The minutes of the last meeting were read and approved.

The Committee on Streets, to whom was referred the annexed ordinance in relation to scalpers and coal freights, in the City of New York, respectfully

That, from an investigation, your Committee are fully convinced that it will be to the interest both of the dealer and consumer of coal, that the ordinance so referred, should be adopted. At present, it is in the power of "coal scalpers" to retard or advance the supply of coal, to be delivered to dealers in this city, and in consequence to increase or diminish the cost of coal to consumers; and as this power is frequently secured by false representations, made by persons who are totally irresponsible, and not one of whom resides in this city or State, the ordinance herewith accompanying is intended to remedy these evils and irregularities.

Your Committee therefore respectfully recommend for your adoption the said ordinance.

An Ordinance in relation to scalpers in coal freight in the City of New York.

The Mayor, Aldermen and Commonalty of the City of New York do ordain as follows:
Section 1. The Mayor shall license and appoint as many and such persons as he may think expedient, to be scalpers of coal freight in the City of New York, and may issue, suspend or revoke any or all of such licenses at his pleasure, but such licenses shall be issued only to citizens of the United States, and residents of the State of New York.

Sec. 2. Every person receiving a license to be a scalper in coal freight shall pay to the Mayor, for the use of the city, and to be applied to the Sinking Fund for the Restemption of the City Debt, the sum of five hundred dollars, and shall also file a bond, with two or more good and sufficient sureties, to be approved by the Mayor, in the sum of five thousand dollars, conditioned for a faithful compliance with the provisions of this ordinance.

Sec. 3. Every licensed scalper in coal freight shall wear, when exercising his calling, in a conspicuous place about his person, so as to be easily seen, a plate or badge, of a size and style to be designated by the Mayor, on which shall appear his name and the words "Scalper in Coal Freight," and the number of his license.

Alderman Morris moved to lay over.

The President put the question whether the Board would agree with said motion.

Which was decided in the affirmative on a division called by Alderman Morris, as follows:

Divver, Goetz, Gregory, Morris, Oakley Rapp, and Tait—12.

Negative—Aldermen Carlin, Clancy, Dowd, Flynn, Hammond, Lynch, Rinckhoff, Storm, and

Walker—9.

The Committee on Law Department, to whom was referred the accompanying message from his Honor the Mayor, transmitting a communication from the Counsel to the Corporation, dated February 2, 1889, with the draft of an ordinance to facilitate the collection of fees established by law for the Inspection of Weights and Measures, respectfully

#### REPORT:

That additional legislation appears to be necessary to enable the City to collect payment of fees imposed for the inspection of weights and measures. In numerous instances these fees amount to only a few cents; seldom in excess of five dollars, and when the dealer refuses to pay the inspector, as is frequently the case, the City loses the sum, as it would cost more in such cases to collect the fees than the amount of the bills. The City Treasury, in this way, loses, in the aggregate, quite a respectable sum of money annually. To obviate this evil, and to insure prompt payment of these items of City revenue, the counsel suggested that a penalty be imposed for refusal to pay, which, with the amount of fees due, would be sufficient to cover the expenses of enforcing their payment, and for that purpose has prepared an ordinance which is herewith respectfully submitted for your adoption:

AN Ordinance to amend section three hundred and ninety-four, article forty of chapter eight of the Revised Ordinances, approved the 31st of December, 1880.

The Mayor, Aldermen and Commonalty of the City of New York do ordain as follows:
That section three hundred and ninety-four, article forty of chapter eight of the Revised Ordinances be amended so that the same shall read as follows:
"Section 394. No person shall refuse to exhibit any weights or measures, scale-beams, patent

balance steelyards or other instruments to either of said inspectors for the purpose of being so inspected and examined, or to pay the fees established by law for such inspection and examination, under the penalty of twenty-five dollars for every such offense."

The Committee on Law Department, to whom was referred the annexed messages from his Honor the Mayor transmitting a letter from the President of the Musical Mutual Protective Association, requesting that action be taken by the Common Council to regulate the playing of musical instruments in the public streets, respectfully

#### REPORT:

REPORT:

That it is clear action should be taken at once to prevent a continuance of the annoyance to which all classes of our citizens are subjected during all hours of the day and night from strolling bands of tinerant musicians that infest our streets and highways, whose importunities and solicitations for money from passers-by, and even by the invasion of the residences of our citizens, particularly in the suburbs of the city, has become an intolerable evil, which, combined with the abominable discords and hideous noises they produce from their instruments, has almost become unbearable. The abatement of the nuisance is asked for by the Musical Mutual Protective Association, by the Balfe Musical Club, and District Assembly No. 49, Knights of Laber, has addressed a communication to this Board, on behalf of organized labor in this municipality, earnestly urging the adoption of an ordinance to prohibit those bands of so-called musicians from performing in the streets of this metropolis. It is claimed, and with justice, that by reason of the character of the instruments used by these "musicians" and the qualifications of the performers, they are injurious to the musical profession, as well as an annoyance to the public.

Numerous letters and petitions have been received by his Honor the Mayor, favoring the views of the Musical Associations to abate the practice and indorsing the application of District Assembly No. 49, Knights of Labor; the latter of itself should be sufficient to warrant your honorable Body an adopting an ordinance as requested by that influential organization.

Three different ordinances for the purpose have been referred to your Committee—one offered by Alderman Oakley, one by Alderman Rapp, and one was received from his Honor the Mayor, accompanied by a communication dated July 23, 1889, and on the 8th inst., a second message was received from his Honor the Mayor, calling attention to the subject, and requesting that action be taken by your honorable Body at an early day.

In recommending th

license from the proper municipal authority. The ordinance is as follows:

AN ORDINANCE to amend section 245, article XXIV. of chapter 8 of the Revised Ordinances, approved December 31, 1880.

The Mayor, Aldermen and Commonalty of the City of New York do ordain as follows:

The provisions of this section shall apply only itinerant musicians and side shows, and shall not be construed so as to affect any band of music or organized musical society engaged in any military or civic parade, or in serenading, who shall comply with the laws of the State relating to parades in the City of New York, or to any musical performance conducted under a license from the proper municipal authority.

Sec. 2. All ordinances and parts of ordinances inconsistent or conflicting with the provisions of this ordinance are hereby repealed.

Sec. 3. This ordinance shall take effect immediately.

DEPARTMENT OF PUBLIC WORKS—COMMISSIONER'S OFFICE, NO. 31 CHAMBERS STREET, NEW YORK, October 14, 1889.

To the Honorable the Board of Aldermen:

GENTLEMEN—Referring to the subject of paving, repaving, or repairing streets, within the limits of grants of lands under water, under the provisions of chapter 449, Laws of 1889, and as directed by ordinances of the Common Council, I respectfully submit to your Board that, to prevent

any complication or difficulty in levying and collecting assessments for such works, the ordinances of your Board for each work or improvement should provide that the ordinance is applicable only to such portions of the street therein named as are within the limits of grants of land under water.

This general description and limitation as to the work to be done and assessments to be levied are necessary for the reason that in many, or in most, cases the boundaries of grants of land under water do not coincide with the boundaries of streets by street blocks, and, at the time of the introduction and consideration in your Board of an ordinance for such work, the necessary information, giving the exact boundaries of the grants, may not be at hand or available.

Very respectfully,

THOS. F. GILROY, Commissioner of Public Works.

DEPARTMENT OF PUBLIC WORKS—COMMISSIONER'S OFFICE, No. 31 CHAMBERS STREET, New York, October 15, 1889.

To he Honorable the Board of Aldermen:

To the Honorable the Board of Alderman:

GENTLEMEN—In the matter of the two resolutions and ordinances (General Orders Nos. 682 and 683) now pending in your Board, providing for the repavement with granite blocks of Fifteenth street and Sixteenth street, between Tenth and Eleventh avenues, I beg to recommend that, before adoption, the resolutions and ordinances be amended, so as to provide that the pavement be laid with concrete foundation. This amendment can be made by inserting after the words "granite-block pavement" it he words "on concrete foundation."

These two streets are built on filled-in ground, and concrete foundation is necessary to secure the stability of the pavement.

Very respectfully,

THOS. F. GILROY, Commissioner of Public Works.
