## BOARD OF ESTIMATE AND APPORTIONMENT.

BOARD OF ESTIMATE AND APPORTIONMENT—CITY OF NEW YORK,  
MAYOR'S OFFICE, CITY HALL,  
WEDNESDAY, October 3, 1894, 11 o'clock A. M.

The Board met, in pursuance of the following call:

OFFICE OF THE MAYORALTY,  
EXECUTIVE DEPARTMENT, CITY HALL,  
NEW YORK, October 1, 1894.

In pursuance of the authority contained in the 189th section of the New York City Consolidation Act of 1882, and chapter 106 of the Laws of 1893, a meeting is hereby called of the Mayor, Comptroller, President of the Board of Aldermen, President of the Department of Taxes and Assessments and Counsel to the Corporation, constituting a Board of Estimate and Apportionment, to be held at the office of the Mayor on Wednesday, October 3, 1894, at 11 o'clock A. M., for the purpose of transacting such business as may be brought before the Board.

THOS. F. GILROY, Mayor.

INDORSED

Admission of a copy of the within as served upon us this 3d day of October, 1894.

THOS. F. GILROY,

Mayor;

ASHBEL P. FITCH,

Comptroller;

GEO. B. MCCLELLAN,

President of the Board of Aldermen;

E. P. BARKER,

President of the Department of Taxes and Assessments;

WM. H. CLARK,

Counsel to the Corporation.

Present—Thomas F. Gilroy, the Mayor; Ashbel P. Fitch, the Comptroller; George B. McClellan, the President of the Board of Aldermen; Edward P. Barker, the President of the Department of Taxes and Assessments; William H. Clark, the Counsel to the Corporation.

The minutes of the meeting held September 18, 1894, were read and approved.

The Comptroller presented the following:

CITY OF NEW YORK—FINANCE DEPARTMENT,  
COMPTROLLER'S OFFICE,  
October 2, 1894.

To the Board of Estimate and Apportionment:

I beg to submit herewith, for favorable action by the Board of Estimate and Apportionment, three resolutions of the Park Department, which were referred to me at the meeting of this Board held September 18, 1894.

The resolution requesting authority to expend on the work of surfacing the sidewalks on the easterly and westerly sides of Morningside Park the sum of twenty-four thousand dollars (\$24,000) out of the appropriation authorized under the provisions of chapter 444 of the Laws of 1889, for parapet wall, etc., on the southerly and westerly sides of the said park, should, in my opinion, be favorably acted upon, because the sidewalks around that park have been partially worked, but not completed, and the stone foundation having been nearly all laid, the walks are in a very rough condition.

The resolution requesting authority to expend the sum of two thousand dollars (\$2,000) under the authority of chapter 45 of the Laws of 1894, and the same amount under chapter 511 of the Laws of 1894, to be used for the purpose of making surveys, plans and estimates for the improvement of Cathedral Parkway and Corlears Hook Park, should be complied with, the surveys being necessary prerequisites before the plans for these works can be presented to the Board of Estimate and Apportionment for its approval, and the amounts required being moderate, in view of the extensive appropriation (\$200,000) authorized by the Legislature for these works.

The request of the Park Department to be allowed to expend the sum of four thousand seven hundred and twenty (\$4,720) dollars, under the authority of chapter 11 of the Laws of 1894, for the work of re-surfacing walks in Central Park with asphalt, contemplates the completion of this work in Central Park below Fifty-fifth street. The amount requested is the exact balance remaining unappropriated under the said act, and should, in my opinion, be granted.

At the request of the Park Department I also submit a resolution amending a resolution adopted by this Board May 15, 1894, so as to provide that the sum of four thousand eight hundred and forty-one dollars and twenty-two cents (\$4,841.22) may be made applicable to the work of completing the entrances to Mount Morris Park instead of covering the walks in Mount Morris Park with rock asphalt as originally provided in said resolution.

Respectfully,

ASHBEL P. FITCH, Comptroller.

Resolved, That, pursuant to the provisions of chapter 11 of the Laws of 1894, the Department of Public Parks be and is hereby authorized and directed to expend the sum of four thousand seven hundred and twenty dollars (\$4,720) upon Central Park, which is hereby designated as one of the parks to be improved, as provided by said chapter 11 of the Laws of 1894 and for the purposes following:

"Central Park, Improvement of—Resurfacing Walks with Asphalt, etc."..... \$4,720 00

Said appropriation to be in addition to the amount heretofore authorized to be expended for said purpose.

Which was adopted by the following vote:

Affirmative—The Mayor, Comptroller, President of the Board of Aldermen, President of the Department of Taxes and Assessments, and Counsel to the Corporation—5.

The Comptroller presented the following:

CITY OF NEW YORK—FINANCE DEPARTMENT,  
COMPTROLLER'S OFFICE,  
September 28, 1894.

Hon. ASHBEL P. FITCH, Comptroller:

SIR—The Department of Public Parks, by resolution adopted on August 22, 1894, requests the Board of Estimate and Apportionment "to authorize the issue of bonds, as provided by chapters 45 and 511 of the Laws of 1894, to the amount of \$2,000, under each law, to be used for the purpose of making surveys, plans and estimates for the improvement of Cathedral Parkway and Corlears Hook Park, any balance or balances that may be left remaining of such amounts to be applicable to the work of the respective improvements when authorized."

The works above named are both extensive, the appropriation for each being \$200,000. It is absolutely necessary to make the surveys, plans and estimates before the work can be presented to the Board of Estimate and Apportionment for its approval, in conformity with the terms of the law.

I do not think the amount named is too high for the work required, and even if it should not all be necessary the balance would go toward the construction.

Respectfully,

EUG. E. MCLEAN, Engineer.

Resolved, That, pursuant to the provisions of chapter 45 of the Laws of 1894, the Comptroller be and is hereby authorized and directed to issue bonds in the name of the Mayor, Aldermen and Commonalty of the City of New York, to be known as "Consolidated Stock of the City of New York," as provided by section 132 of the New York City Consolidation Act of 1882, to the amount of two thousand dollars (\$2,000), redeemable in not less than ten nor more than twenty years from the date of issue, bearing interest at a rate not exceeding three and one-half per cent. per annum, the proceeds of which bonds shall be applied to the making of surveys, plans and estimates, for the improvement and completion of Cathedral Parkway and the entrances or approaches thereby to Central, Morningside and Riverside Parks in the City of New York, as provided by said chapter 45 of the Laws of 1894, and as requested by a resolution of the Department of Public Parks adopted August 22, 1894.

Which was adopted by the following vote:

Affirmative—The Mayor, Comptroller, President of the Board of Aldermen, President of the Department of Taxes and Assessments and Counsel to the Corporation—5.

The Comptroller offered the following:

Resolved, That, pursuant to the provisions of chapter 511 of the Laws of 1894, the Comptroller be and is hereby authorized and directed to issue bonds in the name of the Mayor, Aldermen and Commonalty of the City of New York, to be known as "Consolidated Stock of the City of New York," as provided by section 132 of the New York City Consolidation Act of 1882, to the amount of two thousand dollars (\$2,000), redeemable in not less than ten nor more than twenty years from date of issue, bearing interest at a rate not exceeding three and one-half per cent. per annum, the proceeds of which bonds shall be applied to the making of surveys, plans and estimates for the construction and improvement of Corlears Hook Park in the City of New York, as provided in said chapter 511 of the Laws of 1894, and as requested in a resolution of the Department of Public Parks adopted August 22, 1894.

Which was adopted by the following vote:

Affirmative—The Mayor, Comptroller, President of the Board of Aldermen, President of the Department of Taxes and Assessments and Counsel to the Corporation—5.

The Comptroller presented the following:

CITY OF NEW YORK—FINANCE DEPARTMENT,  
COMPTROLLER'S OFFICE,  
September 7, 1894.

Hon. ASHBEL P. FITCH, Comptroller:

SIR—The President of the Department of Public Parks, in communication of August 3, 1894, to the Board of Estimate and Apportionment, requests "that the sum of \$24,000 of the appropriation authorized under the provisions of chapter 444, Laws of 1889, for parapet wall, etc., on southerly and westerly sides of Morningside Park, may be expended upon the work of surfacing the sidewalks on the easterly and westerly sides of said park, the estimated cost of which is, as follows:

88 800 square feet pavement of concrete and asphalt (stone substructure complete), 18 cents.....	\$15,984 00
22,100 square feet pavement of concrete and asphalt with stone base, 30 cents.....	6,630 00
540 lineal feet new 5-inch curb, 65 cents.....	351 00
130 lineal feet old curb reset, 10 cents.....	13 00
Contingencies, Inspection, Engineers, etc., 5 per cent.....	1,148 90
Total.....	\$24,126 90

Say \$24,000.

The sidewalks around the Morningside Park have been only partially worked, that is, the stone foundation has been laid throughout the most of it, leaving the walks in the roughest possible condition. I think the request of the President for authority to expend \$24,000 of the balance left of the \$117,000 appropriated by the Board of Estimate and Apportionment for parapet, etc., can with propriety be complied with. The work is absolutely necessary, and must be done shortly.

The estimate is based on prices heretofore paid for such work, and is as near as can be made in advance.

Respectfully,  
EUG. E. MCLEAN, Engineer.

Whereas, The Board of Estimate and Apportionment, by resolution adopted March 5, 1891, approved a plan of the Department of Public Parks for a parapet wall and railing for Morningside Park, and authorized the Comptroller to issue Consolidated Stock of the City of New York to the amount of one hundred and seventeen thousand (117,000) dollars, for the purpose of completing the said work, as provided by chapter 444 of the Laws of 1889; and

Whereas, The Department of Public Parks have certified that the said work has been fully completed at a cost of seventy-eight thousand four hundred and ninety dollars and sixty-two cents (\$78,490.62), and request that the sum of twenty-four thousand (24,000) dollars of the unexpended balance of the amount thus heretofore appropriated be made applicable to the work of surfacing the sidewalks on the easterly and westerly sides of said Park;

Resolved, That, pursuant to the provisions of chapter 444 of the Laws of 1889, the plan submitted by the Department of Public Parks for surfacing the sidewalks on the easterly and westerly sides of Morningside Park be and the same is hereby approved, and that the sum of twenty-four thousand (\$24,000) dollars be and the same is hereby made applicable to the said work from the appropriation made by the Board of Estimate and Apportionment March 5, 1889, from the proceeds of bonds issued under the authority of said chapter 444 of the Laws of 1889.

Which was adopted by the following vote:

Affirmative—The Mayor, Comptroller, President of the Board of Aldermen, President of the Department of Taxes and Assessments and Counsel to the Corporation—5.

The Comptroller offered the following:

Resolved, That the resolution adopted by this Board May 15, 1894, which provided that the sum of four thousand eight hundred and forty-one dollars and twenty-two cents (\$4,841.22), being the unexpended balance of the appropriation made by the Board of Estimate and Apportionment by a resolution adopted March 29, 1892, for constructing a coping and railing for Mount Morris Park, in pursuance of the provisions of chapter 575 of the Laws of 1887, should be made applicable to the work of covering the walks in Mount Morris Park with rock asphalt, and placing the same in good condition, be and the same is hereby amended so as to provide that said unexpended balance shall be made applicable to the work of completing the entrances to Mount Morris Park.

Which was adopted by the following vote:

Affirmative—The Mayor, Comptroller, President of the Board of Aldermen, President of the Department of Taxes and Assessments and Counsel to the Corporation—5.

The Mayor offered the following:

Which was adopted by the following vote:

Affirmative—The Mayor, Comptroller, President of the Board of Aldermen, President of the Department of Taxes and Assessments and Counsel to the Corporation—5.

The following communication was received:

HEADQUARTERS FIRE DEPARTMENT,  
Nos. 157 AND 159 EAST SIXTY-SEVENTH STREET,  
NEW YORK, September 20, 1894.

Hon. THOMAS F. GILROY, Mayor:

SIR—I have the honor to inform you that on the 18th instant, proposals were opened for constructing a new building at the corner of White and Elm streets—

The lowest being..... \$74,300 00  
The Architect's fees at five per cent. will be..... 3,715 00

Making the total expenditure..... \$78,015 00

The sureties have been approved by the Comptroller and the proposal is ready for award.

The appropriation made for the purpose by the Board of Estimate and Apportionment on July 9 last, was \$75,000; the amount needed, upon the lowest proposal received, is therefore \$3,015 in excess of the appropriation.

I request, therefore, that the amount needed in excess of the appropriation already made, to wit, \$3,000, be appropriated by the Board of Estimate and Apportionment for the purpose, out of the proceeds of the bonds authorized to be issued by the Board of Estimate and Apportionment by a resolution adopted on July 9 last, under and in pursuance of the provisions of chapter 76, Laws of 1894.

I have already seen the Comptroller in regard to the matter. In my opinion if it were necessary to readvertise, it would cause a loss of time and money to the city, and I therefore further request that action hereon be taken as speedily as possible.

Very respectfully,  
S. HOWLAND ROBBINS, Acting President.

Whereupon the Comptroller presented the following:

CITY OF NEW YORK—FINANCE DEPARTMENT,  
COMPTROLLER'S OFFICE,  
October 3, 1894.

To the Board of Estimate and Apportionment:

By a resolution of this Board adopted July 9, 1894, the sum of seventy-five thousand dollars (\$75,000) was appropriated under the authority of chapter 76 of the Laws of 1894, for the erection of a building on the plot of ground at White and Elm streets, to be used as an engine-house, headquarters of Chief of Battalion, water tower-house, and storage for apparatus and fuel depot.

The bids for this work were opened by the Commissioners of the Fire Department on September 12, 1894. Nine bids were received, of which the lowest was \$74,300. The Architect's fees for this building will amount to \$3,715, making a total of \$78,015, or \$3,015 more than was appropriated for this purpose by the resolution of July 9, 1894.

In view of the fact that that portion of the resolution of July 9, 1894, which appropriated \$45,000 for a site for an engine-house in Maiden Lane has been rescinded, this additional amount required may be appropriated under the authority of the aforesaid act, and I offer for adoption the following resolution.

Respectfully,  
ASHBEL P. FITCH, Comptroller.

Resolved, That the resolution adopted by the Board of Estimate and Apportionment July 9, 1894, approving appropriations for the Fire Department, pursuant to chapter 76 of the Laws of 1894, be and the same is hereby amended by adding three thousand and fifteen dollars (\$3,015) to the appropriation therein made for the erection of an engine-house at White and Elm streets, so that the said appropriation shall read as follows:

For the Erection of a Building on the Plot of Ground at White and Elm Streets, to be used as an Engine-house, Headquarters of Chief of Battalion, Water-tower House and Storage for Apparatus and Fuel Depot..... \$78,015 00

Which was adopted by the following vote:

Affirmative—The Mayor, Comptroller, President of the Board of Aldermen, President of the Department of Taxes and Assessments and Counsel to the Corporation—5.

The following resolution is submitted for adoption:

SIR—At a meeting of the Board of Health of the Health Department, held on Wednesday, September 19, the following resolution was adopted:

Resolved, That the report and recommendation of Chief Inspector A. H. Doty, M. D., in respect to the claim of A. Weinstein, for loss of ten suits of clothes, which were either lost or stolen from delivery wagon of this department while in transit, or stolen from depot at East Sixteenth street, amounting to the sum of seventy dollars, be and is hereby approved, and the Secretary is directed to forward a copy of the report to the Comptroller with the recommendation that the claim be paid.

HEALTH DEPARTMENT—DIVISION OF CONTAGIOUS DISEASES,  
No. 309 MULBERRY STREET,  
NEW YORK, September 12, 1894.

Hon. CHARLES G. WILSON, President:

SIR—I have the honor to report that I have carefully and thoroughly investigated the case of Mr. A. Weinstein, of No. 209 East One Hundred and Fourth street, who alleges that two hundred and seventeen (217) pieces of cloth were taken from his store at the above address on July 13, and removed to the Health Department Station, foot of East Sixteenth street, for disinfection, and that only one hundred and eighty-seven (187) pieces were returned. He claims that the articles missing, consisting of ten (10) suits of clothes (diagonal cloth) were valued at one hundred and twenty-five dollars (\$125). The result of the investigation indicates that the said number of pieces of clothing (30) were either lost or stolen from delivery wagon while in transit or stolen from depot in East Sixteenth street. It was evident, however, as annexed reports will show, that the goods were not of the texture (diagonal cloth) reported by Mr. Weinstein. Mr. Weinstein is anxious to move out of town, and is willing to accept seventy dollars (\$70) for the loss sustained.

As the goods were lost while in possession of this Department, and as the amount asked for (\$70) is, as far as I am able to ascertain, a fair price for the lost goods referred to, I would recommend that the claim be allowed.

Respectfully,

A. H. DOTY, M. D., Chief Inspector.

The Comptroller presented the following:

DEPARTMENT OF PUBLIC WORKS—COMMISSIONER'S OFFICE,  
No. 31 CHAMBERS STREET,  
NEW YORK, September 4, 1894.

Hon. THOMAS F. GILROY, Chairman, Board of Estimate and Apportionment:

DEAR SIR—I have the honor to request that your Board authorize and direct the Comptroller to make a further issue of bonds to the amount of \$50,000, provided for in chapter 48, Laws of 1894, for the construction of a bridge over the Harlem Ship Canal on the line of Kingsbridge road. The total amount authorized by the act is \$450,000, of which \$400,000 has heretofore been appropriated. The available balance of \$50,000 is necessary to complete the construction of the bridge and approaches.

Very respectfully,

MICHAEL T. DALY, Commissioner of Public Works.

CITY OF NEW YORK—FINANCE DEPARTMENT,  
COMPTROLLER'S OFFICE,  
September 28, 1894.

Hon. ASHBEL P. FITCH, Comptroller:

SIR—The Commissioner of Public Works, in communication of September 4, 1894, to the Board of Estimate and Apportionment, requests that authority be given "to make a further issue of bonds to the amount of \$50,000, provided for in chapter 48, Laws of 1894, for the construction of a bridge over the Harlem Ship Canal, on the line of Kingsbridge road. The total amount authorized by the act is \$450,000, of which \$400,000 has heretofore been appropriated. The available balance, \$50,000, is necessary to complete the construction of the bridge and approaches."

The bridge is rapidly approaching completion and about \$400,000 has been expended, and I think no argument is necessary to show that the additional appropriation asked for should be made.

Respectfully,

EUG. E. McLEAN, Engineer.

And offered the following:

Resolved, That, in pursuance of the provisions of chapter 232, Laws of 1892, as amended by chapter 48 of the Laws of 1894, the Comptroller be and hereby is authorized and directed to issue bonds in the name of the Mayor, Aldermen and Commonalty of the City of New York, to be known as "Consolidated Stock of the City of New York," as provided by section 132 of the New York City Consolidation Act of 1882, to the amount of fifty thousand dollars (\$50,000), to run for such period as the Comptroller shall determine, and redeemable from time to time, but not less than twenty years after the date thereof, and at a rate of interest not exceeding three and one-half per cent. per annum, the proceeds of which bonds shall be applied to the purpose of defraying the expenses of the construction of a bridge over the Harlem Ship Canal and approaches thereto, with the necessary abutments and arches as provided for in said act.

Which was adopted by the following vote:

Affirmative—The Mayor, Comptroller, President of the Board of Aldermen, President of the Department of Taxes and Assessments and Counsel to the Corporation—5.

The Comptroller presented the following:

CITY OF NEW YORK—FINANCE DEPARTMENT,  
COMPTROLLER'S OFFICE,  
September 28, 1894.

Hon. ASHBEL P. FITCH, Comptroller:

SIR—The Commissioner of Public Works, in communication of September 7, 1894, to the Board of Estimate and Apportionment, informs the Board that the "amount already provided, under chapter 38 of the Laws of 1892, for the erection of necessary pumping machinery, etc., to deliver water at higher elevation in the City of New York, from the New Aqueduct, has been expended."

The amount appropriated by the Board of Estimate and Apportionment, by resolution adopted January 10, 1893, was \$250,000.

The amount appropriated in the law, chapter 38, Laws of 1892, is \$500,000.

By the expression "expended," it is not meant that the \$250,000 heretofore appropriated has actually been paid out, but that contracts entered into cover that amount, and it is necessary to provide for expenditures which will come on in due course.

The request of the Commissioner that the Board of Estimate and Apportionment authorize the issue of bonds for an additional \$250,000, for the continuance of the work, I think, ought to be complied with.

Respectfully,

EUG. E. McLEAN, Engineer.

And offered the following:

Whereas, The Board of Estimate and Apportionment, by resolutions adopted January 10, 1893, authorized the Commissioner of Public Works to expend for materials, labor and surveys in erecting the necessary pumping machinery, structures and appurtenances, and in laying the necessary mains to deliver water from the New Aqueduct at higher elevations in the City of New York, in pursuance of chapter 38, Laws of 1892, a sum not to exceed in all five hundred thousand dollars (\$500,000), and authorized the Comptroller to issue bonds as provided in said act to the amount of two hundred and fifty thousand dollars (\$250,000); and

Whereas, The Commissioner of Public Works, in a communication dated September 7, 1894, requests the issue of bonds for an additional two hundred and fifty thousand dollars (\$250,000) for the continuance of said work;

Resolved, That the Comptroller be and is hereby authorized and directed to issue bonds in the name of the Mayor, Aldermen and Commonalty of the City of New York, to be known as "Water-main Stock of the City of New York," as provided by chapter 38 of the Laws of 1892, to the amount of two hundred and fifty thousand dollars (\$250,000), to run for such period as the Comptroller shall determine, but not less than ten nor more than fifty years, bearing interest at a rate not exceeding three and one-half per cent. per annum, the proceeds of which bonds shall be applied to the erection of the necessary pumping machinery, structures and appurtenances, and to lay the necessary mains to deliver water at higher elevations in the City of New York from the New Aqueduct, as provided in said chapter 38 of the Laws of 1892.

Which were adopted by the following vote:

Affirmative—The Mayor, Comptroller, President of the Board of Aldermen, President of the Department of Taxes and Assessments and Counsel to the Corporation—5.

DEPARTMENT OF PUBLIC WORKS—COMMISSIONER'S OFFICE,  
No. 31 CHAMBERS STREET,  
NEW YORK, September 27, 1894.

Hon. ASHBEL P. FITCH, Comptroller:

DEAR SIR—For your information I transmit herewith a duplicate of a communication which I have this day sent to the Mayor as Chairman of the Board of Estimate and Apportionment, requesting a transfer of \$11,500 to the appropriation for "Concreting and facing with masonry the Old Central Park Reservoir" and \$10,000 to a special appropriation for repairs to asphalt pavement on Eighth avenue, from Thirteenth to Fifty-ninth street.

Very respectfully,

MICHAEL T. DALY, Commissioner of Public Works.

DEPARTMENT OF PUBLIC WORKS—COMMISSIONER'S OFFICE,  
No. 31 CHAMBERS STREET,  
NEW YORK, September 27, 1894.

Hon. THOMAS F. GILROY, Chairman, Board of Estimate and Apportionment:

DEAR SIR—The appropriation of \$70,000, which was made in the Final Estimate for 1891, under the head of "Aqueduct—Repairs, Maintenance and Strengthening," for the special purpose of "Concreting and facing with masonry the Old Central Park Reservoir," has proved insufficient to complete that work, owing to the fact that, as that work progressed, it was found that larger quantities of work were required than were provided for in the original estimates. It is, therefore, necessary that the appropriation be supplemented by a transfer.

I would also call the attention of your Board to the fact that all the moneys which were retained under two contracts with the Matt Taylor Paving Company, dated May 28 and June 30, 1890, respectively, for paving with asphalt Eighth avenue, from Thirteenth to Fifty-ninth street, have been expended in repairs to that pavement, the contracting company and its sureties having failed to do anything whatever in regard to the obligation of maintaining the pavement in good condition for fifteen years. Even with the repairs thus made out of the moneys retained under the two contracts, the pavement is now and has, for some time, been in very bad condition, giving rise to numerous and well-founded complaints. It is, therefore, desirable and necessary to set apart, by transfer, a special appropriation for continuing the repairs of the Eighth avenue asphalt pavement.

The sum of \$21,500 can be spared from the appropriation for "Aqueduct—Repairs, Maintenance and Strengthening" for 1894, for the above-mentioned purposes. I, therefore, respectfully ask that your Board will transfer the sum of \$11,500 from that appropriation to the appropriation for "Concreting and facing with masonry the Old Central Park Reservoir" for 1891, and the sum of \$10,000 to a special appropriation for "Repairs of asphalt pavement on Eighth avenue, from Thirteenth to Fifty-ninth street."

Very respectfully,

MICHAEL T. DALY, Commissioner of Public Works.

And offered the following:

Resolved, That the sum of twenty-one thousand five hundred dollars (\$21,500) be and the same is hereby transferred from the appropriation made to the Department of Public Works for the year 1894, entitled "Aqueduct—Repairs, Maintenance and Strengthening," the same being in excess of the amount required for the purposes and objects thereof, to the following appropriations made to the said Department, and as follows:

"Aqueduct—Repairs, Maintenance and Strengthening—Concreting and facing with masonry the old Central Park Reservoir," 1891 .....	\$11,500 00
"Repairs and Renewals of Pavements and Regrading," 1894 (to be used exclusively for repairing Eighth avenue, from Thirteenth to Fifty-ninth street) .....	10,000 00
	<hr/> \$21,500 00

—the amounts of said appropriations being insufficient.

Which was adopted by the following vote :  
Affirmative—The Mayor, Comptroller, President of the Board of Aldermen, President of the Department of Taxes and Assessments and Counsel to the Corporation—5.

The Comptroller presented the following :

DEPARTMENT OF PUBLIC WORKS—COMMISSIONER'S OFFICE,  
NO. 31 CHAMBERS STREET,  
NEW YORK, October 2, 1894.

Hon. THOMAS F. GILROY, Chairman, Board of Estimate and Apportionment :

DEAR SIR—The Superintendent of Street Improvements reports to me that the work of flagging the sidewalk on the Tenth street side of Jefferson Market cannot be done without a transfer. The estimated cost of the work is \$300, while in the appropriation for "Flagging and Fencing in Front of City Property" there is a balance of only \$131.37.

It is therefore recommended that \$200 be transferred to that appropriation from the appropriation for "Street Improvements—For Surveying, Monumenting, etc.," from which said amount can be spared.

The work for which this transfer is asked is absolutely necessary, the sidewalk to be flagged being in a dangerous condition.

Very respectfully,

MICHAEL T. DALY, Commissioner of Public Works.

CITY OF NEW YORK—FINANCE DEPARTMENT,  
COMPTROLLER'S OFFICE,  
October 2, 1894.

Hon. ASHBEL P. FITCH, Comptroller :

SIR—The Commissioner of Public Works, in communication of this date to the Board of Estimate and Apportionment, requests a transfer of \$200 from the appropriation for "Street Improvements—For Surveying, Monumenting, etc.," from which appropriation the amount can be spared, to the appropriation for "Flagging and Fencing in front of City Property," where there is a balance of only \$131.37.

This transfer is asked in order that the Department may flag the sidewalk on the Tenth street side of Jefferson Market, which is represented to be in a dangerous condition, the estimated cost of which is \$300.

I think the circumstances warrant the transfer asked.

Respectfully,

EUG. E. MCLEAN, Engineer.

And offered the following :

Resolved, That the sum of two hundred dollars be and the same is hereby transferred from the appropriation made to the Department of Public Works for 1894, entitled "Street Improvements—For Surveying, Monumenting and Numbering Streets," the same being in excess of the amount required for the purposes and objects thereof, to the appropriation made to the said Department for 1894, entitled "Flagging Sidewalks and Fencing Vacant Lots in front of City Property," the amount of said appropriation being insufficient.

Which was adopted by the following vote :

Affirmative—The Mayor, Comptroller, President of the Board of Aldermen, President of the Department of Taxes and Assessments and Counsel to the Corporation—5.

The Comptroller called attention to the requisition of the Department of Public Works for the issue of \$50,000 bonds to be expended for additional fire-hydrants, to be placed where called for by the Fire Department, during the present year, and authorized by chapter 519, Laws of 1894, which was presented to this Board May 22, 1894, and referred to him, and stated that the Chief Engineer of the Fire Department was present and would make known the necessity for the same. The Chief of the Fire Department stated to the Board the necessity for additional fire-hydrants.

Debate was had thereon, whereupon, on motion of the Mayor, the matter was laid over, and the Chief Engineer of the Department of Public Works requested to furnish to this Board a statement showing the necessity for additional fire-hydrants and the number that will be required during the present year, their location, pattern and cost.

The Comptroller offered the following :

Whereas, At a meeting of the Board of Estimate and Apportionment held December 11, 1893, a voucher was received from the Counsel to the Corporation certifying the bills of six expert witnesses employed by him in the matter of the application of the Commissioners of Public Parks to acquire title to the gore of land north of One Hundred and Fifty-third street, between Seventh avenue and Macomb's Dam road, as follows :

Sinclair Myers.....	\$250 00
D. Phoenix Ingraham & Co.....	250 00
James Bleecker & Son.....	250 00
W. G. L. King.....	250 00
John F. Dawson.....	200 00
Charles V. Hough.....	100 00

And Whereas, At meetings of this Board held March 20, 1894, July 9, 1894, and July 31, 1894, writs of mandamus, issuing out of the Supreme Court, were received, directing the payment of certain of these bills, together with costs, to the relators ; and

Whereas, Of the said several bills that of Sinclair Myers alone remains unpaid ;

Resolved, That, pursuant to chapter 207 of the Laws of 1890, and the amendment thereto, being chapter 13 of the Laws of 1892, entitled "An Act to provide for the construction of a bridge over the Harlem river in the City of New York," and in accordance with an opinion of the Counsel to the Corporation dated March 19, 1894, the Comptroller be and hereby is authorized and directed to issue Consolidated Stock of the City of New York, as provided by section 132 of the New York City Consolidation Act of 1882, to the amount of two hundred and fifty (250) dollars, payable from taxation, to run for such period as the Comptroller shall determine, not less than twenty years from the date thereof, bearing interest at a rate not exceeding three per cent. per annum, for the purpose of paying the bill of Sinclair Myers for services as an expert witness in the matter of the application of the Commissioners of Parks, relative to acquiring title to the gore of land north of One Hundred and Fifty-third street, between Seventh avenue and Macomb's Dam road, as certified by the Counsel to the Corporation in his communication to the Board of Estimate and Apportionment dated November 24, 1893.

Which were adopted by the following vote :

Affirmative—The Mayor, Comptroller, President of the Board of Aldermen, President of the Department of Taxes and Assessments and Counsel to the Corporation—5.

The Comptroller presented the following :

CITY OF NEW YORK—FINANCE DEPARTMENT,  
COMPTROLLER'S OFFICE,  
October 2, 1894.

To the Board of Estimate and Apportionment :

The appropriation of one hundred thousand dollars (\$100,000) authorized by this Board July 6, 1893, under the authority of chapter 339 of the Laws of 1892, for the expenses incurred and to be incurred for the purpose of regulating, improving and enlarging Park avenue above One Hundred and Sixth street has been exhausted and the work is now progressing rapidly. It will soon become necessary for the City to make payments to a large amount on account of its liability under the said act, and I therefore offer the following resolution to authorize the issue of assessment bonds to the amount of two hundred and fifty thousand dollars (\$250,000) to provide for such expenditure.

Respectfully,

ASHBEL P. FITCH, Comptroller.

Resolved, That the Comptroller be and he hereby is authorized to issue assessment bonds to the amount of two hundred and fifty thousand dollars (\$250,000), to be known as "Assessment Bonds for the Park Avenue Improvement above One Hundred and Sixth Street," at such rate of interest, not exceeding three per cent. per annum, payable semi-annually, and for such period, not exceeding five years, as the Comptroller may determine, as provided by section 144 of the New York City Consolidation Act of 1882 and chapter 339 of the Laws of 1892.

Which was adopted by the following vote :

Affirmative—The Mayor, Comptroller, President of the Board of Aldermen, President of the Department of Taxes and Assessments, and Counsel to the Corporation—5.

The Comptroller offered the following :

Whereas, Section 203 of the New York City Consolidation Act of 1882 provides that the Board of Estimate and Apportionment shall file with the said Final Estimate, during the month of December in each year, a schedule of the names of all persons not within a department, employed under the City Government, the designation of their officers and employments respectively, and the salaries and compensation fixed for each, which said schedule shall be published in the CITY RECORD ; therefore be it

Resolved, That the Clerk be requested to prepare and present to this Board, before the adoption of the Final Estimate for 1895, a schedule in conformity with the provisions of law above recited ; and for this purpose is authorized to obtain from all officers and boards of the City Government, not within a department, a statement of the facts required by said law to be filed and published.

Adopted.

The Comptroller offered the following :

Resolved, That the Heads of Departments, the Board of Education, and all officers who have annual appropriations made to them by the Board of Estimate and Apportionment, be and are hereby requested to furnish to this Board, positively on or before the first day of December, 1894, statements of all unexpended balances of appropriations made to them for the year 1893, and all previous years, together with statements of all unsettled claims and liabilities that may exist against such unexpended balances of appropriations, stating the nature of the claims or liabilities and the names of the claimants and the amounts thereof.

Which was adopted by the following vote :

Affirmative—The Mayor, Comptroller, President of the Board of Aldermen, President of the Department of Taxes and Assessments, and Counsel to the Corporation—5.

 COMMISSIONER OF STREET IMPROVEMENTS  
 OF THE TWENTY-THIRD AND TWENTY-FOURTH WARDS,  
 NEW YORK, October 5, 1894.

## TO CONTRACTORS.

**SEALED BIDS OR ESTIMATES FOR EACH OF** the following-mentioned works, with the title of the work and the name of the bidder indorsed thereon, also the number of the work, as in the advertisement, will be received by the Commissioner of Street Improvements of the Twenty-third and Twenty-fourth Wards, at his office, No. 2622 Third avenue, corner of One Hundred and Forty-first street, until 3 o'clock P. M., on Thursday, October 18, 1894, at which place and hour they will be publicly opened:

**No. 1. FOR CONSTRUCTING THE EXTENSION OF OUTLET SEWER AND APPURTENANCES IN BUNGAY STREET**, from the end of the existing sewer at the north house-line of former Wetmore avenue to Long Island Sound.

**No. 2. FOR CONSTRUCTING A SEWER AND APPURTENANCES IN LONGWOOD AVENUE**, from the existing sewer in Tiffany street to Southern Boulevard, and in SOUTHERN BOULEVARD, from Longwood avenue to the existing sewer in Intervale avenue.

Each estimate must contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and if no other person be so interested, it shall distinctly state that fact. That it is made without any connection with any other person making an estimate for the same work, and is in all respects fair and without collusion or fraud. That no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested in the estimate or in the work to which it relates or in the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount to be calculated upon the estimated amount of the work by which the bids are tested.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as surety in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must NOT be included in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of the deposit will be returned to him.

The Commissioner of Street Improvements of the Twenty-third and Twenty-fourth Wards reserves the right to reject all bids received for any particular work if he deems it for the best interests of the city.  
 Blank forms of bid or estimate, the proper envelopes in which to inclose the same, the specifications and agreements, and any further information desired, can be obtained at this office.

## DEPARTMENT OF PUBLIC CHARITIES AND CORRECTION.

DEPARTMENT OF PUBLIC CHARITIES AND CORRECTION,  
No. 66 THIRD AVENUE,  
NEW YORK, September 28, 1894.

### TO CONTRACTORS.

### MATERIALS AND WORK REQUIRED FOR PLUMBING IN CITY HOSPITAL, BLACKWELL'S ISLAND.

SEALED BIDS OR ESTIMATES FOR THE aforesaid work and materials, in accordance with the specifications and plans, will be received at the office of the Department of Public Charities and Correction, No. 66 Third Avenue, in the City of New York, until Wednesday, October 10, 1894, until 10 o'clock A. M. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Plumbing in City Hospital, Blackwell's Island," and with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Department and read.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract, by his or their bond, with two sufficient sureties, each in the penal amount of **THREE THOUSAND (\$3,000) DOLLARS.**

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein or in the supplies to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the supplies by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York.

No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract.

The forms of the contract, including specifications, and showing the manner of payment, can be obtained at the office of the Department, and bidders are cautioned to examine each and all of their provisions carefully, as the Board of Public Charities and Correction will insist upon their absolute enforcement in every particular.

**No. 4. FOR SEWER IN FIFTH AVENUE, between Twentieth and Twenty-first streets.**

**No. 5. FOR SEWERS IN AVENUE D, between Tenth and Thirteenth streets, and in TWELFTH STREET, between Avenue D and Dry Dock Street.**

Each estimate must contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and if no other person be so interested it shall distinctly state that fact. That it is made without any connection with any other person making an estimate for the same work, and is in all respects fair and without collusion or fraud. That no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested in the estimate or in the work to which it relates or in the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties

for its faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion, and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount to be calculated upon the estimated amount of the work by which the bids are tested.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as surety in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of the deposit will be returned to him. THE COMMISSIONER OF PUBLIC WORKS RESERVES THE RIGHT TO REJECT ALL BIDS RECEIVED FOR ANY PARTICULAR WORK IF HE DEEMS IT FOR THE BEST INTERESTS OF THE CITY.

Blank forms of bid or estimate, the proper envelopes in which to inclose the same, the specifications and agreements, and any further information desired, can be obtained at Rooms 1, 5 and 9, No. 31 Chambers street.

## TO OWNERS OF LANDS ORIGINALLY ACQUIRED BY WATER GRANTS

ATTENTION IS CALLED TO THE RECENT act of the Legislature (chapter 449, Laws of 1889), which provides that whenever any streets or avenues in the city, described in any grant of land under water, from the Mayor, Aldermen and Commonalty containing covenants requiring the grantees and their successors to pave, repave, keep in repair or maintain such streets shall be in need of repairs, pavement or repavement, the Common Council may, by ordinance, require the same to be paved, repaved or repaired, and the expense thereof to be assessed on the property benefited; and whenever the owner of a lot so assessed shall have paid the assessment levied for such paving, repaving or repairing, such payment shall release and discharge such owner from any and every covenant and obligation as to paving, repaving and repairing, contained in the water grant under which the premises are held, and no further assessment shall be imposed on such lot for paving, repaving or repairing such street or avenue, unless it shall be petitioned for by a majority of the owners of the property (who shall also be the owners of a majority of the property in frontage) on the line of the proposed improvement.

The act further provides that the owner of any such lot may notify the Commissioner of Public Works, in writing, specifying the ward number and street number of the lot that he desires, for himself, his heirs and assigns, to be released from the obligation of such covenants, and elects and agrees that said lot shall be thereafter liable to be assessed as above provided, and thereupon the owner of such lot, his heirs and assigns shall thenceforth be relieved from any obligation to pave, repair, uphold or maintain said street, and the lot in respect of which such notice was given shall be liable to assessment accordingly.

The Commissioner of Public Works desires to give the following explanation of the operation of this act:

When notice, as above described, is given to the Commissioner of Public Works, the owner of the lot or lots therein described, and his heirs and assigns, are forever released from all obligation under the grant in respect to paving, repaving or repairing the street in front of or adjacent to said lot or lots, except one assessment for such paving, repaving or repairs, as the Common Council may, by ordinance, direct to be made thereafter.

No street or avenue within the limits of such grants can be paved, repaved or repaired until said work is authorized by ordinance of the Common Council, and when the owners of such lots desire their streets to be paved, repaved or repaired, they should state their desire and make their application to the Board of Alder-

men and not to the Commissioner of Public Works, who has no authority in the matter until directed by ordinance of the Common Council to proceed with the pavement, repavement or repairs.

##### TERMS AND CONDITIONS OF SALE.

The highest bidder for the lease of the franchise and wharf property of said ferry will be required to pay the auctioneer's fee and to deposit with the Comptroller at the time of the sale a sum equal to twenty-five per cent. of the amount of his bid therefor, which sum shall be credited on the rent of the first quarter of the first year of the term of the lease, or to be forfeited to the City if the lease shall not be executed by the highest bidder or purchaser when notified and required by the Comptroller.

In addition to the yearly rental to be paid for the ferry franchise, the purchaser and lessee of said franchise may have the use for ferry purposes of that portion of the landing and buildings at the foot of Whitehall street, which are now and were heretofore occupied and used in connection with the operation of the Bay Ridge ferry, and of the privileges heretofore exercised in operating said ferry, by the payment of eight thousand (\$8,000) dollars per annum, payable quarterly, during the term of the new lease beginning June 1, 1894, to the lessee of franchise of the ferry to and from Staten Island.

The boats of said ferry shall make half hourly trips each way during the regular summer season, and trips during the rest of the year as may be directed by the Mayor and Comptroller of the City of New York.

The lease will contain a covenant providing for the purchase, by any person or corporation other than the purchaser at the present sale, that may acquire said ferry franchise after the expiration of said term, at a fair appraised valuation of the boats, buildings and other property of the former lessee, actually necessary for the purpose of said ferry or franchise and the surrender and yielding up of the premises by the lessee, if the lessee shall not become the purchaser of the franchise for another term, which appraisal shall be made in the usual way before advertising a lease for a new

term of the franchise, at least three months prior to the termination of the lease; provided that the Mayor, Aldermen and Commonality of the City of New York shall not in any event be deemed to covenant to purchase said property.

—will be received by the Board of Commissioners of the Fire Department, at the office of said Department, Nos. 137 and 139 East Sixty-seventh street, in the City of New York, until 10 o'clock A. M., Wednesday, October 17, 1894, at which time and place they will be publicly opened by the head of said Department and read.

All of the articles are to be delivered at the various houses of the Department in such quantities and at such times as may be directed.

No estimate will be received or considered after the hour named.

The form of the agreement, with specifications, showing the manner of payment for the articles, may be seen and forms of proposals may be obtained at the office of the Department.

Proposals must include all the items, specifying the price per cwt. for hay and straw, and per bag for oats and bran.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the work shall present the same in a sealed envelope to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation and a statement of the work to which it relates.

The Fire Department reserves the right to decline any and all bids or estimates if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter as surety or otherwise upon any obligation to the Corporation.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed to by all the parties interested.

Each bid or estimate shall be accompanied by the con-

sent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as sureties for its faithful performance in the sum of five thousand (\$5,000) dollars; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five hundred (\$500) dollars. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it, and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

ANTHONY EICKHOFF,

### ARMORY BOARD.

ARMORY BOARD—OFFICE OF THE SECRETARY,  
No. 280 BROADWAY,  
NEW YORK, September 25, 1894.

#### PROPOSALS FOR ESTIMATES FOR FURNISHING MATERIALS AND WORK IN THE ERECTION OF AN ARMORY BUILDING ON THE NORTHERLY SIDE OF FOURTEENTH STREET, 175 FEET 2 1/2 INCHES WEST OF SIXTH AVENUE, NEW YORK CITY.

PROPOSALS FOR ESTIMATES FOR FURNISHING materials and work in the erection of an Armory Building on the northerly side of Fourteenth street, 175 feet 2 1/2 inches west of Sixth avenue, in the City and County of New York, will be received by the Armory Board at the MAYOR'S OFFICE, CITY HALL, UNTIL 12 O'CLOCK M., WEDNESDAY, THE 10TH DAY OF OCTOBER, 1894, at which time and place they will be publicly opened and read by said Board.

Any person making an estimate for the above work shall furnish the same in a sealed envelope to the President of said Armory Board, indorsed "Estimate for Furnishing Materials and Work in the erection of an Armory Building on the northerly side of Fourteenth street, 175 feet 2 1/2 inches west of Sixth avenue," and also with the name of the person or persons presenting the same, and the date of its presentation.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract, by his or their bond, with two sufficient sureties, in the amount of ONE HUNDRED THOUSAND DOLLARS (\$100,000).

Bidders are required to submit their estimates upon the following express conditions, which shall apply to and become part of every estimate received:

1st. Bidders must satisfy themselves, by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the accuracy of the estimate, and shall not at any time after the submission of an estimate dispute or complain of the statement of quantities, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

2d. Bidders will be required to complete the entire work to the satisfaction of the Armory Board, and in substantial accordance with the specifications of the contract and the plans therein referred to. No extra compensation, beyond the amount payable for the work before mentioned, which shall be actually performed, at the prices therefor to be specified by the lowest bidder, shall be due or payable for the entire work.

Bidders will state in their estimates a price for the whole of the work to be done, in conformity with the approved form of contract and the specifications therein set forth, by which price the bids will be tested. This price is to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay, from any cause in the performing of the work thereunder.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for doing this work.

The person or persons to whom the contract may be awarded will be required to attend at this office, with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect; and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and as in default to the Corporation; and the contract will be readvertised and relet, and so on, until it be accepted and executed.

Bidders are required to state in their estimates their names and places of residence; the names of all persons interested with them therein; and if no other person be so interested, the estimate shall distinctly state the fact; also, that the estimate is made without any connection with any other person making any estimate for the same purpose and that it is in all respects fair, and without collusion or fraud; and also, that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed to by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of

*business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York any difference between the sum to which said person or persons would be entitled upon its completion and that which said Corporation or the Armory Board may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work to be done by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of security required for the completion of the contract and stated in the proposals, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as a surety in good faith and with an intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.*

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of FIVE THOUSAND DOLLARS (\$5,000). Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Board who has charge of the estimate-box; and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned by the Comptroller to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him by the Comptroller.

No estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Bidders are requested, in making their bids or estimates, to use a blank prepared for that purpose by the Board, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the work, can be seen upon application at the office of W. A. CABLE and E. A. SARGENT, Associate Architects, No. 68 BROAD STREET, New York City.
