MESSAGE FROM HIS HONOR THE MAYOR.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, February 17, 1891.

To the Honorable the Board of Aldermen :

It is with great sorrow that I officially announce to you the death of General William T. Sherman, the great soldier, the distinguished patriot, and our most beloved citizen. On his retirement from the Army of the United States, he came to live with us. Foremost in public spirit, and always ready to aid in charitable and civic enterprises, his loss, while a calamity to the United States, is greatest to the people of the city of his home. His services as Chairman of the Johnstown Relief Committee, and as member of the World's Fair Committee and other public bodies, showed his value in civil life no less than in war.

Out of respect to his memory, and as a token of the love and esteem in which he is held by all the citizens of this metropolis, as well as of the country, I recommend that the public offices be closed on Thursday next—the day of his obsequies ; that all citizens be requested to close their places of business from one to five o'clock on the afternoon of that day, and that the flags be displayed at half-mast on public and private buildings until Saturday next, and that your Honorable Body take such further action as you may deem proper.

Which was ordered on file.

HUGH J. GRANT, Mayor.

MOTIONS AND RESOLUTIONS.

By the President —

Whereas, General William Tecumseh Sherman, a brilliant soldier, a true patriot and an honored citizen of this great metropolis, has answered his last roll-call after attaining more than the allotted age of three score and ten, nearly half a century of which was spent in the service of his country, in support of its flag, and to perpetuate its constitutional liberties ; and

Whereas, In the death of General Sherman, the last of the great military leaders in the war of the Rebellion, every household in this city of his adoption, that he loved so well, and wherein he endeared himself to so many, feels a void as if the dread messenger had entered and summoned a member of its own family ; and

Whereas, The brilliant military services of the late General Sherman form an imperishable era in the history of our common country, and his marvelous aptitude for leadership, his strategical acumen, his fatherly solicitude for the welfare of the common soldier and his departure from all previously accepted rules of war by marching hundreds of miles through a then hostile country after cutting himself off from his base of supplies, challenged the admiration of the powers of Europe and stamped him as one of the greatest military captains of all time ; and

Whereas, "As Peace hath her victories no less renowned than War," so General Sherman in civil life united to a sunny disposition a heart that ever throbbed in sympathy with all that was good, true and patriotic, with a hand always outstretched to charity and with a mind innocent of malice, he, since his advent in this, the metropolis of the nation, made friends by the thousand and earned naught but the good will of every citizen ; and

Whereas, Unborn millions of this great republic will reverence the memory of General Sherman, whose motto as a soldier was that the military power existed only to repel invasion, suppress rebellion and preserve order, and then when these results were achieved the warrior was again merged in the citizen, ready to resume military duty at the call of his country and in honor of her flag ; and

Whereas, In the wide-spread and sincere grief for the death of such a man as General Sherman, it becomes the bounden duty of the People and the Government of this municipality to participate properly in all ceremonies touching the final disposition of the remains and to indicate appropriately to the country at large the sorrow of the city, which he loved so well and in whose centre he died, at the irreparable loss sustained by the Republic of the United States ; and, furthermore, to give proper expression of the sympathy we feel for the members of his family in their bereavement ; be it, therefore,

Resolved, That, out of sorrow and respect for the memory of General William Tecumseh Sherman, it is hereby recommended that our citizens close their respective places of business and refrain from any secular employment on Thursday, the 19th day of February, 1891, that being the day set apart for the funeral ceremonies ; that the public offices be closed on that day, except those specially required by law to be kept open ; that the flags be displayed at half-staff on all the public buildings in this city ; that the owners of private buildings and the owners or masters of vessels in our harbor be requested to display their flags at half-mast on said day, and that a Special Committee of five members of the Common Council be appointed, with instructions to invite the co-operation of his Honor the Mayor and the heads of the several Executive Departments, to represent the City Government at the funeral of the deceased ; and be it further

Resolved, That a copy of the foregoing preamble and resolution be suitably engrossed, duly authenticated by the Corporate seal of the City, attested by the Clerk of the Common Council, and transmitted to the family of General W. T. Sherman, as an additional evidence of respect for the memory and sorrow for the death of the illustrious soldier, ardent patriot and true citizen.

Alderman Oakley moved the adoption of the preamble and resolutions by a rising vote.

The President put the question whether the Board would agree with the motion.

Which was decided in the affirmative unanimously.

By the Vice-President —

Whereas, In the death of Admiral David Dixon Porter, the country has lost a loving son, and its flag an intrepid defender ; and

Whereas, The heroic naval officers who won undying fame in the late Rebellion have almost all, with the exception of one or two, gone to join the silent majority ; and

Whereas, The late Admiral David Dixon Porter, who with Farragut and Foote, shared the glories of success in Southern waters—he alone of the trio lived to see the United States Navy in a fair way to be worthy of the Republic and its re-united people—lived to set his seal of approval on the highest improvement in naval architecture as embraced in the new steel cruisers of our navy, and which restores in a degree the United States to its proper supremacy on sea ; and

Whereas, The death of Admiral David Dixon Porter, occurring almost simultaneously with the demise of General William Tecumseh Sherman, inflicts a double blow of sorrow on the nation ; therefore be it

Resolved, That the Common Council of the City of New York deplore the death of Admiral David Dixon Porter, and deeply sympathize with his family and the nation at the irreparable loss sustained.

Alderman Oakley moved that the preamble and resolution be adopted by a rising vote.

The President put the question whether the Board would agree with said motion.

Which was decided in the affirmative.

On motion of Alderman Morgan, the President was named to act as Chairman of the Committee when appointed.

The President then announced as such Committee—

Vice-President Noonan, Aldermen Brown, Morgan, Mead, and G. B. Morris.

By Alderman Brown —

Resolved, That, as an additional mark of respect to the distinguished dead, this Board do now adjourn.

The President put the question whether the Board would agree with said resolution.

Which was decided in the affirmative.

And the President announced that the Board stood adjourned until Tuesday, February 24th 1891, at 1 o'clock P. M.

DEPARTMENT OF PUBLIC WORKS

DEPARTMENT OF PUBLIC WORKS,
COMMISSIONER'S OFFICE, No. 31 CHAMBERS STREET,
NEW YORK, February 13, 1891.

PUBLIC NOTICE CALLING FOR BIDS OR
proposals for the privileges or licenses to sprinkle the public streets in the City of New York with water drawn from the public fire-hydrants, the bids to be received and opened at the office of the Commissioner of Public Works on Thursday, February 26, 1891, at 12 o'clock noon.

A SEPARATE BID must be made for each of the sprinkling routes hereinafter described. The bidder must state the amount which he proposes and agrees to pay for the license, over and above the amount which will be charged for the water consumed in sprinkling. The amount of each bid must be paid in advance at the time when the license is issued, and the charges for water, as established by the Commissioner of Public Works, must be paid monthly in advance.

The season for sprinkling the streets shall begin not earlier than March 15, 1891, and terminate not later than November 15, 1891, and the Commissioner of Public Works reserves the right to diminish the length of the season and to suspend sprinkling during the season whenever he deems it in the interest of the City so to do. The Commissioner of Public Works also reserves the right to reject any or all of the bids or proposals.

In the sprinkling of the streets the following rules and regulations must be observed:

1st. The tin sprinkler attached to each cart shall conform in every respect to a pattern approved by the Department of Public Works, the holes to be in parallel rows, at least one-half inch apart, and of a size not to exceed No. 14 wire.

2d. The name and residence of each person licensed to sprinkle the streets shall be painted on both sides of the cart in black letters of not less than two inches in length on a white ground.

3d. Permits for sprinkling carts, if driven by boys, will be immediately revoked.

4th. No license will be granted to any person not a resident of the City and County of New York.

5th. Each sprinkling cart shall be provided with a sound and proper piece of hose to conduct the water from the fire-hydrant to the cart, and such hose shall always be kept in order and free from leaks.

6th. Each person obtaining a permit for sprinkling shall keep the hydrants allotted to his use closed, except when obtaining water for use, and shall be responsible for any damage that may result from the use or abuse of them while in their charge; provided such damage shall not have been occasioned by others than those in the employ of said persons.

7th. Any person who shall obtain a permit shall pay to the Department of Public Works such sum or price as may be fixed by the Department for the water used during the season for sprinkling; the payments to be made monthly in advance and within the first week of each month.

8th. Each person obtaining a permit will be required to sprinkle the streets with sufficient water only to lay the dust; drenching the streets with an excessive quantity of water will be sufficient cause to revoke any permit or license.

9th. Every person who shall obtain a sprinkling permit will be required to confine himself strictly to his route; encroaching on other routes will not be permitted.

10th. No double-nozzle hydrants shall be used.

11th. Any licensee violating any of the above rules and regulations will, at the discretion of the Commissioner of Public Works, have his license revoked, and will forfeit all moneys paid by him on account of the same.

No bid will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Commissioner of Public Works, or money to the amount of one hundred dollars (\$100), as security for compliance with the conditions of the license. Such check or money must not be inclosed in the sealed envelope containing the bid, but must be handed to the officer or clerk of the Department who has charge of the estimate-book, and no bid can be deposited in said book until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the license is awarded. If the successful bidder shall refuse or neglect, within five days after the license has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the license within the time aforesaid, the amount of the deposit will be returned him.

The following is a description of the routes for which proposals will be received:

That it is made without any connection with any other person making an estimate for the same work, and is in all respects fair and without collusion or fraud. That no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested in the estimate, or in the work to which it relates or in the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount to be calculated upon the estimated amount of the work by which the bids are tested.

No estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of the deposit will be returned to him.

THE COMMISSIONER OF PUBLIC WORKS RESERVES THE RIGHT TO REJECT ALL BIDS RECEIVED FOR ANY PARTICULAR WORK IF HE DEEMS IT FOR THE BEST INTERESTS OF THE CITY.

DEPARTMENT OF PUBLIC WORKS,
COMMISSIONER'S OFFICE,
No. 31 CHAMBERS STREET,
NEW YORK, August 14, 1889.

TO OWNERS OF LANDS ORIGINALLY ACQUIRED BY WATER GRANTS.

ATTENTION IS CALLED TO THE RECENT act of the Legislature (chapter 449, Laws of 1889), which provides that whenever any streets or avenues in the city, described in any grant of land under water, from the Mayor, Aldermen and Commonalty containing covenants requiring the grantees and their successors to pave, repave, keep in repair or maintain such streets, shall be in need of repairs, pavement or repavement, the Common Council may, by ordinance, require the same to be paved, repaved or repaired, and the expense thereof to be assessed on the property benefited; and whenever the owner of a lot so assessed shall have paid the assessment levied for such paving, repaving or repairing, such payment shall release and discharge such owner from any and every covenant and obligation as to paving, repaving and repairing, contained in the water grant under which the premises are held, and no further assessment shall be imposed on such lot for paving, repaving or repairing such street or avenue, unless it shall be petitioned for by a majority of the owners of the property (who shall also be the owners of a majority of the property in frontage) on the line of the proposed improvement.

The act further provides that the owner of any such lot may notify the Commissioner of Public Works, in writing, specifying the ward number and street number of the lot that he desires, for himself, his heirs and assigns, to be released from the obligation of such covenants, and elects and agrees that said lot shall be thereafter liable to be assessed as above provided, and thereupon the owner of such lot, his heirs and assigns shall thenceforth be relieved from any obligation to pave, repair, uphold or maintain said street, and the lot in respect of which such notice was given shall be liable to assessment accordingly.

The Commissioner of Public Works desires to give the following explanation of the operation of this act: When notice, as above described, is given to the Commissioner of Public Works, the owner of the lot or lots therein described, and his heirs and assigns, are forever released from all obligation under the grant in respect to paving, repaving or repairing the street in front of or adjacent to said lot or lots, except one assessment for such paving, repaving or repairs, as the Common Council may, by ordinance, direct to be made thereafter.

No street or avenue within the limits of such grants can be paved, repaved or repaired until said work is authorized by ordinance of the Common Council, and when the owners of such lots desire their streets to be paved, repaved or repaired, they should state their desire and make their application to the Board of Aldermen and not to the Commissioner of Public Works, who has no authority in the matter until directed by ordinance of the Common Council to proceed with the pavement, repavement or repairs.

Commissioner of Public Works.

and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of security required for the faithful performance of the contract. Such check or money must not be included in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Engineer-in-Chief.

No estimate will be accepted from or contract awarded to any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

THE RIGHT TO DECLINE ALL THE ESTIMATES IS RESERVED, IF DEEMED FOR THE INTEREST OF THE CORPORATION OF THE CITY OF NEW YORK.

Bidders are requested, in making their bids or estimates, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the material, can be obtained upon application therefor at the office of the Department.

DEPARTMENT OF DOCKS,
PIER "A," NORTH RIVER.

TO CONTRACTORS.

(No. 366.)

PROPOSALS FOR ESTIMATES FOR BUILDING A NEW STEEL PROPELLER, WITH ALL APPURTENANCES, TO BE KNOWN AS "PIER."

ESTIMATES FOR BUILDING A NEW STEEL Propeller, with all appurtenances, to be known as "PIER," will be received by the Board of Commissioners at the head of the Department of Docks, at the office of said Department, on Pier "A," foot of Battery place, North river, in the City of New York, until 12 o'clock M. of

WEDNESDAY, FEBRUARY 18, 1891,

at which time and place the estimates will be publicly opened by the head of said Department. The award of the contract, if awarded, will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the work shall furnish the same in a sealed envelope to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

The bidder to whom the award is made shall give security for the faithful performance of the contract, in the manner prescribed and required by ordinance, in the sum of Eleven Thousand Dollars.

Bidders are required to submit their estimates upon the following express conditions, which shall apply to and become a part of every estimate received:

1st. Bidders must satisfy themselves as to the work, by personal examination of the plans and specifications of the proposed work, and by such other means as they may prefer, and shall not, at any time after the submission of an estimate, dispute or complain of the statement of work in specifications, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

2d. Bidders will be required to complete the entire work to the satisfaction of the Department of Docks, and in substantial accordance with the specifications of the contract and the plans therein referred to. No extra compensation, beyond the amount payable for the work before mentioned, which shall be actually performed, at the price therefor, to be specified by the lowest bidder, shall be due or payable for the entire work.

The work to be done under the contract is to be commenced within five days after the date of the contract, and all the work to be done under this contract is to be fully completed on or before the 31st day of August, 1891, and the damages to be paid by the contractor for each day that the contract may be unfulfilled after the time fixed for the fulfillment thereof has expired, are, by a clause in the contract, determined, fixed and liquidated at Fifty Dollars per day.

Bidders will state in their estimates a price for the whole of the work to be done, in conformity with the approved form of agreement and the specifications therein set forth, by which price the bids will be tested. This price is to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay, from any cause, in the performing of the work thereunder. The award of the contract, if awarded, will be made to the bidder who is the lowest for doing the whole of the work and whose estimate is regular in all respects.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for doing the work.

The person or persons to whom the contract may be awarded will be required to attend at this office, with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect, and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and as in default to the Corporation; and the contract will be readvertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their estimates their names and places of residence, the names of all persons interested with them therein; and if no other person be so interested, the estimate shall distinctly state the fact; also, that the estimate is made without any connection with any other person making an estimate for the same work, and that it is in all respects fair, and without collusion or fraud; and also, that no member of the Common Council, head of a department, deputy chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed to by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or

residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract they will pay to the Corporation of the City of New York any difference between the sum to which said person or persons would be entitled on its completion and that which said Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work to be done by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of security required for the faithful performance of the contract. Such check or money must not be included in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Engineer-in-Chief or Naval Architect.

No estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

THE RIGHT TO DECLINE ALL THE ESTIMATES IS RESERVED, IF DEEMED FOR THE INTEREST OF THE CORPORATION OF THE CITY OF NEW YORK.

Bidders are requested, in making their bids or estimates, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the work, can be obtained upon application therefor at the office of the Department.

BOARD OF CITY RECORD.

OFFICE OF THE CITY RECORD,
NO. 2 CITY HALL,
NEW YORK, February 10, 1891.

PROPOSALS TO SUPPLY PRINTED,
LITHOGRAPHED OR STAMPED
FORMS, BLANKS, PAMPHLETS AND
STATIONERY, I. E., OFFICIAL WRIT-
ING PAPER AND ENVELOPES, TO
THE COURTS AND SEVERAL DE-
PARTMENTS OF THE GOVERNMENT
OF THE CITY OF NEW YORK.

TO PRINTERS AND LITHOGRAPHERS.

SEALED ESTIMATES FOR SUPPLYING THE
City Government with Printed or Lithographed
Forms, Pamphlets, and Stationery, I. E., Official Writing
Paper and Envelopes, etc., will be received at the office
of the Supervisor of the City Record, in the City Hall,
until 12 o'clock M. of Tuesday, the 24th day of Feb-
ruary, 1891. The said estimates will be publicly opened
and read at a meeting of the Board of City Record to be
held in the Mayor's office at or about the time above-
mentioned.

Each person making an estimate shall inclose it in
a sealed envelope, indorsed "Estimate for Furnishing
Printed, Lithographed or Stamped matter," and with
his name and the date of its presentation.

Each estimate shall state the name and place of resi-
dence of the person making it; if there is more than
one such person, their names and residences must be
given; and if only one person is interested in the esti-
mate it must distinctly state that fact; also, that it is
made without any connection with any other person
making an estimate for the same purpose, and is in all
respects fair and without collusion or fraud; and that
no member of the Common Council, head of a depart-
ment, chief of a bureau, deputy thereof or clerk therein,
or other officer of the Corporation is directly or in-
directly interested therein or in the supplies or work to
which it relates, or in any portion of the profits thereof.
The estimate must be verified by the oath, in writing, of
the party or parties making the estimate that the
several matters stated therein are in all respects true.
Where more than one person is interested it is requisite
that the verification be made and subscribed by all the
parties interested.

Each bid or estimate shall be accompanied by the con-
sent, in writing, of two householders or freeholders in
the City of New York, with their respective places of
business or residence, to the effect that if the contract
be awarded to the person making the estimate, they
will, upon its being so awarded, become bound as his
sureties for its faithful performance; and that if he
shall omit or refuse to execute the same, they will pay
to the Corporation any difference between the sum to
which he would be entitled upon its completion and that
to which the Corporation may be obliged to pay to the
person to whom the contract may be awarded at any sub-
sequent letting; the amount in each case to be calcu-
lated upon the estimated amount of the work by which
the bids are tested. The consent above mentioned shall
be accompanied by the oath or affirmation, in writing,
of each of the persons signing the same, that he is a
householder or freeholder in the City of New York, and
is worth the amount of the preliminary security re-
quired, and in the proposals stated, over and above all
his debts of every nature, and over and above his liabil-
ities as bail, surety and otherwise; and that he has
offered himself as a surety in good faith and with the
intention to execute the bond required by law. The
adequacy and sufficiency of the security offered will be
subject to approval by the Comptroller of the City of
New York after the award is made and prior to the sign-
ing of the contract.

The amount of security required upon the execution
of the contract will be in each case fifty per cent. of
the cost of the articles awarded to each contractor; the
amount of preliminary security to be given until each
award, and in which the sureties shall justify, shall be
TWO THOUSAND DOLLARS.

Should the person to whom the contract may be
awarded neglect or refuse to accept the contract within
five days after written notice that the same has been
awarded to his bid or proposal, and that the adequacy
and sufficiency of the security offered has been ap-
proved by the Comptroller, or if he accept but do not
execute the contract and give the proper security, he
shall be considered as having abandoned it and as in
default to the Corporation, and the contract will be re-
advertised and relet, as provided by law.

No estimates will be accepted from, or a contract
awarded to, any person who is in arrears to the Cor-
poration upon debt or contract, or who is a defaulter,
as surety or otherwise, upon any obligation to the Cor-
poration, and no estimates will be accepted from, or a
contract awarded to, any person not having at the time of
making his estimate, full, suitable and sufficient facili-
ties for performing the work specified in his estimate.

No estimate will be received or considered unless ac-
companied by either a certified check upon one of the
National or State banks of the City of New York, drawn
to the order of the Comptroller, or money to the amount
of fifty per centum of the amount of the preliminary
security required for the faithful performance of the
contract. Such check or money must not be inclosed in
the sealed envelope containing the estimate, but must be
deposited in said box until such check or money has
been examined by said Supervisor and found to be cor-
rect. All such deposits, except that of the successful
bidder, will be returned to the persons making the same
within three days after the contract is awarded. If the
successful bidder shall refuse or neglect, within five
days after notice that the contract has been awarded to
him, to execute the same, the amount of the deposit
made by him shall be forfeited and retained by the
City of New York as liquidated damages for such
neglect or refusal; but if he shall execute the contract
within the time aforesaid, the amount of his deposit
will be returned to him.

Permission will not be given for the withdrawal of any
bid or estimate, and the right is expressly reserved by
the undersigned city officers to reject any or all bids
which may be deemed prejudicial to the public interests.

A contract will be made with the lowest bidder for all
the printing, lithographing or stamping required by any
department or court—all the District Courts being con-
sidered as one, the blanks, etc., being similar—unless
there be an item involving more than five hundred
dollars, or several items each involving the expenditure
of a like sum, in which case a contract or contracts will
be made with the lowest bidder or bidders on such item
or items, and the contract for the remainder of the work
for the department will be awarded to the bidder ascer-
tained to be lowest after the deduction of such item or
items. The bids must, therefore, be in detail on the
several items required for a department or court.

The printed or lithographed blanks, etc., must be
folded, and be put up in packages by the contractors,
according to the directions of the Supervisor of the City
Record, and the contractors must complete the delivery
of the goods at the office of the CITY RECORD within
fifty days from the execution of the contracts.

As many of the printed forms would be made worth-
less by typographical errors, or by mistakes in the pre-
paration of samples, proofs must be furnished, under an
agreement that the contractors shall not be expected to
make changes practically altering the character of forms.

Blanks, etc., must be dated "1891," unless otherwise
marked; but those of the Bureau of Assessments in the
Finance Department shall have only the date "1891."

Particular care must be taken that the names of the
present incumbents of offices are put upon the blanks,
etc., as, for instance, DeLancey Nicoll, District Attor-

ney; John J. Gorman, Sheriff; Leonard A. Giegerich,
County Clerk, and Louis J. Heintz, Commissioner of
Street Improvements.

The delivery of the work must begin within five days
from the execution of the contracts, and be continued in
such a manner that the immediate needs of the Depart-
ments shall be supplied.

to the Corporation.
