The 917 deaths represent a death-rate of 25.28, against 19.37 for the previous week and 29.44 for the corresponding week of 1892.

Contagious and infectious diseases show a considerable increase, the number of cases reported of diphtheria, measles, scarlet fever, typhoid fever, typhus fever and small-pox being respectively 130, 173, S1, 11, 3 and 5, against 119, 161, 63, 17, 2 and 7 for the previous week, a total of 403 against 369. The increase of diphtheria was mainly in the Eighth, Twelfth, Thirteenth, Eighteenth and Nineteenth Wards, and the decrease in the Seventh, Eleventh, Seventeenth and Twenty-third Wards. The increase of measles was chiefly in the Seventh, Tenth, Thirteenth, Seventeenth and Twenty-first Wards, and the decrease in the Twelfth, Fourteenth and Twenty-second Wards. The increase of scarlet fever was most marked in the Eighteenth, Nineteenth and Twenty-third Wards, and the decrease in the Twelfth and Twenty-there were above Fortieth street, and only one below Fourteenth street. Two of the 3 cases of typhus fever and 4 of the 5 cases of small-pox were below Fourteenth street, 3 of the latter in the Sixth Ward. Sixth Ward.

Architects."

3. No part of the building proper is to be outside of the limiting lines given in the diagram. Steps, terraces, approaches and areaways may be outside of that line, but not arcades, pavilions, porticos and such structures. The building may be as far inside of the limiting line as the competitor may fix.

4. No information will be furnished as to details of County Court-house, or other adjacent buildings.

5. The question "will there ever be wings connecting with the County Court-house "is not answered.

6. Questions as to duties of different offices, and their relation to each other are answered in the City Record of June 17, 1893.

6. Questions as to duties of different offices, and their relation to each other are answered in the CITY RECORD of June 17, 1893.

7. All drawings are to be rendered in India ink, and elevations and perspectives, as per samples, accompanying the "Instructions."

8. The term "Attic" is intended to mean the upper story of the building. Competitors must treat it according to their judgment.

9. No additions or changes have been made in the limiting lines.

10. The utmost care will be taken that the letters addressed to the Mayor and the drawings shall be properly numbered, so as to refer to each other; but no guaranty will be given by the City.

11. The question as to who will be the judges is fully answered by reference to page 5, third paragraph of the "Instructions."

12. Alternate arrangement of parts of building "by flaps of tracing linen or paper" will not be considered. If alternate plans be submitted, each set must be complete in itself.

13. There is no limitation in regard to the height of building, but only as to basement. The limitation of stories will not be changed. The sidewalk is to be graded to suit the building.

14. No plans are called for of Mezzanine stories.

15. Statuary or other sculptural decorations are optional with the competitors.

16. Accommodations for Board of Aldermen are provided for in the "Instructions," page 9, "Common Council."

17. The diagram drawn to scale is deemed sufficient for the purpose of competitors' plans, both as to lines and angles.

17. The diagram drawn to scale is deemed sufficient for the purpose of competitors' plans, both as to lines and angles.

18. The sizes prescribed for drawings will not be changed. "Antiquarian" Whatman paper is 31" x 53" New York, July 19, 1893.

PLANS FOR A MUNICIPAL BUILDING IN THE CITY OF NEW YORK.

NOTICE TO ARCHITECTS.

IN ACCORDANCE WITH THE PROVISIONS of chapter 299 of the Laws of 1890, entitled "An act to amend chapter 323 of the Laws of 1888, entitled "An act to provide for the erection of a building for certain purposes relating to the public interests in the City of New York," and chapter 414 of the Laws of 1892, amending the same, the Board of Commissioners thereby constituted will, until 12 o'clock w. the first day of September, 1893, receive plans and specifications for a New Municipal Building, provided for in said statutes, to be erected in the City Hall Park.

ro inches.

In the examination and judgment of the designs the Board of Commissioners will be assisted by a committee to be selected by the said Board from a list norninated by the New York Chapter of the American Institute of Architects and the Architectural League of New York. This committee will consist of three competent architects who do not take part in the competition.

Five equal premums, of two thousand dollars each, shall be awarded to the authors of the designs adjudged by the Board of Commissioners to be the second, thrd, fourth, fifth and sixth, best, of those submitted, and the author of the designs adjudged to be the first best by the said Board of Commissioners will be appointed Architect for the construction of the building, provided his professional standing is such as to guarantee a proper discharge of his duties. He will be paid a commission on the total cost of the work, namely, five per cent, on the first \$1,000,000 of the cost, four per cent, on the second \$1,000,000 and three per cent, on the remainder.

Each set of drawings is to be accompanied by a brief specification of the materials proposed to be employed, and of the mode of construction and of heating and ventilation to be adopted, and of the manner of lighting.

An approximate estimate of the cost of the building is also to be submitted.

No plans or papers submitted are to have upon them any mark by which they can be known, but there shall be sent with them a sealed letter, addressed in type-writing, to the Mayor, giving the author's name and address. This letter will not be opened until the awards shall have been made. The drawings and papers will be known by numbers corresponding with numbers given to the letters.

The conditions under which this competition is to be conducted and the requirements of the Board are described in a paper entitled "Instructions to Architects" which may be obtained, on application, at the Computoller, CHOMAS C. PROPOSALS FOR ESTIMATES FOR FURNISH-ING GRANITE STONES FOR BULKHEAD OR RIVER WALL.

ESTIMATES FOR FURNISHING GRANITE Stones for Bulkhead or River Wall will be received by the Board of Commissioners at the head of the Department of Docks, at the office of said Department, on Pier "A," foot of Battery place, North river, in the City of New York, until 110'clock A. M. of

THURSDAY, AUGUST 3, 1898,

at which time and place the estimates will be publicly opened by the head of said Department. The award of the contract, if awarded, will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the work shall furnish the same in a sealed envelope to said Board, at said office, on or before the day and hour above named, which enveloped shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

The bidder to whom the award is made shall give security for the faithful performance of the contract, in the manner prescribed and required by ordinance, in the sum of Sixteen Thousand Dollars.

The Engineer's estimate of the work to be done is as follows:

the sum of Sixteen Thousand Dollars.

The Engineer's estimate of the work to be done is as follows:

To be furnished, cut in accordance with specifications. About 1,362 pieces of Granite, consisting of:
Class 1.—616 Headers and 626 Stretchers, containing about 24,923 cubic feet.
Class 2.—About 120 Coping-stones, containing about 9,600 cubic feet.
For further particulars, see the drawings referred to in the specifications forming part of the contract.

N. B.—As the above-mentioned quantities of cubic feet, though stated with as much accuracy as is possible, in advance, are approximate only, bidders are required to submit their estimates upon the following express conditions, which shall apply to and become a part of every estimate received:

1st. Bidders must satisfy themselves, by personal examination of similar stones now owned by the Department of Docks, and of the plans and by such other means as they may prefer, as to the accuracy of the foregoing Engineer's estimate, and shall not at any time after the submission of an estimate dispute or complain of the above statement of quantities, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

2d. Bidders will be required to complete the entire work to the satisfaction of the Department of Docks, and in substantial accordance with the specifications of the contract and the plans therein referred to. No extra compensation, beyond the amount payable for the work before mentioned, which shall be actually performed, at the price therefor, per cubic foot, to be specified by the lowest bidder, shall be due or payable for the entire work.

The first delivery of granite under this contract will be made as soon as practicable after the date of the

the lowest bidder, shall be due or payable for the charact work.

The first delivery of granite under this contract will be made as soon as practicable after the date of the execution of this contract, and will proceed thereafter with reasonable dispatch, and all the work to be done under this contract is to be fully completed on or before the 1st day of November, 1893, and the amounts in each delivery are to be divided between the several classes, as ordered by the Engineer-in-Chief. The damages to be paid by the contractor for each day that the contract may be unfulfilled after the time fixed for the fulfillment thereof has expired, are, by a clause in the contract, determined, fixed and liquidated at Fifty Dollars per day.

day.

Bidders will state in their estimates the price per cubic foot for the stones to be furnished, in conformity with the approved form of agreement and the specifications therein set forth, by which price the bids will be tested. This price is to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay, from any cause, in the performing of the work thereunder.

under.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for doing the work.

figures, the amount of their estimates for doing the work.

The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect; and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and as in default to the Corporation, and the contract will be readvertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their estimates their names and places of residence; the names of all persons interested with them therein; and if no other person be so interested, the estimate shall distinctly state the fact; also, that the estimate is made without any connection with any other person making an estimate for

the same work, and that it is in all respects fair and without collusion or franci ; and also, that no member of the Common Council, head of a department, chief of a bream, deep the Corporation, of clerk therein, of the corporation, is directly or indirectly interested therein are in the supplies or fair to which it exists a common council, head of the corporation of the party making the verified by the oath, in writing, of the party making the verified by the oath, in writing, of the party making the verified by the oath, in writing, of the party making the verified by the oath, in writing, of the party making the verified by the oath, in writing, of the party stated therein are in all respects writing, of the parties interested, it is requisite that the verification be made and subscribed to by all the parties interested.

At least one hundred and fifty thousand feet, board measure, of the timber is to be delivered within sixty days, Sundays and holidays excepted, from the date of the contract, and at least two hundred thousand feet, board measure, of the timber is to be delivered in each calendar month after said sixty days have expired, and all the timber to be delivered under this contract is to be delivered on or before December 13, 1893, and the damages to be paid by the contractor for each day that the contract may be unfulfilled after the time fixed for the fulfillment thereof has expired are, by a clause in the contract, determined, fixed and liquidated at Fifty Dollars per day.

Bidders will state in their estimates a price per

Fifty Dollars per day.

Bidders will state in their estimates a price per thousand feet, board measure, for yellow pine timber to be delivered in conformity with the approved form of agreement and the specifications therein set forth, by which price the bids will be tested. This price is to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay, from any cause, in the receiving of the material by the Department of Docks.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for furnishing this material.

The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect; and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and as in default to the Corporation; and the contract will be readvertised and relet, and so on until it be accepted and executed.

Bidders are required.

Bidders are required to state in their estimates their names and places of residence; the names of all persons interested with them therein; and if no other person be so interested, the estimate shall distinctly state the fact; also, that the estimate is made without any connection with any other person making an estimate for the same work, and that it is in all respects fair, and without collusion or fraud; and also, that no member of the Common Council, head of a department, chief of abureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed to by all the parties interested.

Each estimate shall be accompanied by the consent in

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York any difference between the sum to which said person or persons would be entitled upon its completion and that which said Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the material to be delivered by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

TO OWNERS OF LANDS ORIGINALLY ACQUIRED BY WATER GRANTS.

ACQUIRED BY WATER GRANTS.

A TTENTION IS CALLED TO THE RECENT which provides that whenever any streets or avenues in the city, described in any grant of land under water, from the Mayor, Aldermen and Commonalty containing covenants requiring the grantees and their successors to pave, repave, keep in repair or maintain such streets, shall be in need of repairs, pavement or repavement, the Common Council may, by ordinance, requirthe same to be paved, repaved or repaired, and the expense thereof to be assessed on the property benefited; and whenever the owner of a lot so assessed shall have paid the assessment levied for such paving, repaving or repairing, such payment shall release and discharge such owner from any and every covenant and obligation as to paving, repaving and repairing, contained in the water grant under which the premises are held, and no further assessment shall be imposed on such lot for paying, repaving or repairing such street or avenue, unless it shall be petitioned for by a majority of the owners of the property (who shall also be the owners of a majority of the property in frontage) on the line of the proposed improvement.

The act further provides that the owner of any such lot may notify the Commissioner of Public Works, in writing, specifying the ward number and street number of the lot that he desires, for himself, his heirs and assigns, to be released from the obligation of such covenants, and elects and agrees that said lot shall be thereafter liable to be assessed as above provided, and thereupon the owner of such lot, his heirs and assigns shall thenceforth be relieved from any obligation to pave, repair, uphold or maintain said street, and the lot in respect of which such notice was given shall be liable to assessment accordingly.

The Commissioner of Public Works desires to give the following explanation of the operation of this act:

When notice, as above described, is given to the Commissioner of Public Works, the owner of the lot or lots therein described, and his heirs and assigns, are forever released from all obligation under the grant in espect to paving, repaving or repairing the street in ront of or adjacent to said lot or lots, except one assessment for such paving, repaving or repairing the street in ront of or such paving, repaving or repairing, the feet of mon Council may, by ordinance, direct to be made thereatter.
