MESSAGES FROM HIS HONOR THE MAYOR.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, July 15, 1889.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted July 8, 1889, which directs the removal of the drinking-fountain now situated in front of No. 3 Chatham street and placing it in front of No. 12 Chatham street, on the ground the report of the Department of Public Works shows the present location of the drinking-fountain to be better than that to which the fountain is proposed to be changed.

HUGH J. GRANT, Mayor.

Resolved, That the drinking-fountain now located in front of No. 3 Chatham street be taken up and placed in front of No. 12 Chatham street, under the direction of the Commissioner of Public Works.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, July 15, 1889.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted July 8, 1889, authorizing the laying of a crosswalk on Greenwich street at the north side of Vesey street, on the ground that the Commissioner of Public Works reports that there is now a good crosswalk at this location.

HUGH J. GRANT, Mayor.

Resolved, That a crosswalk of two courses of blue stone be laid across Greenwich street, within the lines of the sidewalk on the northerly side of Vesey street, under the direction of the Commissioner of Public Works, the expense to be paid from the appropriation "Repairs and Renewals of Pavements and Regrading."

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, July 15, 1889.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted July 8, 1889, which authorizes the removal of the lamp-post at No. 203 South Fifth avenue, on the ground that it has not been shown that there is any real necessity for the removal of the lamp-post, which may be needed in the event of any failure or removal of the electric-light.

HUGH J. GRANT, Mayor.

Resolved, That the unused lamp-post and lamp in front of No. 203 South Fifth avenue be removed, under the direction of the Commissioner of Public Works.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, July 12, 1889.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted July 1, 1889, which provides for the repaving of Thirty-third street, between Madison and Fifth avenues, with asphalt pavement, on the ground that the proposed repavement could only be authorized by resolution of the Common Council upon the certificate of the Department of Public Works as to the necessity of the same, and no such certificate appears to have been made. Furthermore, the resolution is defective in form.

HUGH J. GRANT, Mayor.

Resolved, That Thirty-third street, between Madison and Fifth avenues, be repaved with Trinidad-asphalt pavement with concrete foundation, under the direction of the Commissioner of Public Works ; and that the accompanying ordinance therefor be adopted.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, July 12, 1889.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted July 1, 1889, authorizing the paving of Sixty-sixth street, between Eighth avenue and the Boulevard, on the ground that the Commissioner of Public Works reports that gas-mains have not yet been laid the full length of the street proposed to be paved. The resolution is, therefore, premature.

HUGH J. GRANT, Mayor.

Resolved, That the carriageway of Sixty-sixth street, from the crosswalk at Eighth avenue, west side, to the Boulevard, be paved with granite-block pavement, except that each intersecting and terminating avenue crosswalks of three courses of bridge-stone be laid, where not already done, under the direction of the Commissioner of Public Works ; and that the accompanying ordinance therefor be adopted.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, July 12, 1889.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted July 1, 1889, which provides for the paving of Eighty-eighth street, between Park and Fifth avenues, on the ground that as gas-mains have not as yet been laid the full length of the street which it is proposed to pave, the resolution is premature.

HUGH J. GRANT, Mayor.

Resolved, That the carriageway of Eighty-eighth street, from Park avenue to Fifth avenue, be paved with trap-block pavement, where not already so paved, or crosswalks at terminating and intersecting avenues are laid, under the direction of the Commissioner of Public Works ; and that the accompanying ordinance therefor be adopted.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, July 12, 1889.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted July 1, 1889, which provides that Fort Washington avenue, from One Hundred and Fifty-ninth to One Hundred and Ninety-fourth street, shall be paved with Macadam pavement, on the ground that the resolution is premature, in that it is not sewered nor provided with gas-mains.

HUGH J. GRANT, Mayor.

Resolved, That curb-stones be set and sidewalks be flagged a space four feet wide through the centre thereof in Fort Washington avenue, from its junction with Eleventh avenue at One Hundred and Fifty-ninth street to its junction with the Kingsbridge road, between One Hundred and Ninety-second and One Hundred and Ninety-fourth streets, and that the roadway be paved with Macadam pavement with Telford foundation, except that the gutters be paved four feet wide with trap-block pavement, and that the space included between the lines of the gutter nearest the centre of the roadway and the crosswalks at the intersecting streets be also paved with trap-block pavement, and that crosswalks be laid across the intersecting streets on either side of said avenue, where not already laid, under the direction of the Commissioner of Public Works ; and that the accompanying ordinance therefor be adopted.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, July 12, 1889.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted July 1, 1889, which authorizes the placing of a drinking-fountain at the northeast corner of Bowery and Fifth street, on the ground that the fountain suggested is not necessary, there being another on the west side of the Bowery, nearly opposite to the proposed location.

HUGH J. GRANT, Mayor.

Resolved, That an iron improved drinking-fountain, for man and beasts, be placed on the northeast corner of Bowery and Fifth street, the work to be done under the direction of the Commissioner of Public Works ; such permission to continue only during the pleasure of the Common Council.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, 1889.

To the Honorable the Board of Aldermen :

I return, without my approval or disapproval, the resolution of the Board of Aldermen, adopted July 1, 1889, worded as follows :

"Resolved, That the sidewalks on both sides of Eighty-sixth street, from the westerly line of Eighth avenue to the easterly line of Ninth avenue, be and they are hereby fixed and established a uniform width of thirty feet, and the carriageway of said street, between said Eighth and Ninth avenues, at a width of forty feet."

—on the ground that I have been advised that it is not within the power of your Board to take for the purposes of a sidewalk land which has been taken for the purposes of a street, by right of eminent domain. When land is taken for a particular public purpose it cannot be used for any other purpose, although such other purpose may be likewise public.

The street westerly of Ninth avenue is of a uniform width to the Riverside Drive, but easterly of Ninth avenue it is as originally laid out. There is no doubt that if that portion of the street easterly of Ninth avenue is to have a wider sidewalk the property-holders of Ninth avenue are entitled to the same right.

For these reasons I have taken the action above mentioned.

HUGH J. GRANT, Mayor.

Which was ordered on file.

BOARD OF CITY RECORD.

PROPOSALS FOR FURNISHING THE CITY STATIONERY.

BOARD OF THE CITY RECORD.

TO CONTRACTORS.

PROPOSALS FOR ESTIMATES.

SEALED ESTIMATES FOR SUPPLYING THE
 District Courts of the City Government with Printing and Stationery, including Books, Blank Books, etc., as per annexed specifications, will be received at the office of the Mayor, in the City of New York, until 12 o'clock M. of Thursday, the 25th day of July, 1889, at which place and time said estimates will be publicly opened and read.

Any person making an estimate shall furnish the same in a sealed envelope, indorsed "Estimate for furnishing Printing and Stationery," and also the name of the person making it, and the date of its presentation.

Each estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation is directly or indirectly interested therein or in the supplies or work to which it relates, or in any portion of the profits thereof. The estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for his faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion, and that which the Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the preliminary security required, and in the proposals stated, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

The amount of security required upon the execution of the contract will be in each case fifty per cent. of the estimated cost of the articles awarded to each contractor; the amount of preliminary security to be given until each award, and in which the sureties shall justify, shall be FIVE HUNDRED DOLLARS.

Should the person to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his bid or proposal, and that the adequacy and sufficiency of the security offered has been approved by the Comptroller, or if he accept but do not execute the contract and give the proper security, he shall be considered as having abandoned it and as in default to the Corporation, and the contract will be re-advertised and relet, as provided by law.

No estimates will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation, and no estimates will be accepted from, or a contract awarded to, any person not having at the time of making his estimate, full, suitable and sufficient facilities for performing the work specified in his estimate. No estimate will be received or considered unless accompanied by either a certified check upon one of the National or State banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of fifty per centum of the amount of the preliminary security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the Secretary of the Board of the City Record, who has charge of the estimate-box; and no estimate can be deposited in said box until such check or money has been examined by said Secretary and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and be retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

N. B.—Bidders will state a total price for each description of Printing or Stationery, including Blank Books, as set forth in the specifications. Separate bids will be received (1) for all the Printing, (2) for all the Stationery, including Blank Books, but all estimates will be considered informal which do not contain bids for all the items of Printing, or for all the items of Stationery, including Blank Books, for which bids are called herein.

Permission will not be given for the withdrawal of any bid or estimate, and the right is expressly reserved by the Board of the City Record to reject any or all bids which may be deemed prejudicial to the public interests. The entire quantity of Printing, Stationery and Books, is to be put up in packages and delivered at such times and places and in such quantities as shall be directed by the Board of the City Record.

Separate contracts will be made with the lowest bidder for each and every description of Printing, or articles of Stationery or Books, involving an expense of more than five hundred dollars.

DESCRIPTION OF ARTICLES.

For particulars as to the quantity and kind of Printing, Stationery and Blank Books, reference must be had to the specifications attached to the blank forms of the estimates, copies of which, as well as samples of said Printing, Stationery and Blank Books may be seen by application to the Department of Public Works.

By order of the Board.

 Supervisor of the City Record.

ON THE NORTH RIVER.

Pier at the foot of West Eighteenth street, North river, for a term of three years, commencing August 1, 1889.

TERMS AND CONDITIONS OF SALE.

The premises must be taken in the condition in which they may be at the commencement of the term of the lease, and no claim or demand that the premises or property are not in suitable and tenable condition at the commencement of the term will be allowed by this Department.

All repairs, maintaining or rebuilding required or necessary to be done to or upon the premises, or any part thereof, during the continuance of the term of the lease, shall be done by and at the cost and expense of the lessee or purchaser.

No claim or demand will be considered or allowed by the Department for any loss or deprivation of wharfage or otherwise, resulting from or occasioned by any delay on account or by reason of the premises or any part thereof being occupied for or on account of any repairs, rebuilding or dredging.

The up-set price of the parcels or premises exposed or offered for sale will be announced by the Auctioneer at the time of sale.

The Department will do all dredging whenever it shall deem it necessary or advisable so to do.

The term for which leases are sold will commence at the date mentioned in the advertisement, and the rents accruing therefor will be payable from that date in each case.

Each purchaser of a lease will be required, at the time of the sale, to pay, in addition to the auctioneer's fees, to the Department of Docks, twenty-five per cent. (25%) of the amount of annual rent bid, as security for the execution of the lease, which twenty-five per cent. (25%) will be applied to the payment of the rent first accruing under the lease when executed, or will be forfeited to the Department if the purchaser neglects or refuses to execute the lease, with good and sufficient surety or sureties, to be approved by the Department, within ten days after being notified that the lease is prepared and ready for execution at the office of the Department of Docks, Pier "A," North river, Battery place.

The Department expressly reserves the right to resell the lease or premises bid off, by those failing, refusing or neglecting to comply with these terms and conditions, the party so failing, refusing or neglecting, to be liable to the Corporation of the City of New York, for any deficiency resulting from or occasioned by such resale.

Lessees will be required to pay their rent quarterly in advance, in compliance with the terms and conditions of the lease prepared and adopted by the Department.

In all cases where it is mentioned in the advertisement of sale, the purchaser shall be entitled to the privilege of occupying any shed upon the pier or bulkhead at the commencement of the term or that may thereafter be permitted or licensed by the Department, and to the rights attached to such permission or license, but subject to the conditions thereof, such purchaser being engaged in the business of steam transportation and using and employing the same for the purpose of regularly receiving and discharging cargo thereat.

PROPOSALS FOR ESTIMATES FOR DREDGING AT THE BULKHEAD BETWEEN PERRY STREET AND WEST ELEVENTH STREET, NORTH RIVER.

ESTIMATES FOR DREDGING AT THE BULKHEAD BETWEEN PERRY STREET AND WEST ELEVENTH STREET, on the North river, will be received by the Board of Commissioners at the head of the Department of Docks, at the office of said Department, on Pier "A," foot of Battery place, North river, in the City of New York, until 1 o'clock P. M. of

FRIDAY, JULY 26, 1889,

at which time and place the estimates will be publicly opened by the head of said Department. The award of the contract, if awarded, will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the work shall furnish the same in a sealed envelope to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

The bidder to whom the award is made shall give security for the faithful performance of the contract in the manner prescribed and required by ordinance, in the sum of One Hundred and Fifty Dollars.

The Engineer's estimate of the quantities of material necessary to be dredged in order to secure at the premises mentioned the depth of water set opposite thereto in the specifications, is as follows:

Bulkhead between Perry street and West Eleventh street, North river..... 2,000 cubic yards

N. B.—Bidders are required to submit their estimates upon the following express conditions, which shall apply to and become part of every estimate received:

(1.) Bidders must satisfy themselves by personal examination of the location of the proposed dredging, and by such other means as they may prefer, as to the accuracy of the foregoing Engineer's estimate, and shall not, at any time after the submission of an estimate, dispute or complain of the above statement of quantities, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

(2.) Bidders will be required to complete the entire work to the satisfaction of the Department of Docks, and in substantial accordance with the specifications of the contract. No extra compensation, beyond the amount payable for the work before mentioned, which shall be actually performed, at the price therefor per cubic yard, to be specified by the lowest bidder, shall be due or payable for the entire work.

The work to be done under the contract is to be commenced within five days after the date of the contract, and the entire work is to be fully completed on or before the twenty-sixth day of August, 1889, and the damages to be paid by the Contractor for each day that the contract may be unfulfilled after the time fixed for the fulfillment has expired, are, by a clause in the contract, fixed and liquidated at Fifty Dollars per day.

All the material excavated is to be removed by the Contractor, and deposited in all respects, according to law.

Bidders will state in their estimates a price per cubic yard, for doing such dredging in conformity with the approved form of agreement and the specifications therein set forth, by which price the bids will be tested. This price is to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay, from any cause, in the performing of the work thereunder.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for doing this work.

The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect; and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and as in default to the Corporation, and the contract will be re-advertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their estimates their names and places of residence; the names of all persons interested with them therein; and if no other person be so interested, the estimate shall distinctly state the fact; also, that the estimate is made without any connection with any other person making an estimate for the same work, and that it is in all respects fair, and without collusion or fraud; and also, that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed to by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, upon its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York any difference between the sum to which said person or persons would be entitled upon its completion, and that which said Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount, in each case, to be calculated upon the estimated amount of the work to be done by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as a surety in good faith, and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National Banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Engineer-in-Chief.

No estimate will be accepted from or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The right to decline all the estimates is reserved, if deemed for the interest of the Corporation of the City of New York.

Bidders are requested, in making their bids or estimates, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the work, can be obtained upon application therefor at the office of the Department.

PROPOSALS FOR ESTIMATES FOR DREDGING
THE SLIP BETWEEN PIER, OLD 41, AND
PIER, OLD 42, NORTH RIVER.

ESTIMATES FOR DREDGING THE SLIP
between Pier, old 41, and Pier, old 42, North
river, will be received by the Board of Commissioners
at the head of the Department of Docks, at the office of
said Department, on Pier "A," foot of Battery place,
North river, in the City of New York, until 1 o'clock
P. M. of

WEDNESDAY, JULY 17, 1889,

at which time and place the estimates will be publicly
opened by the head of said Department. The award of
the contract, if awarded, will be made as soon as practicable
after the opening of the bids.

One-half of this dredging is to be done on account of
the New Jersey Steamboat Company, and the contract
for the work will not be awarded unless the price named
by the lowest bidder shall be satisfactory to said Com-
pany. Such contract, if awarded, will be entered into
by the Department of Docks on behalf of the Mayor,
Aldermen and Commonalty of the City of New York,
and by said Company on its own account, the City
becoming liable for one-half only of the expense, the
other one-half to be borne and paid for to the contractor
by said Company.

Any person making an estimate for the work shall
furnish the same in a sealed envelope to said Board, at
said office, on or before the day and hour above named,
which envelope shall be indorsed with the name or
names of the person or persons presenting the same,
the date of its presentation, and a statement of the
work to which it relates.

The bidder to whom the award is made shall give
security for the faithful performance of the contract in
the manner prescribed and required by ordinance, to
the City and the New Jersey Steamboat Company severally,
in the sum of Sixteen Hundred Dollars.

The Engineer's estimate of the quantity of material
necessary to be dredged in order to secure at the pre-
mises mentioned the depths below mean low water named
in the specifications, is 32,200 cubic yards.

N. B.—Bidders are required to submit their estimates
upon the following express conditions, which shall apply
to and become a part of every estimate received:

1st. Bidders must satisfy themselves, by personal ex-
amination of the location of the proposed dredging, and by
such other means as they may prefer, as to the accuracy
of the foregoing Engineer's estimate, and shall not, at
any time after the submission of an estimate, dispute or
complain of the above statement of quantities, nor
assert that there was any misunderstanding in regard
to the nature or amount of the work to be done.

2d. Bidders will be required to complete the entire
work to the satisfaction of the Department of Docks,
and in substantial accordance with the specifications of
the contract. No extra compensation beyond the amount
payable for the work before mentioned, which shall be
actually performed, at the price therefor per cubic yard,
to be specified by the lowest bidder, shall be due or
payable for the entire work.

The work to be done under the contract is to be com-
menced within five days after the date of the contract,
and the entire work is to be fully completed on or before
the twelfth day of September, 1889, and the damages to
be paid by the Contractor for each day that the contract
may be unfulfilled after the time fixed for the fulfillment
has expired, are, by a clause in the contract fixed and
liquidated at Fifty Dollars per day.

All the material excavated is to be removed by the
Contractor, and deposited in all respects, according to
law.

Bidders will state in their estimates a price per
cubic yard for doing such dredging in conformity with
the approved form of agreement and the specifications
therein set forth, by which price the bids will be tested.
This price is to cover all expenses of every kind
involved in or incidental to the fulfillment of the con-
tract, including any claim that may arise through delay,
from any cause, in the performing of the work there-
under.

Bidders will distinctly write out, both in words and
in figures, the amount of their estimates for doing this
work.

The person or persons to whom the contract may be
awarded will be required to attend at this office with the
sureties offered by him or them, and execute the con-
tract within five days from the date of the service of a
notice to that effect; and in case of failure or neglect so
to do, he or they will be considered as having aban-
doned it, and as in default to the Corporation; and the
contract will be readvertised and relet, and so on until it
be accepted and executed.

Bidders are required to state in their estimates their
names and places of residence; the names of all persons
interested with them therein; and if no other person
be so interested, the estimate shall distinctly state the
fact; also, that the estimate is made without any con-
nection with any other person making an estimate for
the same work, and that it is in all respects fair, and
without collusion or fraud; and also, that no member of
the Common Council, Head of a Department, Chief of a
Bureau, Deputy thereof, or Clerk therein, or other
officer of the Corporation, is directly or indirectly
interested therein, or in the supplies or work to which it
relates, or in any portion of the profits thereof; which
estimate must be verified by the oath, in writing, of the
party making the estimate, that the several matters
stated therein are in all respects true. Where more
than one person is interested, it is requisite that the
verification be made and subscribed to by all the parties
interested.

Each estimate shall be accompanied by the consent,
in writing, of two householders or freeholders in the
City of New York, with their respective places of busi-
ness or residence, to the effect that if the contract be
awarded to the person making the estimate, they will,
upon its being so awarded, become bound as his
sureties for its faithful performance; and that if said
person or persons shall omit or refuse to execute the
contract, they will pay to the Corporation of the City
of New York and the New Jersey Steamboat Company
any difference between the sum to which said person
would be entitled on its completion, and that which said
Corporation and said Company may be obliged to
pay to the person to whom the contract may be awarded
at any subsequent letting; the amount, in each case,
to be calculated upon the estimated amount of the
work by which the bids are tested. The
consent above mentioned shall be accompanied
by the oath or affirmation, in writing, of each of
the persons signing the same, that he is a house-
holder or freeholder in the City of New York, and is
worth the amount of the security required for the com-
pletion of the contract, and stated in these proposals,
over and above all his debts of every nature, and over
and above his liabilities as bail, surety and otherwise;
and that he has offered himself as surety in good faith
and with the intention to execute the bond required by
law. The adequacy and sufficiency of the security offered
is to be approved by the Comptroller of the City of
New York and the New Jersey Steamboat Company,
after the award is made and prior to the signing of the
contract.

No estimate will be received or considered unless
accompanied by either a certified check upon one of the
State or National banks of the City of New York, drawn
to the order of the Comptroller, or money, to the amount
of five per centum of the amount of security required by
the contract. Such check or money must not be inclosed
in the sealed envelope containing the estimate, but must
be handed to the officer or clerk of the Department
who has charge of the estimate-box, and no estimate
can be deposited in said box until such check or money
has been examined by said officer or clerk and found to
be correct. All such deposits, except that of the
successful bidder, will be returned by the Comptroller

to the persons making the same, within three days
after the contract is awarded. If the successful
bidder shall refuse or neglect, within five days after
notice that the contract has been awarded to him, to
execute the same, the amount of the deposit made by
him shall be forfeited and retained by the City of
New York, as liquidated damages for such neglect or
refusal; but if he shall execute the contract within the
time aforesaid, the amount of his deposit will be returned
to him.

Bidders are informed that no deviation from the speci-
fications will be allowed, unless under the written
instructions of the Engineer-in-Chief.

No estimate will be accepted from, or contract
awarded to, any person who is in arrears to the Cor-
poration, upon debt or contract, or who is a defaulter, as
surety or otherwise, upon any obligation to the Corpora-
tion.

The right to decline all the estimates is reserved, if
deemed for the interest of the Corporation of the City
of New York, or the New Jersey Steamboat Company.

Bidders are requested, in making their bids or esti-
mates, to use the blank prepared for that purpose
by the Department, a copy of which, together with
the form of the agreement, including specifications, and
showing the manner of payment for the work, can be
obtained upon application therefor at the office of the
Department.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION
RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTI-
MATES IF DEEMED TO BE FOR THE PUBLIC INTEREST,
AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF
1882.

No bid or estimate will be accepted from, or contract
awarded to, any person who is in arrears to the Cor-
poration upon debt or contract, or who is a defaulter, as
surety or otherwise, upon any obligation to the Corpora-
tion.

The award of the contract will be made as soon as
practicable after the opening of the bids.

Delivery will be required to be made from time to
time, and in such quantities as may be directed by the
said Commissioners.

Any bidder for this contract must be known to be en-
gaged in and well prepared for the business, and must
have satisfactory testimonials to that effect, and the
person or persons to whom the contract may be awarded
will be required to give security for the performance of
the contract by his or their bond, with two sufficient
sureties, in the penal amount of fifty (50) per cent.
of the ESTIMATED amount of the contract.

Each bid or estimate shall contain and state the name
and place of residence of each of the persons making the
same; the names of all persons interested with him or
them therein; and if no other person be so interested,
it shall distinctly state that fact; also, that it is made
without any connection with any other person making
an estimate for the same purpose, and is in all respects
fair and without collusion or fraud; and that no member
of the Common Council, Head of a Department, Chief
of a Bureau, Deputy thereof, or Clerk therein, or other
officer of the Corporation, is directly or indirectly
interested therein, or in the supplies or work to which it
relates, or in any portion of the profits thereof. The
bid or estimate must be verified by the oath, in writing,
of the party or parties making the estimate, that the
several matters stated therein are in all respects true.
Where more than one person is interested, it is requisite
that the VERIFICATION be made and subscribed by all the
parties interested.

Each bid or estimate shall be accompanied by the con-
sent, in writing, of two householders or freeholders in the
City of New York, with their respective places of busi-
ness or residence, to the effect that if the contract be
awarded to the person making the estimate, they will,
upon its being so awarded, become bound as his
sureties for its faithful performance; and that if he
shall omit or refuse to execute the same, they will pay
to the Corporation any difference between the sum to
which he would be entitled on its completion and that
which the Corporation may be obliged to pay to the person
or persons to whom the contract may be awarded at any
subsequent letting; the amount in each case to be cal-
culated upon the estimated amount of the work by
which the bids are tested. The consent above men-
tioned shall be accompanied by the oath or affirmation,
in writing, of each of the persons signing the same, that
he is a householder or freeholder in the City of New
York, and is worth the amount of the security required
for the completion of this contract, over and above all
his debts of every nature, and over and above his
liabilities as bail, surety or otherwise; and that he has
offered himself as a surety in good faith and with the
intention to execute the bond required by section 12
of chapter 7 of the Revised Ordinances of the City of New
York, if the contract shall be awarded to the per-
son or persons for whom he consents to become surety.
The adequacy and sufficiency of the security offered to
be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless ac-
companied by either a certified check upon one of the
State or National banks of the City of New York,
drawn to the order of the Comptroller, or money, to the
amount of five per centum of the amount of the security
required for the faithful performance of the contract.
Such check or money must not be inclosed in the sealed
envelope containing the estimate, but must be handed to
the officer or clerk of the Department who has charge of
the estimate-box, and no estimate can be deposited in
said box until such check or money has been examined by
said officer or clerk and found to be correct. All such

RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTI-
MATES IF DEEMED TO BE FOR THE PUBLIC INTEREST,
AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF
1882.

No bid or estimate will be accepted from, or con-
tract awarded to, any person who is in arrears to the
Corporation upon debt or contract, or who is a defaulter,
as surety or otherwise, upon any obligation to the Cor-
poration.

The award of the contract will be made as soon as
practicable after the opening of the bids.

Any bidder for this contract must be known to be en-
gaged in and well prepared for the business, and must
have satisfactory testimonials to that effect; and the
person or persons to whom the contract may be awarded
will be required to give security for the performance of
the contract by his or their bond, with two sufficient
sureties, each in the penal amount of TWO
THOUSAND (\$2,000) DOLLARS.

Each bid or estimate shall contain and state the name
and place of residence of each of the persons making the
same, the names of all persons interested with him or
them therein; and if no other person be so interested, it
shall distinctly state that fact; also, that it is made with-
out any connection with any other person making an es-
timate for the same purpose, and is in all respects fair
and without collusion or fraud; and that no member of
the Common Council, Head of a Department, Chief of a
Bureau, Deputy thereof, or Clerk therein, or other offi-
cer of the Corporation, is directly or indirectly inter-

matters stated therein are in all respects true. Where
more than one person is interested, it is requisite that
the VERIFICATION be made and subscribed by all the
parties interested.

Each bid or estimate shall be accompanied by the con-
sent, in writing, of two householders or freeholders in the
City of New York, with their respective places of busi-

awarded to the person making the estimate, they will,
upon its being so awarded, become bound as his
sureties for its faithful performance; and that if he shall
omit or refuse to execute the same, they will pay to the
Corporation any difference between the sum to which
he would be entitled on its completion, and that which
the Corporation may be obliged to pay to the person or
persons to whom the contract may be awarded at any
subsequent letting; the amount in each case to be cal-
culated upon the estimated amount of the work by
which the bids are tested. The consent above men-
tioned shall be accompanied by the oath or affirmation,
in writing, of each of the persons signing the same, that
he is a householder or freeholder in the City of New

for the completion of this contract, over and above all
his debts of every nature, and over and above his
liabilities as bail, surety or otherwise, and that he has
offered himself as a surety in good faith and with the
intention to execute the bond required by section 12 of
chapter 7 of the Revised Ordinances of the City of New

addition to the justification and acknowledgment, be
approved by the Comptroller of the City of New York.

required for the faithful performance of the contract.
Such check or money must not be inclosed in the sealed
envelope containing the estimate, but must be handed to
the officer or clerk of the Department who has charge of
the estimate-box, and no estimate can be deposited in
said box until such check or money has been examined by
said officer or clerk and found to be correct. All such
deposits, except that of the successful bidder, will be re-
turned to the persons making the same within three days
after the contract is awarded. If the successful bidder
shall refuse or neglect within five days after notice that
the contract has been awarded to him, to execute the same,
the amount of the deposit made by him shall be forfeited
and retained by the City of New York as liquidated dam-

the contract within the time aforesaid the amount of his
deposit will be returned to him.

been awarded to his or their bid or proposal, or if he or
they accept but do not execute the contract and pro-
vide such proper security as has been heretofore stated to

Each estimate must contain the name and place of
residence of the person making the same, the names of
all persons interested with him therein, and if no other
person be so interested, it shall distinctly state that fact.
That it is made without any connection with any other
person making an estimate for the same work, and is in
all respects fair and without collusion or fraud. That no
member of the Common Council, head of a department,
chief of a bureau, deputy thereof, or clerk therein, or
other officer of the Corporation is directly or indirectly
interested in the estimate, or in the work to which it re-
lates or in the profits thereof.

Each estimate must be verified by the oath, in writing,
of the party making the same, that the several matters
therein stated are true, and must be accompanied by the
consent, in writing, of two householders or freeholders
in the City of New York, to the effect that if the con-
tract is awarded to the person making the estimate, they
will, upon its being so awarded, become bound as his
sureties for his faithful performance; and that if he
shall refuse or neglect to execute the same, they will
pay to the Corporation any difference between the sum
to which he would be entitled upon its completion and
that which the Corporation may be obliged to pay to the
person to whom the contract shall be awarded at any
subsequent letting; the amount to be calculated upon the
estimated amount of the work by which the bids are
tested.

The consent last above mentioned must be accom-
panied by the oath or affirmation, in writing, of each of
the persons signing the same, that he is a householder
or freeholder in the City of New York, and is worth the
amount of the security required for the completion of
the contract, over and above all his debts of every
nature, and over and above his liabilities as bail, surety,
or otherwise, and that he has offered himself as surety
in good faith, with the intention to execute the bond
required by law.

No estimate will be considered unless accompanied by
either a certified check upon one of the State or National
banks of the City of New York, drawn to the order
of the Comptroller, or money, to the amount of five
per centum of the amount of the security required for
the faithful performance of the contract. Such check or
money must not be inclosed in the sealed envelope con-
taining the estimate, but must be handed to the officer
or clerk of the Department who has charge of the
estimate-box, and no estimate can be deposited in said
box until such check or money has been examined by
said officer or clerk and found to be correct. All such
deposits, except that of the successful bidder, will be
returned to the persons making the same within three
days after the contract is awarded. If the successful
bidder shall refuse or neglect, within five days after
notice that the contract has been awarded to him, to
execute the same, the amount of the deposit made by
him shall be forfeited to and retained by the City of
New York as liquidated damages for such neglect or
refusal; but if he shall execute the contract within the
time aforesaid, the amount of his deposit will be
returned to him.

THE COMMISSIONER OF PUBLIC WORKS
RESERVES THE RIGHT TO REJECT ALL BIDS
RECEIVED FOR ANY PARTICULAR WORK IF
HE DEEMS IT FOR THE BEST INTERESTS OF
THE CITY.

Blank forms of bid or estimate, the proper envelopes
in which to inclose the same, the specifications and
agreements, and any further information desired, can be
obtained at Room 1, No. 31 Chambers street.

in compliance with the provisions of chapter 559,
Laws of 1887, amending sections 350 and 921 of the New

the following changes are made in charging and collect-

the books of the Bureau against the respective buildings

in like manner as other charges for water.

REGULATIONS ESTABLISHING A SCALE
OF WATER RENTS AND RULES
GOVERNING THE USE OF WATER,
FOR THE CITY OF NEW YORK,
BY ORDER OF THOMAS F. GILROY, COM-
MISSIONER OF PUBLIC WORKS.

UNDER CHAPTER 410, LAWS 1882, SECTIONS
350, 351, 352 and 353, and as amended by chapter
559, Laws 1887, as follows:

"The commissioner of public works shall, from time
to time, establish scales of rents for the supplying of
water, which rents shall be collected in the manner now
provided by law, and which shall be apportioned to
different classes of buildings in said city in reference to
their dimensions, values, exposure to fires, ordinary uses
for dwellings, stores, shops, private stables and other
common purposes, number of families or occupants, or
consumption of water, as near as may be practicable, and
modify, alter, amend and increase such scale from time to
time, and extend it to other descriptions of buildings and
establishments. All extra charges for water shall be
deemed to be included in the regular rents, and shall

become a charge and lien upon the buildings upon
which they are respectively imposed, and, if not paid,
shall be returned as arrears to the clerk of arrears.
Such regular rents, including the extra charges above
mentioned, shall be collected from the owners or occu-
pants of all such buildings respectively, which shall be
situated upon lots adjoining any street or avenue in said
city in which the distributing water-pipes are or may be
laid, and from which they can be supplied with water.
Said rents, including the extra charges aforesaid, shall
become a charge and lien upon such houses and lots,
respectively, as herein provided, but no charge what-
ever shall be made against any building in which a
water-meter may have been, or shall be placed as pro-
vided in this act. In all such cases the charge for
water shall be determined only by the quantity of water
actually used as shown by said meters. * * * * *

The said commissioner of public
works is hereby authorized to prescribe a penalty not
exceeding the sum of five dollars for each offense, for
permitting water to be wasted, and for any violation of
such reasonable rules as he may, from time to time,
prescribe for the prevention of the waste of water; such
fines shall be added to the regular water rents."

The regular annual rents to be collected by the
Department of Public Works shall be as follows, to wit:

for special contract by and with the Commissioner of
Public Works.

HYDRANTS, HOSE, TROUGHS, FOUNTAINS, ETC., ETC.

No owner or tenant will be allowed to supply water to
another person or persons.

All persons taking water from the City must keep
their own service-pipes, street tap, and all fixtures
connected therewith, in good repair, protected from frost,
at their own risk and expense, and shall prevent all waste
of water.

The use of hose to wash coaches, omnibuses, wagons,
railway cars or other vehicles or horses, cannot be per-

license or permit taken out for that purpose. All

by freezing in and about such troughs or fixtures.

No hydrant will be permitted on the sidewalk or in the
front area, and any hydrant standing in a yard or alley,
attached to any dwelling or building, must not be left
running when not in actual use, and if the drip or waste

winter, the supply will be shut off in addition to the
penalty of five dollars imposed.

Taps at wash-basins, water-closets, baths and urinals
must not be left running, under the penalty of five dollars
for each offense, which will be strictly enforced.

Fountains or jets in hotels, porter-houses, eating-
saloons, confectioneries or other buildings are strictly
prohibited.

The use of hose for washing sidewalks, stoops, areas,
house-fronts, yards, court-yards, gardens, and about
stables, is prohibited. Where premises are provided
with wells, special permits will be issued for the use of
hose, in order that the police or inspectors of this depart-
ment may understand that the permission is not for the
use of Croton water.

Opening fire-hydrants to fill hand sprinklers or other
vessels will not be allowed.

The penalty for a violation of any of the preceding
rules and regulations will be five dollars for each offense,
and if not paid when imposed will become a lien on the
premises in like manner as all other charges for unpaid
water rates.

By order,

THOMAS F. GILROY,
Commissioner of Public Works.

DEPARTMENT OF PUBLIC WORKS,
COMMISSIONER'S OFFICE,
No. 31 CHAMBERS STREET,
NEW YORK, June 1st, 1889.

NOTICE TO CROTON WATER
CONSUMERS.

NUMEROUS APPLICATIONS HAVE BEEN
made to this Department by citizens claiming
reductions or rebates on bills for water supplied through
meters, on the alleged ground of leakage caused by de-
fective plumbing and worn-out service pipes, or by willful
waste of water by tenants allowing the faucets to be
turned on in full force in water-closets, sinks, etc., with-
out the knowledge or consent of the owners of the prem-
ises.

The main object of the use of water-meters is to enable
this Department to detect and check the useless and un-
warrantable waste of an element so valuable and essential
to the health and comfort of all the citizens, and this ob-
ject can only be accomplished by enforcing payment for the
water wasted.

Under the law all charges for water supplied through
meters are a lien against the respective premises, and the
law therefore holds the owner of the premises respon-
sible for the amount of water used or wasted.

Notice is therefore given to all householders that, in all
further applications for reduction of water rents, no
allowance will be made on account of waste of water
occurring through leaks, from defective service pipes or
plumbing, or wasteful use of water by tenants or occu-
pants of buildings, though such leakage or waste may
have occurred without the knowledge or consent of the
owners of the buildings.

House-owners are further notified that whenever their
premises become vacant, and are likely to remain vacant,
they must notify this
