APPROVED PAPERS.

Whereas, Death has visited this Board of Aldermen and struck down, in the prime of life and in the midst of his usefulness, one of its most prominent and efficient members, Mathew J. Coggey, a representative in this Board of the Eighth Senatorial District, as it existed previous to the year 1880, who died on Thursday, the 20th inst., at Lakewood, N. J., where he was sojourning, temporarily, in order to secure rest and relief from official cares and duties, and in the hope of improving his physical condition, which had become greatly impaired; and

Whereas, In the death of Alderman Mathew J. Coggey, this Board is called upon to mourn the death of one whom its members had learned to love and honor, who was serving his second term as a member of the Board, and was rightfully regarded by all as an able, honest, and conscientious public officer, a wise counsellor, a firm and true friend, and a congenial companion. As in public life he was honest and conscientious in the performance of every duty, so in private life he was an exemplar of the domestic virtues. Truly, "in the midst of life we are in death," and this admonition should be constantly present to our minds, as "no man knoweth when his time cometh;" and

Whereas, It is the sad duty of this Board, in view of the death of our lamented associate, to take such action as will tend to show our appreciation of his many good qualities of head and heart, to manifest our profound sorrow for his death and our sympathy with his stricken family and bereaved relatives and friends; be it therefore

Resolved, That the members of this Common Council deeply deplore the death of our associate and friend, Mathew J. Coggey, and we hereby tender those afflicted by his death, our heartfelt sympathy and condolence. In an especial manner, to his bereaved wife and fatherless children, do the sympathetic promptings of our hearts go forth in this, their hour of tribulation. We commend them to the protection of Him who has promised to be "a father to the fatherless" and a "comforter of the afflicted," with the full knowledge that He is Truth itself, and His promises are ever fulfilled, and we recall to their minds, in order to assuage the poignancy of their grief, the comforting assurance, that He "loveth whom He chasteneth;" and be it further

Resolved, That out of sorrow for the death and respect for the memory of our deceased associate, the members of this Board of Aldermen will attend his funeral in a body, with their staves of office draped in mourning, and will wear the usual badge of mourning for thirty days; that the chamber of the Board, and the chair therein lately occupied by the deceased, be draped in mourning for a like period; that the flags on the City Hall, and the other public buildings, be displayed at half staff, from sunrise until sunset on the day for solemnizing the funeral rites and ceremonies, Saturday, April 23, 1881; that the owners or masters of vessels in the harbor, and the owners or occupants of private buildings in this city, be requested to display their flags in like manner, on that day, and that a Committee of five members of this Board be appointed to perfect the above, and make such other arrangements as it may deem necessary more fully to manifest our profound grief for the death and our respect for the memory of our lamented associate; and, as an additional evidence of our feelings in this regard, be it further

Resolved, That a copy of the foregoing preamble and resolutions be engrossed and framed, be duly authenticated, and transmitted to the family of the deceased.

Adopted by the Board of Aldermen, April 22, 1881.
 Approved by the Mayor, April 23, 1881.

Whereas, The resolution aforesaid having been duly so submitted in a proper and respectful manner to the Board of Police Commissioners, was by that Board, at a meeting held on the 15th instant, publicly treated with derision and contempt, as in excess of the powers of the Board of Aldermen;

Therefore, Be it resolved, that the Corporation Counsel be requested to prepare and submit to this Board his opinion as to the scope and extent of the powers of this Board in relation to other Departments of the City Government, and particularly in relation to the discharge by the Board of Police Commissioners of the duties now confided to them in connection with the sanitary and police regulations of the city and the protection of the public health.

JURORS.

NOTICE

IN RELATION TO JURORS FOR
STATE COURTS

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, July 1, 1880.

APPLICATIONS FOR EXEMPTIONS WILL BE
heard here, from 9 to 4 daily, from all persons hitherto
liable or recently serving who have become exempt, and
all needed information will be given.

Those who have not answered as to their liability, or
proved permanent exemption, will receive a "jury enroll-
ment notice," requiring them to appear before me this
year. Whether liable or not, such notices must be an-
swered (in person, if possible, and at this office only) under
severe penalties. If exempt, the party must bring proof of
exemption; if liable, he must also answer in person, giving
full and correct name, residence, etc., etc. No attention
paid to letters.

Persons "enrolled" as liable must serve when called
or pay their fines. No mere excuse will be allowed or

interference permitted. The fines, received from those
who, for business or other reasons, are unable to serve at
the time selected, pay the expenses of this office, and if
unpaid will be entered as judgments upon the property of
the delinquents.

All good citizens will aid the course of justice, and
secure reliable and respectable juries, and equalize their
duty by serving promptly when summoned, allowing their
clerks or subordinates to serve, reporting to me any attempt
at bribery or evasion, and suggesting names for enrollment.
Persons between sixty and seventy years of age, summer
absentees, persons temporarily ill, and United States and
District Court jurors are not exempt.

Every man must attend to his own notice. It is a mis-
demeanor to give any jury paper to another to answer.
It is also punishable by fine or imprisonment to give or
receive any present or bribe, directly or indirectly, in re-
lation to a jury service, or to withhold any paper or make
any false statement, and every case will be fully pro-
secuted.

TO CONTRACTORS.

PROPOSALS FOR ESTIMATES.

ESTIMATES FOR STEAM-HEATING WORK
and of Plumbing Work and Materials to be done in
the West Wing to Insane Asylum, will be received by the
Board of Commissioners at the head of the Department of
Public Charities and Correction at the office of said De-
partment, No. 66 Third Avenue, in the City of New York,
until 9:30 o'clock A. M. of Saturday, the 30th day of April,
1881, at which place and time the bids will be publicly
opened by the head of said Department and read. The
award of the contract, if awarded, will be made as soon as
practicable after the opening of the bids.

Any person making an estimate for the work shall fur-
nish the same in a sealed envelope, to said Board, at
said office, on or before the day and hour above named,
which envelope shall be indorsed with the name or names
of the person or persons presenting the same, the date of
its presentation, and a statement of the work to which it
relates.

The amount of security required is \$4,000 for steam-
heating and \$1,000 for the plumbing.
The entire work is to be completed in or before one
hundred and fifty (150) days after the date of the com-
mencement thereof, for the steam-heating, and ninety (90)
days for the plumbing work.

For information as to the amount and kind of work to
be done, bidders are referred to the specifications, which
are annexed to and form part of these proposals, and the
plans, which can be seen at the office of said Department.
The damages to be paid by the contractor for each day
that the contract may be unfulfilled after the time specified
for the completion thereof shall have expired, are, by a
clause in the contract, fixed and liquidated at fifty dollars
per day.

Should the person or persons to whom the contract is
awarded neglect or refuse to accept the contract for
forty-eight (48) hours after written notice that the same
has been awarded to his or their bid or estimate, or if, after
acceptance, he or they should refuse or neglect to execute
the contract and give proper security for forty-eight
(48) hours after notice that the contract is ready for
execution, he or they will be considered as having aban-
doned it, and the contract will be re-advertised and relet,
and so on, until it is accepted and executed.

The Department of Public Charities and Correction
reserves the right to decline any and all bids or estimates
if deemed to be for the public interest. No bid or esti-
mate will be accepted from, or contract awarded to, any
person who is in arrears to the Corporation upon debt or
contract, or who is a defaulter, as surety or otherwise,
upon any obligation to the Corporation.

Each bid or estimate shall contain and state the name
and place of residence of each of the persons making the
same; the names of all persons interested with him or them
therein; and if no other person be so interested, it shall
distinctly state that fact; that it is made without any
connection with any other person making an estimate for

collusion or fraud; and that no member of the Common
Council, head of a Department, Chief of a Bureau,
Deputy thereof or Clerk therein, or other officer of the
Corporation, is directly or indirectly interested therein, or
in the supplies or work to which it relates, or in any por-
tion of the profits thereof. The bid or estimate must be
verified by the oath, in writing, of the party or parties
making the estimate, that the several matters stated there-
in are in all respects true. Where more than one person
is interested, it is requisite that the verification be made
and subscribed by all the parties interested.

its being so awarded, become bound as his sureties for its
faithful performance; and that if he shall omit or refuse to
execute the same, they will pay to the Corporation any
difference between the sum to which he would be entitled
on its completion and that which the Corporation may be
obliged to pay to the person or persons to whom the con-
tract may be awarded at any subsequent letting; and the
amount in each case to be calculated upon the estimated
amount of the work by which the bids are tested. The
consent above mentioned shall be accompanied by the
oath or affirmation, in writing, of each of the persons sign-
ing the same, that he is a householder or freeholder in the
City of New York, and is worth the amount of the security
required for the completion of this contract, over and
above all his debts of every nature, and over and above
his liabilities, as bail, surety, or otherwise; and that he
has offered himself as a surety in good faith and with the
intention to execute the bond required by law. The
adequacy and sufficiency of the security offered is to be ap-
proved by the Comptroller of the City of New York after
the award is made, and prior to the signing of the con-
tract.

Bidders will state the price for doing the whole work,
by which the bids will be tested.

NOTICE TO TAXPAYERS.

RELATING TO THE PAYMENT OF UNPAID TAXES, ASSESSMENTS, AND CROTON WATER RENTS.

THE COMPTROLLER OF THE CITY OF NEW YORK hereby gives notice to owners of real and personal estate in this city, that all unpaid taxes, assessments, and Croton water rents may now be paid with interest thereon at the rate of seven per cent. per annum, as provided by chapter 33 of the Laws of 1881, which is as follows:

CHAPTER 33.

AN ACT relative to the collection of taxes and assessments, and of arrears of taxes and assessments, and Croton water rents, in the City of New York.

(Passed March 16, 1881; three-fifths being present.)

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. If any taxes of any year shall remain unpaid on the first day of November, after the assessment-rolls and the warrants to collect such taxes have been delivered to the Receiver of Taxes in the City of New York, it shall be the duty of said Receiver to give public notice, by advertisement for at least ten days in two of the daily newspapers, and in the CITY RECORD, printed and published in said city, respectively, that unless the same shall be paid to him at his office on or before the first day of December, in any such year, he will immediately thereafter proceed to collect such unpaid taxes, as provided in the following section of this act:

Section 2. If any such tax shall remain unpaid on the said first day of December, it shall be the duty of the said Receiver of Taxes in said city to charge, receive, and collect upon such tax so remaining unpaid on that day, in addition to the amount of such tax, one per centum on the amount thereof; and to charge, receive, and collect upon such tax so remaining unpaid on the first day of January thereafter, interest upon the amount thereof at the rate of seven per centum per annum, to be calculated from the day on which said assessment-rolls and warrants shall have been delivered to the said Receiver of Taxes to the date of payment.

The same rate of interest shall be so charged and collected upon any tax levied in the year eighteen hundred and eighty, remaining unpaid at the date of the passage of this act.

Section 3. All existing provisions of law which impose a charge and require the collection of interest at the rate of twelve per centum per annum upon arrears of taxes on real and personal estate within the City of New York, upon arrears of assessments for local improvements and street openings in said city, and upon arrears of Croton water rents in said city, are hereby repealed; and in lieu of such charge of interest at the rate of twelve per centum per annum, there shall be charged and collected by the officer authorized to collect and receive any such arrears of taxes and assessments and Croton water rents, interest upon the amount thereof at the rate of seven per centum per annum, to be calculated for the same period as interest at the rate of twelve per centum per annum is now required by law to be calculated thereon. This provision shall apply to taxes, assessments, or Croton water rents remaining unpaid and due, for the non-payment of which the lands and tenements liable therefor shall be hereafter sold at public auction as now provided by law; provided, however, that nothing in this act shall be construed to affect the rights of purchasers at sales for taxes, assessments, or Croton water rents, heretofore made, or to authorize the redemption of lands and tenements from sales heretofore made for any lesser sums than the sums collectible for such redemption under the provisions of existing laws.

Section 4. It shall be the duty of the Comptroller of the City of New York to give public notice, by advertisement, for at least ten days, in the CITY RECORD, printed and published in said city, immediately after the confirmation of any assessment for a local improvement or street opening in said city, that the same has been confirmed specifying the title of such assessment and the date of its confirmation by the Board of Revision and Correction of Assessments in proceedings for local improvements, and by the Supreme Court in proceedings for street openings, and also the date of entry in the record of titles of assessments kept in the Bureau for the Collection of Assessments, and of Arrears of Taxes and Assessments, and of Croton water rents, notifying all persons, owners of property affected by any such assessment, that, unless the amount assessed for benefit on any person or property shall be paid within sixty days after the date of said entry of any such assessment, interest shall thereafter be collected thereon as provided in the following section of this act, and all provisions of law or ordinance requiring any other or different notice of assessments and interest thereon are hereby repealed.

Section 5. If any such assessment shall remain unpaid for the period of sixty days after the date of entry thereof in the said record of titles of assessments, it shall be the duty of the officer authorized to collect and receive the

amount of such assessment, to charge, collect, and receive legal interest thereon, at the rate of seven per centum per annum, to be calculated from the date of such entry to the date of payment.

Section 6. This act shall take effect immediately.

Comptroller.
