## SCHOOL CONSTRUCTION AUTHORITY

### MEETING

The New York City School Construction Authority (SCA) serving as Lead Agency shall conduct a public scoping meeting on **Thursday, March 7th, 2024, from 6:00 P.M. to 8:00 P.M.** The public scoping meeting will be hosted virtually through Microsoft Teams. Instructions on how to join the meeting will be posted on SCA's website at <http://www.nycsca.org/Community/New-School-Sites>. This scoping meeting is being held pursuant to Article 8 of the New York State Environmental Conservation Law and concerns the Draft Scope of Work (DSOW) for the Targeted Draft Environmental Impact Statement (DEIS) for the Proposed Project described below.

On behalf of the New York City Department of Education (DOE), the SCA proposes to create two new school facilities, including an approximately 736-seat primary school (PS) and a shared facility for two, approximately 627-seat intermediate/high schools (IS/HS); and an athletic field with a 700-seat bleacher section, a maintenance building, an internal driveway network, and a parking lot (the "Proposed Project") on the former St. John Villa campus at 57 Cleveland Place in the Arrochar section of Staten Island. The proposed project would serve students in grade levels pre-kindergarten through twelve and special education students enrolled in a District 75 program in the Borough of Staten Island.

The SCA is issuing this Notice, having determined that, because the Proposed Project may result in one or more significant adverse impacts to the environment, a Targeted DEIS will be prepared to assess the impact(s) and propose possible mitigation. The Environmental Assessment Form (EAF) and DSOW for the Targeted DEIS provide additional information about the Proposed Project and the currently identifiable potential significant adverse environmental impacts.

Copies of the draft scope analysis for the Targeted DEIS may be obtained from the SCA's website at <http://www.nycsca.org/Community/New-School-Sites>; a hard copy may be viewed at 30-30 Thomson Avenue, Long Island City, New York, 11101; or a copy may be requested in writing at the aforementioned address.

Comments on the DSOW may be presented by members of the public or any interested party during the public scoping meeting or submitted in writing to: Callista Nazaire, NYC School Construction Authority, 30-30 Thomson Avenue, 4<sup>th</sup> Floor, Long Island City, NY 11101, or by email to [sites@nycsca.org](mailto:sites@nycsca.org). The public comment period will remain open for **17 days** following the public scoping session; written and email comments on the DSOW will be accepted until 5:00 P.M. on **Monday, March 25th, 2024.**

**DHS NURSE CALL LINE** - Negotiated Acquisition - Judgment required in evaluating proposals - PIN# 07124N0001 - Due 3-26-24 at 2:00 P.M.

The New York City Department of Homeless Services is seeking to expand and sustain a Nurse Triage Line (NTL) service that allows New York City shelter clients to call a nurse for free 24 hours a day, 7 days a week to receive immediate health advice and referrals to care. This service benefits shelter clients and the city by rapidly addressing client health issues, improving access to immediate virtual urgent care services, and reducing unnecessary calls to 911 and emergency room visits. This service enables DHS clients to call the line from their own phone or with the assistance of shelter staff and receive immediate nurse assessment and guidance, instructions to address minor issues onsite using "on the spot care/home care" approach, referrals to primary and specialty care throughout the city, as well as recommendations to call emergency services if warranted. In addition, the service provides fully funded car services to transport clients to urgent care services if needed and return them to the shelter after the visit.

The purpose of this Negotiated Acquisition is to select a Program to provide: a Nurse Call Line (NTL) line for DHS clients that operates 24 hours a day, seven days a week and provides registered nurse delivered "home care advice", connections to specified telemedicine services for DHS clients, referrals to care, and subcontracts with a health focused car service agency to provide free car service to urgent care or emergency room for eligible clients. DHS is using the HHS Accelerator approved pre-qualified list.

**PRE-QUALIFIED LIST (PQL) PROGRAM FOR ASBESTOS SERVICES**

NYCHA is excited to introduce you to our pre-qualified list (PQL) for Asbestos services. These services include removal, installation, fabrication, repair, materials, supplies, and other services performed by the Asbestos trade across NYCHA developments City-wide. We are seeking experienced vendors to join our community and provide these in-demand services!

What is a pre-qualified list?

A PQL is a tool that NYCHA will use to primarily contract for Asbestos services for its developments, streamlining the process for both vendors

and NYCHA. NYCHA will publish Asbestos services contracting opportunities, and the PQL will predominantly be used to procure Asbestos services. After pre-qualifying according to specific criteria, vendors can bid on Asbestos services contracts released to the PQL.

All contractors interested in NYCHA's Asbestos services PQL must follow two important steps:

1. Vendors must prepare and submit applications to NYCHA's Asbestos services PQL at [PQL@nycha.nyc.gov](mailto:PQL@nycha.nyc.gov). You can view and prepare your response to the Request for Qualifications (RFQ) at <https://www.nyc.gov/site/nycha/business/nycha-pql.page>. To pre-qualify, vendors must meet the minimum requirements listed for experience, licensure, workforce capacity, and integrity. Applications will be evaluated by NYCHA on a rolling basis, but we recommend applying early to gain access to more Asbestos services contracting opportunities!
2. Vendors who are admitted to the PQL can then bid for Asbestos services solicitations at NYCHA. NYCHA will confirm PQL evaluation decisions with applicants via a letter of acceptance or a letter of rejection. Vendors must bid on each Asbestos service contract award, as admission to the PQL does not guarantee contract award. To bid on a specific contract, NYCHA encourages vendors to apply a minimum of 15 days prior to the bid submission closing date to the PQL for an Asbestos services contract to be considered for that solicitation.

**GENERAL SCOPE OF WORK - SPECIFICATIONS**

NYCHA is currently accepting applications for Asbestos Services Pre-Qualified List (PQL) program for the Environmental Consultant/ Third Party Air Monitoring; Investigations for Asbestos-containing Materials, Investigation of individual vacant and occupied apartments, public spaces within apartment buildings and possible filing of an ACP5 for a series of apartments affected by a gas line replacement project.
