipates a series of three (3) or more medical appointments, which will require a repeated use of sick leave in units of one day or less shall submit medical documentation indicating the nature of the condition and the anticipated schedule of treatment. Sick leave taken pursuant to said schedule of treatment shall be deemed documented.
- h. The medical documentation required by this Section shall be from a health practitioner licensed by the state in which she/he practices to diagnose and certify illness or disability. When an employee has been recommended for relief from duty by a medical practitioner acting in behalf of the Employer's Health Service, the time granted shall be considered documented sick leave for the day of the relief from duty only, unless otherwise specified by the Employer's practitioner.

Section 6.

The number of sick leave allowance days permitted to accumulate shall be unlimited.

Section 7.

- a. An employee's annual leave shall be changed to sick leave during a verified period of hospitalization. When an employee is seriously disabled but not hospitalized while annual leave, after the employee submits proof of such disability which is satisfactory to the agency head, such leave time may be charged to sick leave and not to annual leave at the employee's option.
- b. Employees on approved sick leave who have exhausted their sick leave balances shall be placed on annual leave unless otherwise

requested in writing for the duration of that absence, subject to continued proof of disability satisfactory to the agency.

Section 8.

Employees who are on agency approved work-study paid leave of absence shall not have annual leave credits deducted unless they actually request and take such annual leave, provided that annual leave accruals do not exceed the maximum permitted in this Agreement.

- b. When a holiday falls on a Saturday, it shall be observed on the preceding Friday. When a holiday falls on a Sunday, it shall be observed on the following Monday. However, when an agency head deems it necessary to keep facilities open on both Monday and Friday, employees may be scheduled to take time off on either the Monday or Friday. When either the holiday, or the day designated for observance, occurs on an employee's scheduled day off and the employee does not work on such day, the employee shall be entitled to one compensatory day off in lieu of the holiday.

Section 10. Line of Duty Injury Due to Assault

Upon the determination by the head of an agency that an employee has been physically disabled because of an assault arising out of and in the course of the employee's employment, the agency head will grant the injured employee a leave of absence with pay not to exceed eighteen (18) months. No such leave with pay shall be granted unless the Worker's Compensation Division of the Law Department advises the head of the agency in writing that the employee's injury has been accepted by the Division as compensable under the Worker's Compensation Law, or if such injury is not accepted by the Division as compensable under such law, unless the Worker's Compensation Board determines that such injury is compensable under such law.

If a permanent employee who has five (5) years or more of service does not have sufficient leave credit to cover the employee's absence pending a determination by the Worker's Compensation Division of the Law Department, the agency head shall advance the employee up to forty-five (45) calendar days of paid leave. In the event the Worker's Compensation Division of the Law Department does not accept the injury as compensable under the law or the Worker's Compensation Board determines that such injury is not compensable under such law, the employee shall reimburse the City for the paid leave advance.

If an employee is granted a leave of absence with pay pursuant to this Section, the employee shall receive the difference between the employee's weekly salary and the employee's compensation rate without charge against annual leave or sick leave. The employee shall, as a condition of receiving benefits under this Section, execute an assignment of the proceeds of any judgment or settlement in any third-party action arising from such injury, in the amount of the pay received pursuant to this Section and medical disbursements, if any, made by the Employer, but not to exceed the amount of such proceeds. Such assignment shall be in the form prescribed by the Corporation Counsel. The injured employee shall undergo such medical examinations as are requested by the Worker's Compensation Division of the Law Department and the employee's agency, and when found fit for duty by the Worker's Compensation Board shall return to the employee's employment.

No benefits shall be paid while an employee is suspended pending disciplinary action, or if an employee is subsequently found culpable of having commenced the assault or unnecessarily continuing the assault. Benefits provided under this Section shall be in addition to but not concurrent with benefits provided under Section 7.0 and 7.1 of the Career and Salary Plan Leave Regulations.

Section 11. Line of Duty Injury Other than Assault

For employees who do not come under the provisions of Section 10 of this Article but who are injured in the course of employment, upon determination by the head of an agency that an employee has been physically disabled because of an injury arising out of and in the course

of the employee's employment, through no fault of the employee, the agency head will grant the injured employee an extended sick leave with pay not to exceed three (3) months after all the employee's sick leave and annual leave balances have been exhausted. This additional leave must be taken immediately following the exhaustion of such balances. No such leave with pay shall be granted unless the Worker's Compensation Division of the Law Department advises the agency head in writing that the employee's injury has been accepted by the Division as compensable under the Worker's Compensation Law, or if such injury is not accepted by the Division as compensable under such law, unless the Worker's Compensation Board determines that such injury is compensable under such law. If an employee is granted extended sick leave with pay pursuant to this Section, the employee shall receive the difference between the employee's weekly salary and the employee's compensation rate for the period of time granted. The employee shall, as a condition of receiving benefits under this Section, execute an assignment of the proceeds of any judgment or settlement in any third party action arising from such injury, in the amount of the pay and medical disbursements received pursuant to this Section, but not to exceed the amount of such proceeds. Such assignment shall be in the form prescribed by the Corporation Counsel. The injured employee shall undergo such medical examinations as are requested by the Worker's Compensation Division of the Law Department and the employee's agency, and when found fit for duty by the Worker's Compensation Board shall return to the employee's employment.

Benefits provided under this Section shall be in addition to but not concurrent with benefits provided under Sections 7.0 and 7.1 of the Career and Salary Plan Leave Regulations.

Section 12.

a. Notwithstanding Sections 10 and 11 above, the parties reserve their rights pursuant to General Municipal Law Section 207-c. As a precondition to any action claiming an injury incurred in the line of duty, the Union agrees that it will elect that the action be brought under either General Municipal Law Section 207-c or under the procedures enumerated in Sections 10 and/or 11 of Article X of this Agreement.

b. Line of Duty Appeal Panel:

In the event a claim for benefits under Section 207-c of the General Municipal Law (GML) is denied, the employee and the Union may appeal the Employer's initial determination of eligibility, in writing to the District Attorney, within 120 days of the determination. The appeal shall be heard in accordance with the following procedure:

1. The appeal shall be heard by a Tri-Partite panel comprised of the following members:
 - a. One impartial member, who shall be designated by agreement of the parties.
 - b. One Employer member, designated by the District Attorneys' Offices.
 - c. One Union member, as designated by the Union.
2. The Tri-Partite panel shall render a final determination with respect to the matter in question. The panel's order and award (if any) shall be limited to the application and interpretation of GML Section 207-c, pursuant to applicable law.

Section 13.

Within forty-five (45) days of the receipt by the Worker's Compensation Division of the Law Department of a claim for Worker's Compensation, the City shall notify the claimant of the approval or disapproval of the claim.

Failure to notify the employee within the forty-five (45) day time limit may be grieved at Step III of the grievance procedure without resorting to previous steps.

Section 14.

Pursuant to Executive Order No. 34, dated March 26, 1971, "Regulations Governing Cash Payments for Accrued Annual Leave and Accrued Compensatory Time on Death of an Employee while in the City's Employ," if an employee dies while in the Employer's employ, the employee's beneficiary or if no beneficiary is designated, then the employee's estate, shall receive payment in cash for the following:

- a. All unused accrued annual leave to a maximum of fifty-four (54) days credit.
- b. All unused accrued compensatory time earned subsequent to March 15, 1968 and retained pursuant to this Agreement, verifiable by official agency records, to a maximum of two hundred- (200) hours.

Section 15.

If an employee dies during the term of this Agreement because of an injury arising out of and in the course of the employee's employment through no fault of the employee, and in the proper performance of the

employee's duties, a payment of twenty-five thousand dollars (\$25,000) will be made from funds other than those of the Retirement System in addition to any other payment which may be made as a result of such death. Such payment shall be made to the same beneficiary designated for the purposes of Section 14 of this Article, or if no beneficiary is so designated, payment shall be made to the employee's estate.

Section 16.

If while in covered employment under the terms of this Agreement an employee dies, the Employer shall notify the beneficiary designated by the employee in the personnel folder as to what benefits may be available for the employee and as to where claims may be initiated for such benefits. If no beneficiary is designated, the public administrator of the county in which the employee last resided shall be notified.

The employing agency shall promptly notify the appropriate retirement system and request it communicate with the beneficiary designated in the system's records.

Section 17.

- a. Every employee is obligated to report for work as scheduled.
- b. Except for the employees described in subsection (c) below, there shall be a grace period of five minutes at the beginning of the work shift. When an employee's lateness extends beyond the five-minute grace period, the full period of time between the scheduled reporting time and the actual reporting time shall be charged against such employee (e.g. an employee whose starting time is 9:00 a.m. who reports to work at 9:05 a.m. would not be "late," but such an employee with such a starting time who reports to work at 9:06 a.m. would be charged with six (6) minutes of lateness).
- c. Lateness beyond the five-minute grace period shall be classified as "excused" or "not excused" and excused lateness shall not be charged against the employee. Lateness found by the agency head or the individual designated by the agency head to have been caused by unforeseen public transportation delays or other circumstances which arise after an employee leaves for work which cannot be anticipated (e.g. elevator breakdowns or private transportation breakdowns) which are beyond the ability of the tardy employee to control shall be excused. Such findings shall be reasonably made; and the tardy employee may be required to furnish proof satisfactory to the agency head of the cause of the lateness. A request for excusal shall not be unreasonably denied. A refusal to excuse a lateness may be appealed to the Commissioner of Labor Relations whose decision shall be final.
- d. Deduction for unexcused lateness shall be made on a minute for minute basis from any compensatory time standing to an employee's credit and then, if there is no such credited time, from the employee's annual leave balances.
- e. The City reserves the right and power appropriately and for just cause to discipline or to discharge an employee for excessive lateness.
- f. Lateness caused by a verified major failure of public transportation, such as a widespread or total power failure of significant duration or other catastrophe of similar severity, shall be excused.
- g. Each agency will prepare contingency plans for operation during a major failure of public transportation which would cause disabled employees, as defined in the Americans with Disabilities Act, great difficulty in reaching their regular work location. Such plans will include, where practicable and productive, provisions assigning disabled employees to report to agency locations closer to their homes. Such plans shall also include provisions for excusal by the agency head of absences on an individual basis for disabled employees. Decisions of the agency head with respect to absences under such plans shall not be subject to the grievance procedure.

Section 18.

Such leave shall be computed on the basis of work days rather than calendar days.

- b. In the case where an employee has exhausted all or most of the employee's accrued sick leave due to a major illness, the agency head, in the agency head's discretion, may apply two and one-fifth (2 1/5) work days for each year of paid service as the basis for computing terminal leave in lieu of any other terminal leave. An employee's request for the application of this subsection shall not be unreasonably denied

- c. Where an employee has an entitlement to terminal leave and the City's fiscal situation requires that employees who are terminated, laid off or retired be removed from the payroll on or before a specific date, or where an employee cannot be considered for an extension of service past the mandatory retirement age because of budgetary considerations, the Employer shall provide a monetary lump sum payment for terminal leave in accordance with the provisions of Executive Order 31, dated June 24, 1975.

Section 19.

- a. A child care leave of absence without pay shall be granted to any employee (male or female) who becomes the parent of a child up to four years of age (or whose domestic partner registered pursuant to Executive Order 48, dated January 7, 1993, becomes the parent of a child up to four years of age), either by birth or by adoption, for a period of up to forty-eight (48) months. The use of this maximum allowance will be limited to one instance only. All other child care leaves of an employee shall be limited to a thirty-six (36) month maximum.
- b. Prior to the commencement of child care leave, an employee shall be continued in pay status for a period of time equal to all of the employee's unused accrued annual leave and compensatory time.
- c. Employees, who initially elect to take less than the forty-eight (48) month maximum period of leave or the thirty-six (36) months, may elect to extend such leave by up to two extensions, each extension to be a minimum of six (6) months. However, in no case may the initial leave period plus the one or two extensions total more than forty-eight (48) months or thirty-six (36) months.
- d. This provision shall not diminish the right of the Agency Head or the Personnel Director, as set forth in Rule 5.1 of the Leave Regulations, to grant a further leave of absence without pay for child care purposes.

Section 20.

Notwithstanding the above, questions concerning the practical impact that decisions on the above matters have on **employees** are within the scope of collective bargaining. The **Employer** will give the **Union** prior notice of the establishment and/or revision of performance standards or norms hereunder.

Notwithstanding the above, questions concerning the practical impact that decisions on the above matters have on **employees** are within the scope of collective bargaining. The **Employer** will give the **Union** prior notice of the establishment and/or revision of standards for supervisory responsibility hereunder.
- b. **Employees** who fail to meet such standards may be subject to disciplinary measures in accordance with applicable law.

- b. Effective with the reopener period for health insurance subsequent to January 1, 1980 and every two years thereafter, retirees shall have the option of changing their previous choice of health plans. This option shall be exercised in accordance with procedures established by the **Employer**. The **Union** will assume the responsibility of informing retirees of this option.

Section 3.

If an employee has filed for any disability retirement and, prior to the approval of the application makes direct payment pursuant to the Comprehensive Omnibus Budget Reconciliation Act ("COBRA") to prevent discontinuation of the basic health insurance coverage, upon approval of the disability application the **Employer** shall request the basic health insurance carrier to reimburse the employee in the amount of the direct premiums paid by the employee which premiums were also paid by the **Employer**. The health insurance stabilization reserve fund shall be used: to provide a sufficient reserve; to maintain to the extent possible the current level of health insurance benefits provided under the Blue Cross/GHI-CBP plan; and, if sufficient funds are available, to fund new benefits.

The health insurance stabilization reserve fund shall be credited with the dividends or reduced by the losses attributable to the Blue Cross/GHI-CBP plan.

- d. In the event that there is a Citywide or program-wide health insurance package which exceeds the cost of the equalization and stabilization fund described above, the parties (the MLC) may negotiate reconfiguration of this package which in no event will provide for costs in excess of the total costs of this Agreement as set forth herein. However, it is understood that the PBA of the DA will not be treated any better or any worse than any other Union participating in the Citywide or Program-wide Health Program with regard to increased health insurance costs.

Nothing contained above shall preclude the parties or affected individuals from exercising any rights they may have under law.
- b. Any recoupment shall be limited to the period up to six years prior to the commencement of such proceedings for recoupment.

Section 5.

Any employee who is required to take a medical examination to determine if the employee is physically capable of performing the employee's full duties, and who is found not to be so capable, shall, as far as practicable, be assigned to in-title and related duties in the same title during the period of the employee's disability. Prior to being given a copy of such evaluatory statement, the employee must sign a form which shall indicate only that the employee was given a copy of the evaluatory statement but that the employee does not necessarily agree with its contents. The employee shall have the right to answer any such evaluatory statement filed and the answer shall be attached to the file copy. Any evaluatory statement with respect to the employee's work performance or conduct, a copy of which is not given to the employee, may not be used in any subsequent disciplinary actions against the employee. At the time disciplinary action is commenced, the Employer shall review the employee's personnel folder and remove any of the herein described material which has not been seen by the employee.

An employee shall be permitted to view the employee's personnel folder once a year and when an adverse personnel action is initiated against the employee by the Employer. The viewing shall be in the presence of a designee of the Employer and held at such time and place as the Employer may prescribe.

Section 2.

If an employee finds in the employee's personnel folder any material relating to the employee's work performance or conduct in addition to evaluatory statements prepared after July 1, 1967 (or the date the agency came under the provisions of the Citywide Agreement, whichever is later), the employee shall have the right to answer any such material filed and the answer shall be attached to the file copy.

ARTICLE XVIII - GRIEVANCE PROCEDURE**Section 1.**

The following grievance procedure shall be applicable to all employees covered by this Agreement.

The terms *Employer* and *Agency* as used in this Article XVII shall mean the Office of the District Attorney in which the grievant is employed.

The availability of grievance or arbitration procedures hereunder shall not justify a failure to follow orders.

Section 2. Definition:

The term "Grievance" shall mean:

- a. A dispute concerning the application or interpretation of the terms of this **Agreement**;
- b. A claimed violation, misinterpretation or misapplication of the rules or regulations, written policy or orders of the **Employer** applicable to the agency which employs the grievant affecting terms and conditions of employment; provided, disputes involving the **Rules and Regulations of the New York City Personnel Director** shall not be subject to the grievance procedure or arbitration;
- c. A claimed assignment of employees to duties substantially different from those stated in their job specifications.

Section 3.

The Grievance Procedure shall be as follows:

All grievances must be presented in writing at all steps in the grievance procedure. For all grievances as defined in Section 2c, no monetary award shall in any event cover any period prior to the date of the filing of the **Step I** grievance unless such grievance has been filed within thirty (30) days of the assignment to alleged out-of-title work.

STEP I - The **employee** and/or the **Union** shall present the grievance in the form of a memorandum to the person designated for such purpose by the District Attorney no later than 120 days after the date on which the grievance arose. The **employee** may also request an appointment to discuss the grievance and such request shall be granted. The person designated by the **Employer** to hear the grievance shall take any steps necessary to a proper disposition of the grievance and shall issue a determination in writing within five (5) working days following the date of submission.

STEP II - An appeal from an unsatisfactory determination at **STEP I** where applicable, shall be presented in writing to the District Attorney or the District Attorney's designated representative who shall not be the same person designated in **STEP I**. The appeal must be made within five (5) work days of the receipt of the **STEP I** determination. The District Attorney or designated representative, if any, shall meet with the **employee** and/or the **Union** for review of the grievance and shall issue a determination in writing within ten (10) working days following the date on which the appeal was filed.

STEP III - An appeal from an unsatisfactory determination at **STEP II** shall be presented by the **employee** and/or the **Union** to the Commissioner of Labor Relations in writing within ten (10) work days of the receipt of the **STEP II** determination. The grievant or the **Union** should submit copies of **STEP I** and **STEP II** grievance filings and any agency responses thereto. Copies of such appeal shall be sent to the District Attorney. The

Commissioner of Labor Relations or the **Commissioner's** designee shall review all appeals from **STEP II** determinations and shall issue a determination on such appeals within twenty (20) work days following the date on which the appeal was filed.

STEP IV - An appeal from an unsatisfactory determination at **STEP III** may be brought solely by the **Union** to the Office of Collective Bargaining for impartial arbitration within fifteen (15) work days of receipt of the **STEP III** determination. In addition, the **Office of Labor Relations** on behalf of the **Employer** shall have the right to bring directly to arbitration any dispute between the parties concerning any matter defined herein as a "grievance". The **Office of Labor Relations** on behalf of the **Employer** shall commence such arbitration by submitting a written request therefor to the Office of Collective Bargaining. A copy of the notice requesting impartial arbitration shall be forwarded to the opposing party. The arbitration shall be conducted in accordance with the Consolidated Rules of the Office of Collective Bargaining. The **Employer** and the **Union** shall each pay 50% of the fees and expenses of the arbitrator and of all other expenses incidental to such arbitration. The costs of one copy for each party and one copy for the arbitrator of the transcripts shall be borne equally by the parties.

The arbitrator's decision, order or award (if any) shall be limited to the application and interpretation of the **Agreement**, and the arbitrator shall not add to, subtract from or modify the **Agreement** or any rule, regulation, written policy or order mentioned in Section 1 of this Article. The arbitrator's award shall be final and binding and enforceable in any appropriate tribunal in accordance with **Article 75 of the Civil Practice Law and Rules**. The arbitrator may provide for and direct such relief as the arbitrator deems necessary and proper, subject to the limitations set forth above and any applicable limitations of law.

Section 4.

As a condition to the right of the **Union** to invoke impartial arbitration set forth in this Article, the **employee** or **employees** and the **Union** shall be required to file with the Director of the Office of Collective Bargaining a written waiver of the right, if any, of the **employee** and the **Union** to submit the underlying dispute to any other administrative or judicial tribunal except for the purpose of enforcing the arbitrator's award.

Section 5.

A grievance concerning a large number of **employees** and which concerns a claimed misinterpretation, inequitable application, violation or failure to comply with the provisions of this **Agreement** may be filed directly at **STEP III** of the grievance procedure. A copy of such filing shall be sent by the **Union** or the grievant to the District Attorney. All other individual grievances in process concerning the same issue shall be consolidated with the "group" grievance.

Section 6.

If a determination satisfactory to the **Union** at any level of the Grievance Procedure is not implemented within a reasonable time, the **Union** may re-institute the original grievance at **STEP III** of the Grievance Procedure; or if a satisfactory **STEP III** determination has not been so implemented, the **Union** may institute a grievance concerning such failure to implement at **STEP IV** of the Grievance Procedure.

Section 7.

If the **Employer** exceeds any time limit prescribed at any step in the Grievance Procedure, the grievant and/or the **Union** may invoke the next step of the procedure, except that only the **Union** may invoke impartial arbitration under **STEP IV**.

Section 8.

The **Employer** shall notify the **Union** in writing of all grievances filed by **employees**, all grievance hearings, and all determinations. The **Union** shall have the right to have a representative present at any grievance hearing and shall be given forty-eight (48) hours' notice of all grievance hearings.

Section 9.

Each of the steps in the Grievance Procedure, as well as time limits prescribed at each step of this Grievance Procedure, may be waived by mutual agreement of the parties.

Section 10.

The grievance and the arbitration procedure contained in this **Agreement** shall be the exclusive remedy for the resolution of

disputes defined as "grievances" herein. This shall not be interpreted to preclude either party from enforcing the arbitrator's award in court. This Section shall not be construed in any manner to limit the statutory rights and obligations of the **Employer** under **Article XIV** of the **Civil Service Law**.

Section 11. Expedited Arbitration Procedure

- a. The parties agree that there is a need for an expedited arbitration process which would allow for the prompt adjudication of grievances as set forth below.
- b. The parties voluntarily agree to submit matters to final and binding arbitration pursuant to the New York City Collective Bargaining Law and under the jurisdiction of the Office of Collective Bargaining. An arbitrator or panel of arbitrators, as agreed to by the parties, will act as the arbitrator of any issue submitted under the expedited procedure herein.
- c. The selection of those matters which will be submitted shall include, but not limited to, out-of-title cases concerning all titles and other cases pursuant to mutual agreement by the parties. The following procedures shall apply:

i. SELECTION AND SCHEDULING OF CASES:

- (1) The Deputy Chairperson for Disputes of the Office of Collective Bargaining shall propose which cases shall be subject to the procedures set forth in this Section 14 and notify the parties of proposed hearing dates for such cases.
- (2) The parties shall have ten business days from the receipt of the Deputy Chairperson's proposed list of cases and hearing schedule(s) to raise any objections thereto.
- (3) If a case is not proposed by the Deputy Chairperson for expedited handling, either party may, at any time prior to the scheduling of an arbitration hearing date for such case, request in writing to the other party and to the Deputy Chairperson of Disputes of the Office of Collective Bargaining that said case be submitted to the expedited procedure. The party receiving such request shall have ten business days from the receipt of the request to raise any objections thereto.
- (4) No case shall be submitted to the expedited arbitration process without the mutual agreement of the parties.

ii. CONDUCT OF HEARINGS:

- (1) The presentation of the case, to the extent possible, shall be made in the narrative form. To the degree that witnesses are necessary, examination will be limited to questions of material fact and cross-examination will be similarly limited. Submission of relevant documents, etc., will not be unreasonably limited and may be submitted as a "packet" exhibit.
- (2) In the event either party is unable to proceed with hearing a particular case, the case shall be rescheduled. However, only one adjournment shall be permitted. In the event that either party is unable to proceed on a second occasion, a default judgment may be entered against the adjourning party at the Arbitrator's discretion absent good cause shown.
- (3) The Arbitrator shall not be precluded from attempting to assist the parties in settling a particular case.
- (4) A decision will be issued by the Arbitrator within two weeks. It will not be necessary in the Award to recount any of the facts presented. However, a brief explanation of the Arbitrator's rationale may be included. Bench decisions may also be issued by the Arbitrator.
- (5) Decisions in this expedited procedure shall not be considered as precedent for any other case nor entered into evidence in any other forum or dispute except to enforce the Arbitrator's award.
- (6) The parties shall, whenever possible, exchange any documents intended to be offered in evidence at least one week in advance of the first hearing date and shall endeavor to stipulate to the issue in advance of the hearing date.

ARTICLE XIX - BULLETIN BOARDS: EMPLOYER FACILITIES

The **Union** may post notices on bulletin boards in places and locations where notices usually are posted by the **Employer** for the **employees** to read. All notices shall be on **Union** stationery and shall be used only to notify **employees** of matters pertaining to **Union** affairs. Upon request to the responsible official in charge of a work location, the **Union** may use **Employer** premises for meetings during **employees'** meal periods, subject to availability of appropriate space and provided such meetings do not interfere with the **Employer's** business.

The terms of the no strike provisions contained in separate collective bargaining agreements covering employees also covered under this Agreement are deemed fully incorporated at length herein.

Nor, during the foregoing period of time, shall the Union engage in any activity for the enactment of any law, the effect of which would increase the monetary cost to the Employer beyond the benefits granted under this Agreement.

ARTICLE XXII - LABOR- MANAGEMENT COMMITTEE

Section 4.

The labor-management committee shall meet at the call of either the Union members or the Employer members at times mutually agreeable to both parties. At least one week in advance of a meeting the party calling the meeting shall provide, to the other party, a written agenda of matters to be discussed. Minutes shall be kept and copies supplied to all members of the committee.

Section 5

Pursuant to the terms of section 12 of the January 16, 2010 to March 18, 2019 MOA dated December 14, 2015, which was subsequently extended by 3 months to June 18, 2019, the parties agree that a labor-management committee will be formed at each District Attorney's Office to discuss the issue of promotions from Rackets Investigator to Senior Rackets Investigator.
