HOMELESS SERVICES**AGENCY CHIEF CONTRACTING OFFICER****SOLICITATIONS***Human/Client Service*

TENANCY PRESERVATION LEGAL SERVICES – Competitive Sealed Proposals – Judgment required in evaluating proposals - PIN# 071-11S-03-1368 – DUE 02-18-10 AT 2:00 P.M. – The Department of Homeless Services (“DHS”, “Agency” or “Department”) is seeking appropriately qualified legal services provider(s) to provide “Tenancy Preservation Legal Services to assist in fulfilling its mission to prevent homelessness and shelter entry. The services required are to provide an array of legal and related services to help ensure that low income families facing eviction or other potential loss of housing remain housed to avoid becoming homeless and entering shelter. The provider(s) will serve households who are self-referred, as well as families referred by housing court personnel and city and private agencies. The program services under this RFP will be provided citywide to at-risk families. DHS also intends to provide funding for the provision of an Innovative Court-Based Homelessness Prevention Project program located in Housing Court that would: 1) target at-risk tenants from a specific zip-code(s); and 2) provide ongoing social services case management to families, to the extent appropriate. DHS is seeking one provider to serve all three boroughs for this program option. There will be two separate program competitions. DHS anticipates awarding up to 10 contracts for Option #1 and one provider to provide services citywide for Option #2. A proposer may propose to provide more than one program cited above; however, a separate and complete proposal package must be submitted for each program.

Program Options/Anticipated Maximum Available Annual Funding
Proposers may propose to provide either: Program Option #1; Program Option #2; or both.

Program Option #1 (Tenancy Preservation Legal Services) will be provided citywide. DHS anticipates the maximum available funding for the contracts awarded from this RFP under Program Option #1 will be \$14,500,000 during the three year term with \$5,500,000 available during the first year, FYI 2011. A portion of the available funding for this program may be provided through the American Recovery and Reinvestment Act; selected proposers would have to comply with all federal rules and regulations. DHS anticipates awarding approximately 10 contracts, with programs in each of the five boroughs.

There will be a separate competition for each borough, as well as a citywide competition. It should be noted that Staten Island has been included with the Brooklyn competition. Proposers must propose a minimum of 300 cases per year; this minimum may be achieved through subcontracting with other providers. Within each competition, DHS anticipates making awards that result in a mix of diverse programs.

Proposers may propose programs in more than one competition, but must submit a separate proposal for each proposed service area. Where a proposer is eligible for awards to operate more than one program option, DHS reserves the right to determine, based on the proposer’s demonstrated capability to successfully provide program services and in the best interests of the City, respectively, how many and for which option(s) the proposer(s) will be awarded a contract.

Program Option #2 (The Innovative Court-Based Homelessness Prevention Project) will target specific neighborhoods with the highest demand for shelter. DHS is seeking one provider to provide services citywide. Proposers must propose a minimum of 1,500 cases per year. Once awarded, the Department reserves the right to modify service targets, funding, and the contract.

DHS anticipates the maximum available funding for the contract awarded from this RFP under Program Option #2 will be \$4,500,000 during the three year term with \$1,500,000 available during the first year. A portion of the available funding for this program may be provided through the American Recovery and Reinvestment Act; selected proposers would have to comply with all federal rules and regulations.
