

**CY 2019 Annual Summary
Fire Safety Education Outreach
(Local Law 116-2018)**

Through partnerships with community groups, schools, and various city agencies our fire safety education team has coordinated/participated in events that provide awareness of general residential safety, placing an emphasis on targeting youth.

From January 1, 2019 through December 20, 2019, the following activities were carried out;

FIRE SAFETY EVENTS

Borough	CY19 FSE Events	# of Audience	CY19 School Events	# of Youth Audience
Brooklyn	1060	154,647	367	61,182
Bronx	618	75,328	214	35,916

Staten Island	281	46,672	93	16,838
TOTAL	3,477	588,714	1,088	294,726

Highlights in 2019

- School based events (Grades Pre K-5) represented 31% of total Fire Safety events conducted throughout 2019. Over 290,000 citywide youth participated in fire safety workshops. This a 16% increase from CY18 of youth engaged in fire safety presentations.
- In working with the NYC Department of Education, FDNY disseminated information to citywide administrators and educators regarding fire safety curriculum and coordinating presentations for classrooms and parent association meetings.
- On April 24, 2019 FDNY partnered with the Department of Youth and Community Development to coordinate the 2nd Annual open house events throughout 50 firehouses citywide. Over 2,500 (K-5) students visited firehouses and received fire safety education curriculum. Students represented the DYCD Beacon/Afterschool programs.
- FDNY in partnership with Administration of Children Services and American Red Cross announced partnership to trained approximately 2300 frontline child welfare staff throughout the year, where workers learned how to examine homes for potential fire hazards and refer families for smoke alarm installations.
- 4th Annual Open Houses were held On October 5th and 6th throughout National Fire Prevention Week. Over 14,000 New Yorkers visited firehouses throughout New York City, and over 11,000 smoke alarms were distributed at events.
