***COMMISSION DIRECTIVE REGARDING
TONNAGE SEMI-ANNUAL REPORTS DUE TO DSNY***

To: All Licensees and Class 1 Registrants of the Business Integrity Commission

It is time to complete the Department of Sanitation's (DSNY) Solid Waste and Recycling Semi-Annual Reports for 2020. You are required to complete two Solid Waste and Recycling Semi-Annual Reports for 2020: one for the period of January through June 2020 and the other one for the period of July through December 2020. Please complete the two forms separately and provide information about collection and disposal of refuse, construction and demolition debris, landscaping material, organics, and recyclables. Additionally, if you had no reportable tonnage for the periods of January to June 2020 and July to December 2020, please notify us in writing.

You must complete and return these forms to **DSNY** by email (BPBPCSurvey@dsny.nyc.gov) or mail (125 Worth Street, Room 732, New York, NY 10013, Attention: Private Carter Survey) no later than **June 30, 2021**. The timeframe for submitting the Solid Waste and Recycling Semi-Annual Reports for 2020 is shorter than prior years due to the pandemic.

If you have any questions regarding any aspect of this Directive, please contact the Department of Sanitation at BPBPCSurvey@dsny.nyc.gov or call (646) 885-4809.

This survey is being conducted as part of New York City's Solid Waste Management Study. The data you supply is a vital part of the study and will be used in formulating the City's comprehensive solid waste management plan. Thank you in advance for your cooperation.
