1889. The person or persons making any bid or estimate  
shall furnish the same in a sealed envelope, indorsed  
"Bid or Estimate for Groceries, Dry Goods  
and Leather," with his or their name or names, and the  
date of presentation, to the head of said Depart-  
ment, at the said office, on or before the day and  
hour above named, at which time and place the  
bids or estimates received will be publicly opened by  
the President of said Department and read.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION  
RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTI-  
MATES IF DEEMED TO BE FOR THE PUBLIC INTEREST,  
AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF  
1882.

No bid or estimate will be accepted from, or contract  
awarded to, any person who is in arrears to the Cor-  
poration upon debt or contract, or who is a defaulter,  
as surety or otherwise, upon any obligation to the Cor-  
poration.

The award of the contract will be made as soon as  
practicable after the opening of the bids.

Delivery will be required to be made from time to  
time, and in such quantities as may be directed by the  
said Commissioners.

Any bidder for this contract must be known to be en-  
gaged in and well prepared for the business, and must  
have satisfactory testimonials to that effect; and the  
person or persons to whom the contract may be awarded  
will be required to give security for the performance of  
the contract by his or their bond, with two sufficient  
sureties, in the penal amount of fifty (50) per cent.  
of the ESTIMATED amount of the contract.

Each bid or estimate shall contain and state the name  
and place of residence of each of the persons making the  
same; the names of all persons interested with him or  
them therein; and if no other person be so interested,  
it shall distinctly state that fact; also that it is made  
without any connection with any other person making  
an estimate for the same purpose, and is in all respects  
fair and without collusion or fraud; and that no member  
of the Common Council, Head of a Department, Chief  
of a Bureau, Deputy thereof, or Clerk therein, or other  
officer of the Corporation, is directly or indirectly in-  
terested therein, or in the supplies or work to which it  
relates, or in any portion of the profits thereof. The bid  
or estimate must be verified by the oath, in writing, of  
the party or parties making the estimate, that the several  
matters stated therein are in all respects true. Where  
more than one person is interested, it is requisite that  
the VERIFICATION be made and subscribed by all the  
parties interested.

Each bid or estimate shall be accompanied by the con-  
sent, in writing, of two householders or freeholders in  
the City of New York, with their respective places of  
business or residence, to the effect that if the contract  
be awarded to the person making the estimate, they will,  
on its being so awarded, become bound as his sureties  
for its faithful performance; and that if he shall omit  
or refuse to execute the same, they will pay to the Cor-  
poration any difference between the sum to which he  
would be entitled on its completion and that which the  
Corporation may be obliged to pay to the person or  
persons to whom the contract may be awarded at any  
subsequent letting; and the amount in each case to be  
calculated upon the estimated amount of the work by  
which the bids are tested. The consent above men-  
tioned shall be accompanied by the oath or affirmation,  
in writing, of each of the persons signing the same that  
he is a householder or freeholder in the City of New  
York, and is worth the amount of the security required  
for the completion of this contract, over and above all  
his liabilities as bail, surety or otherwise; and that he has  
offered himself as a surety in good faith and with the  
intention to execute the bond required by section 12 of  
chapter 7 of the Revised Ordinances of the City of New  
York, if the contract shall be awarded to the per-  
son or persons for whom he consents to become surety.  
The adequacy and sufficiency of this security shall, in  
addition to the justification and acknowledgment, be  
approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accom-  
panied by either a certified check upon one of the  
State or National banks of the City of New York,  
drawn to the order of the Comptroller, or money, to the  
amount of five per centum of the amount of the security  
required for the faithful performance of the contract.  
Such check or money must not be inclosed in the sealed  
envelope containing the estimate, but must be handed to  
the officer or clerk of the Department who has charge of  
the estimate-box, and no estimate can be deposited in

said box until such check or money has been examined by  
said officer or clerk and found to be correct. All such  
deposits, except that of the successful bidder, will be re-  
turned to the persons making the same within three days  
after the contract is awarded. If the successful bidder  
shall refuse or neglect, within five days after notice that  
the contract has been awarded to him, to execute the  
same, the amount of the deposit made by him shall be  
forfeited to and retained by the City of New York, as  
liquidated damages for such neglect or refusal; but if  
he shall execute the contract within the time aforesaid,  
the amount of his deposit will be returned to him.

Should the person or persons to whom the contract  
may be awarded neglect or refuse to accept the contract  
within five days after written notice that the same has  
been awarded to his or their bid or proposal, or if he or  
they accept, but do not execute, the contract and pro-  
vide such proper security as has been heretofore stated  
to be requisite, he or they shall be considered as  
having abandoned it, and as in default to the Cor-  
poration; and the contract will be readvertised and relet  
as provided by law.

Bidders will write out the amount of their estimates in  
addition to inserting the same in figures.

Payment will be made by a requisition on the Com-  
ptroller, in accordance with the terms of the contract, or  
from time to time, as the Commissioners may determine.

The form of the contract, including specifications, and  
showing the manner of payment, will be furnished at  
the office of the Department; and bidders are cautioned  
to examine each and all of its provisions carefully, as  
the Board of Public Charities and Correction will insist  
upon its absolute enforcement in every particu-  
lar.

Dated New York, September 9, 1889.

CHARLES E. SIMMONS, M. D., Commissioner,  
EDWARD C. SHEEHY, Commissioner,  
Public Charities and Correction.

his liabilities as bail, surety or otherwise; and that he has  
offered himself as a surety in good faith and with the  
intention to execute the bond required by section 12 of  
chapter 7 of the Revised Ordinances of the City of New  
York, if the contract shall be awarded to the per-  
son or persons for whom he consents to become surety.  
The adequacy and sufficiency of this security shall, in  
addition to the justification and acknowledgment, be  
approved by the Comptroller of the City of New York.

No bid or estimate will be received or considered  
unless accompanied by either a certified check upon one  
of the State or National banks of the City of New  
York, drawn to the order of the Comptroller, or money,  
to the amount of five per centum of the amount of the  
security required for the faithful performance of the  
contract. Such check or money must not be inclosed in  
the sealed envelope containing the estimate, but must be  
handed to the officer or clerk of the Department who has  
charge of the estimate-box, and no estimate can be de-  
posited in said box until such check or money has been  
examined by said officer or clerk and found to be correct.  
All such deposits, except that of the successful bidder,  
will be returned to the persons making the same within  
three days after the contract is awarded. If the success-  
ful bidder shall refuse or neglect, within five days after  
notice that the contract has been awarded to him, to  
execute the same, the amount of the deposit made by  
him shall be forfeited to and retained by the City of  
New York, as liquidated damages for such neglect or  
refusal; but if he shall execute the contract within the  
time aforesaid, the amount of his deposit will be re-  
turned to him.

Should the person or persons to whom the contract  
may be awarded neglect or refuse to accept the contract  
within five days after written notice that the same has  
been awarded to his or their bid or proposal, or if he or  
they accept, but do not execute, the contract and pro-  
vide such proper security as has been heretofore stated  
to be requisite, he or they shall be considered as  
having abandoned it, and as in default to the Cor-  
poration; and the contract will be readvertised and relet  
as provided by law.

Bidders will write out the amount of their estimates in  
addition to inserting the same in figures.

Payment will be made by a requisition on the Com-  
ptroller, in accordance with the terms of the contract, or  
from time to time, as the Commissioners may determine.

The form of the contract, including specifications, and  
showing the manner of payment, will be furnished at  
the office of the Department; and bidders are cautioned  
to examine each and all of its provisions carefully, as  
the Board of Public Charities and Correction will insist  
upon its absolute enforcement in every particular.

poration upon debt or contract, or who is a defaulter,  
as surety or otherwise, upon any obligation to the Cor-  
poration.

gaged in and well prepared for the business, and must  
have satisfactory testimonials to that effect; and the

without any connection with any other person making  
an estimate for the same purpose, and is in all respects

on its being so awarded, become bound as his sureties  
for its faithful performance; and that if he shall omit  
or refuse to execute the same, they shall pay to the Cor-  
poration any difference between the sum to which he  
would be entitled on its completion and that which the  
Corporation may be obliged to pay to the person or  
persons to whom the contract may be awarded at any  
subsequent letting; and the amount in each case to be

tion to the justification and acknowledgment, be approved  
by the Comptroller of the City of New York.

unless accompanied by either a certified check upon one  
of the State or National banks of the City of New York,  
drawn to the order of the Comptroller, or money, to the  
amount of five per centum of the amount of the security  
required for the faithful performance of the contract.  
Such check or money must not be inclosed in the sealed

deposits, except that of the successful bidder, will be  
returned to the persons making the same, within three  
days after the contract is awarded. If the successful  
bidder shall refuse or neglect, within five days after  
notice that the contract has been awarded to him, to  
execute the same, the amount of the deposit made by  
him shall be forfeited to and retained by the City of New  
York, as liquidated damages for such neglect or refusal;  
but if he shall execute the contract within the time aforesaid,  
the amount of his deposit will be returned to him.

Should the person or persons to whom the contract  
may be awarded neglect or refuse to accept the contract  
within five days after written notice that the same has  
been awarded to his or their bid or proposal, or if he or  
they accept, but do not execute the contract and provide  
such proper security as has been heretofore stated to be  
requisite, he or they shall be considered as having  
abandoned it and as in default to the Corporation, and  
the contract will be readvertised and relet as provided  
by law.

Bidders will write out the amount of their estimate in  
addition to inserting the same in figures.

Payment will be made by a requisition on the Com-

1. Bidders must satisfy themselves, by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the accuracy of the foregoing Engineer's estimate, and shall not, at any time after the submission of an estimate, dispute or complain of the above statement of quantities, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

2. Bidders will be required to complete the entire work to the satisfaction of the Department of Docks, and in substantial accordance with the specifications of the contract and the plans therein referred to. No extra compensation, beyond the amount payable for the work before mentioned, which shall be actually performed, at the price therefore, to be specified by the lowest bidder, shall be due or payable for the entire work.

The work to be done under the contract is to be commenced within five days after the date of the contract, and all the work to be done under this contract is to be fully completed on or before the second day of December, 1889, and the damages to be paid by the Contractor for each day that the contract may be unfulfilled after the time fixed for the fulfillment thereof has expired, are, by a clause in the contract fixed and liquidated at Fifty Dollars per day.

Bidders will state in their estimates a price for the whole of the work to be done, in conformity with the approved form of agreement and the specifications therein set forth, by which price the bids will be tested. This price is to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay, from any cause, in the performing of the work thereunder.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for doing this work.

The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect; and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and as in default to the Corporation; and the contract will be readvertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their estimates their names and places of residence; the names of all persons interested with them therein; and if no other person be so interested, the estimate shall distinctly state the fact; also, that the estimate is made without any connection with any other person making an estimate for the same work, and that it is in all respects fair, and without collusion or fraud; and also, that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. *Where more than one person is interested, it is requisite that the verification be made and subscribed to by all the parties interested.*

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, upon its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York any difference between the sum to which said person or persons would be entitled upon its completion, and that which said Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work to be done by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National Banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be included in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box; and no estimate can be deposited in said box until such check or money has been examined by said officer and clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Engineer-in-Chief.

No estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The right to decline all the estimates is reserved, if deemed for the interest of the Corporation of the City of New York.

Bidders are requested, in making their bids or estimates, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the work, can be obtained upon application therefor at the office of the Department.

## HEALTH DEPARTMENT.

HEALTH DEPARTMENT OF THE CITY OF NEW YORK,  
No. 301 MOTT STREET,  
NEW YORK, September 13, 1889.

### PROPOSALS FOR ESTIMATES FOR TWO HORIZONTAL TUBULAR BOILERS FOR NORTH BROTHER ISLAND.

PROPOSALS FOR ESTIMATES FOR THE City and County of New York will be received by the Commissioners of the Health Department, at their Office, No. 301 Mott street, until 2.30 o'clock P. M. of the 1st day of October, 1889, at which time and place they will be publicly opened and read by said Commissioners.

Any person making an estimate of the above work shall furnish the same in a sealed envelope to the head of said Health Department, indorsed, "Estimate for two horizontal tubular boilers for North Brother Island, for the City and County of New York," and also with the name of the person or persons presenting the same and the date of its presentation.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal sum of \$2,000.

Bidders are required to submit their estimates upon the following express conditions, which shall apply to and become a part of every estimate received:

1st. Bidders must satisfy themselves, by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the accuracy of the estimate, and shall not, at any time after the submission of an estimate, dispute or complain of the statement of quantities, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

2d. Bidders will be required to complete the entire work to the satisfaction of the Health Department, and in substantial accordance with the specifications of the contract and the plans therein referred to. No extra compensation beyond the amount payable for the work before mentioned, which shall be actually performed, at the prices therefor to be specified by the lowest bidder, shall be due or payable for the entire work.

Bidders will state in their estimates a price for the whole of the work to be done, in conformity with the approved form of contract and the specifications therein set forth, by which price the bids will be tested. This price is to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay, from any cause, in performing of the work thereunder.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for doing this work.

The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect; and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and as in default to the Corporation; and the contract will be readvertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their estimate their names and places of residence; the names of all persons interested with them therein; and if no other person be so interested, the estimate shall distinctly state the fact; also that the estimate is made without any connection with any other person in making an estimate for the same work, and that it is in all respects fair and without collusion or fraud; and also that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. *Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.*

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York any difference between the sum to which said person or persons would be entitled on its completion, and that which said Corporation or the Health Department may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work to be done by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, and stated in the proposals, over and above all his debts of every nature, and over and above his liabilities and as bail, surety and otherwise; and that he has offered himself as surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York, after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of security required for the faithful performance of the contract. Such check or money must not be included in the sealed envelope containing the estimate, but must be handed to the clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned by the Comptroller to the person making the same, within three days after the con-

tract is awarded.
