## BOARD OF CITY RECORD.

MAYOR'S OFFICE, CITY HALL, NEW YORK, November 19, 1891.

The Hons. John H. V. Arnold, Acting Mayor; William H. Clark, Counsel to the Corporation, and Thomas F. Gilroy, Commissioner of Public Works, the officers designated by section 66 of the New York City Consolidation Act, met this day.

The minutes of the meeting of November 6 were read and approved.

The following report was presented by the Supervisor of the City Record:

OFFICE OF THE CITY RECORD, No. 2 CITY HALL, NEW YORK, November 16, 1891.

To the Hon, the Mayor, Counsel to the Corporation and Commissioner of Public Works:

GENTLEMEN—At your meeting on the 6th instant you referred to me to be considered and reported on a communication from Mr. Martin B. Brown, offering to print and distribute the CITY RECORD during 1892 on the terms on which he is now doing the work. Mr. Brown pointed out the fact that he has done the work for sixteen years; that only three or four times have bids for it been

called for, and that only once has a competitor appeared against him.

It seemed to me proper to ascertain what the best-known printers of this city thought of the prices of Mr. Brown's present contract, as a means to determine your action on his proposal to continue the work next year on the same terms. I, therefore, sent the following letter to Messrs. Theo. L. De Vinne, Joseph J. Little, Douglas Taylor, John Polhemus, Willis McDonald & Co., Russell Brothers and Thomas J. Dwyer, the Examiner of Printing and Stationery Claims in the Finance Department:

OFFICE OF THE CITY RECORD, No. 2 CITY HALL, NEW YORK, November 7, 1891.

SIR—Since the present Mayor, Counsel to the Corporation and Commissioner of Public Works have been in charge of the affairs of this office, it has been their purpose to have work done as far as possible under contract. They have, therefore, annually advertised for bids for printing and distributing the CITY RECORD, the City's daily official journal. No other bidder than Martin B. Brown has appeared.

Brown has appeared.

Mr. Brown has done the work since 1875, most of the time under special agreements. In 1882 bids were called for, and he underbid his only competitor. He has made a proposition to continue to do the work during 1892 on the basis of the contract for the present year, and it has been referred to me for consideration. It has occurred to me to ask you, as an experienced printer and a good citizen, to advise me whether the prices of the present contract are fair, and, from your knowledge of the capabilities of the printing houses of New York, whether there is a likelihood that if the Mayor and his associates, rejecting Mr. Brown's proposition, advertise for bids, other bidders will appear with prices more advantageous to the City.

Hoping for a speedy reply, I am

Yours, respectfully,

Yours, respectfully, W. J. K. KENNY, Supervisor City Record.

WILLIAM J. K. KENNY, Esq., Supervisor City Record:

DEAR SIR—Replying to your communication of the 7th instant, regarding prices for printing, etc., the CITY RECORD, I beg to say that I have carefully considered the schedule of prices as set forth in that communication and consider them somewhat below the average prices paid by private

Of course I do not know what offers you might receive if you advertise, but do not think there is a responsible printing firm in this city that would undertake the work for prices less than those you enumerate; certainly my firm would not accept the contract at the prices and the conditions therein stipulated.

Yours truly, JOSEPH J. LITTLE.

WILLIS McDonald & Co., PRINTERS, Nos. 39 to 43 GOLD STREET, New York, November 9, 1891.

Mr. WM. J. K. KENNY, Supervisor City Record:

DEAR SIR—In reply to your request of the 7th instant we would say, after due consideration, we regard the offer of Mr. M. B. Brown most advantageous to the City; his prices, as per schedule annexed to your communication, we regard as very reasonable, and in view of our experience in the printing business we do not hesitate in making the assertion that under no circumstances would we that other printers would look at this matter just as we do.

Yours truly,

WILLIS McDONALD & CO.

JOHN POLHEMUS PRINTING COMPANY, Printing, Stationery, Law Blanks, No. 102 Nassau Street, New York, November 13, 1891.

WM. J. K. KENNY, Esq., Supervisor City Record:

DEAR SIR—Referring to your communication of November 7, 1891, in reference to the printing and distribution of the CITY RECORD, I would say: The prices paid for the work are in my opinion reasonable and considerably less than ordinarily charged for such a publication.

To produce the paper under the conditions stated would require an extensive plant such as Mr. Brown, I believe, alone controls, and I think it to the City's interest to advise the continuance of the

Brown, I believe, alone controls, and I think it to the City's interest to act work at the present prices, which no reputable printer will underbid.

Respectfully yours,

JOHN POLHEMUS.

Douglas Taylor's New and Improved Printing Office, No. 8 Warren Street, NEW YORK, November 7, 1891.

Hon. W. J. K. KENNY, Supervisor, etc.:

I am of the opinion that the prices charged by Mr. Brown are as moderate and reasonable as the work can possibly be done, and that even if any other printer possessed the large plant required for the prompt production of the work, he would be unable to make anything out of it, owing to the clause which prevents extra or double payment for the very considerable night and holiday work necessary. In fact, the possession of the necessary plant and facilities, aided by experience, give Mr. Brown a great advantage over any other contracting printer, and the City secures the same advantage in the necessary promptness.

Very respectfully, DOUGLAS TAYLOR.

THEO. L. DE VINNE & Co., PRINTERS, No. 12 LAFAYETTE PLACE, NEW YORK, November 11, 1891.

WM. J. K. KENNY, Esq., Supervisor City Record :

WM. J. K. Kenny, Esq., Supervisor City Record:

Dear Sir—I thank you for the compliment implied in your request of 7th instant. The estimates you ask me to revise are for a kind of printing that is outside of our regular practice. The City Record necessarily requires very large fonts of type, and I know that a great deal of work has to be done nights and often on Sundays and holidays. These requirements compel a peculiar and indeed a separate organization of labor which cannot be successfully combined with the regular organization of an office fitted to do book and job work in the regular hours of daylight. I have, therefore, in appraising this work to consider these three factors: unusually large fonts of type, separate and peculiar organization for work that has to be done both by night and day.

The price of paper per ream is necessarily variable, and it is not easy to nicely determine the value of the paper. I should rate the value of this paper at about 8½ cents a pound.

The composition of straight matter per 1,000 ems we charge at 75 cents; for all work done at night or on holidays. \$1 to \$1.50.

The composition of straight matter per 1,000 ems we charge at 75 cents; for an work done at night or on holidays, \$1 to \$1.50.

Composition of table-work we divide into two classes: the simpler form we do at \$1.25, and the more difficult form at \$1.50 per 1,000 ems; alterations per hour are from 50 cents to 75 cents, with an advance of one-third for work done by night, double price if done on holidays.

Presswork per token of 250 copies, \$1; if done by night, \$1.50 to \$2.

Standing matter, when used within ten days, per 1,000 ems, 15 cents; standing matter for every day over ten days, 10 cents; composition on the Registry of Voters I should not attempt to do at all, under any circumstances. I should think the price of \$1.50 per 1,000 ems would be very low.

My method of making distinction between night and day work differs from yours, but I do not see how I could be just without making this distinction. It is enough to say that I would not undertake the work at Mr. Brown's prices. I have a fair knowledge of the capabilities of the printing houses of New York. I do not know of any one that has the material and organization that is needed for this work, and I do not see that there is profit enough in these prices to tempt any experienced and reputable printer to make the experiment.

Yours, very respectfully,

THEO. L. DE VINNE.

CITY OF NEW YORK-FINANCE DEPARTMENT, ) COMPTROLLER'S OFFICE. November 19, 1891.

WM. J. K. KENNY, Esq., Supervisor City Record:

SIR—I transmit herewith the report of Examiner Dwyer of this Department upon your communication to him of the 7th inst., in reference to the proposition of Martin B. Brown to continue the work of printing and distributing the CITY RECORD for 1892 on the basis of the contract for the

Respectfully, THEO. W. MYERS, Comptroller.

CITY OF NEW YORK-FINANCE DEPARTMENT, COMPTROLLER'S OFFICE, NEW YORK, November 11, 1891.

WILLIAM J. LYON, Esq., Auditor:

DEAR SIR-In answer to the enclosed letter received from the Supervisor of the City DEAR SIR—In answer to the enclosed letter received from the Supervisor of the City Record, I would say that as requested I have carefully examined the contract for printing the CITY RECORD and beg to state that in my opinion no responsible printer that I know of, other than the present contractor, would do the work at a lower or as low a price as is now being paid for it. The prices for composition of plain and table matter are lower than the usual prices for such work, and the clause forbidding extra charges for night or holiday work makes it even more advantageous to the City. In my opinion, the contract could be renewed at the present terms with advantage to the City. In order for an establishment to do this work properly it requires a large plant. Under sections 4 and 6 the Supervisor has the right to keep so much matter standing, which in itself is an expense which is not fully paid for at the rate allowed. The item compelling the publication in supplements to the CITY RECORD within eighty-four hours after the close of registration of the names of registered voters classified cannot at the prices paid for it be very profitable.

Yours respectfully,

Yours respectfully, THOMAS DWYER, Examiner of Claims.

It does not seem necessary for me to comment on these letters.

I can only say that the work of printing and distributing the CITY RECORD is now done with that skill which comes from long experience; that this experience is not only of benefit to Mr. Brown but also to the City; and that most printers known to me agree that the official journal of New York is rarely excelled in newspaper typography.

Respectfully submitted, W. J. K. KENNY, Supervisor City Record.

The Counsel to the Corporation said it did not appear that the Supervisor had made any recommendation; and the latter answered that he had supposed he was only expected to report facts for the information of his superiors, but if he were required to express an opinion, he would add to his report a recommendation, based upon the letters he had embodied in it, that the proposition of Mr. Brown be accepted.

The Commissioner of Public Works said he would vote for the acceptance of the proposition, because of the statements contained in the letters quoted in the report, and also because he knew that Mayor Grant was of the opinion that it would be advantageous to the City to accept it.

[Mayor Grant interrupted the reading of these minutes at the meeting held on December 11, to say that the statement made by Commissioner Gilroy was correct.

"It was my opinion, before I started for Europe," said the Mayor, "that it would be to the advantage of the City to make an agreement with Martin B. Brown to print and distribute the CITY RECORD during the year 1892 on the terms of his present contract. We had tried for two years (1889 and 1890), by publicly advertising, to get other bidders for the work, but none appeared, and it seemed to me that, as our experience had proved similar to that of our predecessors, it was proper to follow the course adopted by them. My opinion was made known by me to Supervisor Kenny before Mr. Brown made his proposition publicly at the meeting of November 6, and it was expressed by me at that meeting. I am the more convinced of the correctness of my view by the letters from printers and the Examiner of Printing in the Finance Department, which I have just heard read. I approve of the action taken by my colleagues and by Supervisor Kenny."

Corporation Counsel Clark moved that the statement of His Honor the Mayor be inserted into these minutes. The motion was adopted.]

The Commissioner of Public Works moved the following resolution:

Resolved, That the report of the Supervisor of the City Record on the proposition of Martin B. Brown to print and distribute the CITY RECORD during the year 1892, on the terms of his con-

tract for the current year be, and it is approved and accepted.

Resolved, That it be, and is hereby, ordered that the CITY RECORD be printed for the year 1892 without contract let after advertisement for bids or proposals.

Which were adopted by the concurrent vote of the Mayor, Counsel to the Corporation, and the Commissioner of Public Works.

The Counsel to the Corporation offered the following :

Resolved, That we deem it to be for the best interests of the City that the CITY RECORD for the year 1892 should be printed and distributed by Martin B. Brown, in the manner and on the terms and conditions set forth in his offer dated November 5, 1891. The Supervisor of the City Record is hereby directed to have prepared for execution the necessary agreement to carry these resolutions into full effect.

Which was adopted by the concurrent vote of the Mayor, Counsel to the Corporation and Commissioner of Public Works.

The Supervisor informed the Board that he had received the requisitions of nearly all the departments for stationery, printed matter, etc., needed by them during the year 1892, and he asked to be authorized to prepare and have printed the necessary contract specifications, and also to procure by direct orders the articles needed by the departments at the opening of the year.

The Commissioner of Public Works moved that the Supervisor be given the authority, and the motion was adopted by a concurrent vote of the three officers.

The following requisitions were acted on, as the side-notes indicate, the Supervisor being authorized, by a concurrent vote of the three officers, to procure the articles by direct order, that course being decided to be for the best interests of the city:

That no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested in the estimate or in the work to which it relates or in the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion, and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount to be calculated upon the estimated amount of the work by which the bids are tested.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security

No estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of the deposit will be returned to him.
