NOT Accepted

No appliances. Any household appliances which are mostly metal or mostly plastic can be recycled as part of your building's regular recycling program.

No loose batteries. Regular alkaline batteries can be discarded as regular trash. Consumer take-back programs exist for rechargeable batteries.

No light bulbs or ballasts. These can be carefully discarded in the trash. Consumer take-back programs exist for fluorescent bulbs and CFLs.

FREE Service Options

1

Room Cleanouts

(buildings with 10 or more units)

- Store electronics in a secure, enclosed area that is street accessible.
- When you have a minimum of 20 items, contact ecycleNYC—include the quantity and types of electronics.
- ecycleNYC will pickup within five business days.
- Electronics with broken glass must be bagged or boxed.

2

Storage Bins*

(buildings with 100 or more units)

- Store electronics in the locked bin provided by ecycleNYC. Bins must be kept in an enclosed area with street access. There must be a ramp or elevator to move the bin—no steps.
- When your bin is almost full, contact ecycleNYC—bins will be replaced within three business days.
- Large electronics that do not fit in the bin can be carefully placed next to it, or in another secure area. When calling for a pickup, make sure to include these items in your reported quantity. Electronics with broken glass must be bagged or boxed.

3

Outdoor Electronics Recycling Events

(buildings with 250 or more units)

- Participating buildings can recycle electronics through pre-scheduled, outdoor events.
- Certain requirements apply—contact DSNY for more information.

For ecycleNYC pickups, inquiries or issues, contact **212-437-4647** or **ecycleNYC@dsny.nyc.gov**.

* **Note:** The storage bins come in two sizes;

Small (2' deep x 4' wide x 5' high) / **Large** (2' deep x 5.5' wide x 6' high)
