##### REPORTS.

(G. O. 290.)

The Committee on Finance, to whom was referred the assessment-rolls of the real and personal estates of and within the City and County of New York for the year 1879, and communications from the Comptroller, transmitting the Trial Estimate made by the Board of Estimate and Apportionment for the year 1879, and certifying the amounts to be raised by tax in the City and County of New York for said year, respectfully present the following

##### REPORT :

The valuations of the real and personal estate in the City and County of New York for the year 1879, as shown by the assessment-rolls or tax-books transmitted by the Commissioners of Taxes and Assessments, amount in the aggregate to the sum of \$1,094,069,335, being a decrease of \$4,318,440, as compared with the valuations for the year 1878.

The Final Estimate for the year 1879, made and adopted by the Board of Estimate and Apportionment on the 31st day of December, 1878, in accordance with the provisions of section 112 of chapter 335 of the Laws of 1873, amounts to \$27,507,097.20, as appears by the certificate of the Comptroller, dated June 30, 1879. In pursuance of the provisions of laws passed by the last Legislature, additional appropriations to the amount of \$240,653, have been made by the Board of Estimate and Apportionment, and added to and included in the said Final Estimate, thus making the aggregate amount of said Final Estimate \$27,747,750.20, as further certified by the Comptroller on September 15, 1879, and which said sum the Board of Supervisors is "empowered and directed to cause to be raised, according to law, and collected by tax upon the estates, real and personal, subject to taxation within the City and County of New York."

Sec. 4 of chapter 756 of the Laws of 1873, provides as follows :

"It shall be the duty of the Board of Supervisors of the County of New York, to include in any and every ordinance passed by them, imposing and levying taxes for any purpose or purposes authorized by law, within the City and County of New York, such sum, in addition to the aggregate amount required for such purposes, as they shall deem necessary, not exceeding three per cent. of said aggregate amount, to provide for deficiencies in the actual product of the amount imposed and levied therefor."

For the purpose, therefore, of providing for deficiencies in the actual product of the amount of taxes imposed and levied upon real and personal estates in the year 1879, your Committee recommend that the sum of \$479,238.64, be included in the aggregate amount required to be raised by tax for the support of the government of the City and County of New York, in the year 1879.

The following statement shows the amount required to be raised by tax in the year 1879 :

Amount of Final Estimate for 1879, as certified by the Comptroller, June 30, 1879. . . . . \$27,507,097 20  
Add additional appropriations made by Board of Estimate and Apportionment, in accordance with provisions of Laws passed in 1879, as certified by the Comptroller, September 15, 1879 . . . . . 240,653 00  
Add for deficiencies, under chapter 756, Laws of 1873. . . . . 479,238 64

Total amount to be imposed and levied on valuations for 1879. . . . . \$28,226,988 84

The rate of taxation upon the aggregate valuations of real and personal estates, amounting to \$1,094,069,335, required to produce the above sum of \$28,226,988.84, is 2.58 per cent. The rate of tax last year was 2.55 per cent. The increase is caused by the additional appropriations, amounting to \$240,653, made by direction and in pursuance of Laws passed by the Legislature of 1879.

An ordinance embodying the objects and recommendations of this report has been prepared and is herewith submitted for adoption.

The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate" for Dry Goods, Groceries, etc., and with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the head of said Department and read.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids. Delivery will be required to be made from time to time, at such times and in such quantities as may be directed by the said Department; but the entire quantity will be required to be delivered on or before thirty (30) days after the date of the contract.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect, that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit to refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; and the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, and otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept to contract within forty-eight (48) hours after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same respectively at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract, or from time to time as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.
