### CORPORATION SALE OF THE FRANCHISE OF THE FERRY FROM BULKHEAD AT THE FOOT OF WHITEHALL STREET, NEW YORK, TO STATEN ISLAND.

THE FRANCHISE OF THE FERRY FROM THE bulkhead at the foot of Whitehall street, New York, to Staten Island, will be sold at public auction on Wednesday, July 11, 1877, at 12 o'clock noon, for the period of one year, from July 15, 1877. The form of the lease required to be executed by the highest bidder can be seen at the Comptroller's office, on and after July 9, 1877.

All bids will be regarded as made with reference to said form of lease, and in case the highest bidder shall neglect or refuse to execute a lease according to said form for ten days after the sale, his bid will, at the option of the Comptroller, be rejected.

The minimum rate for which the ferry franchise or license to operate ferries shall be used or enjoyed has been appraised and set by the Commissioners of the Sinking Fund at five per cent. of the gross receipts for ferriage that shall hereafter accrue at each separate ferry, collected at the landing place in the City of New York, such percentage to be paid quarterly to the Corporation, and a covenant will be contained in each lease requiring the lessee to make and deliver to the Comptroller of the City of New York, quarterly, a statement in writing, verified by oath or affirmation of the lessee, or of such proper officer of the lessee as may be designated by the Comptroller, of the actual total gross receipts for ferriage received by such lessee during the preceding three months, and also, that the lessee shall keep regular books of account, showing the daily gross receipts of the ferry leased, and allow said Comptroller, or any person designated by him, to examine such books.

The franchise will be put up and knocked down to the person offering to pay the largest percentage on the gross receipts collected at the landing place in the City of New York.

All moneys received for the conveyance of passengers, animals, vehicles, or freight from New York to Staten Island, to be collected at the landing place in New York, or, if collected elsewhere, to be included in the receipts upon which such five per cent. is to be calculated and paid.

No bid less than five per cent. on such gross receipts will be entertained.

The successful bidder will be required to pay to the Collector of City Revenue the sum of fifteen hundred dollars immediately after the franchise shall have been struck down to him, as security for the execution and performance of the lease, such amount to be credited on the rent when the same becomes due.

Security, satisfactory to the Comptroller, will be required for the punctual performance by the lessee of the covenants of the lease of the franchise in their behalf.

THE FRANCHISE OF THE FERRY FROM THE bulkhead at the foot of Whitehall street, New York, to the foot of sixty-fifth street, Bay Ridge, in the Town of New Utrecht, Long Island, established by the Mayor, Aldermen, and Commonality of the City of New York, on June 4, 1877, will be sold at public auction, to the highest bidder, at the office of the Comptroller of the City of New York, on Saturday, June 30, 1877, at 12 o'clock noon, for the period of ten years, from July 1, 1877. The form of the lease required to be executed by the highest bidder can be seen at the Comptroller's office, on and after June 28, 1877.

The minimum rate for which the ferry franchise or license to operate ferries shall be used or enjoyed has been appraised and set by the Commissioners of the Sinking Fund at five per cent. of the gross receipts for ferriage that shall hereafter accrue at each separate ferry, collected at the landing place in the City of New York, such percentage to be paid quarterly to the Corporation, and a covenant will be contained in each lease requiring the lessee to make and deliver to the Comptroller of the City of New York, quarterly, a statement in writing, verified by oath or affirmation of the lessee, or of such proper officer of the lessee as may be designated by the Comptroller, of the actual total gross receipts for ferriage received by such lessee during the preceding three months, and also, that the lessee shall keep regular books of account, showing the daily gross receipts of the ferry leased, and allow said Comptroller, or any person designated by him, to examine such books.

The franchise will be put up and knocked down to the person offering to pay the largest percentage on the gross receipts collected at the landing place in the City of New York.

All moneys received for the conveyance of passengers, animals, vehicles, or freight from New York to Bay Ridge to be collected at the landing place in New York, or, if collected elsewhere, to be included in the receipts upon which such five per cent. is to be calculated and paid.

No bid less than five per cent. on such gross receipts will be entertained.

Security, satisfactory to the Comptroller will be required for the punctual performance by the lessee of the covenants of the lease of the franchise in their behalf.

The right to reject any bid, it deemed to be to the interest of the City of New York, is reserved by the Commissioners of the Sinking Fund.
