INTERNATIONAL TRAVEL ADVISORY FOR MAYOR ERIC ADAMS

On Wednesday, November 30, New York City Mayor Eric Adams will travel to Athens, Greece, to participate in the 2022 Mayors Summit Against Antisemitism. The trip comes following a recent attack against the Jewish community thwarted by local, statewide, and federal law enforcement last weekend.

On Thursday, December 1, the mayor will travel to Doha, Qatar, where he will meet with a number of government officials, as well as security and economic development leaders. The trip is intended to learn more about the 2022 World Cup as New York City/New Jersey prepare to serve as a host city to the games in 2026.

The mayor will be back in New York City on Sunday, December 4.

More details on both trips will be forthcoming.
