Reporting that John Carlin, contractor, in erecting a building on the southwest corner of Seventy-seventh street and Twelfth avenue, is building a portion of the foundation on property belonging to the city; whereupon the following resolution was adopted : Resolved, That the Dock Master be and hereby is directed to notify the contractor that he must not erect any portion of said building on city property, and in case of his failure to comply with said notice, the Dock Master is further directed to proceed to the nearest magistrate and

with said notice, the Dock Master is further directed to proceed to the nearest magistrate and procure a warrant for the arrest of said contractor. 9th. Report on Secretary's Order No. 9796, submitting plans, specifications and form of contract for building a Pier foot of Forty-first street, North river. Commissioner Cram moved that the work be advertised. The President stated that he wished to call the attention of the Board to the fact that the Consolidated Gas Company have a Pier between Forty-first and Forty-second streets, North river, built by them under authority from the city, and he thought that in the building of this new Pier at the foot of Forty-first street, encroachment would be made upon the pier of the Consolidated Gas Company, and as the Consolidation Act of 1882 distinctly states that the "Department of Docks may proceed to make slips, docks, etc., under the new plan, without interfering with the rights or property of any other person," he was of the opinion the matter should be laid over. Commissioner Cram replied, that the gas company had erected the pier in accordance with laws in existence at that time, but to obviate all objections, he moved that the pier be built by the force of the Department. Which was decided in the negative. Commissioner Cram then renewed his motion, that the pier be built by contract, and offered the following resolution :

Commissioner Cram then renewed his motion, that the pier be built by contract, and offered the following resolution : Resolved, That the plans, specifications and form of contract, as prepared and submitted by the Engineer-in-Chief of this Department, for building a Pier at the foot of Forty-first street, North river, be and they are hereby approved, subject to the approval of the Counsel to the Corporation as to form, and the Secretary be and hereby is directed to have a sufficient number of blank forms of proposals printed, and proper advertisements, inviting estimates for doing the said work, inserted in the various newspapers designated by law. The above resolution was adopted by the following vote : Affirmative-Commissioners Matthews and Cram. Negative-President Post. 10th. Report on Secretary's Order No. 9152, that he had made requisition for dredging the northerly side of Pier, new 34, North river. The communication from the Engineer-in-Chief, recommending that three additional deck scows be built by the force of the Department was, upon motion, taken from the table, ordered to be placed on file, and the following resolution unanimously adopted by the affirmative votes of Com-missioners Post, Matthews and Cram : Resolved, That the Engineer-in-Chief be and hereby is directed to build three new deck scows, to be used in constructing the bulkhead or river wall, under the new plan adopted for the improve-ment of the water front, each to be seventy feet long, thirty feet wide, and seven and one-half feet deep, in general accordance with the plans for deck scows ordered on December 8, 1886, and that all the work hereby ordered be performed otherwise than by contract, as provided by section 714 of the Consolidation Act, and that all the materials, tools, etc., necessary for the same not now con-tracted for, or which may not hereafter be contracted for, be purchased by the Treasurer otherwise than by contract.

than by contract. Commissioner Cram moved to call up his motion of the 15th instant, requesting the Comptroller to settle the judgment in the case of Williams against the Mayor, etc. Adopted. On motion, Dock Master Woods was directed to cause the obstruction to be removed from the new made land between Fiftieth and Fifty-first streets, North river, as said premises are about to be paved

On motion of the President, the rate of compensation to be paid by Neidlinger, Schmidt & Company for use of bulkhead at Sixty-fourth street, East river, was fixed at \$5.00 per month, pay-able at the end of each month to the Dock Master of the district, commencing May 1, 1890, and to continue during the pleasure of the Board. On motion of Commissioner Cram, the Engineer-in-Chief was directed to build an office for the

On motion of Commissioner Cram, the Engineer-in-Chief was directed to build an office for the use of the Dock Master, in District No. 10, and place said office when completed upon the Pier foot of Forty-seventh street, North river. The acting Secretary reported that he had been served with a copy of an injunction obtained by Michael Kane, restraining this Department from placing a bath between Thirty-seventh and Thirty-eighth streets, East river, and had forwarded all the papers in connection therewith to the Counsel to the Corporation. Commissioner Cram moved that the request of Commissioner Gilroy that the bath be located on the south side of Pier foot of Thirty-seventh street, East river, be complied with, which was laid upon the table by the following vote : Affirmative--Commissioner Cram. Negative--President Post and Commissioner Matthews. Commissioner Cram reported that he had received on behalf of the Treasurer, the following estimates for furnishing this Department with cement, coal, wrought spikes, 1,050 piles, about 610 piles, and for dredging at West Fiftieth street, North river.
