#### ■ NOTICE

#### LEGAL NOTICE

NOTICE OF PUBLIC HEARING TO BE HELD JULY 7, 2010 PURSUANT TO §§201-204 OF THE EMINENT DOMAIN PROCEDURE LAW IN CONNECTION WITH THE ACCESS TO THE REGION'S CORE PROJECT  
A public hearing, open to all persons, will be held by The Port Authority of New York and New Jersey (PANYNJ) pursuant to §§201-204 of the New York State Eminent Domain Procedure Law (EDPL) in the Sky Top Room at the Hotel Pennsylvania, 401 Seventh Avenue, New York, N.Y., from 2:00 to 5:00 P.M., and from 6:00 to 8:00 P.M., on July 7, 2010 to consider the proposed acquisition by condemnation of certain properties and property interests in Manhattan in furtherance of the proposed Access to the Region's Core Project (the "Project"), which is being carried out by a partnership among PANYNJ, New Jersey Transit Corporation (NJTC) and the Federal Transit Administration (FTA).

The purpose of the public hearing is to: (1) inform the public about the Project; (2) review the public use, benefit or purpose to be served by the Project, the proposed location of the Project, and the impact the Project may have on the environment and residents of the locality; and (3) give all interested persons an opportunity to present oral and written statements about the Project.

#### Project Purpose, Location and Description

The purpose of the Project is to increase trans-Hudson commuter rail capacity to accommodate projected ridership growth from rail lines west of the Hudson River, enhance passenger convenience, and improve system safety and reliability. The Project involves the construction of two new tunnel tubes for two NJT tracks from New Jersey, under the Hudson River, to Penn Station New York. The tunnels would enter Manhattan at West 28th Street (between 120 and 160 feet below grade level), divide into four individual tubes/tracks under 30th Street, extend northeasterly to 34th Street, and continue to Broadway/Sixth Avenue. Six new tracks would be constructed under West 34th Street between Eighth Avenue and Broadway/Sixth Avenue, with pedestrian connections to existing tracks at Penn Station New York, 14 subway lines and PATH. Five public station entrances would be constructed along 34th Street. An emergency exit/employee-only entrance would be constructed along 35th Street. Four fan plants would be constructed for ventilation and tunnel egress purposes, located on the north side of West 28th Street, approximately 200 feet east of Twelfth Avenue, and at 431 West 33rd Street, 218 West 35th Street, and 137-139 West 33rd Street. You may visit ARC's website to learn more about the Project at [www.arctunnel.com](http://www.arctunnel.com) or [www.panynj.gov/arc-tunnel/](http://www.panynj.gov/arc-tunnel/) or review a copy of the Final Environmental Impact Statement (FEIS) at [www.arctunnel.com/library/feis\\_documents.aspx](http://www.arctunnel.com/library/feis_documents.aspx). The PANYNJ will also make maps and other materials descriptive of the Project, the property interests proposed to be acquired, and the impacts of the Project, available at a reading room, from the date of this notice until July 28, 2010, at its offices, located at 225 Park Avenue South, New York, NY 10003. Access to these materials will be available from 10:00 a.m. until 4:00 p.m. on weekdays and can be obtained by contacting Rhonda Barnett (212) 435-6916 or [paevents@panynj.gov](mailto:paevents@panynj.gov).

#### Proposed Property Acquisition

Exhibits A and B, attached to this notice and made a part hereof, list the properties and property interests in Manhattan (other than Block 675, Lot 1, described in the following paragraph) that PANYNJ proposes to acquire by eminent domain. Exhibits A and B refer to the Manhattan Tax Blocks and Lots as they appear on the official New York City Tax Map. (Property interests may be acquired at the property addresses, or at the Tax Blocks and Lots, or both, set forth on Exhibits A and B.) Exhibit A lists properties where PANYNJ would acquire a full fee interest or some lesser interest, which is expected to require relocation of occupants. Exhibit B lists properties where PANYNJ would acquire underground easements below any existing structure and therefore no relocation of any occupant would be required. Exhibit B also lists properties identified by the abbreviation "PZ" (protection zone) where PANYNJ may record restrictive declarations regarding future construction or development. These restrictive declarations would require property owners to provide plans for future development on their property to PANYNJ to confirm that such construction would not adversely impact the tunnels and appurtenant facilities or affect public safety. The Project would require the acquisition of certain subsurface interests underlying and adjacent to City Streets within the Project area which are needed for tunnel construction, rock anchors and supports. The temporary easements to be acquired (as indicated by the "TE" designation on Exhibits A and B) will be of varying duration, but will not exceed ten years from commencement.

With respect to Block 675, Lot 1, PANYNJ proposes to acquire (a) a ten-year easement allowing exclusive use and occupancy of the entire property, with the possibility to extend for two additional one-year periods; (b) permanent and temporary subsurface easement volumes, all triangular in shape in the horizontal plane, as follows: (i) a permanent easement containing approximately 188 square feet, located at the intersection of Lots 1 and 12 and West 29th Street, between elevations 143.60 and 194.90 (all elevations using the Trans-Hudson Express Tunnel Project Vertical Datum), (ii) a temporary easement which includes the area of (b)(i), containing approximately 1,583 square feet, between elevations 143.60 and 210.90; and (c)(i) a permanent easement containing approximately 5,088 square feet, located at the intersection of Lots, 1, 12 and 39, between elevations 140.60 and 192.40, and (ii) a temporary easement which includes the area of (c)(i), containing approximately 9,357 square feet, between elevations 140.60 and 208.40. As part of the foregoing acquisitions, all leases or other rights to occupy

j17

Block 675, Lot 1, as well as other title exceptions, may be terminated (but not the reversionary interest of the owner therein). In addition, the property would be subject to restrictions in the form set forth in Schedule I to the Permanent Easement Agreement and Declaration of Restrictive Covenants, attached to the letter agreement between PANYNJ and the owner of Block 675, Lot 1.

Property acquisitions in connection with the Project may be undertaken in stages. Chapter 5 of the FEIS describes anticipated construction impacts of the Project.

**Receipt of Comments**

Comments on the proposed acquisitions are requested and may be made orally or in writing at the hearing on July 7, 2010; or delivered in writing to PANYNJ, PO Box 1535, NY, NY 10159-1535; or submitted electronically at the following website: www.arctunnel.com/library from the date of this notice until 5:00 P.M., July 28, 2010. Comments received after 5:00 P.M. on July 28, 2010 will not be considered.

**ACCORDING TO EDPL §202(C), ANY PROPERTY OWNER WHO MAY SUBSEQUENTLY WISH TO CHALLENGE THE CONDEMNATION OF THEIR PROPERTY VIA JUDICIAL REVIEW MAY DO SO ONLY ON THE BASIS OF ISSUES, FACTS, AND OBJECTIONS RAISED AT THE HEARING.**

The hearing is accessible to people who are mobility impaired. Sign language interpreter services will be provided upon advance request by contacting Rhonda Barnett (212) 435-6916 or paevents@panynj.gov on or before June 23, 2010.

## AGENCY RULES

### CONSUMER AFFAIRS

#### NOTICE

#### NOTICE OF PUBLIC HEARING AND OPPORTUNITY TO COMMENT

Notice of Public Hearing and Opportunity to Comment on Proposed Rule Regarding Signs Required to Be Posted about Tenant Screening Reports.

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN the Commissioner of the Department of Consumer Affairs by Section 20-809 of Chapter 5, Title 20 of the Administrative Code of the City of New York and in accordance with the requirements of Section 1043 of the New York City Charter that the Department intends to adopt a new rule regarding the signs required to be posted relating to tenant screening reports.

Written comments regarding this amendment may be sent to the office of Andrew Eiler, Director of Legislative Affairs, Department of Consumer Affairs, 42 Broadway, 8th Floor, New York, N.Y. 10004 on or before July 19, 2010. Members of the public may also comment on the rule electronically through NYC RULES at <nycrules@dcas.nyc.gov/nycrules>. A public hearing shall be held on July 19, 2010 at 10:00 A.M., 66 John Street, 11th Floor hearing room, New York, N.Y. 10038. Persons seeking to testify are requested to notify the Office of the Commissioner at the foregoing address. Persons who request that a sign language interpreter or other form of reasonable accommodation for a disability be provided are asked to notify the Office of the Commissioner at the foregoing address by July 6, 2010. Written comments and a summary of oral comments received at the hearing will be available for public inspection, within a reasonable time after receipt, between the hours of 9:00 A.M. and 5:00 P.M. at the office of Andrew Eiler, Director of Legislative Affairs, Department of Consumer Affairs, 42 Broadway, 8th Floor, New York, N.Y. 10004.

All the material is underlined because the entire rule is new.

#### RULE

Section 1. Chapter 5 of Title 3 of the Rules of the City of New York is amended by adding new subchapter O to read as follows:

#### SUBCHAPTER O TENANT SCREENING REPORT SIGNS

#### § 5-265 Requirements Concerning the Posting of Signs about Tenant Screening Reports.

(a) The sign required to be posted pursuant to §20-809 of the Administrative Code of the City of New York at any location at which the principal purpose is to conduct business transactions pertaining to the rental of residential real estate properties shall include text printed in the specified size type and shall contain the required information in the order listed below:

- (1) The words "NOTICE ABOUT TENANT SCREENING REPORTS" shall be printed at the top of the sign in two- inch high capital letters.
- (2) If application information is or may be used to obtain a tenant screening report, the sign shall state in 24-point type as follows:  
"We may use information you provide to us in your application to obtain a tenant screening report and we may use that report to determine whether to rent or lease to you. We will contact the following consumer reporting agencies to obtain the report: (insert name and address of each consumer reporting agency). State and federal law require us to notify you if we do not lease or rent to you based on information in that report. You also have the right to dispute the accuracy of the information in the report directly with the consumer reporting agency."
- (3) The sign shall state in 24-point type:  
"You also are entitled to receive one free credit report every 12 months from each of the nationwide consumer credit reporting companies: Equifax, Experian and TransUnion. You can request this free credit report through the website www.annualcreditreport.com. You may dispute the accuracy of any information about you that is contained in such report directly with the credit reporting agency."

(b) The color of the text of the notice required in paragraph (1) of subdivision (a) shall contrast sharply with the color of the remaining text, and the colors of the printed text shall contrast sharply with the background color of the sign.

(c) All the required information shall be included on one sign that shall be posted at the location at a place where it is conspicuously visible to a consumer who is seated while the transaction is conducted at such location.

#### Statement of Basis and Purpose:

Section 20-809 of the Administrative Code of the City of New York, enacted by Local Law Number 2 for the Year 2010, requires that the Commissioner specify by rule the form and manner of the sign, to be posted in any location at which the principal purpose is conducting business transactions pertaining to the rental of residential real estate property, which identifies the names and addresses of credit reporting agencies used by such business to obtain tenant screening

reports, and informs consumers of their right to obtain a copy of such report annually and to correct erroneous information in such reports.

To implement this requirement, the Department proposes to adopt as section 5-265 of new subchapter O of Chapter 5 of Title 6 of the Rules of the City of New York the form and manner of the sign to be posted. This rule would specify the wording of the notice to be included to alert consumers about the significance of the information that is contained in such sign. It would detail the information required to be listed on the sign, the order in which such information is presented, and the type size of the text. The proposed rule would also specify that clearly contrasting colors shall be used for the background and text to ensure that the notice alerting consumers to the purpose of the sign and the information disclosed will clearly differentiate the printing from the background information. This would ensure that the sign and its content would be conspicuously visible when consumers are conducting transactions relating to the rental of residential real estate property.

#### NOTICE

#### PUBLIC NOTICE OF A CONCESSION OPPORTUNITY FOR THE OPERATION, MANAGEMENT AND MAINTENANCE OF A PEDESTRIAN PLAZA LOCATED ON WILLOUGHBY STREET BETWEEN PEARL STREET AND ADAMS STREET, BOROUGH OF BROOKLYN

Pursuant to the Concession Rules of the City of New York, the Department of Transportation ("DOT") intends to enter

into a concession for the operation, management, and maintenance of a pedestrian plaza located on Willoughby Street between Pearl Street and Adams Street in Brooklyn ("Licensed Plaza"), including through DOT-approved events, sponsorships, and subconcessions including but not limited to providing for the sale of any of the following: prepared food, flowers, locally grown produce or locally manufactured products, merchandise (such as souvenirs or T-shirts) that helps brand or promote the neighborhood or the concessionaire, and other similar merchandise.

Subconcessions would be awarded based on solicitations issued by the concessionaire in the basic form of Request for Proposals or Request for Bids, subject to DOT's prior written approval of both solicitation and award.

The concession agreement will provide for one (1) five-year term, with four (4) one-year renewal options. The renewal options shall be exercisable at DOT's sole discretion.

DOT has identified the MetroTech Business Improvement District as a potential concessionaire, but DOT will consider additional expressions of interest from other potential not for profit concessionaires for the operation, management, and maintenance of the Licensed Plaza. In order to qualify, interested organizations should be active in the neighborhood of the Licensed Plaza and have demonstrated experience in the management, operation and maintenance of publicly accessible facilities, including but not limited to programming/events management and concession or retail operation/management.

Not for profit organizations may express interest in the proposed concession by contacting Andrew Wiley-Schwartz, Assistant Commissioner for Public Spaces, by email at awileyschwartz@dot.nyc.gov or in writing at 55 Water Street, 9th Floor, New York, NY 10041 by July 13, 2010. Mr. Wiley-Schwartz may also be contacted with any questions relating to the proposed concession by email or by telephone at (212) 839-6678.

Please note that the New York City Comptroller is charged with the audit of concession agreements in New York City. Any person or entity that believes that there has been unfairness, favoritism or impropriety in the concession process should inform the Comptroller, Office of Contract Administration, 1 Centre Street, New York, New York 10007, telephone number (212) 669-2323.
