SEALED BIDS WILL BE RECEIVED BY the Commissioner of Street Cleaning, at Room 1244, Municipal Building, Manhattan, until 12 noon, on

TUESDAY, AUGUST 6, 1918,

FOR A CONTRACT TO COMPLETE THE "CONTRACT, PURSUANT TO SECTION 544 OF THE GREATER NEW YORK CHARTER, FOR THE FINAL DISPOSITION OF THE ASHES, STREET SWEEPINGS AND RUBBISH THAT MAY BE COLLECTED IN THE BOROUGH OF MANHATTAN AND THE BOROUGH OF THE BRONX, WHETHER BY THE CARTS OF THE DEPARTMENT OF STREET CLEANING OR BY OTHER CARS AUTHORIZED TO COLLECT THE SAME AND HOLDING PERMITS FROM THE SAID DEPARTMENT TO DEPOSIT THE MATERIALS AT THE DEPARTMENT DUMPS; THE ASHES FROM THE DOCKS OF BLACKWELLS AND RANDALLS ISLANDS; AND THE ASHES AND RUBBISH FROM STEAM TUGS OR OTHER VESSELS IN THE HARBOR, LOCATED AT SUCH POINTS AS THE SUPERVISOR OF THE HARBOR MAY DIRECT, AS PROVIDED IN SECTION 881 OF THE CHARTER, FOR A PERIOD OF THREE YEARS COMMENCING JAN. 2, 1914, WITH THE RIGHT TO THE CITY OF NEW YORK TO RENEW THE CONTRACT FOR ANOTHER PERIOD OF TWO YEARS ON THE SAME TERMS AND CONDITIONS, EXCEPTING THE PRIVILEGE FOR RENEWAL," WHICH SAID CONTRACT WAS HERETOFORE AWARDED TO JOHN D. DAILEY AND DEWITT C. IVINS, COMPOSING THE FIRM OF DAILEY & IVINS, AND RENEWED FOR THE TWO YEAR PERIOD.

The period of the work to be performed under this contract will be from Aug. 15, 1918, to Jan. 1, 1919.

The compensation to be paid to the contractor, which shall be in full for all the work performed, will be as follows for the various items.

For the removal and final disposition of ashes and street sweepings, at a price or sum per ash cartload (a) or in like proportion.

For the removal and final disposition of rubbish at a price or sum per paper and rubbish cartload (c) or in like proportion.

For the loading, removal and final disposition of the ashes from Blackwells and Randall's Islands, at a price or sum for the period from Aug. 15, 1918, to Jan. 1, 1919.

For the removal and final disposition of the ashes and rubbish from steam tugs and other vessels in the harbor, at a price or sum for the period from Aug. 15, 1918, to Jan. 1, 1919. These prices must be written in full and also be given in figures, and all the materials that are more or less than the quantity as estimated in the "Information to Bidders" shall be received and properly disposed of by the contractor without any extra or other compensation than the said prices, which said prices shall cover all and every cost of transportation and final disposition, however incurred, from the time that the materials are delivered to the contractor.

In the comparison to ascertain the lowest bid, the following method will be used: Multiply the price or sum bid per cartload for ashes and street sweepings by the total cartloads as shown in the table for the period from Aug. 15 to Dec. 31, 1917, in the "Information to Bidders"; multiply the price or sum bid per cartload for rubbish by the total of cartloads, as shown in the said table, during the same period; to the sums of these two items add the prices or sums bid for the period from Aug. 15, 1918, to Jan. 1, 1919, for the ashes from Blackwells and Randall's Islands and for the ashes and rubbish from steam tugs and other vessels in the harbor.

Each bid or estimate must be accompanied by certified check on a solvent banking corporation in The City of New York, payable to the order of the Comptroller of The City of New York, for five (5) per centum of the estimated amount for which the work bid for is proposed to be performed during the period from Aug. 15, 1918, to Jan. 1, 1919, as computed by the method above shown, to ascertain the lowest bid. This check must not be enclosed, but must be handed in separately from the bid.

The Commissioner of Street Cleaning reserves the right to select from the bids or estimates that bid or estimate the acceptance of which will, in his judgment, best secure the efficient performance of the work, or he may reject any or all of said bids or estimates.

A special deposit of Ten Thousand Dollars (\$10,000) in cash will be required to be made to the Comptroller of The City of New York on or before the signing, sealing and delivery of the contract; this amount, or the unexpended portion thereof, to be returned to the contractor at the completion of the contract or other termination thereof.

The amount of security required is Two Hundred Thousand Dollars (\$200,000).

NOTICE TO BIDDERS AT SALES OF OLD BUILDINGS, ETC.

TERMS AND CONDITIONS UNDER WHICH BUILDINGS, ETC., WILL BE SOLD FOR REMOVAL FROM CITY PROPERTY.

THE BUILDINGS AND APPURTENANCES thereto will be sold to the highest bidder, who must pay cash or certified check, drawn to the order of the Comptroller of The City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of \$50, the sum of \$50 will be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but not finished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal, nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occupancy of any such building by any tenant, free, for rent or otherwise, excepting the necessary watchman or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The said delivery to purchaser will be made as nearly together as the circumstances of vacating the structures of their tenants will permit.

All the material of buildings, sheds, walks, structures and cellars of whatsoever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the exterior walls of the buildings and their foundations, and the sidewalks and curb in front of said buildings, extending within the described area, shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from the demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point. The exterior walls and their foundations shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building. Where there is no curb the elevation of the surrounding ground shall be considered curb level. All wells, cesspools, sinks, etc., existing on the property must be filled to the level of the surrounding ground with clean earth.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all house sewer connections to the main sewer in the street, and the openings of the main sewer in street shall be properly closed in compliance with the directions of the Bureau of Sewers in the Borough in which the buildings are situated, and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed.

The permit for all openings in the street to be obtained by and at the expense of the purchaser of the building.

Failure to remove said buildings, appurtenances, or any part thereof, within thirty days from the day of possession will work forfeiture

of ownership of such buildings, appurtenances or portions as shall then be left standing, together with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and The City of New York will, without notice to the purchaser, cause the same to be removed and the cost and expense thereof charged against the security above mentioned.
