**VI. SELECTION (HIRING AND PROMOTION)**

Please review Section VI of your Annual Plan and describe your activities for this quarter below:

Please list additional <b>Selection Strategies and Initiatives</b> which you set/declared in your FY 2022 Diversity and EEO Plan ( <i>include use of structured interview, EEO or APO representatives observing interviews, review of placements, review of e-hire applicant data</i> )	Please describe the steps that your agency has taken to meet the <b>Selection (Hiring and Promotion) Goal(s)</b> set/declared in your plan.
Career Counseling: Advising employees of opportunities for promotion and career development; Notification of promotion/transfer opportunities	Buildings University Career Counselors will continue to explore professional development training opportunities for the Departments workforce throughout the fiscal year.
Reviewing the methods by which candidates are selected for appointment, promotion, or to fill vacancies (new hires), especially for mid- and high-level discretionary positions	<p>All vacancies are posted on ESS as well as the Department’s website. All internal candidates who meet minimum qualifications are interviewed.</p> <p>For external candidates, the Department will also post using a variety of external sources, including organizations comprised of underrepresented groups. Additionally, as appropriate, the Department seeks the assistance of the Mayor’s Office of Appointments. Interviews are conducted using the Structured Interviewing process, for which managers and supervisors have received training. An interview log is also required to be completed. When selecting a candidate for hire, the Hiring Manager must submit the completed interview log in conjunction with the Personnel Action Request (PAR) form.</p> <p>All questions and interview panels must be reviewed and approved by the EEO Office when hiring for mid- and high-level discretionary positions.</p>

Describe the role of agency EEO Officer and other EEO staff in the selection of candidates for appointment or promotion (pre- and post-appointment)

The Department utilizes its internal Hiring Guide as a resource for supervisors and managers involved in the hiring and selection process. This guide is periodically updated to include best practices which include a requirement for all managers, or anyone involved in the interview process to receive mandatory Structured Interviewing Training through the EEO Office. This guide also informs managers of the compliance required under Executive Order 21 advising them that pre-offer salary inquiries are not permitted. Inquiries regarding salary can only be made subsequent to a conditional offer of employment that includes a salary.

In order to ensure that the selection process is fair and impartial, there are multiple levels of review during the selection process. Hiring Managers are responsible for preparing the PAR, including compiling and reviewing all required supporting documentation. The PAR package is then submitted to the Bureau Manager for review and approval. If approved by the Bureau Manager, the package is then forwarded to Human Resources, which also reviews the documents submitted, including the interview logs. Human Resources will coordinate with the EEO Office and the General Counsel's Office, as necessary, based upon its review of the documentation submitted.

All title promotions and salary increases must be submitted with justification for the proposed increase and responsibilities that align with the position. In determining whether a salary increase/promotion is appropriate, Human Resources will review the justification to determine whether the proposed responsibilities align with the employee's civil service title and level. This review also includes a parity analysis of the unit's reporting structure and compensation of employees within the unit and includes a review of similar titles across the Agency. As appropriate, Human Resources coordinates with EEO and/or the General Counsel's Office to address any potential disparate impact or civil service concerns.

As stated above, all questions and interview panels must be reviewed and approved by the EEO Office when hiring for mid- and high-level discretionary positions.
