PART I: NARRATIVE SUMMARY

I. STRATEGIC PLAN INITIATIVES

Please describe your progress this quarter in implementing the primary goals in your Agency Diversity and EEO Plan for FY 2018 with regards to Section V: **Proactive Strategies to Enhance Diversity, EEO and Inclusion:**

A. WORKFORCE:

Objective(s): Define steps that were taken or considered to build an inclusive and sustainable pipeline for your agency across all levels.
The Campaign Finance Board (CFB) is proud of the diversity in its workplace and strives to continuously improve its employment and equal opportunity practices and procedures. In addition to maintaining a diverse workforce, the CFB makes every attempt to identify and encourage growth of its employees.
Objective(s): Define steps that were taken or considered to address underutilization identified through quarterly workforce reports. Please list Job Groups where underutilization exists in the current quarter.
The CFB is a small, diverse agency and has not identified any underutilization in its workforce. As of the end of this fiscal quarter, the agency has a total workforce consisting of 106 employees. 48.6% of CFB employees are in a minority group and 49% are female.

B. WORKPLACE:

Objective(s): Define steps that will be taken or considered to create an inclusive work environment that values differences that each of your unique employees brings to work, and to maintain focus on retaining talent across all levels.
<p>The CFB remains committed to creating and maintaining an inclusive work environment. The agency has provided all hiring managers with structured interview training to ensure bias is not present in the hiring process and to maintain a diverse workforce. In the next quarter this training will be extended to any additional staff who have a role in the hiring process as part of a week-long training and development initiative at the CFB.</p> <p>The agency also encourages each staff member to further their professional development and announces on its Intranet the accomplishments of each employee.</p> <p>As part of the agency's efforts to create and maintain an inclusive work environment, the CFB hosted three and a half hour on-site transgender inclusion trainings with DCAS and Future Work Institute. The first training took place last fiscal year, and was completed by thirty-three CFB employees who were identified based on their role as supervisor and/or "front line staff" as defined by Executive Order 16. The training educated participants on the correct terminology, legislation, and future trends regarding the LGBT community and employees in the workplace, and also provided information on other relevant issues, such as gender affirming restroom accommodations and best practices for creating an open and inclusive work environment. The training was well-received by staff and received unanimously positive evaluations by attendees.</p> <p>Given the high demand for this training and the agency's commitment to providing resources to support a diverse and inclusive workplace, the agency held a second training for additional staff in January 2018 as part of the agency's training and development week. We will discuss the transgender inclusion training and overall training and development week in greater detail in the FY2018 3rd Quarter report. Anyone who was identified as being required to attend the training,</p>

but was not able to attend the two in-house trainings, was asked to attend the transgender inclusion training at DCAS in March 2018.

During this quarter, the CFB's Diversity and Inclusion Committee ("Committee") spearheaded a donation drive to support victims of Hurricane Maria in Puerto Rico and also recognized Breast Cancer Awareness Month (October), National American Indian Heritage Month (November), as well as Hanukkah, Christmas, and Kwanzaa (December).

In October, one of the Committee members led the effort to organize the agency's donation collection efforts for victims of Hurricane Maria, in conjunction with the City's overall drive. The Committee had a social gathering to sort the items collected and the lead Committee member made arrangements to have the NYPD's 1st Precinct pick up the donated items from the agency. The CFB collected two oversized boxes filled with diapers, feminine hygiene products, first aid supplies, batteries, and baby food. The 1st Precinct posted about the CFB's efforts on Twitter.

In recognition of Hanukkah in December 2017, one of the Committee members, with assistance from other Committee members, organized an hour-long social and educational gathering where interested staff members met to eat traditional Hanukkah food (most of which was prepared by the lead Committee member), listen to a brief history lesson about the holiday, and socialize. Approximately 30 staff members representing each unit in the agency participated in the gathering.

The Committee also created and posted informational posters about Breast Cancer Awareness Month, National American Indian Heritage Month, Hanukkah, Christmas, and Kwanzaa on two centrally located bulletin boards to highlight additional important events.

Additional details and other steps the agency took this quarter to contribute to an inclusive work environment are further detailed in Part IV(C).

C. COMMUNITY:

Objective(s): Define steps that were taken or considered to establish your agency as a leading service provider to the citizens of New York City focused on inclusion and cultural competency, while reflecting the vast communities that are served.

The CFB continues to encourage civic engagement with youth and in underserved communities. The agency conducts voter registration drives, coordinates youth events, and sends postcard mailings to various households to ensure vast communities are empowered, with access to voting resources.
