AN ORDINANCE to regulate the use of the sidewalks of the City of New York, within the stoop-lines, for signs and other purposes.

The Mayor, Aldermen and Commonalty of the City of New York do ordain as follows:

Section 1. Signs may be placed on the fronts of buildings, and shall be securely fastened, and, except in the case of swinging signs, shall not project more than one foot from the house-wall. Swinging signs shall not extend beyond four feet from the house-line, and shall be hung not less than eight feet in the clear above the level of the sidewalk, and in no case above the ceiling of the second floor, the ground floor being the first floor. Signs may be attached to the sides of stoops, but not to extend above the railing or beyond the line of any stoop.

Sec. 2. Show-cases may be placed in areas or on the sidewalk within the stoop-line, in front of any building, by or with the consent of the occupant of the ground floor thereof; but not beyond five feet from the house-line or wall of any building where the stoop-line extends further; and provided, also, that no such show-case shall be more than five feet in height, three feet in length, and two feet in width, nor shall be so placed as to interfere with the free access to the adjoining premises, and all such show-cases shall be freely movable.

Goods, when exhibited, shall not be placed more than three feet from the building-line, and not to a greater height than five feet above the level of the sidewalk.

Barber-poles not exceeding five feet in height, and other emblematic signs may be placed within the stoop-lines, or fastened to the railing of any stoop, under the same conditions as to dimensions, consent, etc., as hereinabove provided for show-cases.

Ornamental lamps and illuminated signs may be placed on the stoop of any building by the owner of such building, and upon or within the stoop-line by the occupant of the ground floor of any premises.

Drop-awnings, without vertical supports, are permitted within the stoop-lines, but in no case to extend beyond six feet from the house-line, and to be at least six feet in the clear above the sidewalk.

Storm-doors, not exceeding ten feet in height, nor more than two feet wider than the doorway or entrance of any building, may be temporarily erected within the stoop-lines, but in no case to extend more than six feet outside the house-line. No structure under the name of "storm-door" shall be lawful which shall practically be an extension of the building-front or house-front within the stoop-line, or an enlargement of the ground floor of any premises.

Stairways may be constructed, but not at a greater distance than four feet from the house-wall of any building. Hoistways may be placed within the stoop-lines, but in no case to extend beyond five feet from the house-line, and shall be guarded by iron railings or rods to prevent accidents to passers-by.

Stands for the sale of newspapers, periodicals, fruit and other small wares and merchandise, are permitted within the stoop-lines, with the consent of the owner or occupant of the ground floor of the building in front of which such stands may be placed, but in no case to extend beyond four feet from the house-line nor more than six feet in length; and provided that no covered stand or booth shall be permitted under this ordinance except for the sole purpose of the public sale of newspapers, periodicals, cigars and tobacco.

Sec. 3. All privileges which may be exercised under the provisions hereof shall be without expense or charge to the city, are conferred only during the pleasure of the Common Council, who may, at any time, alter, amend or repeal this ordinance.

Sec. 4. All ordinances and parts of ordinances inconsistent with the provisions hereof are hereby repealed.

Sec. 5. This ordinance shall take effect immediately.

Adopted by the Board of Aldermen, March 2, 1886.

Received from his Honor the Mayor, March 16, 1886, with his objections thereto.

In Board of Aldermen, March 30, 1886, taken up, reconsidered, as provided in section 75, chapter 410, Laws of 1882, and adopted, notwithstanding the objections of his Honor the Mayor, three-fourths of all the members elected voting in favor thereof.

Whereas, This Board has learned, with the most profound sorrow, of the death of Bernard Kenney, at his residence in this city, on the 27th instant; and

Whereas, Bernard Kenney was respected by all who knew him, and he was deservedly one of the most popular public men in this city. He was elected a member of the Board of Councilmen in the year 1865, and annually re-elected by his constituents to that important office four consecutive times. He was elected one of the representatives in this Board of Aldermen from the Sixth Senate District in the years 1879 and 1880, and was one of the representatives of this city at large in this Board for the year 1881. At the time of his death he held the office of Inspector of Warehouses under the General Government, and at other times held minor offices of honor and responsibility; and

Whereas, The death of Bernard Kenney should admonish us that "in the midst of life we are in death," and that "no man knoweth when his time cometh;" that while a few days ago our departed friend was in the enjoyment of good health, surrounded by every comfort, enjoying every blessing, and with the brightest anticipations for the future in this life, honored, admired and beloved by a large circle of friends, the idol of a devoted family, to-day he is numbered with the dead, and there only remains of him to us the recollection of his noble qualities of head and heart, and the many virtues of which he was the exemplar; and

Whereas, The death of Bernard Kenney imposes upon this Common Council the sad duty of adopting such measures as will best manifest our sorrow; our sympathy with his afflicted friends, his sorrowing relatives and his bereaved family, and of paying a proper tribute of respect to his memory; be it therefore

Resolved, That the members of this Board of Aldermen profoundly regret the death of Ex-Alderman Bernard Kenney; we condole with his friends and relatives in the great loss they have sustained, and to his bereaved family—his stricken wife and fatherless children—we tender our heartfelt sympathy, reminding them that "whom the Lord loveth, he chasteneth," and trusting that He who is both "a father to the fatherless," and "a comforter of the afflicted," will vouchsafe to take them into his holy keeping; and be it further

Resolved, That out of respect for the memory of the deceased, the members of this Board will attend his funeral this afternoon, and that a copy of the foregoing preamble and resolutions be suitably engrossed and framed, and transmitted to the family of the deceased; and be it further

Resolved, That, as an additional mark of respect for the memory of Ex-Alderman Bernard Kenney, this Board do now adjourn.

Adopted by the Board of Aldermen unanimously, March 30, 1886.

Approved by the Mayor, March 31, 1886.

JURORS.

NOTICE
IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,
ROOM 127, STEWART BUILDING,
CHAMBERS STREET AND BROADWAY,
NEW YORK, June 1, 1885.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 10 to 3 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines if unpaid will be entered as judgments upon the property of the delinquents. All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt. Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

CHARLES REILLY,
Commissioner of Jurors

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made and prior to the signing of the contract.

The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as sureties for its faithful performance, in the sum of ten thousand (\$10,000) dollars; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five hundred (\$500) dollars. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk, and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded, neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

All of the premises must be taken in the condition in which they may be at the date of sale, and no claim that the property is not in suitable condition at the date of sale or commencement of the lease, will be allowed by the Department; and all repairs and rebuilding required or necessary to be done to any of the premises during the continuance of the term of the lease, or at any time after the sale, shall be done by or at the cost and expense of the lessee or purchaser.

The term for which the leases are sold will commence from the date mentioned in the advertisement of the same, and as announced by the Auctioneer at the time of sale, viz. from May 1, 1886; and the rents accruing therefor will become due and payable from that date respectively in each case.

This Department agrees to do all the dredging that it may deem necessary and proper.

No claim will be received, considered or allowed by the Department for the loss of wharfage or otherwise, resulting from any delay consequent upon any of the premises being occupied for repairs or dredging purposes.

The upset price for each of the above-named property or premises will be fixed by the Department of Docks, and announced by the Auctioneer at the time of sale.

Each purchaser of a lease will be required, at the time of the sale, and in addition to the Auctioneer's fees, to pay to the Department of Docks twenty-five per cent. of the amount of annual rent bid, as security for the execution of the lease, and which twenty-five per cent. will be applied to the payment of the rent first accruing under the lease, when executed, or will be forfeited if the purchaser neglects or refuses to execute the lease and bond within five days after being notified that the lease is prepared and ready for signature and execution. The Commissioners reserve the right to resell the leases bid off by those failing to comply with these terms; the party so failing, to be liable to the Corporation for any deficiency which may result from such resale.

Lessees will be required to pay their rent quarterly, in advance, in compliance with a stipulation therefor in the form of lease adopted by the Department.

Two sureties, each a freeholder or householder in the City of New York, and to be approved by the Commissioners of Docks, will be required, under each lease, to enter into a bond, jointly and severally, with the lessee, in the sum of an amount double the annual rent, for the faithful performance of all the covenants of the lease, and each purchaser will be required to submit, at the time of the sale, the name and address of his or their proposed sureties.

SEALED PROPOSALS FOR BUILDING THE Harlem River Bridge, indorsed with the above title, and also with the names of the persons making the same, will be received at this office until 12 o'clock M. of the 22d day of April next ensuing.

The work to be performed will consist of a bridge and approaches extending from the Tenth avenue to Aqueduct avenue, or from points near those avenues, a distance of about 2,373 feet, of which there will be two spans of metallic arches, each span of 98 feet clear width and 90 feet rise, and two abutments of 237 and 340 feet length respectively.

The grade of the bridge will be at least 145 feet above mean high water, and its clear passage width 80 feet. The grades at the ends will correspond with those of the Tenth and Aqueduct avenues, and the roadway and the walks of the approaches will be graded and paved as on the bridge proper, viz. With granite blocks for the roadway and blue stone for the sidewalks.

The plans and specifications will be ready for examination at this office by the 22d day of March next, at which time blank forms of proposals will be furnished.

The offers may be made for a gross sum for the metal work erected complete, including the metal beams above the arches and abutments, and for another gross sum for the foundations, masonry, grading, roadway and footwalks, etc., including all except the above metal work; or, those offering, may propose for constructing the whole work in one gross sum.

Each bid must be signed by all the persons interested therein, and must be accompanied by the written consent (on the printed form furnished), of two or more householders or freeholders of the City of New York, agreeing to become sureties for the faithful performance of the work, and also a certified check on one of the incorporated banks of the City of New York, payable to the order of the Commissioners, to the amount of five per cent. of the security specified. All checks, except that of the successful bidder, will be promptly returned as soon as the awards are made. When the contract and bond have been executed and accepted, the check of the successful bidder will be returned.

The amount of security required from the contractor for the metal work, etc., will be \$200,000, and for the masonry a like amount, and for the entire work, \$400,000.

Bidders for the masonry alone must, with their bid, present a certified check for \$10,000 to the order of the Commissioners. Those bidding for the iron work alone must present a like check, and those bidding for the whole work must present check for \$20,000.

DEPARTMENT OF PUBLIC PARKS

CITY OF NEW YORK—DEPARTMENT OF PUBLIC PARKS,
36 UNION SQUARE,
NEW YORK, April 2, 1886.

TO CONTRACTORS.

PROPOSALS FOR ESTIMATES FOR CONSTRUCTING UPPER PORTION OF PARALLEL VERTICAL WALL ON THE WESTERLY SIDE OF FIFTH AVENUE, OPPOSITE AND ADJACENT TO SEVENTY-FOURTH STREET.

SEALED ESTIMATES FOR THE ABOVE WORK, indorsed with the above title, also with the name of the person or persons making the same, and the date of presentation, will be received at the office of the Department of Public Parks, No. 36 Union Square, New York City, until ten o'clock A. M., on Wednesday, the 14th day of April, 1886, at which place and hour the bids will be publicly opened by the head of said Department and read, and the award of the contract will be made as soon thereafter as practicable.

The person or persons to whom the contract may be awarded will be required to attend at the office of the said Department, with the sureties offered by him or them, and execute the contract within five days after written notice that the same has been awarded to his or their bid or estimate, and that the sureties offered by him or them have been approved by the Comptroller; and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and as in default to the Corporation, and thereupon the work will be re-advertised and executed. The work to commence at such time as the Commissioners of the Department of Public Parks may designate.

N. B.—The prices must be written in the estimate, and also stated in figures, and all estimates will be considered as informal which do not contain bids for all items called for in the specifications, or which contain bids for items not called for therein. Permission will not be given for the withdrawal of any bid or estimate, and the right is expressly reserved by the Department of Public Parks to reject any or all estimates which it may deem prejudicial to the public interests. No estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

No estimate will be received or considered unless accompanied by either a certified check upon one of the National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be

handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk, and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall neglect or refuse, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Bidders are required to state in their estimates, under oath, their names and places of residence, the names of all persons interested with them therein, and if no other person be so interested they shall distinctly state the fact; also, that such estimate is made without any connection with any other person making a bid for estimate for the same purpose; and that it is in all respects fair, and without collusion or fraud; and also, that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk thereof, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof.

The estimate must be verified by the oath, in writing, of the party making such estimate, that the several matters therein stated are in all respects true. When more than one person is interested in the estimate, the verification must be made by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, and stated in the proposals, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise; that he has offered himself as a surety in good faith and with an intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be determined by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

Bidders are required to state in writing, and also in figures, the price per lineal foot for upper portion of Park vertical wall, including coping of Ohio sandstone; also, the time required for the completion of the whole work, which will be tested at the rate of FOUR dollars per day.

These prices are to cover the furnishing of all the necessary materials and labor; and the performance of all the work as set forth in the specification and form of agreement.

It being understood that the time so bid refers to the aggregate time of such inspectors as may be appointed on the work, and not to consecutive days, and that the damages specified in covenant E (see section 2 (h) of the specifications) will be exacted for each and every day that the said aggregate time of the inspectors who may be employed on the work may exceed the time stipulated for the completion of the whole work.

The Engineer's estimate of the work to be done, and by which the bids will be tested, is as follows:

213 lineal feet of the upper portion of the Park vertical wall, including coping.

N. B.—As the above-mentioned quantities, though stated with as much accuracy as possible in advance, are approximate only, bidders are required to submit their estimates upon the following express conditions, which shall apply to and become a part of every estimate received:

Bidders must satisfy themselves by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the accuracy of the foregoing Engineer's estimate, and shall not at any time after the submission of an estimate dispute or complain of such statement or estimate, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

Bidders will be required to complete the entire work to the satisfaction of the Commissioners of the Department of Public Parks, and in substantial accordance with the specifications and the plan therein referred to. No extra compensation beyond the amount payable for the several classes of work before enumerated which shall be actually performed at the prices therefor to be specified by the lowest bidder shall be due or payable for the entire work. The amount of security required is fifteen hundred dollars.

Bidders are informed that no deviation from the specifications will be allowed unless a written permission shall previously have been obtained from the Commissioners of the Department of Public Parks.

The contractor is required to notify the Engineer, in writing, forty-eight hours prior thereto, of the date he intends to actually begin work.

Bidders are specially notified that the Department of Public Parks reserves the right to determine the times and places for commencing and prosecuting the work, and that postponement or delay on the whole or any part thereof, occasioned by the precedence of other contracts, which may be either let or executed before or after the execution of the contract for this work, cannot constitute a claim for damages, nor for a reduction of the damages fixed for delay in completing the work beyond the time allowed.

Blank forms of proposals and form of agreement, including the specifications, and showing the mode of payment for the work, can be obtained on application to the Secretary, at the office of the Department, No. 36 Union Square.

Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the bid or estimate, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if he or they shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he or they would be entitled upon its completion, and that which the Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested; the consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of security required for the completion of the contract and stated in the proposals, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; that he has offered himself as a surety in good faith, and with an intention to execute the bond required by law.

The bidders are required to write out the amount of their bids in their estimates, in addition to inserting the same in figures.

Such check or money must not be enclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. The contract for lamps in any particular street, avenue, pier, park or place, will be awarded, if awarded, to the lowest bidder per lamp in such particular street, avenue, pier, park or place.

The right is also reserved to determine and designate in any locality, after the estimates are opened, what illuminating material shall be used in the public lamps, or any number of them, in such locality, during the period above mentioned; also upon such determination, to decline any estimate or part thereof for lighting such locality with illuminating material other than that so determined upon. Also to decline all estimates if deemed for the best interests of the city. No estimate will be accepted from or contract awarded to any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

If the estimate of any bidder shall include any lamps with which the pipes or conductors of such bidder are not connected at the time of making the bid, and a contract for furnishing the illuminating material for and lighting, extinguishing, cleaning, repairing, and maintaining any such lamps, shall be awarded to such bidder, in that case, thirty days from the date of the execution of such contract, and such further time, not exceeding thirty days, as may be deemed reasonable by the Commissioner of Public Works, shall be allowed to such bidder in which to connect such pipes or conductors with such lamps, and all such connections shall be made by the party of the second part without expense to the city.

But no payment to such bidder, on account of any such lamps, will be made for the time so allowed, nor until the same shall have been connected with the mains or conductors of such bidder, nor except for the time during which all the requirements herein mentioned shall have been fully performed.

Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested. Each estimate shall also be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, or a guarantee company incorporated under the laws of the State of New York, as shall be satisfactory to the Comptroller, to the effect that if the contract be awarded to the person or persons making the estimate, they will, on its being so awarded, become bound as his or their sureties for its faithful performance, in the amount of FIFTY THOUSAND DOLLARS; and that if he or they shall omit or refuse to execute the same, they will pay to the Mayor, Aldermen and Commonality of the City of New York, any difference between the sum to which he would be entitled on its completion, and that which the Mayor, Aldermen and Commonality of the City of New York may be obliged to pay to the person or persons to whom the contract may be subsequently awarded. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; that he has offered himself as a surety in good faith, and with an intention to execute the bond required by law. The adequacy and sufficiency of the sureties offered shall be approved by the Comptroller.

The person or persons to whom the contract may be awarded, shall deposit with the Comptroller of the City of New York, on or before the execution of the contract or agreement, EIGHT THOUSAND DOLLARS, in cash or securities approved and accepted by the said Comptroller, as an additional security for the faithful performance of all the terms and conditions of the contract or agreement, and as a fund to be drawn upon by the Commissioner of Street Cleaning, to pay for any expense that may be incurred under the contract or agreement by the said Commissioner, or by the Mayor, Aldermen and Commonality of the City of New York, by reason of the failure of the party or parties to whom the contract may be awarded, to faithfully comply with the terms and conditions of the contract.

Bidders will state a price per annum for doing the work.

The price must be written in the bid or estimate and also stated in figures.

Permission will not be given for the withdrawal of any bid or estimate, and the right is expressly reserved by the Commissioner of Street Cleaning to reject any or all bids, or to select the bid or bids the acceptance of which will, in his judgment, best secure the efficient performance of the work. No bid will be accepted from or contract awarded to any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each estimate must be accompanied by a certified check on a solvent banking corporation in the City of New York, payable to the order of the Comptroller of the City of New York, for five per cent. of the amount bid for the performance of all the work required by said contract to be done in any one year. On the acceptance of any bid, the checks of the unaccepted bidders will be returned to them, and upon the execution of the contract the check of the accepted bidder will be returned to him.

Any contract made by the Commissioner of Street Cleaning may be terminated on ten days' notice by the said Commissioner, with the approval of the Mayor.

All bids must be made with reference to the form of contract and the requirements thereof on file at the Department of Street Cleaning, or they will be rejected.

Blank forms of specifications and proposals may be obtained at the Department of Street Cleaning, 31 and 32 Park Row, New York City, on or after Monday, March 22, 1886.

Dated March 15, 1886.
