 timate shall furnish the same in a sealed envelope, indorsed  
 "Bid or Estimate for Groceries, Dry Goods, Leather,  
 Lumber, etc.," and with his or their name or names, and

 at the said office, on or before the day and hour above  
 named, at which time and place the bids or estimates re-  
 ceived will be publicly opened by the head of said De-  
 partment and read.

The Department of Public Charities and Correction re-  
 serves the right to decline any and all bids or estimates if  
 deemed to be for the public interest, and to accept any  
 bid or estimate as a whole, or for any one or more articles  
 included therein. No bid or estimate will be accepted  
 from, or a contract awarded to, any person who is in arrears  
 to the Corporation upon debt or contract, or who is a  
 defaulter, as surety or otherwise, upon any obligation to  
 the Corporation.

The award of the contract will be made as soon as  
 practicable after the opening of the bids.

Delivery will be required to be made from time to time,  
 at such times and in such quantities as may be directed by  
 the said Department.  
 Any bidder for this contract must be known to be en-  
 gaged in and well prepared for the business, and must  
 have satisfactory testimonials to that effect; and the  
 person or persons to whom the contract may be awarded  
 will be required to give security for the performance of  
 the contract by his or their bond, with two sufficient sur-

 timated amount of the contract.

Each bid or estimate shall contain and state the name  
 and place of residence of each of the persons making the  
 same; the names of all persons interested with him or them  
 therein; and if no other person be so interested, it shall  
 distinctly state that fact; that it is made without any  
 connection with any other person making an estimate for  
 the same purpose, and is in all respects fair and without  
 collusion or fraud; and that no member of the Common  
 Council, head of a Department, Chief of a Bureau,  
 Deputy thereof or Clerk therein, or other officer of the  
 Corporation, is directly or indirectly interested therein, or  
 in the supplies or work to which it relates, or in any por-  
 tion of the profits thereof. The bid or estimate must be  
 verified by the oath in writing, of the party or parties  
 making the estimate, that the several matters stated there-  
 in are in all respects true. Where more than one person  
 is interested, it is requisite that the verification be made  
 and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the con-  
 sent, in writing, of two householders or freeholders in the  
 City of New York, with their respective places of busi-  
 ness or residence, to the effect that if the contract be  
 awarded to the person making the estimate, they will, on  
 its being so awarded, become bound as his sureties for its  
 faithful performance; and that if he shall omit or refuse to  
 execute the same, they shall pay to the Corporation any  
 difference between the sum to which he would be entitled  
 on its completion, and that which the Corporation may be  
 obliged to pay to the person or persons to whom the contract  
 may be awarded at any subsequent letting; the amount in  
 each case to be calculated upon the estimated amount of  
 the work by which the bids are tested. The consent  
 above mentioned shall be accompanied by the oath or  
 affirmation, in writing, of each of the persons signing the  
 same, that he is a householder or freeholder in the City  
 of New York, and is worth the amount of the security re-  
 quired for the completion of this contract over and above  
 all his debts of every nature, and over and above his li-  
 abilities, as bail, surety, or otherwise; and that he has  
 offered himself as a surety in good faith and with the inten-  
 tion to execute the bond required by section 27 of chapter  
 8 of the Revised Ordinances of the City of New York, if  
 the contract shall be awarded to the person or persons for  
 whom he consents to become surety. The adequacy and  
 sufficiency of the security offered to be approved by  
 the Comptroller of the City of New York.

No bid or estimate will be considered unless accom-  
 panied by either a certified check upon one of the  
 national banks of the City of New York, drawn to the  
 order of the Comptroller, or money to the amount of five  
 per centum of the amount of the security required for the  
 faithful performance of the contract. Such check or money  
 must not be inclosed in the sealed envelope containing the  
 estimate, but must be handed to the officer or clerk of the  
 Department who has charge of the Estimate-box, and no  
 estimate can be deposited in said box until such check or  
 money has been examined by said officer or clerk and  
 found to be correct. All such deposits, except that of  
 the successful bidder, will be returned to the persons  
 making the same within three days after the contract is  
 awarded. If the successful bidder shall refuse or neglect,  
 within five days after notice that the contract has been  
 awarded to him to execute the same, the amount of the  
 deposit made by him shall be forfeited to and retained by  
 the City of New York as liquidated damages for such  
 neglect or refusal; but, if he shall execute the contract  
 within the time aforesaid, the amount of his deposit will  
 be returned to him.

Should the person or persons to whom the contract may  
 be awarded neglect or refuse to accept the contract within  
 five days after written notice that the same has been  
 awarded to his or their bid or proposal, or if he or they  
 accept but do not execute the contract and give the  
 proper security, he or they shall be considered as having  
 abandoned it and as in default to the Corporation, and the  
 contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and  
 merchandise must conform in every respect to the samples  
 of the same respectively at the office of the said Depart-  
 ment. Bidders are cautioned to examine the specifica-  
 tions for particulars of the articles, etc., required, before  
 making their estimates.

Bidders will state the prices for each article, by which  
 the bids will be tested.

Bidders will write out the amount of their estimate, in  
 addition to inserting the same in figures.

Payment will be made by a requisition on the Com-  
 ptroller, issued on the completion of the contract, or from  
 time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the spec-  
 ifications will be allowed, unless under the written  
 instruction of the Commissioners of Public Charities and  
 Correction.

The Department of Public Charities and Correction  
 reserves the right to decline any and all bids or estimates  
 if deemed to be for the public interest, and to accept any  
 bid or estimate as a whole, or for any one or more  
 articles included therein. No bid or estimate will be  
 accepted from, or contract awarded to, any person who is  
 in arrears to the Corporation upon debt or contract, or  
 who is a defaulter, as surety or otherwise, upon any  
 obligation to the Corporation.

The form of the agreement, including specifications,  
 and showing the manner of payment, can be obtained at

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated

amount of the work by which the bids are tested. The consent above-mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate Box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk, and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. OFFICE OF THE COMMISSIONER OF JURORS,  
NEW COUNTY COURT-HOUSE,  
NEW YORK, Sept. 15, 1881.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 10 to 3 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.
