868 linear feet of twelve-inch pipe sewer, as shown on the plan of the work on file in the office of the Department of Public Parks, dated May 22, 1877.

These quantities are considered as approximate, and any variation of them will not entitle the contractor to any claim for extra time in the completion of the work, or to any other claim for damages, if the quantities of work should prove to be greater or less than here estimated, and the Department of Public Parks expressly reserves the right of increasing or diminishing the said quantities, as in its opinion may be necessary.

Each proposal must state, in figures and in writing, a price per linear foot for the above-mentioned sewer pipe, which price is to cover the whole cost of the work.

The time required for completion, which will be tested at the rate of \$3 per day, must also be stated. No proposal will be received which contains prices for other items than those above mentioned.

No proposal will be considered unless accompanied by the consent, in writing, of two responsible householders or freeholders of the City of New York, their respective places of business or residence being named, to the effect that they will become bound as sureties in the sum of one (\$1,000) thousand dollars, for the faithful performance of the contract, should it be awarded upon that proposal.

Each proposal must state the name and place of residence of the person making the same; that it is made without collusion with any other person making an estimate for the same work; and that no member of the Common Council or other officer of the Corporation is directly or indirectly interested therein, or in any portion of the profits thereof.

The Department reserves the right to reject any or all proposals. Proposed sureties must verify their consent by affidavit.

Forms of proposals may be obtained, and the terms of the contract (including the specifications), settled as required by law, seen at the office of the Secretary, as above. The plans for the work can also be seen at the office of the said Department.

Proposals must be addressed to the President of the Department of Public Parks, and indorsed "Proposals for Sewer in Third avenue," and shall also be indorsed with the name or names of the person or persons presenting the same, and the date of presentation.

WILLIAM KENNELLY, AUCTIONEER.

CORPORATION SALE OF THE FRANCHISE OF
THE FERRY FROM BULKHEAD AT THE
FOOT OF WHITEHALL STREET, NEW
YORK, TO STATEN ISLAND.

THE FRANCHISE OF THE FERRY FROM THE
bulkhead at the foot of Whitehall street, New York,
to Staten Island, will be sold at public auction on Wed-
nesday, July 11, 1877, at the Comptroller's Office, at 12
o'clock noon, for the period of one year, from July 15,
1877. The form of the lease required to be executed by
the highest bidder can be seen at the Comptroller's Office,
on and after July 9, 1877.

All bids will be regarded as made with reference to said
form of lease, and in case the highest bidder shall neglect
or refuse to execute a lease according to said form for ten
days after the sale, his bid will, at the option of the Com-
ptroller, be rejected.

The minimum rate for which the ferry franchise or
license to operate ferries shall be used or enjoyed has
been appraised and set by the Commissioners of the Sink-
ing Fund at five per cent. of the gross receipts for ferriage
that shall hereafter accrue at each separate ferry, col-
lected at the landing place in the City of New York, such
percentage to be paid quarterly to the Corporation, and a
covenant will be made by the highest bidder requiring the
lessee to make and deliver to the Comptroller of the
City of New York, quarterly, a statement in writing,
verified by oath or affirmation of the lessee, or of
such proper officer of the lessee as may be designated by
the Comptroller, of the actual total gross receipts for
ferriage received by such lessee during the preceding
three months, and also, that the lessee shall keep regular
books of account, showing the daily gross receipts of the
ferry leased, and allow said Comptroller, or any person
designated by him, to examine such books.

The franchise will be put up and knocked down to the
person offering to pay the largest percentage on the gross
receipts collected at the landing place in the City of New
York.

All moneys received for the conveyance of passengers,
animals, vehicles, or freight from New York to Staten
Island, to be collected at the landing place in New York,
or, if collected elsewhere, to be included in the receipts
upon which such five per cent. is to be calculated and paid.

No bid less than five per cent. on such gross receipts
will be entertained.

The successful bidder will be required to pay to the
Collector of City Revenue the sum of fifteen hundred dol-
ars immediately after the franchise shall have been struck

down to him, as security for the execution and perform-
ance of the lease, such amount to be credited on the rent
when the same becomes due.

Security, satisfactory to the Comptroller, will be required
for the punctual performance by the lessees of the cove-
nants of the lease of the franchise in their behalf.

The right to reject any bid, if deemed to be to the
interest of the City of New York, is reserved by the
Commissioners of the Sinking Fund.

By order of the Commissioners of the Sinking Fund,
JOHN KELLY,
Comptroller.

ber 1, 1877.

The minimum rate for which said ferry franchises or
the right to operate said ferries shall be used or enjoyed
has been appraised and fixed by the Commissioners of the
Sinking Fund at five per cent. of the gross receipts for
ferriage that shall hereafter accrue at each separate ferry,
collected at the landing place in the City of New York,
and in no case to be less than one-half the gross receipts
of the ferry wherever collected, such percentage to be paid
quarter-yearly to the Comptroller, and each lease will con-
tain a covenant requiring the lessee to make and deliver to
the Comptroller, quarterly, a statement in writing, ver-
ified by the oath or affirmation of the lessee, or of
such proper officer of the lessee as may be designated by
the Comptroller, of the actual total gross receipts for
ferriage received by such lessee during the preceding
three months, and also, that the lessee will keep regular
books of account, showing the daily gross receipts of the
ferry leased, and allow said Comptroller, or any person
designated by him, to examine such books at all reasonable
times.

Every person bidding for a ferry franchise must state
what percentage of the gross receipts collected at the
landing-place in the City of New York he will pay for the
same. All moneys received for the conveyance of
passengers, animals, vehicles, or freight from the City of
New York, over any ferry route, to any of the opposite
shores, to be collected at the landing-place in New York, or
if collected elsewhere, to be included in the receipts upon
which such percentage is to be calculated and paid.

The minimum price for which the lease of said wharf
property will be sold has been fixed by the Board of the
Department of Docks at the following sums, namely:

Wharf property connected with the ferry from Cort-
landt street, North river, to Jersey City, has been leased
by the Department of Docks to the associates of the Jersey
Company for ten years from May 1, 1876, at \$7,510 per
annum.

Wharf property connected with the ferry from Chambers
street, North river, to Pavonia avenue, New Jersey, is
now held under an agreement by the Erie Railway Com-

with other premises for the term of ten years from July
21, 1875.

Ferry from Desbrosses street, North river, to Harsimus,
Jersey City.

street, North river, being about 65 feet in width along
the westerly side of West street, or as much thereof as
may be owned by the Corporation, at \$500 per annum.

Ferry from Tenth street, East river, to Greenpoint,
Long Island.

much thereof as may now be occupied for ferry purposes,
at \$250 per annum.

Twenty-third street, East river, as now occupied for ferry
purposes, at \$2,500 per annum.

Ferry from Thirty-fourth street, East river, to Hunter's
Point, Long Island.

For bulkhead at foot of Thirty-fourth street, East river,
and for premises at the terminus of the Long Island Rail-

road at Hunter's Point, now occupied for ferry purposes,
at \$2,000 per annum.

Ferry from Ninety-second street, East river, to Astoria,
Long Island.

For bulkhead at foot of Ninety-second street, E. R., and
for premises at foot of Fulton street, Astoria, as now oc-
cupied for ferry purposes, at \$250 per annum.

All the above-named premises to be taken in the con-
dition in which they may be in on the 1st day of August,
1877, and all repairs and rebuilding thereof, and dredging
thereat, during the term leased, to be done at the expense
and cost of the lessees.

Each purchaser of a lease will be required, at the time
of the sale, and in addition to the auctioneer's fees, to pay
to the Department of Docks twenty-five per cent. of the
amount of the annual rent bid for the wharf property, as
security for the execution of the lease, and which twenty-
five per cent. will be applied to the payment of the rent
for such property first accruing under the lease, when
executed, or forfeited if the lessee neglects or refuses to
execute the lease and bond after being duly notified that
the lease is prepared and ready for signature, or, in case
the bid be finally rejected, will be returned to the
bidder.

Lessees will be required to pay their rent for the wharf
property quarterly, in advance, in compliance with a
stipulation therefor in the form of the lease adopted.

The franchise and the lease of the wharf property, if
any, of each ferry will be put up and sold together to the
highest bidder, subject to the condition hereinafter ex-
pressed, and subject also to the right of the Comptroller
and the Board of the Department of Docks to reject any
or all bids, if deemed to be for the interest of the city.

No bid for a ferry franchise of less than five per cent.
of the gross receipts to be collected at the landing-place in
New York, as before set forth, and no bid for the lease of
wharf property less than the minimum price fixed by the
Board of the Department of Docks will be received.

Bidders must bid for the franchise and lease of wharf
property of each ferry separately, but no bid will be re-
ceived unless it includes an offer for both the ferry
franchise and wharf property.

The lease required to be executed by the Comptroller
on and after July 23, 1877.

All bids will be regarded as made with reference to
said form of lease, and in case the highest bidder shall
neglect to execute a lease according to said form, for ten
days after said sale, his bid will, at the option of the
Comptroller and the Board of the Department of Docks,
be rejected.

The leases will contain a covenant requiring the lessees
to pay quarterly-yearly to the Comptroller the percentage
of the gross receipts paid for the franchise of each ferry.
