ANNUAL REPORT OF WORKERS' COMPENSATION CLAIMS OF NEW YORK CITY EMPLOYEES FOR CALENDAR YEAR 2012

ANNUAL REPORT OF WORKERS' COMPENSATION CLAIMS OF NEW YORK CITY EMPLOYEES FOR CALENDAR YEAR 2012

INTRODUCTION

Section 12-127 of the Administrative Code of The City of New York requires that a report concerning workers' compensation claims by City employees be compiled annually and be transmitted to the Mayor, the Comptroller, the Public Advocate and the Speaker of the Council.

This report contains a compilation of all workers' compensation claims indexed by the New York City Law Department during 2012. In accordance with Section 12-127, the report includes a breakdown of the expenses paid, a list of specific claims for each agency, as well as specific types and locations of injuries. This report also contains year-to-year comparisons of the information compiled from 2005 through 2012.

The report contains records for all entities whose workers' compensation claims are administered by the New York City Law Department: The City of New York, The New York City Health & Hospitals Corporation, The Department of Education of The City of New York, The City University of New York and the New York City Board of Elections. It should be noted that Uniformed Police Officers, Uniformed Firefighters, Uniformed Sanitation Workers and pedagogical employees of the Department of Education are not covered by the Workers' Compensation Law.

The information for individual claims includes the date of injury (or disablement), the injured body part(s) and the location at which the injury occurred. The claims are grouped by agency. A blank entry following a date of injury indicates that the Law Department was not provided with information relating to the body part(s) and/or the location of the injury.

A summary of the costs incurred on these claims by each agency during 2012 is provided at the end of each section of the report. These costs include wage replacement, medical costs and penalties, as well as the overall costs. Also listed is the number of claims filed on behalf of each agency during the year.

In addition to the costs by agency, the administrative costs attributed to the Workers' Compensation Division of the Law Department were $5,176,822 during Fiscal Year 2012.

EXECUTIVE SUMMARY 2012

In accordance with Section 12-127 of the Administrative Code of The City of New York, this Report is being delivered to the Mayor, the Comptroller, the Speaker and the Public Advocate. In addition, pursuant to Section 1133 of the City Charter, electronic copies of the Report are being be submitted to the Department of Records and paper copies are being delivered to the Municipal Reference and Research Center. The Report is accessible on the Department of Records' website, under Government Publications.

This Annual Report contains a compilation of all workers' compensation claims indexed by the New York City Law Department during 2012. These claims include those of employees of The City of New York, The New York City Health and Hospitals Corporation, the Department of Education of the City of New York, the City University of New York and the New York City Board of Elections.

A total of 13,899 new claims were received in 2012. This number represents a decrease of 2.5% in claims when compared with 2011 for claims filed in that year.

The total amount paid in 2012 with respect to these claims was $15 million. This includes $7.3 million for wage replacement and $7.8 million for medical costs. This represents an increase of 16% when compared with payments made in 2011.

The largest numbers of claims came from the following five agencies: Health and Hospitals Corporation (3346), Department of Education (2990), Department of Correction (1967), Fire Department (1524), Police Department (1127). These agencies account for approximately 79% of all claims made in 2012.

The leading agencies in terms of cost were: Health and Hospitals Corporation ($3 million), Department of Correction ($2 million), Department of Education ($1.9 million), Police Department ($1.4 million), and Fire Department ($1 million). These five agencies account for approximately 63% of payments made on the cases in this Report during 2012.
