#### Statement of Basis and Purpose

The purpose of this proposed rule is to:

- Clarify the Department's original intent that individuals providing entertainment, such as musical performances, juggling, dance, or other performance arts in exchange for a fee or for a donation are considered vendors and that entertainment services and performances are considered expressive matter under the Department's rules.
- Indicate clearly that vendors of expressive matter, including entertainers, are exempt from permitting requirements of the Department applicable to vendors of goods or services so long as they comply with the Department's Expressive Matter Vending Rules.
- Address the recent decision in the Matter of New York Skyline, Inc., 94 A.D.3d 23 (1st Dep't 2012), leave to appeal denied, 2012 N.Y. LEXIS 2019 (Aug. 30, 2012), which held that vendors of tickets to entertainments are exempt from permit requirements of the General Vendors Law, insofar as, without the proposed revisions, that decision could have been construed to similarly exempt entertainers from having to comply with the Department's Expressive Matter Vending Rules.

Deleted material is in [brackets]; new text is underlined.

#### Section 1. Section 1-02 of Title 56 of the Official Compilation of the Rules of the City of New York is amended to read as follows:
