##### MOTIONS AND RESOLUTIONS RESUMED.

By Alderman Kirk—  
AN ORDINANCE to amend ordinances entitled "Miscellaneous Ordinances," contained in chapter 8, Article VIII. of the Revised Ordinances of 1880.

The Mayor, Aldermen, and Commonality of the City of New York do ordain as follows:

First—The above ordinances are hereby amended by striking from the eighty-second section and the fourth line thereof the word "five," and inserting in lieu thereof the words "twenty-five,"

Second—By striking from the eighty-sixth section and the fourth line thereof the word "five," and inserting in lieu thereof the words "twenty-five."

Third—By striking from the eighty-seventh section and the sixth line thereof the word "five," and inserting in lieu thereof the words "twenty-five."

Fourth—By inserting after the word "landing," in the third line of the ninety-ninth section, the words "or other public places," and by inserting after the word "driving," in the eleventh line of said ninety-ninth section, the words "be the said hackney coach or cab specially licensed or otherwise."

Fifth—By striking from the one hundred and fourteenth section and the seventeenth line thereof the word "five," and inserting in lieu thereof the words "twenty-five," so that the said ordinances and sections thereof, when so amended, shall read as follows:

§ 82. Every person who shall keep or drive any hackney coach or cab for hire in the city of New York, without being licensed as aforesaid, shall be liable to a fine of twenty-five dollars for every such offense.

§ 86. Every driver of a hackney coach or cab shall pay to the license bureau the sum of fifty cents; and no person shall drive any hackney coach or cab without being at the time licensed, under the penalty of twenty-five dollars.

§ 87. Any driver who may be licensed under section 83 of this article may drive and use any coach or cab belonging to his employer; and no owner of any hackney coach or cab shall allow

any person to drive such coach or cab who is not licensed as aforesaid, under penalty of twenty-five dollars.

§ 99. Every hackney coach or cab, while waiting for hire or used from any public stand, or railroad depot, or steamboat landing, or other public places, at night, shall have fixed on conspicuous parts of the outside thereof two lighted lamps, with two plain glass fronts and sides on each lamp, and having the license number of the owner in plain, legible figures, of at least two inches in length, and no other figure or device, in black paint on the glass side of each lamp, in such a manner that the same may be distinctly seen at a distance of ten feet, whether said carriage or cab is standing or driving, be the said hackney coach or cab specially licensed or otherwise.

§ 114. No hackney coach, carriage or cab which shall be specially licensed by virtue of the provisions of this article shall make, use or come upon any stand that is now or may be hereafter designated as a hackney coach stand, or at any other place in the city of New York, except in front of or adjoining to any hotel or hotels, or at any other place which may be designated by the mayor, and which may be used as a stand with the approval and consent of the persons occupying the premises in front of which said coaches, carriages or cabs are to be permitted and allowed by the authority of the mayor as aforesaid, provided that the owner or driver of any such coach, carriage or cab shall not solicit or take any passenger or passengers on the streets, but shall confine themselves solely to and for the use of the guests of said hotel or hotels. Any violation of this section shall be punished by a fine of twenty-five dollars by the mayor's marshal, to be sued for and recovered from the owner thereof.

All ordinances or parts of ordinances inconsistent or conflicting with the provisions of this ordinance are hereby repealed.

This ordinance shall take effect immediately.

By Alderman E. Duffy—

To the Honorable the Common Council:

GENTLEMEN—An ancient land-mark, dated 1774, now displaced, which is—  
One of the boundary stones placed to mark the line between New York and Harlem, was located on the common lands in the old Middle road, now Fifth avenue, and between Eighty-sixth and Eighty-seventh streets, was displaced many years since, and used as a railing block. This use has been discontinued, and the ancient land-mark is now lying in Fifth avenue, between Eighty-sixth and Eighty-seventh streets. It is the wish of the undersigned to call attention to this as an example relating to other land-marks which require to be replaced, all of which can be done, viz., the original monument stones indicating the lines of the streets and avenues—see CITY RECORD, dated 17th August, 1877, on this subject.

It would afford great pleasure to many to see this and all the other land marks put in proper order, as required by ordinance—see Revised Ordinance, dated 1866, page 263, chapter xxi.

The ancient laws stated, "Cursed is he who removeth the ancient land-mark," and many "curses" have fallen from the lips of property owners whose "houses of great value"—see printed Common Council proceedings dated 8th July, 1869—have been misplaced from the causes above named, and it is hoped that your Honorable Body will give this important subject the consideration and direction to the proper authorities required by the above ordinance.

All of which is respectfully submitted.

JAMES E. SERRELL, City Surveyor, No. 310 West Fifty-first street.

New York, 26th June, 1883.

Which was referred to the Committee on Public Works.

(G. O. 249.)

By Alderman Wells—

Resolved, That gas-mains be laid, lamp-posts erected and street-lamps lighted in Morris avenue (formerly Avenue A), from One Hundred and Eighty-first street (formerly Fifth street), to One Hundred and Eighty-fourth street (formerly First street), Fordham, Twenty-fourth Ward, under the direction of the Commissioner of Public Works.

Which was laid over.

By the same—

Resolved, That James R. Marvin be and he is hereby appointed a Commissioner of Deeds in and for the City and County of New York.

Which was referred to the Committee on Salaries and Offices.

By the same—

Resolved, That East One Hundred and Thirty-ninth street, between the easterly curb-line of Willis avenue and the westerly curb-line of Brook avenue, be regulated and graded, the curb, gutter and flag stones, where not on the established line or grade, be taken up, the curb and gutter stones reset and the flag stones relaid four feet in width, new curb and gutter stones be set and new flag-stones, four feet in width, be laid on each sidewalk where not heretofore set or laid, and that crosswalks be laid where not heretofore ordered to be laid across the roadway at each intersection of said street with each avenue and at the intersection of each avenue with said street, under the direction of the Commissioners of the Department of Public Parks; and that the accompanying ordinance therefor be adopted.

Which was referred to the Committee on Public Works.

By Alderman Kenney—

Resolved, That Erasmus C. Johnson be and he is hereby appointed a Commissioner of Deeds in and for the City and County of New York.

Which was referred to the Committee on Salaries and Offices.

Alderman Grant moved that the Committee on Law Department be discharged from the consideration of the following resolutions:

Resolved, That the sale or disposal (to minors) of toy pistols that can be loaded with powder and ball or blank cartridges to be exploded by means of metal caps, is hereby prohibited, under penalty of a fine of ten dollars for each offense, said fine to be imposed by any Police Justice of this city upon the arrest of any offender after due proof of a violation of this ordinance.

Resolved, That nothing in this ordinance contained shall apply to the sale or disposal of what are known as fire-crackers, torpedos or such pistols as are used for the explosion of paper caps.

The President put the question whether the Board would agree with said motion.

Which was decided in the affirmative.

Alderman Grant moved that the resolutions be adopted.

Alderman Waite moved to amend by inserting the words "or other," after the word "toy."

The President put the question whether the Board would agree with said motion.

Which was decided in the affirmative.

Alderman Cochrane moved to amend by inserting after the words "cracker" and "torpedo," in the second resolution, the word "pistol."

The President put the question whether the Board would agree with said motion.

Which was decided in the affirmative.

The President then put the question whether the Board would agree with said resolutions as amended.

Which was decided in the affirmative.

By Alderman McLoughlin—

Resolved, That Arthur P. Hilton be and he is hereby appointed a Commissioner of Deeds in and for the City and County of New York.

Which was referred to the Committee on Salaries and Offices.

By Alderman Sheehy—

Resolved, That permission be and the same is hereby given to Leo Schlesinger to extend the vault in front of his premises, Nos. 1, 3 and 5 Jersey street, a distance of six feet beyond the curb-line, as shown in the accompanying diagram, upon payment of the usual fee, provided the work be done in a durable and substantial manner, and that the said Leo Schlesinger shall stipulate with the Commissioner of Public Works to save the city harmless from any loss or damage that may occur in consequence of the building or extension of said vault, during the progress or subsequent to the completion of the work, the work done at his own expense, under the direction of the Commissioner of Public Works; such permission to continue only during the pleasure of the Common Council.

MOTIONS AND RESOLUTIONS AGAIN RESUMED.

(G. O. 263.)

By Alderman Waite—

Resolved, That on all those parts of the sidewalks on both sides of Eleventh avenue, between Fifty-fifth and Fifty-eighth streets, where there is now only one four-foot course of flagging, an additional course of flagging, four feet in width, be laid, under the direction of the Commissioner of Public Works; and that the accompanying ordinance therefor be adopted.

Which was laid over.

REPORTS RESUMED.

The Special Committee, to which was referred, with power and instructions to report at this meeting of the Board, a message from his Honor the Mayor, transmitting a letter from Gen. Roger A. Pryor, together with a letter sent to Gen. Pryor by E. E. Pyrdock, Esq., of Lynchburg, Va., expressing a desire on the part of the authorities of the Virginia Military Institute to return to the City of New York, on the 4th of July next, a flag now in possession of the Institute, which was originally presented by the City of New York to the One Hundred and Sixty-fourth Regiment of New York Volunteers, respectfully, in obedience to instructions,

REPORT:

That the letters referred to above, which are hereto annexed, clearly set forth the objects and purposes for which your Committee were appointed, and render it necessary only to inform your Honorable Body that, after consultation with his Honor the Mayor, it was fully agreed that the corporate authorities of this City should accept the friendly offer to restore the flag, in the spirit in which it was made, and as an additional evidence (were any needed) of the fraternal feeling and universal desire for closer and more intimate and friendly relations, now so happily cherished by the people of the sections of our country formerly estranged and divided in internecine strife.

The following resolution is therefore respectfully offered for your adoption:

Resolved, That the kind offer of the authorities of the Military Institute of Virginia to restore to the City of New York the flag of one of its Volunteer Regiments, captured during the late war, and now in possession of the authorities of the Institute, be gratefully accepted; that the Governor's Room in the City Hall is hereby tendered for the restoration ceremonies, July 4, 1883; that his Honor the Mayor is hereby respectfully requested to accept the flag, on behalf of the people and government of this City, and that the Common Council will attend in a body on the interesting occasion.

The President put the question whether the Board would agree with said resolution. Which was decided in the affirmative.

MOTIONS AND RESOLUTIONS AGAIN RESUMED.

By Alderman Smith—

Resolved, That the name of Oliver S. Porter, recently appointed a Commissioner of Deeds, be corrected so as to read Oliver Porter.

The President put the question whether the Board would agree with said resolution. Which was decided in the affirmative.

MESSAGES FROM HIS HONOR THE MAYOR.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, June 18, 1883.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted June 13, 1883, permitting James O'Brien to place a watering-trough in front of premises No. 1657 Avenue A. There is a watering-trough, as I am informed, on each side of the proposed location of this trough, one at Seventy-eighth street and Avenue A and the other at Ninety-second street and Avenue A. Such being the case I think the necessity for one at Eighty-seventh street is by no means pressing. In view of the urgent necessity for economy in the use of water, I would not feel justified in approving this resolution.

FRANKLIN EDSON, Mayor.

Resolved, That permission be and the same is hereby given to James O'Brien to place a watering-trough in front of No. 1657 Avenue A (corner of Eighty-seventh street), the work to be done and water supplied at his own expense, under the direction of the Commissioner of Public Works; such permission to continue only during the pleasure of the Common Council.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, June 18, 1883.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted June 13, 1883, permitting Shields & Keegan to place and keep a watering-trough in front of premises No. 127 Ninth avenue.

There is a watering-trough, as I am informed, on each side of the proposed location of this trough, one at Thirtieth street and Ninth avenue, and one at Twenty-fourth street and Ninth avenue. In my opinion there is not sufficient need for one between these places to justify the consumption of water incident to such privileges as the above resolution contemplates.

FRANKLIN EDSON, Mayor.

Resolved, That permission be and the same is hereby given to Shields & Keegan to place and keep a watering-trough in front of their premises, No. 127 Ninth avenue, the work to be done and water supplied at their own expense, under the direction of the Commissioner of Public Works; such permission to continue only during the pleasure of the Common Council.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, June 18, 1883.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted June 13, 1883, permitting Francis Lynch to place and keep a watering-trough in front of premises No. 454 Eleventh avenue.

I am informed that there is already a watering-trough at the corner of Thirty-fourth street and Eleventh avenue, as well as a drinking-hydrant for man and beast. Although this is three blocks distant, yet in view of the pressing necessity for economy in the use of water I do not feel justified in approving the above resolution.

FRANKLIN EDSON, Mayor.

Resolved, That permission be and the same is hereby given to Francis Lynch to place and keep a watering-trough in front of premises No. 454 Eleventh avenue, the work to be done at his own expense, under the direction of the Commissioner of Public Works; such permission to continue only during the pleasure of the Common Council.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, June 25, 1883.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted June 20, 1883, permitting Ann Higgins to place and keep a watering-trough on the northwest corner of Tenth avenue and Sixty-first street.

I am informed that the travel in this vicinity is not sufficient to justify the erection of a watering-trough so long as the present scarcity of water prevails.

FRANKLIN EDSON, Mayor.

Resolved, That permission be and the same is hereby given to Ann Higgins to place and keep a watering-trough on the northwest corner of Tenth avenue and Sixty-first street, the work done at her own expense, under the direction of the Commissioner of Public Works; such permission to continue only during the pleasure of the Common Council.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, June 25, 1883.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted June 13, 1883, permitting John Shea to keep a stand on the southeast corner of Third avenue and Twenty-eighth street, under the elevated railroad stairs.

I am informed that an oyster-stand, somewhat smaller than the one proposed in this resolution, which was kept by the same person, is now in the Corporation yard, having been removed from the place where it is proposed to erect this one on complaint of a neighboring dealer, and also on the ground of its being a nuisance. In my opinion, the erection of such stands under the stairs of the elevated railroad is exceedingly objectionable, not only because of the obstruction, but also because of the disagreeable odor arising therefrom.

FRANKLIN EDSON, Mayor.

Resolved, That permission be and the same is hereby given to John Shea to keep a stand on the southwest corner of Third avenue and Twenty-eighth street, under the Elevated Railroad stairs, to be boarded up under the lower end of the said stairs, he having the consent of owner of premises, the said to be six feet high, eight feet long and four wide, the work done at his own expense, under the direction of the Commissioner of Public Works; such permission to continue only during the pleasure of the Common Council.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, June 18, 1883.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted June 13, 1883, permitting Joseph McArdle to load and unload goods on the sidewalk in front of premises No. 59 Pearl street.

If the only concession intended to be asked for by Mr. Joseph McArdle, and intended to be granted under this resolution is clearly expressed therein, the resolution is unnecessary, because section 285, article XXX. of the Revised Ordinances provides as follows: "It is hereby understood and expressed that for the receiving and delivering of goods no fee shall be charged, and the Corporation Attorney shall not hereafter institute suits for alleged obstructions occasioned by the receipt or delivery of merchandise in the ordinary course of business."

I am, however, reliably informed that the privilege which Mr. McArdle seeks is to use the sidewalk for the purpose of storing cases and other cooerage until the same can be disposed of by sale or removed to some other locality. To grant such a privilege would be in violation of law, as expressed in subdivision 4, section 86 of the Consolidation Act, and, moreover, would encourage one of the most objectionable features of sidewalk obstruction.

FRANKLIN EDSON, Mayor.

Resolved, That permission be and the same is hereby given to Joseph McArdle to load and unload goods on the sidewalk in front of premises No. 59 Pearl street; such permission to continue only during the pleasure of the Common Council.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, June 26, 1883.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted June 20, 1883, permitting the F. & M. Schaefer Brewing Company to connect their premises at the corner of Fourth avenue and Fifty-first street, with the East river by a six-inch iron pipe "for the purpose of conveying water only" from the river for use in case of fire and for other necessary purposes.

I respectfully call the attention of your Honorable Body to an amendment to subdivision 5, section 86, of the Consolidation Act, which reads as follows: "Provided, however, it shall not be lawful after the passage of this act for any person or corporation to lay any pipes or mains in or under any of the streets of the city of New York, or to open the pavement of any such streets for the purpose of laying any pipes or mains for conducting therein any illuminating gas or steam or other fluids, nor shall it be lawful for the common council of said city, or any board or officer of said city, to grant any license or permission to lay any such pipes or mains or to open the streets or pavements thereof, unless two-thirds in number of the owners of the real estate fronting on that part of the street in which pipes or mains are to be laid, or to which such license or permission relates, who shall also be the owners of two-thirds in extent of the front feet of such part of such street, shall have petitioned the common council in favor thereof in writing, proved or acknowledged in the manner required by law for the proof or acknowledgment of deeds to be recorded, and not then until such person or corporation has actually demonstrated the practical success of the principle involved in developing the enterprise in some other city for at least one year. Nothing in this act shall apply to, or shall affect or impair any rights now possessed by any corporation to whom the right to lay such pipes or mains in any of the streets of said city has been lawfully granted. Nor shall anything

in this subdivision contained be construed to affirm or give validity to any grant or right heretofore obtained, nor to affect any suit now pending."

I regret that I cannot approve this resolution, because, until the provisions of the law above quoted are complied with, it would be unlawful.

FRANKLIN EDSON, Mayor.

Resolved, That permission be and the same is hereby given to the F. & M. Schaefer Brewing Co. to connect their premises corner of Fourth avenue and Fifty-first street with the East river by a six-inch iron pipe, for the purpose of conveying water only from the river, for use in case of fire and other necessary purposes, the work to be done at their own expense, under the direction of the Commissioner of Public Works; such permission to continue only during the pleasure of the Common Council.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, June 18, 1883.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted June 13, 1883, permitting James S. Smith to erect a pole at the curb-line, surmounted by a small sign, in front of premises No. 926 Sixth avenue.

I have received two reports, from different sources, as to what is to be erected under the permission granted in this resolution. These reports do not agree. One furnishes the information that it is intended to erect at the curb-line a pole of iron, nine feet high, to be surmounted by a sign two feet square; the other, that it is not intended to erect a pole, but a triangular sign five feet high and two and one-half feet wide, which is to be placed on the curb.

In either case it is, in my opinion, intended to erect an unsightly and unnecessary obstruction on the sidewalk.

FRANKLIN EDSON, Mayor.

Resolved, That permission be and the same is hereby given to James S. Smith to erect a pole at the curb-line, surmounted by a small sign, in front of his premises, No. 926 Sixth avenue; such permission to continue only during the pleasure of the Common Council.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, June 25, 1883.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted June 13, 1883, permitting Lorenzo Depauli to place and keep a stand on the northeast corner of Fourteenth street and Eighth avenue, at the curb-line.

I am informed that the stand in question is in reality a booth eight feet high, eight feet long, and four feet wide. I learn furthermore that Mr. Depauli does not desire to place this booth on the curb, but desires to keep it where it now is within the stoop-line, having the permission of the owner of the premises in front of which it is located to do so. Such being the case, and as it seems to me that it would prove a serious obstruction to the sidewalk if placed on the curb-line, I think the permission should not be granted.

FRANKLIN EDSON, Mayor.

Resolved, That permission be and the same is hereby given to Lorenzo Depauli to place and keep a stand on the northeast corner of Fourteenth street and Eighth avenue, at the curb-line; such permission to continue only during the pleasure of the Common Council.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, June 25, 1883.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted June 20, 1883, permitting Richard Gobber to place a watering-trough in front of his premises No. 469 Tenth avenue.

I disapproved a similar resolution May 15, 1883, on the ground that there are several watering-troughs in this immediate vicinity and that there is, therefore, no necessity for this one. I disapprove this resolution for the same reason.

FRANKLIN EDSON, Mayor.

Resolved, That permission be and the same is hereby given to Richard Gobber to place a watering-trough in front of his premises, No. 469 Tenth avenue (10th avenue), the work to be done at his own expense, under the direction of the Commissioner of Public Works; such permission to continue during the pleasure of the Common Council.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, June 26, 1883.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted June 20, 1883, rescinding the resolution passed on 13th instant extending the time within which William J. Douglass must remove the windows and extension in front of premises Nos. 202 and 204 East Thirty-fourth street.

On the 15th day of April, 1879, a resolution of the Board of Aldermen, afterward approved by Mayor Cooper, granted permission to erect two show windows on the Thirty-fourth street side of a building then about to be erected on the lot known as No. 202 East Thirty-fourth street, now known as Nos. 202 and 204 East Thirty-fourth street. I am informed that the structure was then erected with the show windows in accordance with the permission thus granted.

On the 10th day of April, 1883, your Honorable Board passed a resolution which I approved on the 24th day of April, rescinding the privilege granted by the resolution of April 15, 1879, and directing the removal of the said windows. On the 13th day of June, 1883, your Honorable Body passed a resolution extending the time for the removal of the windows in question, and upon the representations of the occupant of the premises I allowed that resolution to go into effect without formal disapproval.

Inasmuch as these show windows have been in existence at least three years, and as it would be a decided hardship to the present occupant and lessee of the premises to be compelled to remove them on so short a notice, and in consideration of the fact that the lease of the present occupant will expire May 1, 1884, it seems to me that neither public nor private interests will suffer by permitting the extension of time for the removal of the obstructions to May 1, 1884.

I therefore disapprove this resolution.

FRANKLIN EDSON, Mayor.

Resolved, That the resolution granting to William J. Douglass an extension of time until May 1, 1884, in which to remove windows and extension in front of and attached to the building known as Nos. 202 and 204 East Thirty-fourth street, be and the same is hereby rescinded and declared of no force or effect.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, June 27, 1883.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted June 20, 1883, directing, "That from the 15th day of June until the 15th day of September, each and every year, until otherwise ordered by the Common Council, all the mechanics and skilled and unskilled laborers employed by the several departments of the City Government, shall be permitted to leave off work at 12 o'clock every Saturday, and be allowed this needed relaxation every week during the time above named, without any abatement of the pay or wages now regularly paid such employees of the city."

The language of this resolution is mandatory and assumptive of powers in direct conflict with the powers and duties imposed by law upon the respective heads of departments of the City Government. The provisions of law which define the functions, powers and duties of the departments are explicit in giving to each exclusive control over its necessary clerks and employees; and the head of each department, whether composed of a board of commissioners or of a single commissioner, is and should be held responsible for the proper conduct of the department's affairs, including the discreet and economical expenditure of the appropriations of money made to each department in order to enable it to carry out the objects and purposes for which it was by law established.

An illustration of the powers and duties imposed upon the heads of departments may be found in section 705 of the Consolidation Act, relating to the employment and control of employees in the Department of Street Cleaning. It reads as follows: "Said Commissioner shall have power to engage and in his discretion discharge from time to time all such clerks, laborers and other employees, and to fix their compensation, as shall be necessary and proper, in executing

the duties hereby imposed upon him, and may make and from time to time alter rules and regulations for their government." The laws defining the powers of the heads of other departments are equally explicit in this respect, and give to each of them equally exclusive control over its employees.

I am now as I have always been, in practice as well as in theory, in favor not only of just but of liberal compensation to labor, and at the same time equally in favor of granting to laborers abundant opportunity for recreation, whether they are employed in public or private service. I am, however, equally strenuous as to the necessity of proceeding in accordance with law and order. I therefore conceive it to be my duty to disapprove any and all acts which have a tendency to relieve the heads of the respective departments of any responsibilities, unless such acts are fully authorized by law and tend to promote the public welfare.

FRANKLIN EDSON, Mayor.

Whereas, By resolution approved June 14, 1883, the public offices of the city are closed at 12 o'clock, M., every Saturday, between the 15th day of June and the 15th day of September, each and every year; and

Whereas, It must be obvious that the necessity of giving this needed relaxation from labor during the summer months exists to a greater degree among the employees of the city whose labor outdoors expose them to the torrid heat of our climate than among those who occupy public office in the several departments, and are not so exposed; be it therefore

Resolved, That on the 15th day of June until the 15th day of September, each and every year, until otherwise ordered by the Common Council, all the mechanics, and skilled and unskilled laborers employed by the several departments of the City Government, shall be permitted to leave off work at 12 o'clock every Saturday, and be allowed this needed relaxation every week during the time above named, without any abatement of the pay or wages now regularly paid such employees of the city.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, June 25, 1883.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted June 20, 1883, permitting William E. Maginn to place and keep a watering-trough in front of premises No. 487 Canal street.

I am informed that there is a watering-trough in Hudson street, on the northeast corner of Water street, within 125 feet of the place where it is proposed to erect this one; the necessity for this one is therefore of far less importance than the necessity for economy in the use of water.

FRANKLIN EDSON, Mayor.

Resolved, That permission be and the same is hereby given to William E. Maginn to place and keep a watering-trough in front of his premises, No. 487 Canal street, the work to be done and water supplied at his own expense, under the direction of the Commissioner of Public Works; such permission to continue only during the pleasure of the Common Council.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

#### UNFINISHED BUSINESS.

The President called up G. O. 207, being a resolution, as follows:  
Resolved, That gas-mains be laid, lamp-posts erected, and street-lamps lighted in One Hundred and Eighteenth street, between Sixth and Seventh avenues, under the direction of the Commissioner of Public Works.

The President put the question whether the Board would agree with said resolution.

Which was decided in the affirmative by the following vote, viz.:  
Affirmative—The President, Aldermen Carroll, Cochrane, De Lacy, E. Duffy, M. Duffy, Farley, Finck, Fleischbein, Foley, Grant, Jaehne, Kirk, McLoughlin, O'Connor, Rinckhoff, Seaman, Smith, Waite, and Wells—20.

The President called up G. O. 209, being a resolution and ordinance, as follows:

Resolved, That the roadway of Ninth avenue, from Seventy-seventh to One Hundred and Tenth street, be paved with granite-block pavement where not already paved, and that crosswalks be laid at the intersecting and terminating streets where required, under the direction of the Commissioner of Public Works; and that the accompanying ordinance therefor be adopted.

The President put the question whether the Board would agree with said resolution.

Which was decided in the affirmative by the following vote, viz.:  
Affirmative—The President, Aldermen Carroll, Cochrane, De Lacy, M. Duffy, Farley, Finck, Fleischbein, Foley, Grant, Jaehne, Kirk, O'Connor, Rinckhoff, Seaman, Smith, Waite, and Wells—18.

Alderman Rinckhoff called up G. O. 222, being a minority report of the Committee on Railroads against the running of dummy steam-engines and freight trains on Eleventh avenue, West street, Canal street and in the vicinity of St. John's Park.

Alderman Kirk moved that the consideration of the subject be postponed for one week.

The President put the question whether the Board would agree with said motion.

Which was decided in the affirmative by the following vote, viz., on a decision called by Alderman Waite, viz.:

Affirmative—The President, Aldermen Carroll, Cochrane, De Lacy, E. Duffy, M. Duffy, Farley, Finck, Fleischbein, Kirk, O'Connor, Seaman, Sheehy, Smith, and Wells—15.  
Negative—Aldermen Foley, Grant, Jaehne, McLoughlin, Rinckhoff, and Wells—5.

Alderman McLoughlin here presented the following communication from the East Side Association, urging the Common Council to adopt the ordinance relating to the use of dummy engines reported to the Board by Aldermen McLoughlin and Rinckhoff:

To the Honorable the Board of Aldermen of the City of New York:

The citizens of the West Side Protective Association—by whom the petition for the removal of steam freight trains from the city streets (with more than 5,000 signatures) was presented—begs leave most respectfully to urge upon the Honorable the Board of Aldermen of the City of New York the adoption of the ordinance recommended by the Hon. M. F. McLoughlin and the Hon. W. P. Rinckhoff, of the Committee on Railroads, for the reason that, while the evils to be remedied by said ordinance are evident and acknowledged, the objections, as stated in the report of Hon. C. B. Waite are based upon a misapprehension of the facts.

The objection to moving the freight cars upon floats is alleged to be that it "would require for the accommodation of the floats a mile of water front."

Mr. Toucey, the General Superintendent of the New York Central Railroad, stated under oath, in the recent case of *Greene v. The New York Central & Hudson River Railroad Company*, that the average number of cars taken to St. John's Park Depot was as follows:

"In 1873 the daily average was 127; in 1874 the daily average was 112; in 1875 the daily average was 155; in 1876 the daily average was 149; in 1877 the daily average was 122; in 1878 the daily average was 110; in 1879 the daily average was 128; in 1880 the daily average was 131."

The general testimony of residents in that vicinity is that since that year the number of cars drawn to the depot has been about the same, as in the years above referred to.

Mr. Toucey further described the depot of the railroad company at the foot of Barclay street, as follows:

"A pier about 500 feet long and 30 feet wide, and a large bulkhead adjoining it, I should say 80 by 100 feet, covered over."

This slip accommodates five floats, in a line; the piers extend so far into the river that three rows of floats could be accommodated at one time with the slip; each float carries ten cars.

Mr. Robert G. Stevenson, Freight Agent at St. John's Depot, further testified that the time required to unload a car varied from half an hour to an hour and a quarter.

Therefore, it would appear that, allowing one hour to load and one hour to unload each car, eight hundred and forty cars could be unloaded and loaded in one day, with only five floats lying at the bulkhead and two floats lying at the pier, at any one time.

By increasing the mechanical facilities, the cars could be drawn off the floats on the bulkhead, or the pier could be extended farther into the river, so that the whole one thousand cars of freight, which Hon. C. B. Waite states to be daily delivered south of Sixtieth street, could be handled at this depot on the water front.

The Dock Department, as stated by one of the Commissioners, would do all in its power to facilitate such an extension, if desired. Moreover, the acquisition of another slip is certainly not an impossibility, and if such a depot existed on the east side water front, it would greatly increase the value of that section as a business centre.

The other objections stated by Mr. Waite, are fully answered in the report above referred to of Messrs. McLoughlin and Rinckhoff.

Your petitioners therefore pray for the adoption of this ordinance.

THE CITIZENS' WEST SIDE PROTECTIVE ASSOCIATION,

By J. BLECKER MILLER, Secretary.

Which was ordered to be laid over in connection with G. O. 222, and printed in full in the minutes.

#### REPORTS AGAIN RESUMED.

(G. O. 264.)

The Committee on Streets, to whom was referred the annexed petition in favor of changing the grade of Sixty-fourth street, from First avenue to Avenue "A," respectfully

#### REPORT:

That, having examined the subject, they believe the proposed improvement to be necessary, having been advertised the time provided by law, and no objections having been made. They therefore recommend that the accompanying resolution be adopted.

Resolved, That the grade of Sixty-fourth street, between First avenue and Avenue "A," be changed so as to conform with the plan on the accompanying diagram.

#### MOTIONS AND RESOLUTIONS AGAIN RESUMED.

By Alderman Sheehy—

Resolved, That whereas it is a well-known fact that the people of Ireland have been subject for many years to a condition of unparalleled distress, culminating at certain periods in a dreadful state of famine, and compelling them to appeal to the generosity of foreign nations for relief; and

Whereas the people of Ireland claim that this distress is unnatural to the country, and result only from the operation of unjust and unsympathetic laws forced on them by the government of England, and against which they have ceaselessly, although almost fruitlessly labored for years, and in support of their claim they submit, amongst other instances, that, out of eighteen million acres of tillable land, only three millions are under tillage; that, notwithstanding this, last year the food crops produced eight pounds of food daily to every man, woman and child in the country, and yet many now are on the verge of starvation; that, with less natural resources in proportion, European governments are making laws to prevent the people from emigrating, notably Germany, where the population is two hundred and thirteen to the square mile, where, on the contrary, the British Government has appropriated \$500,000 to carry off the people of Ireland, whose population she has already reduced to 162 per square mile; that the people of Ireland now send \$40,000,000 per year in taxes to England, while English travellers describe them as being the worst housed, worst clad, worst fed in Europe; that the annual aid from America, amounting, on English authority, to \$5,000,000, makes no appreciable improvement in the condition of Ireland; and

Whereas, It is manifest that it is the supreme duty of every government laying claim to the affection of its people and the respect of the nation, to leave nothing undone to preserve the lives and augment the happiness of its people, by exhausting every resource and omitting no effort in their behalf in their own land before appealing to outside nations for relief; and

Whereas, In the plainest showing by the people themselves, as well as by English statistics compiled from government sources, the English Government has failed in its chiefest duty to the people of Ireland.

Resolved, That this body, which is immediately affected by the consequent condition of things in having to provide by taxation on its citizens for the support of people unnecessarily impoverished and exiled by their own government, emphatically entered its protest against the unnatural abandonment in this part of the helpless poor, of which the British government should have the care.

Resolved, That we call on our government to take such measures and enact such laws as will put a stop to the scandal for the future; and

Resolved, That we recommend to the British government, in the interest of amity and humanity, that a genuine effort be made by it, by means of proper legislation in harmony with national sentiments of the Irish people, as will enable the people of Ireland to so utilize the resources of their country as to remove the causes of so much misery, and render them one of the most contented people of Europe, which the best information clearly indicates they could be.

Private Michael F. Sheridan, of Hook and Ladder Co. No. 4, charged with "absence without leave." Evidence taken; laid over.

Private Patrick T. Feeney, of Hook and Ladder Co. No. 4, charged with "absence without leave." Evidence taken; laid over.

Fireman John Driscoll, of Engine Co. No. 12, charged with "absence without leave" and "neglect of duty." Found guilty on both charges and case laid over.

Fireman John Sullivan, of Engine Co. No. 17, charged with "violation of section 1, paragraph II, General Orders No. 21, O. B. C., series 1881," and "neglect of duty." Evidence taken; laid over.

Fireman Henry Brengle, of Engine Co. No. 25, charged with "disrespect to his superior officer." Evidence taken; laid over.

Private Thomas J. Mooney, of Engine Co. No. 25, charged with "violation of section 2, paragraph II, General Orders No. 21, O. B. C., series 1881." Evidence taken; laid over.

Assistant Engineer of Steamer Daniel J. Fagan, of Engine Co. No. 13, charged with "absence without leave." Evidence taken; laid over.

Report was received from Second Assistant Chief of Department Bonner, in compliance with resolution adopted on 10th instant, of the operations and methods pursued by the officers and men detailed to the Life Saving Corps, with recommendations as to the organization of a permanent School of Instruction, and in connection therewith Commissioner Purroy submitted the following resolution, which was adopted:

Resolved, That the recommendations contained in the report of the Second Assistant Chief of Department, relative to the organization of a School of Instruction, be and are hereby approved and adopted; that said report be referred to the Secretary, with directions to prepare, for promulgation to the Department, a General Order on the subject, including therein the rules and regulations contained in said report, and that Second Assistant Chief of Department Hugh Bonner be and is designated as the instructor of said school, with power to select and appoint two assistants.

The following preambles and resolution were offered by Commissioner Purroy:

Whereas, The requirements of the service demand the immediate appointment of additional Foremen and Assistant Foremen; and

Whereas, When volunteers were called for to form the Life Saving Corps of this Department, Assistant Foreman Henry W. McAdams and Privates John McLeod Murphy, Samuel Banta, Edward J. Brodenick, William H. Jones, and John T. Needham were the first to offer their services, without any hope of reward being held out to them; and

Whereas, The above-named members of the uniformed force have, by their unremitting diligence, attention to duty, and general good conduct, attained great proficiency as members of the first division of the Life Saving Corps, and won for themselves the warm commendation of their superior officers in the Life Saving Corps, as well as in their respective companies; and

Whereas, Merit should always be the sole cause for promotion in this Department; therefore

Resolved, That Assistant Foreman Henry W. McAdams be promoted to the rank of Foreman, and Privates John McLeod Murphy, Samuel Banta, Edward J. Brodenick, William H. Jones, and John T. Needham be each promoted to the rank of Assistant Foreman; provided, however, that these promotions shall not take effect unless each of the above-named members of the uniformed force shall successfully pass the usual examinations required by the rules of all applicants for promotion.

Which were adopted by the following vote:

Affirmative—President Commissioner Van Cott and Commissioner Purroy.

Negative—Commissioner Gorman.

The following preambles and resolution, offered by Commissioner Purroy, were, on motion, adopted:

Whereas, Fireman Lawrence Murphy was placed in charge of the training stable of the Department, at the time of its establishment, in January, 1882; and

Whereas, He has performed the duties devolving upon him in that position in a creditable manner, and to the entire satisfaction of the Board; and

Whereas, Zeal and fidelity in the service of the Department should be recognized and rewarded; therefore

Resolved, That Fireman Lawrence Murphy having also passed a satisfactory examination for promotion, be and is hereby promoted to be Assistant Foreman, to take effect on the 17th instant, and that he be continued in charge of the training stable.

Resolved, That all assignments upon appointment and promotion, and transfers in the uniformed force, be hereafter made on the recommendation of the Chief of Department, subject to the provision that the organization of the companies shall be as now established, or as may be hereafter prescribed by the Board. Laid over.

The following preambles and resolutions were offered by Commissioner Purroy:

Whereas, "It has long been the established custom" (to quote the words of Commissioner Gorman, at the meeting of the Fire Board on September 15, 1881) "for the Commissioner last appointed to occupy the 'private office on the same floor as the Bureau of Buildings,' and the said custom has been followed, without any attempt at commotion, in the cases of Commissioners Perley, Van Cott, King, Purroy, and others; and

Whereas, the furtherance of the business of this Department, long ago made it advisable to locate the offices of the President and Treasurer on the same floor as the Chief of Department, Secretary, and the bookkeeper as Secretary of the Trustees of the Relief and Life Insurance Funds, with whom their duties, as President and Treasurer, compel them to be in constant communication, and in pursuance of this view the words 'President' and 'Treasurer' were, long ago, painted in large letters, and now appear over the respective doors of the said private offices;

Resolved, That in the opinion of this Board, to now depart from the custom above-mentioned, would be calculated to retard the transaction of the business of the Department, and no good reason exists for such change;

Resolved, That the room on the first floor, occupied by the late President of the Board be and is hereby assigned and set apart for the use of the present President of the Board while holding said office, and that the room heretofore occupied by the late Treasurer of the Board be and is hereby assigned and set apart for the use of the present Treasurer of the Board while holding said office, and the room on the same floor as the Bureau of Buildings be placed at the disposal of Commissioner Gorman, or such other arrangements as he may desire be made for him, outside of his use of the President's or Treasurer's rooms.

Resolved, That the Chairman of Committee on Repairs and Supplies be authorized and directed to carry these resolutions into effect, and to that end be clothed with the full authority of this Board.

Commissioner Gorman moved to strike out the preambles, which was lost, Commissioner Gorman voting in the affirmative, President Van Cott and Commissioner Purroy in the negative.

Commissioner Gorman moved to strike out the last resolution, which was lost, Commissioner Gorman voting in the affirmative, President Van Cott and Commissioner Purroy in the negative.

Commissioner Purroy moved the adoption of the preambles and resolutions, which was carried, President Van Cott and Commissioner Purroy voting in the affirmative, Commissioner Gorman in the negative.

The following promotions were ordered, to take effect 23d instant:

## LAWS OF NEW YORK, 1883.

### CHAPTER 230.

AN ACT to legalize and confirm the official acts of notaries public.

Passed April 16, 1883; three-fifths being present.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The official acts of every person as notary public within the state of New York, heretofore commissioned as such, which acts have been performed since the thirtieth day of March, eighteen hundred and eighty-two, so far as such official acts might be affected, questioned or impaired by reason of having been performed after the expiration of the term of office, or by reason of change of residence made after appointment or by reason of misnomer or misspelling of name or other error made in appointment or commission of said notary public, or by reason of omission, or failure to take the prescribed oath of office within the time required by law, or by reason of such person being under the age of twenty-one years, are hereby legalized and confirmed and made as effectual and valid as if the term of office of said notary public had not expired, or as if no misnomer or misspelling or other error had occurred or been made in the appointment or commission of said notary public, or as if the oath of office had been taken within the time prescribed by law.

Sec. 2. Nothing in this act contained shall affect any legal action or proceeding now pending.

Sec. 3. This act shall take effect immediately.

### CHAPTER 234.

AN ACT to amend certain sections of the Code of Civil Procedure.

Passed April 16, 1883; three-fifths being present.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The following sections of the Code of Civil Procedure are hereby amended, as follows:

§ 46. Section forty-six so that it will read as follows:

§ 46. A judge shall not sit as such in, or in which he has been attorney or counsel, or in which he is interested, or if he is related by consanguinity or affinity to any party to the controversy within the sixth degree. The degree shall be ascertained by ascending from the judge to the common ancestor; and descending to the party, counting a degree for each person in both lines, including the judge and party, and excluding the common ancestor. A judge other than a judge of the court of appeals shall not decide, or take part in the decision of a question which was argued orally in the court, when he was not present and sitting therein as a judge.

§ 1166. Section eleven hundred and sixty-six so that it will read as follows:

§ 1166. The first twelve persons who appear, as their names are drawn and called, and are approved as indifferent between the parties, and not discharged or excused, must be sworn, and constitute the jury to try the issue. Persons shall be disqualified from sitting as jurors if related by consanguinity or affinity to a party to the issue in the same cases in which judges are disqualified. The party related to the juror must raise the objection before the case is opened; but any other party to the issue may raise the objection within six months from the date of verdict.

Sec. 2. This act shall take effect immediately.

## OFFICIAL DIRECTORY

STATEMENT OF THE HOURS DURING WHICH all the Public Offices in the City are open for business, and at which each Court regularly opens and adjourns, as well as of the places where such offices are kept and such Courts are held; together with the heads of Departments and Courts.

Resolved, That, in consideration of the extreme heat of the season, and the fact that little if any business is transacted in the public offices after 12 o'clock on Saturdays, during the summer months.

Resolved, That the various public offices, except those specially required by law to be kept open each day, from 9 A.M. to 4 P.M., be closed at 12 o'clock on Saturdays, during the period from June 1st to September 1st, 1883. Adopted by the Board of Aldermen, June 14, 1883, a majority of all the members elected voting in favor thereof.

Approved by the Mayor, June 15, 1883.

N. B.—As the above-mentioned quantities, though stated with as much accuracy as is possible, in advance are, proximately, only, bidders are required to submit their estimates upon the following express conditions, which shall apply to and become part of every estimate received:

1. Bidders must satisfy themselves by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the accuracy of the foregoing Engineer's estimate, and shall not at any time after the submission of an estimate, dispute or complain of the above statement of quantities, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

2. Bidders will be required to complete the entire work to the satisfaction of the Department of Docks, and in substantial accordance with the plans and specifications of the contract and the plans therein referred to. No extra compensation, beyond the amount payable for the work before mentioned, which shall be actually performed at the price therefor, to be specified by the lowest bidder, shall be due or payable for the entire work.

The bidder to whom the award is made shall be held to the security for the faithful performance of the contract, in the manner prescribed and required by ordinance, in the sum of four thousand dollars.

The work to be done under the contract is to be commenced within five days after the date of the contract, and all the work contracted for, except the planing and fastening of the vertical fenders and such portions of the sheathing and buffers at the outer end of the pier as may depend upon the placing of the new deck, and the fitting of the pier, and also excepting the sewer box, is to be fully completed on or before the fifth day of September, 1883; and all the work to be done under this contract, including all the work excepted above, is to be fully completed within two weeks after the date of a notification to the contractor under the contract, by the Engineer-in-Chief of the Department of Docks, that said deck and lugging logs to be placed by the lessors of the pier have been placed, and that the work may be proceeded with, and the damages to be paid by the contractor for each day that the contract may be unfulfilled after the time or times fixed for the fulfillment thereof has expired, are, by a clause in the contract, determined, fixed and liquidated at Fifty Dollars per day.

All the old material taken from the pier, to be removed under the contract, will be relinquished to the contractor, and bidders must estimate the value of such material when considering the price for which they will do the work under the contract.

Bidders will state in their estimates a price for the whole of the work to be done in conformity with the approved form of agreement and the specifications set forth, by which the price bids will be tested. This price is to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay, from any cause, in the performance of the work thereunder.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for doing this work. The person or persons to whom the contract may be awarded will be required to attend to the execution of the contract, and to execute the contract within five days from the date of the service of a notice to that effect; and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and as in default to the Corporation; and the contract will be re-advertised and re-let, and so on until it is accepted and executed.

Bidders are required to state in their estimates their names and places of residence, the names of all persons interested with them therein; and if no other person be so interested, the estimate shall distinctly state that fact; also that the estimate is made without collusion or fraud; and also that no other person, firm or corporation, or individual, or any other person making an estimate for the same work, and that it is in all respects fair and without collusion or fraud; and also that no member of the Common Council, head of a Department, Chief of a Bureau, Deputy thereof, or Clerk thereof, or any other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where the estimate is made and subscribed by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York any difference between the sum to which said person or persons would be entitled on its completion, and that which said Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount, in each case, to be calculated upon the estimated amount of the work to be done, by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above his liabilities as bail, surety and otherwise; and that he has offered himself as surety in good faith, and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered, will be subject to approval by the Corporation of the City of New York, after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Corporation, or money, to the amount of five per centum of the amount of security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-Box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk, and found to be correct. All such deposits, except that of the successful bidder, will be returned by the Comptroller to the persons making the same, within three days after the contract is awarded to the successful bidder; but if the successful bidder shall refuse or neglect, within five days after the contract is awarded to him, to execute the same, the amount of the deposit made by him

shall be forfeited to and retained by the City of New York, as liquidated damages for such refusal or neglect; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him by the Comptroller.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Engineer-in-Chief.

No estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as to any other obligation, upon any obligation to the Corporation.

The right to decline all the estimates is reserved, it deemed to be the interest of the Corporation of the City of New York.

Bidders are requested, in making their bids or estimates, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the work, can be obtained upon application therefor at the office of the Department.

Each estimate must contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and if no other person be so interested, it shall distinctly state that fact. That it is made without any collusion or fraud, and that no other person making an estimate for the same work, and that it is in all respects fair and without collusion or fraud; and also that no member of the Common Council, head of a Department, Chief of a Bureau, Deputy thereof, or Clerk thereof, or any other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the same, they will pay to the Corporation of the City of New York any difference between the sum to which said person or persons would be entitled on its completion, and that which said Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount, in each case, to be calculated upon the estimated amount of the work to be done, by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above his liabilities as bail, surety and otherwise; and that he has offered himself as surety in good faith, and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered, will be subject to approval by the Corporation of the City of New York, after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Corporation, or money, to the amount of five per centum of the amount of security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-Box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk, and found to be correct. All such deposits, except that of the successful bidder, will be returned by the Comptroller to the persons making the same, within three days after the contract is awarded to the successful bidder; but if the successful bidder shall refuse or neglect, within five days after the contract is awarded to him, to execute the same, the amount of the deposit made by him

holder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as surety in good faith, and with the intention to execute the bond required by law. The amount in which security will be required for the faithful performance of the contract is \$3,000.

Bidders must satisfy themselves by personal examination of the location of the proposed work, and the plans and drawings, and by such other means as they may prefer, as to the nature and extent of the work and shall not at any time after the submission of an estimate assert that there was any misunderstanding in regard to the nature or amount of work to be done.

Bidders will be required to complete the entire work to the satisfaction of the Department of Public Parks, and in substantial accordance with the specifications for the work and the plans thereon referred to. No extra compensation beyond the estimate and form of contract of the lowest bidder, shall be due and payable for the entire work.

The Department of Public Parks reserves the right to reject any or all the bids received in response to this advertisement if it should deem it for the interest of the city so to do, and to re-advertise until satisfactory bids or proposals shall be received. But the contract, when awarded will be awarded to the lowest bidder.

Blank forms for proposals and form of contract, which the successful bidder will be required to execute, can be had at the office of the Secretary, and the plans can be seen and informally explained at the office of the Superintendent of the Department of Public Parks.

##### PROPOSALS FOR ESTIMATES.

**SEALED ESTIMATES FOR MAKING ALTERA-**  
tions and repairs to the Eleventh Precinct Station-house on Houston street, in the City of New York, known as the "Union Market" building, will be received at the Central Office of the Department of Police, No. 100 Mulberry Street, in the City of New York, until 10 o'clock A. M., of Monday, the 28 day of July, 1883.

The person or persons making an estimate shall furnish the same in a sealed envelope, indorsed "Estimate for making alterations and repairs to the Eleventh Precinct Station-house," and with or without a deposit, and the date of presentation to the head of said Department at the said office, on or before the day and hour above named, at which time and place the estimate received will be publicly opened by the head of said department, and read.

For particulars of the nature and extent of the work to be done, reference must be made to the plans and specifications on file in the office of the Chief Clerk of the said Department.

Bidders will state in writing, and also in figures, a price for the work complete. The person or persons to whom the contract may be awarded, will be required to give security for the performance of the contract in the manner prescribed by law, in the sum of ten thousand dollars.

Each estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Common Council, head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or profits thereof. The estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the same is true and correct in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the persons so interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residences, to the effect that if the contract is awarded to the person making the estimate, they will, upon being so awarded, become bound as his sureties for his faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above-mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract and herein stated, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, and otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond re-

quired by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the contract has been awarded to him or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

No estimate will be received or considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be included in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-book, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of his deposit will be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

No estimate for a sum in excess of fourteen thousand dollars can be considered.

Plans may be examined and specifications and blank estimates may be obtained by application to the undersigned, at his office in the Central Department.

No estimate will be received or considered after the hour named.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the work shall present the same in a sealed envelope, to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

The Fire Department reserves the right to decline any and all bids or estimates if deemed to be for the public interest. No bid or estimate will be accepted from, or returned to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Common Council, head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the persons so interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residences, to the effect that if the contract is awarded to the person making the estimate, they will, upon being so awarded, become bound as his sureties for his faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above-mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York before the award is made, and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be included in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-book, and no estimate can be deposited in said box until such check or money has been examined by said officer or

clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of his deposit will be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Bidders will write out the amount of their estimate in addition to putting the same in figures.

The form of the agreement and specifications, and showing the manner of payment for the articles, may be seen and forms of proposals may be obtained at the office of the Department.

#### JURORS.

##### NOTICE

IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,  
NEW COUNTY COURT-HOUSE,  
NEW YORK, June 1, 1883.

**APPLICATIONS FOR EXEMPTIONS WILL BE**  
heard here, from 10 to 3 daily, from all persons who are liable or recently serve who have become exempt, and all needed information will be given.

Those who have not answered, as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable jurors, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment.

Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to jury notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

GEORGE CAULFIELD,  
Commissioner of Jurors,  
Room 17, New County Court-house
