Resolutions.

That the communication from the Board of Police relative to certain violations of Section 95 of the Sanitary Code be referred to the President, and to the Counsel of the Board, and that a reply be made by the President, embodying the views entertained by this Department upon this subject, heretofore expressed in joint session of the two Boards, and in the reports of the Counsel of the Board and of the Sanitary Superintendent, forwarded for the information of the Board of Police.

That the attention of the Board of Police be respectfully called to the previous communications of the Board of Health, and also to the provisions of law making any violation of the ordinances of the Sanitary Code a misdemeanor, and the occasion of arrest, while at the same time the duty of enforcing the Sanitary Code is expressly laid upon the Board of Police by section 17 of chapter 74 of Laws of 1866; also that since the matter of street cleaning and collection of ashes and garbage has been by law entirely committed to the Police Department this Department is unwilling to interfere, and also that, in the opinion of this Department

until the public attention has been fully called to the new measures proposed by the Board of Police, and until every possible provision has been made to secure the object of the careful, separate, and prompt removal of ashes and garbage, no civil suits for penalties should be commenced. The matter of enforcing the ordinances of the Sanitary Code is entirely within the control of the Board of Police, especially if a policeman should occasionally accompany the garbage and ash carts, and at the same time call the attention of occupants to their necessary action, and mark any case of disobedience.

That Order 3,678 on premises No. 136 East One Hundred and Eighteenth street be rescinded.

That the Sanitary Superintendent be authorized and directed to clean and disinfect vacant lot, situated south side of One Hundred and Forty-third street, 150 feet West of Eighth avenue, at a cost not to exceed forty (\$40) dollars.

That a copy of the report of the Sanitary Superintendent in regard to the plots or parcels of land situated on the east side of Broadway, at the junction of Ellwood street and Sherman avenue, being within the corporate limits of the City and County of New York, be placed on file in this Department, and that said certificate be forwarded to the Department of Public Works, and that said Department be respectfully requested and directed to cause the said plots or parcels to be drained by other means than by sewers, under and by virtue of the provisions of chapter 566 of the Laws of 1866.
