For #large-scale community facility developments# located within the boundaries of Community Districts 8 and 12 in the Borough of Manhattan, that contain #community facility uses# specified in Section 73-64 (Modification for Community Facility Uses), the City Planning Commission may, by special permit, permit modification of regulations relating to height and setback on the periphery of the #large-scale community facility development#, #courts# and distance between windows and walls or #lot lines# not otherwise allowed in Section 79-21 (General Provisions). As a condition for such action, allow modifications to the following provisions set forth in paragraph (a) of this Section, provided that the findings in paragraph (b) are met.

- (a) The Commission may allow modifications:
 - (1) to regulations relating to height and setback on the periphery of the #large-scale community facility development#, #courts# and distance between windows and walls or #lot lines# not otherwise allowed in Section 79-21 (General Provisions); and

 - (c)(3) will better complement the existing character of the neighborhood;
 - (d)(4) will not unduly increase the #bulk# of #buildings# in any #block# to the detriment of the occupants or users of #buildings# in the #block# or nearby #blocks#; and
 - (e)(5) will not adversely affect any other #zoning lots# or #streets# outside the #large-scale community facility development# by unduly restricting access to light and air:; and
 - (6) in R9 and R10 Districts located within Community District 8:
 - (i) with regard to #lot coverage#, will result in a better site plan and a better relationship among #buildings# and open areas; and
 - (ii) with regard to #sign# modifications:
 - (a) a signage plan has been submitted showing the location, size, height, and illumination of all #signs# on the #zoning lot#;
 - (b) the modifications are consistent with the amount and location of the #large-scale community facility development# that the Commission finds appropriate on the #zoning lot#; and
 - (c) #illuminated signs#, if provided:

- (1) utilize an illumination type, and are located and oriented in a manner so as to minimize any negative effects on nearby #residences#; and
- (2) do not alter the essential character of the adjacent area.

The Commission may prescribe additional conditions and safeguards to improve the quality of the #large-scale community facility development# and to minimize adverse effects on the character of the surrounding area.

NOTICE OF INTENT TO ENTER INTO NEGOTIATIONS - TENNIS PROS - Negotiated Acquisition - Judgment required in evaluating proposals- PIN# CWTP-2024 - Due 7-8-24 at 5:00 P.M.

In accordance with Section 1-14 of the Concession Rules of the City of New York ("Concession Rules"), the New York City Department of Parks and Recreation ("Parks") intends to enter into a negotiated concession for permit agreements for the Operation of Tennis Professional Concessions at Various Locations Citywide. The selected operator will be permitted to give tennis instruction during the times that the tennis court is open for use.

The concession will have a term not to exceed five (5) years. The concession will be operated pursuant to a permit issued by Parks; no leasehold or other proprietary right will be offered. As compensation to the City, Parks anticipates receiving a permit fee, expressed as a guaranteed annual minimum fee. The available locations are:

Bronx X39-TP: Pelham Bay Park X104-TP: Williamsbridge Oval

Brooklyn B28-TP: Dyker Beach Park (Due to construction, the permit will be for 4 years. The construction timeline and dates are subject to change) B51-TP: William E. Kelley Memorial Park B129-TP: Kaiser Park

Queens Q413-TP: Rochdale Park

At this time, it is neither practicable nor advantageous to award these concessions by competitive sealed proposals or competitive sealed bids as the current outdoor tennis season is currently underway and ends on November 24, 2024. If Parks were to issue either a competitive sealed proposal or competitive sealed bid, there would not be enough time left in the current season for successful operations. As these locations did not receive any bids on the most recent competitive sealed bid solicitation, the sites remain vacant and the community is without permitted tennis instructors. Additionally, with the absence of permitted concessionaires on site, this invites illegal vendors to fill the void. For these reasons, it is in the best interest of the City to pursue a negotiated concession for these locations.

Potential concessionaires that would like to express interest in the proposed concession and/or obtain additional information concerning the concession may contact Andrew Coppola, Senior Project Manager for the Revenue Division, at (212) 360-3454 or via e-mail at Andrew. Coppola@parks.nyc.gov by July 8, 2024. Thereafter, there will be a process for submission of fee offers. Parks will select the highest fee offers to the City from the responsible and responsive applicant while also taking into account the extent to which the potential awardee concessionaires would be operating or providing instruction at a similar concession on Parks property during all or part of the term of the concession, in determining an award of the concession on the subject premises. In no event shall a potential awardee (or principal(s) of a potential awardee) have more than two concessions total from this or any other solicitation during all or part of the term of the concessions. At Parks' request, the applicant shall submit documentation, satisfactory to Parks, demonstrating that it has the necessary certifications and the financial capability to pay the fees set forth in its fee offer. Failure to provide such documentation will result in a determination of non-responsiveness.

Where applicable, Parks may condition the award of this concession upon the successful completion of PASSPort (the Procurement and Sourcing Solutions Portal) Questionnaires and review of that information by the Department of Investigation. In addition, any person or entity with at least a 10% ownership interest in the submitting vendor (including a parent company), may be required to complete PASSPort Questionnaires (Principal Questionnaire for any person and Vendor Questionnaire for any entity with at least a 10% ownership interest in the submitting vendor).

This concession has been determined not to be a major concession as defined by Chapter 7 of the Rules of the City Planning Commission.

Please note that the concession award is subject to applicable provisions of federal, State, and local laws and executive orders requiring affirmative action and equal employment opportunity.

The New York City Comptroller is charged with the audit of concession agreements in New York City. Any person or entity who believes that there has been unfairness, favoritism or impropriety in the proposal process should inform the Comptroller, Office of Contract

Administration, 1 Centre Street, New York, NY 10007, telephone number (212) 669-2323.

AGENCY RULES

CITYWIDE ADMINISTRATIVE SERVICES

■ NOTICE

Notice of Adoption of Rules related to the donation of surplus city-owned computers.

NOTICE IS HEREBY GIVEN, PURSUANT TO THE AUTHORITY

VESTED IN the Commissioner of the Department of Citywide Administrative Services by sections 811, 823(c), and 1043 of the New York City Charter and section 12-214 of the Administrative Code that the Department of Citywide Administrative Services hereby adds a new Chapter 16 to Title 55 of the Rules of the City of New York.

These rules were first published on April 10, 2024, and an update was published on April 12, 2024, and a public hearing was held on May 16, 2024.

Statement of Basis and Purpose of Rules

On June 25, 2023, Local Law 81 of 2023 (the "law") was enacted. The law added Administrative Code § 12-214, requiring the Department of Citywide Administrative Services ("DCAS" or the "Department") to donate surplus city-owned computers to eligible organizations. These eligible organizations include schools and libraries, as well as nonprofits working with people with disabilities, seniors, and lowincome people. The law authorizes DCAS to adopt rules by which it will implement a process to donate surplus equipment to these eligible organizations and how it will determine priority when multiple eligible organizations seek such equipment. Therefore, pursuant to the law, DČAS is adopting these rules to:

- Set forth the process for surplus equipment donation;
- Define the eligibility criteria for organizations seeking
- Set forth the records retention and reporting requirement for the Department.

DCAS' authority for these rules is found in City Charter §§ 811, 823(c) and 1043, and Administrative Code § 12-214.

In response to comments received following the publication of the proposed rules, revisions were made to sections 16-02(c)(iv), 16-02(d), 16-02(e)(ii), and 16-02(e)(iii). These revisions set a minimum condition for Surplus Equipment, states that Eligible Organizations are responsible for transporting the Surplus Equipment, removes language that the Department will accept Surplus Equipment from agencies, and updates what agencies must state in its Certification of Compliance. These changes are reflected in the adopted rules.

New material is underlined.

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. Title 55 of the Rules of the City of New York is amended by adding a new chapter 16 to read as follows:

 - 1. The primary users of the Surplus Equipment;
 - 2. The primary use of the Surplus Equipment;
 - 3. Whether the Surplus Equipment will go to programs affected by budget cuts;
 - 4. Whether the Surplus Equipment will go to organizations with limited resources; and

 - Whether the Beneficial Use of such equipment will serve communities that are under-serviced or have difficulty receiving services;
 - 3. In the event that an Eligible Organization has previously received a donation of Surplus Equipment, whether such organization has utilized such equipment to fulfill the Beneficial Use for which it was donated;
 - 4. Whether an Eligible Organization has a greater need for a donation of Surplus Equipment due to its limited size as compared to other Eligible Organizations; and
 - 5. Any other factor that the Department deems relevant.
- iii. The order of priority for which Eligible Organizations receive the Surplus Equipment will be determined as follows:
 - Public schools and libraries will receive first priority. If

 16-02(c)(ii). The Department will retain a record of how
 it reached the determination for a minimum of six years

 - 2. Subsequent to the consideration of specific plans for Beneficial Use submitted by public schools and libraries, if any, the Department will review specific plans from other Eligible Organizations. If more than one Eligible Organization other than a public school or library submits a specific plan, the Department will review the details provided in the specific plans and determine priority in accordance with the factors stated in section 16-02(c)(ii).  - iii. Agencies must confirm that the Surplus Equipment they seek to donate is in a condition suitable for donation and state in its Certification of Compliance whether the Surplus Equipment is fully functioning or if it is in need of repair or restoration. If repair or restoration is needed, agencies must state what component(s) requires repair or restoration.
 - iv. Computers missing one or more of the following components are ineligible for donation under this rule:

- (b) The Department is not required to donate equipment where it determines, upon consideration of the five (5) factors stated in §16-02(c)(i), that no Eligible Organization has demonstrated that it intends to use such equipment for a predominantly public purpose in which any private benefit is merely incidental. In such case, the Department will retain a record as to how it made such determination.
- (c) Auction or disposal of Surplus Equipment must comply with section 10-504 of the Administrative Code.
