Constlandt avenue, No. 508 Constlandt avenue and No. 2493

Froms.

On motion, the following preamble and resolution were adopted:

Whereas, The Sanitary Superintendent has certified to this Board that the building situated upon Lot No. 307 East Eleventh street, in the Borough of Manhattan, has become dangerous to hie and is unfit for human habitation because of defects in the drainage thereof, and because of the existence of a nuisance on the premises which is likely to cause sickness among its occupants;

Ontered, That all persons in said building situated on Lot No. 307 East Eleventh struct, in the Borough of Manhattan, be required to vacate said building on or before July 3, 1900, for the reason that said building is dangerous to life and is until for human habitation because of defects in the drainage thereof, and because of the existence of a nuisance on the premises likely to cause sickness among its occupants;

And further, that this order be affixed conspicuously on the front of and in said building and be served as the law requires, under the direction of the Sanitary Superintendont; and further, that said building be not again used as a human habitation without a written permat from this Board.

Board.

On motion, the following preamble and resolution were adopted:

Whereas, The Sanitary Superintendent has certified to this Board that the building situated upon Lat No. 526 East Thirteenth street, in the Borough of Manhattan, has become dangerous to life and is unfit for human habitation because of defects in the plumbing and draining thereof, and because of the existence of a nuisance on the premises which is likely to cause schness among its occupants;

Ordered, That all persons in said building situated on Lot No. 526 Fast Thirteenth street,

Ordered, That all persons in said building situated on Lot No. 626 East Thirteenth street, in the Borough of Manhattan, be required to vacate said building on or before July 3, 1900, for the reason that said building is dangerous to life and is unfit for human habitation because of defects in the plumbing and drainage thereof, and because of the existence of a nuisance on the premises likely to cause sickness among its occupants;

And further, that this order be affixed conspicuously on the front of and in said building and be served as the law requires, under the direction of the Sanitary Superintendent; and further, that said building be not again used as a human habitation without a written permit from this Board.

On motion, the following preamble and resolution were adopted:

Whereas, The Sanitary Superintendent has certified to this Board that the buildings situated upon Lots Nos. 219 and 221 West Forty-sixth street, in the Borough of Manhattan, have become dangerous to life and are unfit for human habitation because of defects in the drainage thereof, and because of the existence of a naisance on the premises which is likely to cause sickness among its occupants;

among its occupants;
Ordered, That all persons in said buildings situated on Lots Nos. 219 and 221 West Forty-sixth street, in the Borough of Manhattan, be required to vacate said buildings on or before July 3, 1900, for the reason that said buildings are dangerous to life and are unit for human habitation because of defects in the drainage thereof, and because of the existence of a nuisance on the premises likely to cause stekness among its occupants;

And further, that this order be affixed conspicuously on the front of and in said buildings and be served as the law requires, under the direction of the Sanitary Superintendent; and further, that said buildings be not again used as a human habitation without a written permit from this

On motion, the following preamble and resolution were adopted:

Whereas, The Sanitary Superintendent has certified to this Board that the building situated upon Lot No. S48 East One Hundred and Thirty sixth street, in the Borough of The Bronx, has become dangerous to life and as unfit for human babitation because of defects in the plumbing and drainage thereof, and because of the existence of a misance on the premises which is likely to cause sickness among its occupants;

Ordered, That all persons in said building situated on Lot No. S48 East One Hundred and Thirty-sixth street, in the Borough of The Bronx, he required to vacate said building on or before July 3, 1900, for the reason that said building is dangerous in life and is until for human habitation because of defects in the plumbing and drainage thereof, and because of the existence of a nuisance on the premises likely to cause sickness among its occupants.

And further, that this order be affixed conspicuously on the front of and in said building and be exteed as the law requires, under the direction of the Sanitary Superintendent; and further, that said building be not again used as a human habitation without a written permit from this Board.

Board.

Cu motion, the following preamble and resolution were adopted:

Whereas, The Sanitary Superintendent has certified to this Board that the building situated upon Lot No. 367 East One Hundred and Seventy-seventh street, in the Borough of The Bronx, has become datagerous to life and is unfit for human habitation because of defects in the plumbing and diralinage thereof, and because of the existence of a nubance on the promises which is likely to cause sickness among its occupants;

Ordered, That all persons in said building situated on Lot No. 367 East One Hundred and Seventy-seventh street, in the Borough of The Bronx, be required to vacate said building on or before July 3, 1900, for the reason that said building is dangerous to life and is until for human habitation because of defects in the plumbing and drainage thereof, and because of the existence of a nuisance on the premises likely to cause sickness among its occupants;

And further, that this order be affixed conspicuously on the front of and in said building and be served as the law requires, under the direction of the Sanitary Superintendent; and further, that said building be not again used as a human habitation without a written permit from this Board.

On motion, the following preamble and resolution were adopted:

On motion, the following preamble and resolution without a written permit from this Board.

On motion, the following preamble and resolution were adopted:

Whereas, The Sanitary Supermiendent has certified to this Board that the building situated upon Lot No. 150 Lincoln avenue, in the Borough of The Bronx, has become dangerous to life and is unfit for human habitation because of defects in the plumbing and drainage thereof, and because of the existence of a nuisance on the premises which is likely to cause sickness among its occupants;

Ordered, That all persons in and building situated on Lot No. 150 Lincoln avenue, in the Borough of The Boorx, he required to vacate said building on or before July 3, 1000, for the reason that said building is dangerous to life and is unfit for human habitation because of defects in the plumbing and drainage thereof, and because of the existence of a nuisance on the premises likely to cause sickness among its occupants;

And further, that this order be affixed conspicuously on the front of and in said building and be served as the law requires, under the direction of the Sanitary Superintendent; and further, that said building he nor again used as a human habitation without a written permit from this Board.

On motion, the following treamble and resolution was a further.

On motion, the following preamble and resolution were adopted:

Whereas. The Sauttary Superintendent has certified to this Board that the building situated upon Lot No. 642 Morris avenue, in the Borough of The Bronx, has become dangerous to life and is until for human habitation because of delects in the plimbing and drainage thereof, and because of the existence of a nuisance on the premises which is likely to cause sickness among

its occupants ; Ordered, That all persons in said building situated on Lot No. 642 Morris avenue, in the Ordered. That all persons in said building situated on Lot No.042 Morris avenue, in the Borough of The Bronx, be required to eacate said building on or before July 3, 1900, for the reason that said building is dangerous to life and is unfit for human habitation because of defects in the plannling and drainage thereof, and because of the existence of a musance on the premises likely to cause sickness among its occupants.

And further, that this order be affixed conspicuously on the front of and in said building and be served as the law requires, under the direction of the Sanitary Superintendent; and further, that said building be not again used as a human habitation without a written permit from this Board.
