#### CONSTRUCTION OF DRAINS IN THE TWENTY-FOURTH WARD.

PROPOSALS, IN SEALED ENVELOPES, WILL be received at the office of the Department of Public Parks, 36 Union Square, New York City, until Wednesday, the 20th day of June, 1877, at the hour of half-past nine o'clock A. M., when they will be publicly opened, for constructing drains for the lands bounded on the north by Fordham and Pelham avenues, on the east by the Southern Boulevard, on the south by the Kingsbridge road, and on the west by Arthur street, in the Twenty-fourth Ward of the City of New York.

The Engineer's estimate of the work to be done, and on which the bids will be tested, is as follows, viz.:

7,000 cubic yards of earth excavation.  
" " " " " "  
100 " " " " " "  
1,890 linear feet of open drains.  
2,230 " " " " " "  
2,200 " " " " " "  
" " " " " "

These quantities are considered as approximate, and any variation of them will not entitle the contractor to any claim for extra time in the completion of the work, or to any other claim for damages, if the quantities of work should prove to be greater or less than here estimated, and the Department of Public Parks expressly reserves the right of increasing or diminishing the said quantities, as in its opinion may be necessary.

Each proposal must state, in figures and in writing, a price per cubic yard, per linear foot, for each of the above-named items, which prices are to cover the whole cost of the work.

The time required for completion, which will be tested at the rate of \$3 per day, must also be stated. No proposal will be received which contains prices for other items than those above mentioned.

No proposal will be considered unless accompanied by the consent, in writing, of two responsible householders or freeholders of the City of New York, their respective places of business or residence being named, to the effect that they will become bound as sureties in the sum of five thousand dollars for the faithful performance of the contract, should it be awarded upon that proposal.

Each proposal must state the name and place of residence of the person making the same; the names of all persons interested with him therein; that it is made without collusion with any other person making an estimate for the same work; and that no member of the Common Council or other officer of the Corporation is directly or indirectly interested therein, or in any portion of the profits thereof.

The Department reserves the right to reject any or all proposals. Proposed sureties must verify their consent by affidavit.

Forms of proposals may be obtained, and the terms of the contract (including the specifications), settled as required by law, seen at the office of the Secretary, as above. The plans for the work can also be seen at the office of the said Department.
